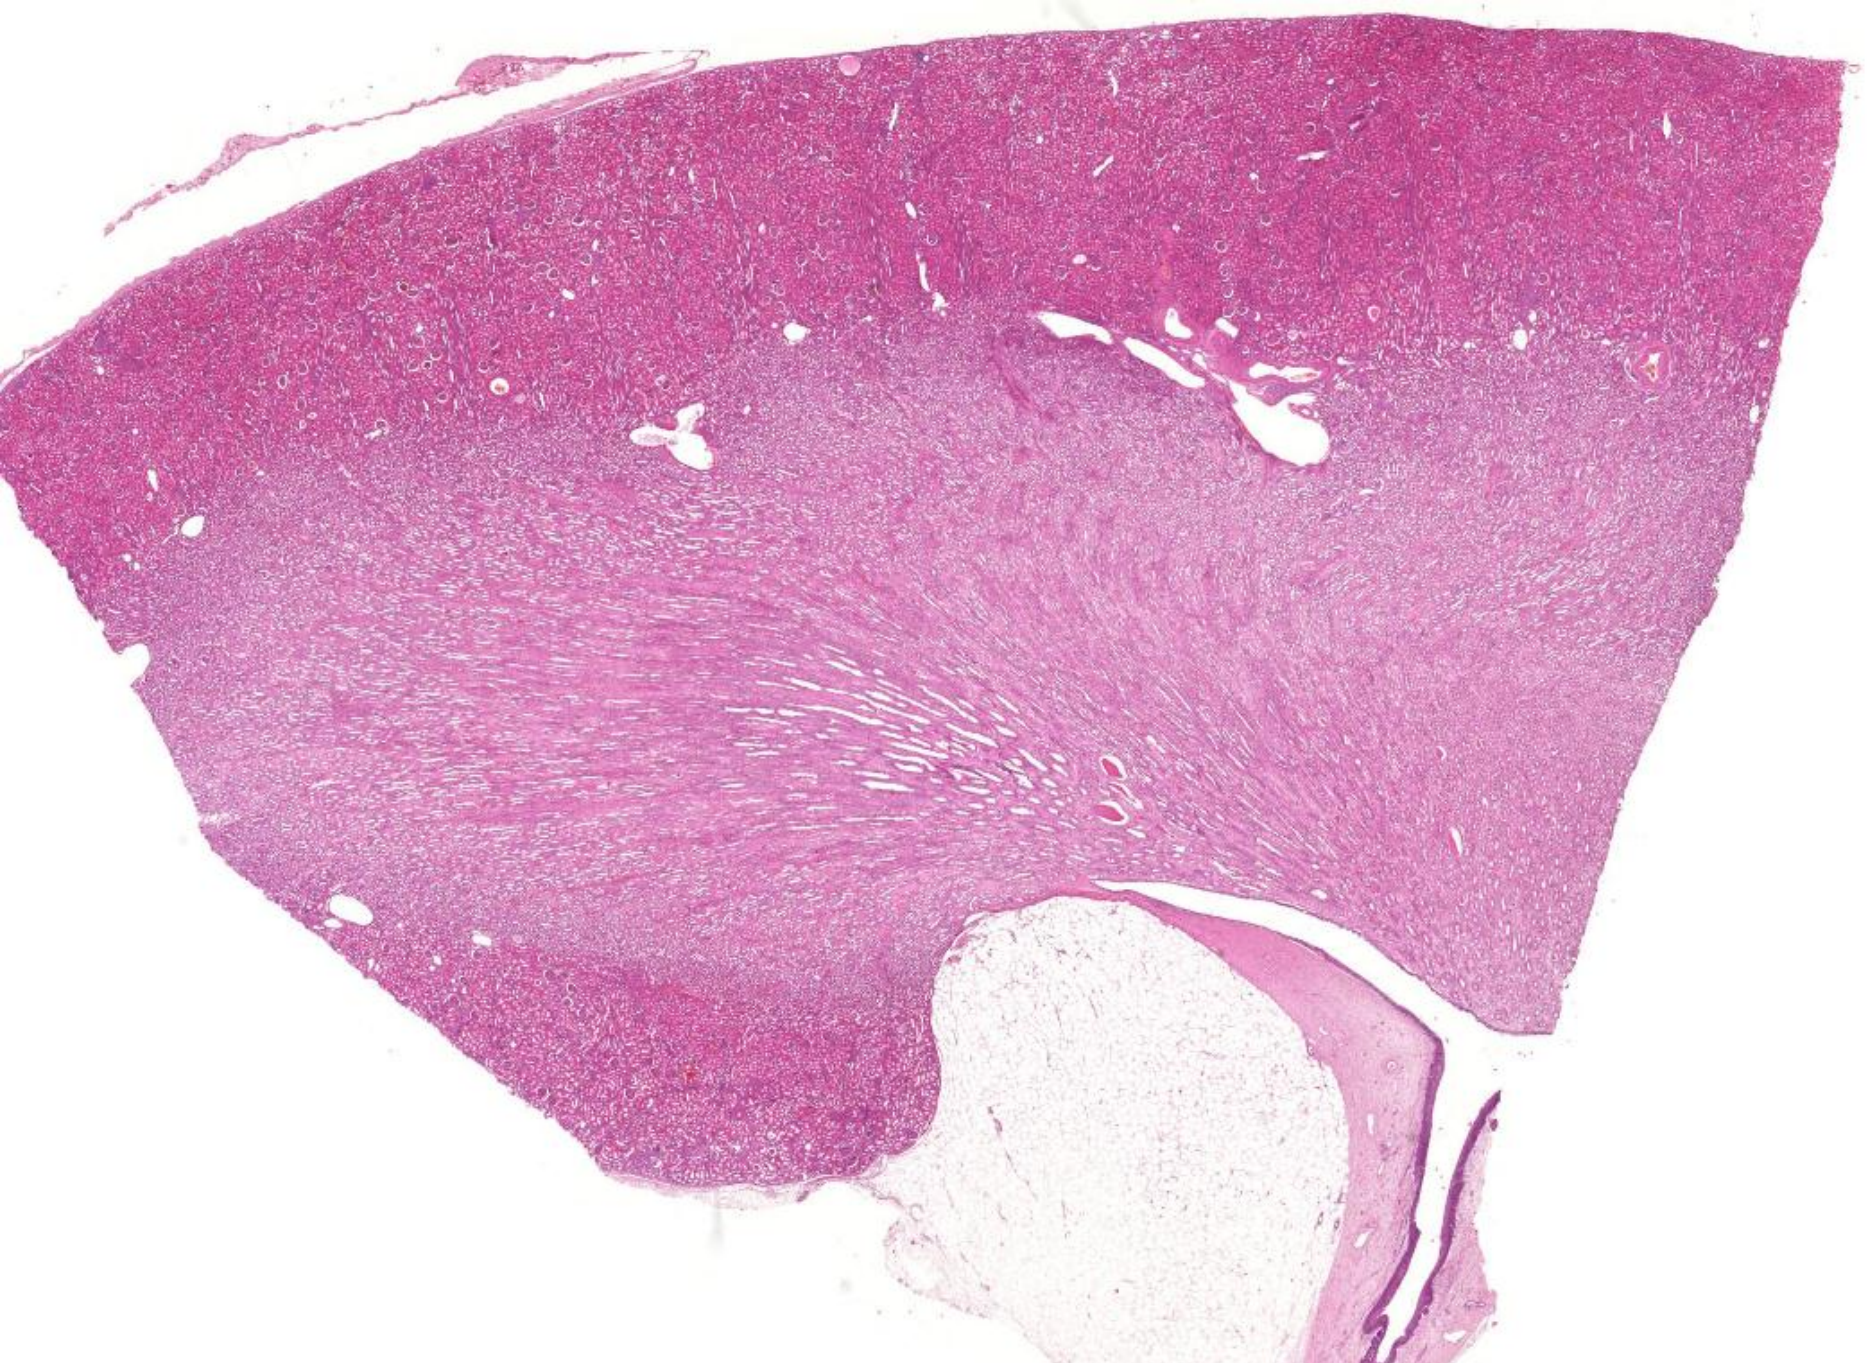
