MIDTERM RETAKE ANNOUNCEMENTS

Unsuccessful Microscopy (i.e. CNS) midterms will have to be retaken in order to gain acceptance of the 3rd semester both in the ED II and EM II courses.

The retake exams are held during the 13th week. In case the first retake exam is again unsuccessful, a second retake will be held towards the end of the 13th week.

ED II AND EM II together

1st attempt **December 4. 16.00**

2nd attempt (*if necessary*) **December 8. 13.00**

Place: Anatomy lecture hall (*Lenhossék*)

Dr. Andrea D Székely
Associate Professor, Course Director
