

# From bench to bedside

## Prospects of the EU-funded cancer research

### - CONFERENCE -

The general target of the international conference is to promote the exchange of experience between different bodies (companies, government, researchers, financiers) interested in cancer research, and to help improving the strategy of cancer research, which allows early ideas to evolve into efficient therapies (diagnostic, immunization, therapy etc.) for the yet dread diseases, and spreads new therapies as fast as possible.

#### Agenda of the conference:

9:00	Registration	
9:30	Present and future trends in cancer research and therapy	Dr. Orsolya CSUKA National Institute of Oncology
10:00	The Grid technique (CancerGrid FP6)	Prof Dr. Péter KACSUK MTA SZTAKI
10:20	New approach in cancer research (CancerGrid FP6)	Dr. Thierry LANGER Inte:Ligand
10:50	Coffee Brake	
11:05	Colon and Breast cancer Diagnostics (COBRED in FP6)	Prof. Dr. László TAKÁCS Biosystems International
11:35	Applications of kinase inhibitors in signal transduction therapy (INTACT FP6)	Dr. László ÓRFI Vichem Chemie / Semmelweis University
12:00	Panel discussion	Dr. Gábor PÖRZSE (moderator) Semmelweis University
12:25	Lunch	
13:15	EU-OPENSREEN European Infrastructure of Open Screening Platforms for Chemical Biology	Dr. Ronald FRANK Leibniz-Institut für Molekulare Pharmakologie im Vorschungsverbund Berlin e.V.
13:45	Healthcare research resources until 2013 in Hungary	Dr. Klára HORVÁTH National Office for Research and Technology
14:05	Activity and success of venture capital in healthcare research	Levente ZSEMBERY Biggeorge's NV Venture Capital
14:25	Closing	

#### Date and venue:

4 June 2010, 9,00 – 15,00

Novotel Budapest Congress Center (H-1123 Budapest Jagelló út 1-3., HUNGARY) [www.bcwtc.hu](http://www.bcwtc.hu)

#### Organising committee:

Prof. Dr. Miklós Kásler	Director, National Institute of Oncology
László Skultéty	Director, GKI-EKI Healthcare Res. Inst. Ltd.
Dr. András Vértes	President, GKI Economic Research Co.
Dr. Balázs Borsi	Researchmanager, GKI Economic Research Co.
Dr. Gábor Pörzse	Director, Semmelweis Grants and Project Financing Cons. Ltd.
Dr. István Bágyi	Director, Grants and IP, TargetEx
Dr. György Dormán	Head of Medicinal Chemistry, TargetEx

#### Technical information

- The attendance in the conference is **free of charge** (lunch is included), but due to limited capacity of the audience, **registration is required**. Please fill out the registration form enclosed and send it to the following e-mail address: [register.cancer.conf.bp@gmail.com](mailto:register.cancer.conf.bp@gmail.com)
- **Parking** places are available at the hotel at cost of **350 HUF/hour**.
- At any **questions**, please contact: [info.cancer.conf.bp@gmail.com](mailto:info.cancer.conf.bp@gmail.com).
- Updated **information** is available at [www.cancergrid.eu](http://www.cancergrid.eu)

The conference is organised by  
GKI Economic Research Co, GKI-EKI Healthcare Research Institute and TargetEx  
in cooperation within the 6th Framework Programme of the European Union.

The conference is partly supported by the European Commission  
under contract number LSHC-CT-2006-037559 (FP6 STREP, CancerGrid)