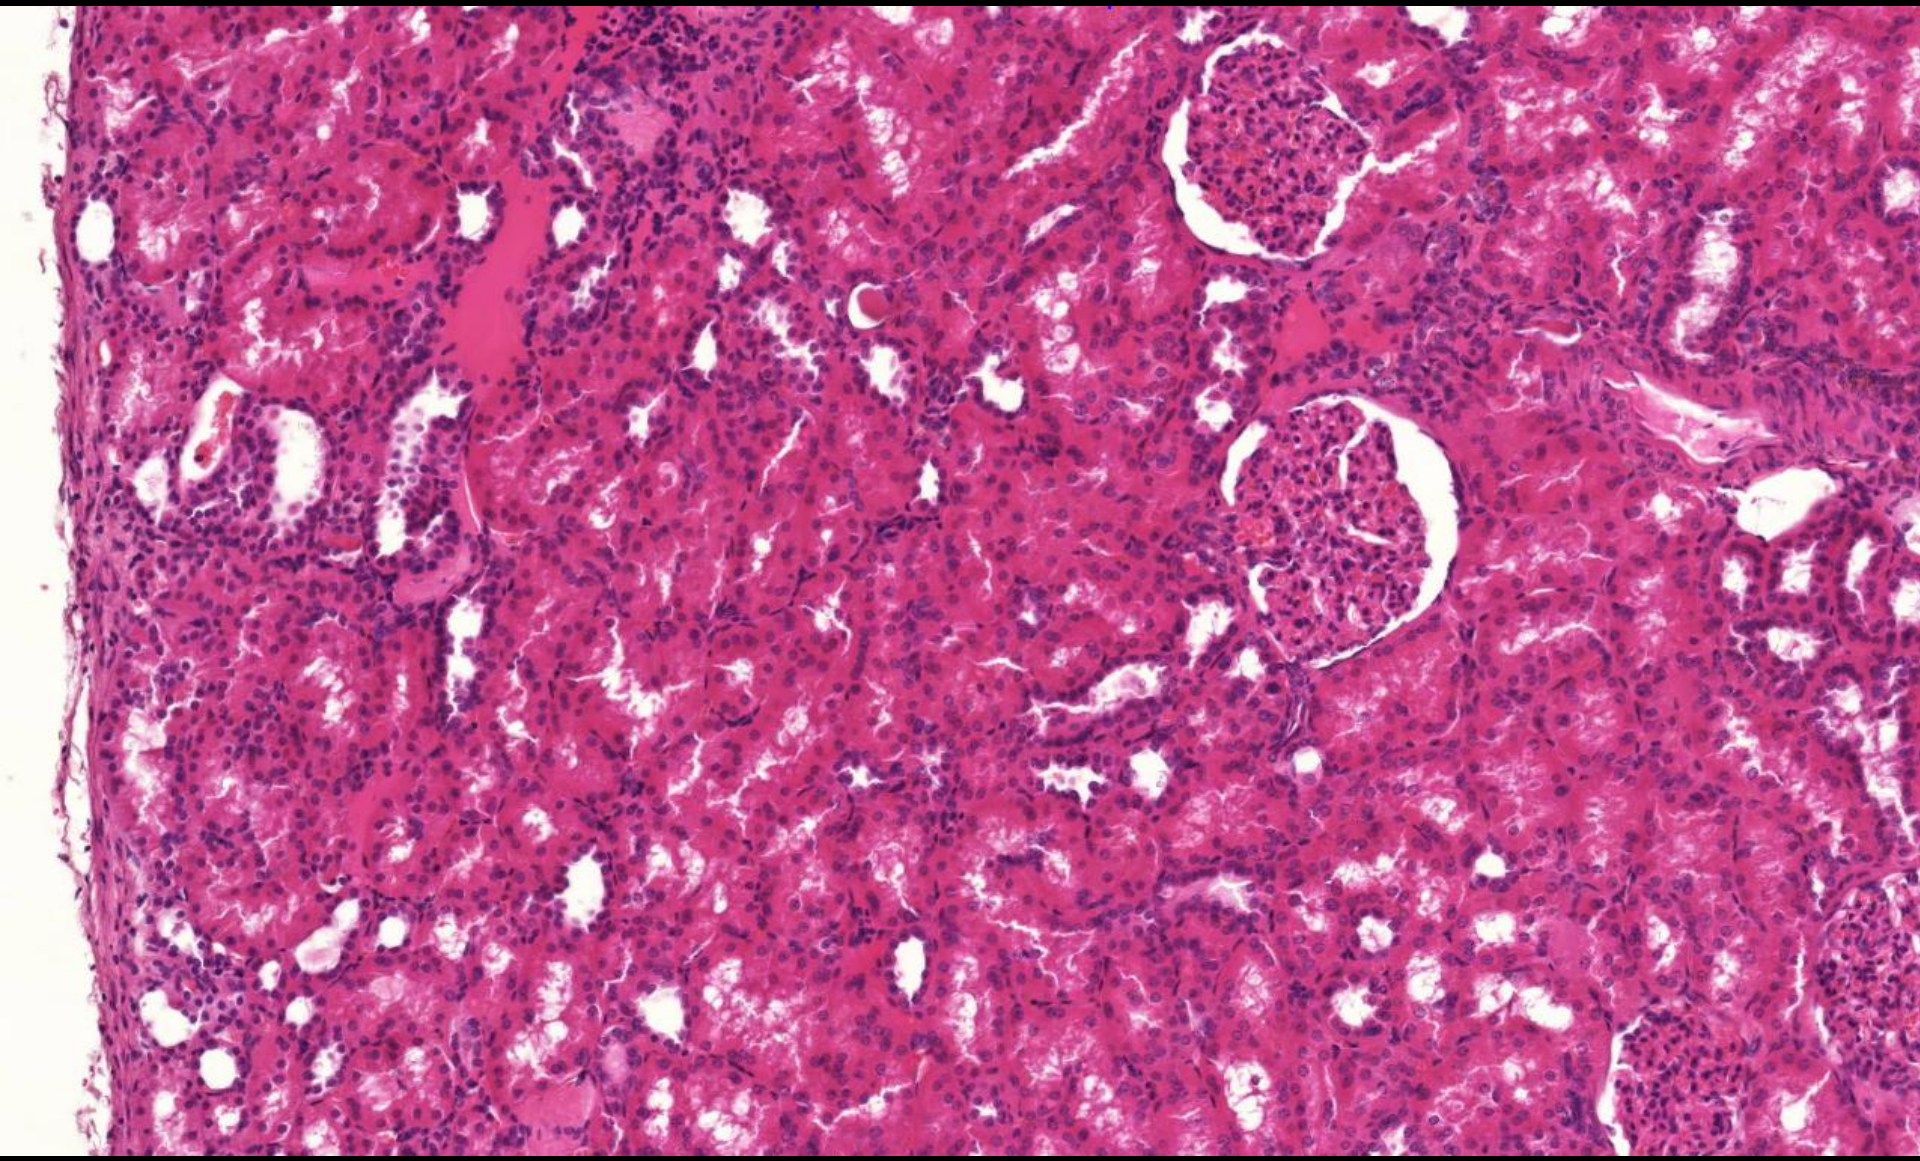
