

**IMPORTANT INFORMATION ABOUT THE REGISTRATION TO THE
PHARMACOLOGY COMPETITION FOR THE 4TH YEAR DENTISTRY STUDENTS
(Academic year 2018/2019, 2nd semester)**

DATE OF THE COMPETITION: May 17th 2018, Friday. The exact time will be announced later.

SCOPE OF THE COMPETITION: Multiple choice test of 50 questions from the whole Pharmacology. There will be only one correct answer to each question. The questions for medicine and dentistry students will be the same however dentistry students will be evaluated separately.

REGISTRATION TO THE COMPETITION:

Registration will be accepted from those who achieve **minimum 16 points out of 20 on both midterm test** this semester. The students must notify their pharmacology teachers about the registration after the midterms.

The competition is unified for the Hungarian, English and German students therefore there will be no separate first ten results by languages.

INCLUSION OF THE COMPETITION RESULTS INTO THE FINAL EXAM:

The best three students (positions 1-2-3) must answer to one of the three question and they are allowed to choose them. The next three students (positions 4-5-6) must answer to two of the three questions and they are allowed to choose them as in the case of the next 4 positions (7-8-9-10) the examiner will decide it.

Budapest, February 7th, 2019
