

TRANSFER TO FACULTY OF MEDICINE, DENTISTRY AND PHARMACY

Those who have a Hungarian passport or citizenship, including dual citizens, are not allowed to apply for the English language programs.

Transfer from abroad

Admission to an upper year from abroad is not possible. Applicants can apply for admission to the first year. For information on application process and entrance exam please read the Bulletin:

http://semmelweis.hu/english/files/2019/01/Semmelweis-English-Program-Bulletin-2019_final_20190130.pdf

After admission applicants may request acceptance of courses taken or completed at another university from the departments of Semmelweis University. Exemptions may be granted by the Educational Board of each Faculty on the basis of the department's written prior approval. Admitted students are informed about the details of exemption prior to registration in August each year. Visiting the departments for getting course acceptance after prior e-mail request to them is possible.

Transfer from another medical university in Hungary

Medicine/Dentistry: Transfer is allowed from the same faculty of another university after the completion of the theoretical or preclinical module (2nd or 3rd year), if the conditions of dismissal or exclusion do not apply.

Pharmacy: Transfer can be requested from the same faculty of another university after the completion of at least two semesters, if the conditions of dismissal or exclusion do not apply.

The condition of the transfer to all faculties is that the adjusted credit index of the applicant must be at least 3.51–4.00 in the two terms preceding the transfer.

Application will be examined by the Committees of the Faculties who will decide which subjects can be recognized, and in which year the student can start his/her studies. *

Transfer application form for students from another medical university in Hungary that lists the required documents can be found at

http://semmelweis.hu/english/files/2019/03/Transfer_application_form_2019.pdf

* Students applying for the 4th year to Faculty of Medicine probably need to complete catch-up year

Applicants for Faculty of Dentistry and Faculty of Pharmacy have to visit the concerned departments at Semmelweis University to request acceptance of courses taken, completed at another university. (The teaching administration of each department deals with this case only after prior e-mail request.) Besides application documents these students have to hand in subject accreditation form filled also by the departments.

All documents needed for application should be submitted to the English Secretariat by July 15.

Admission Procedure Fee USD 350 is payable to the bank account of Semmelweis University. Account details of Semmelweis University are as follows:
