Prof. Dr. Ágoston Szél
Full Professor, Head of Department
Semmelweis University
Department Anatomy, Histology and Embryology

Date: _____

Dear Professor Szél,

I am writing you to ask for your kind permission to allow me to register for a CV (i.e. *exam only*) course in '*Anatomy, Histology and Embryology 1*' parallel to registering for the regular '*Anatomy, Histology and Embryology 2*' course.

During the present examination period I was not able to successfully pass the semifinal examination in *Anatomy 1*, therefore I request permission to sit for a belated examination in the end of the spring term, during the May/ June examination period.

I understand that only a successful examination in *Anatomy1* makes me eligible to take a semifinal examination in *Anatomy2*. Furthermore, I am fully aware of the fact that my request may only be supported in case the average of my midterm marks is at least 2.00.

Upper limb: _____ Histology and Embryology: _____ Average: _____

Thank you for considering my request.

Sincerely,
