

Requirements for application of CV course:

1. Applicant has fulfilled the active semester requirements by receiving the necessary signature of Anatomy, Histology and Embryology 1.
2. Only those students will be allowed to continue their studies (registering for Anatomy, Histology and Embryology 2) whose average score of the midterm tests (Gross anatomy of the upper limb and Histology and Embryology tests) is equal, or higher than 2.00.
3. All applicants need to **fill the "CV course application" form** (could be found at the anatomy website) and pass it to the Secretariat of Anatomy Department (2<sup>nd</sup> floor, west wing).

In case of supported application, the final consideration is made by the English Secretariat.

The CV Exams will be held at the very beginning of the summer exam period.

For further details, please consult the Calendar 2017/2018.

Sándor Katz M.D., Ph.D.

Assistant Professor

Tutor of the English Medical Course
