

## Application Notice and Guide

### The 2019/2020 Annual **Erasmus+ Student Mobility Placement** (6<sup>th</sup> year rotation) Scholarship

Semmelweis University is pleased to announce its Erasmus+ scholarships for the 2019/2020 academic year.

#### 1. What is Erasmus+?

Erasmus+ is the new EU programme for Education, Training, Youth and Sport for 2014-2020, starting in January 2014. Erasmus+ aims at boosting skills and employability, and modernising Education, Training and Youthwork. The seven year programme will have a budget of **€14.7 billion**. This represents a **40% increase** compared to current spending levels and shows the EU's commitment to investing in these areas.

Erasmus+ will provide **opportunities for over 4 million Europeans** to study, train, gain work experience and volunteer abroad. In addition to providing grants for individuals, Erasmus+ will support **transnational partnerships** among Education, Training and Youth institutions and organisations to foster cooperation and bridge the worlds of Education and work in order to tackle the skills gaps we are facing in Europe. It will also support national efforts to modernise Education, Training and Youth systems.

If you would like to know more about Erasmus+, please click: <http://ec.europa.eu/programmes/erasmus-plus/>

#### 2. General information

Student mobility for traineeship, the centrepiece of the Erasmus+ programme, enables students at higher education institutions to spend an integrated period of **study/internship** of between 2 months and 6 in another participating country.

#### 3. What are the objectives of student mobility?

- To enable students to benefit educationally, linguistically and culturally from the experience of learning in other European countries;
- To promote co-operation between institutions and to enrich the educational environment of host institutions;
- To contribute to the development of a pool of well-qualified, open-minded and internationally experienced young people as future professionals.

#### 4. Who can benefit?

Students registered at a higher education institution holding an [ERASMUS University Charter](#).

## 5. For how long can students go abroad?

**Traineeship opportunities:** your **traineeship** abroad can last from a minimum of 2 months to 6 months

## What are the preconditions?

### Student Mobility Placement - SMP

- The **traineeship** must be relevant for the degree-related learning and personal development needs and, wherever possible, be integrated in the study programme of the student.
- a **traineeship** should be carried out at any organisation (hospital, health institute) in an Erasmus+ Programme Country (with the exception of EU institutions, bodies and agencies).
- the **traineeship** must be organized on her/his own

## 6. What arrangements are made for the Erasmus+ students?

**Prior to their departure,** Erasmus+ students are provided with:

- A study agreement (grant agreement) covering the mobility period and signed between the student and his or her home higher education institution.
- A "Learning Agreement" setting out the programme of studies or traineeship to be followed, as approved by the student, the home and the host institution;

- The "[ERASMUS Student Charter](#)" setting out their rights and obligations with respect to his/her period of study abroad.

## 7. The scholarship

The scholarship is covered by a European Union grant. Although the scholarship amount varies according to the length of the exchange programme and the chosen host country, it tends to average approximately 500-600.-€/month. The exact amount is decided a few months prior to the programme's commencement, and depends on the European Union scholarship amount granted for that year.

## 8. Who may apply?

Students may apply for the Erasmus+ **traineeship** (6<sup>th</sup> year rotation) programme if they:

- are registered for full-time studies at Semmelweis University's Faculty of Medicine,
- are already registered for the 2018/2019 academic year.
- are Hungarian citizens, permanent residents of Hungary, students with refugee status, or possess a resident's permit for at least 6 months
- speak English or the language of the host country on at least an intermediate level

- possess exceptional academic and scientific abilities, participate in extracurricular activities  
Students may NOT apply for the Erasmus+ programme if they are in their final year, unless they do their final year in two years

## 10. Evaluation criteria

The University's goal to ensure that its most knowledgeable, talented, and driven students be given the opportunity to participate in this programme. As such, academic, scientific and professional achievements and participation in extracurricular activities are the most important criteria for selecting the winners.

The [ranking system](#) used is available on the "Scientific educational activities" form.

Erasmus status will be available just over 100 points

The final decisions will be made by an ad hoc committee made up of faculty leaders, and presided over by the Vice-Rector for International Affairs.

Applicants will receive written notice of the results. The distribution of placements will be determined at a separate distribution meeting.