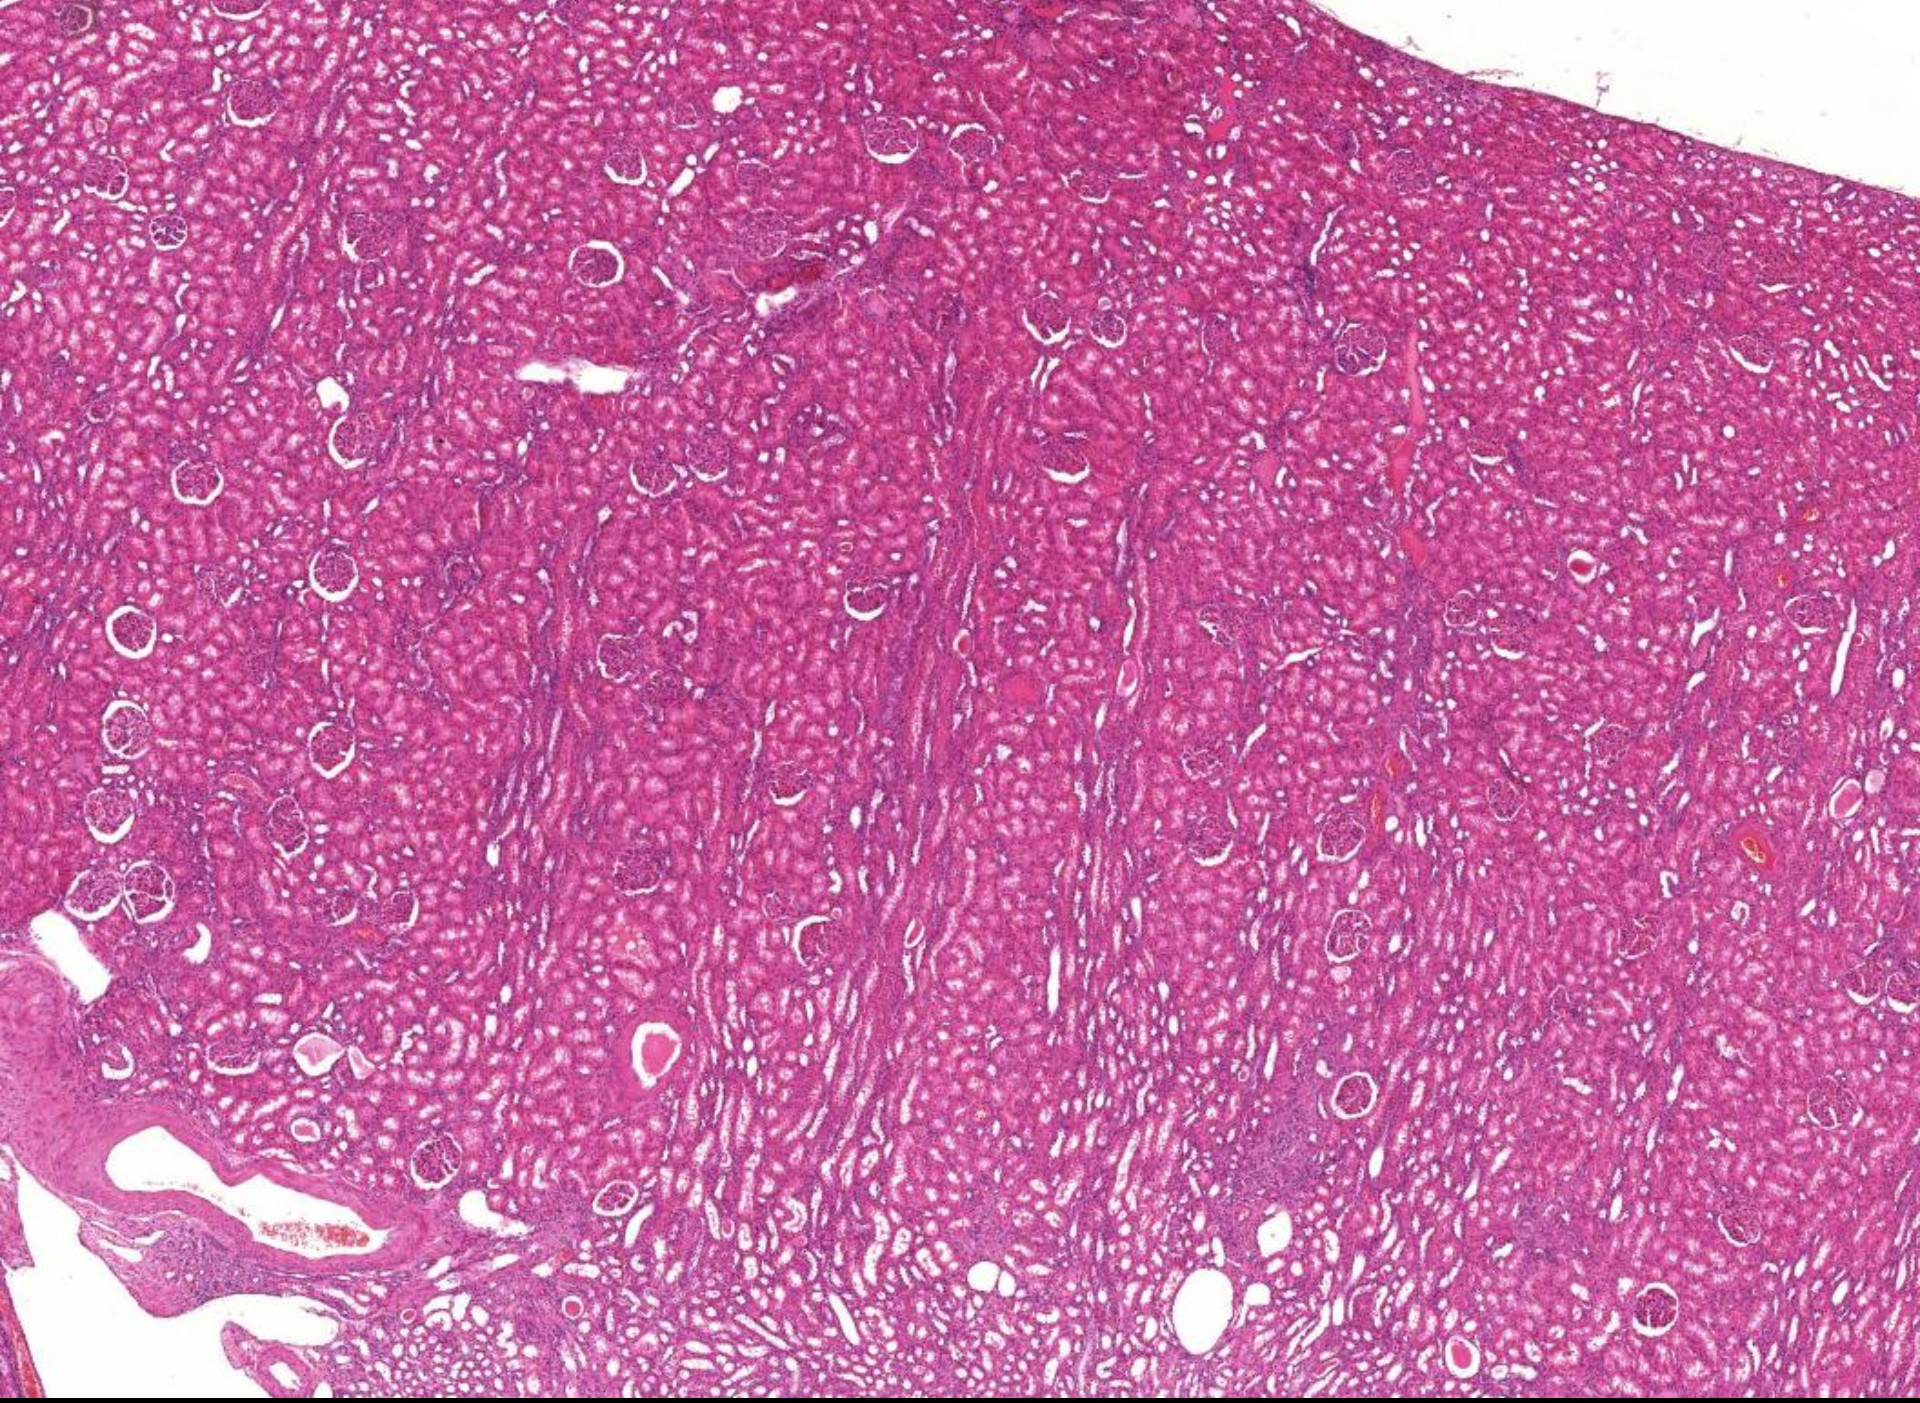
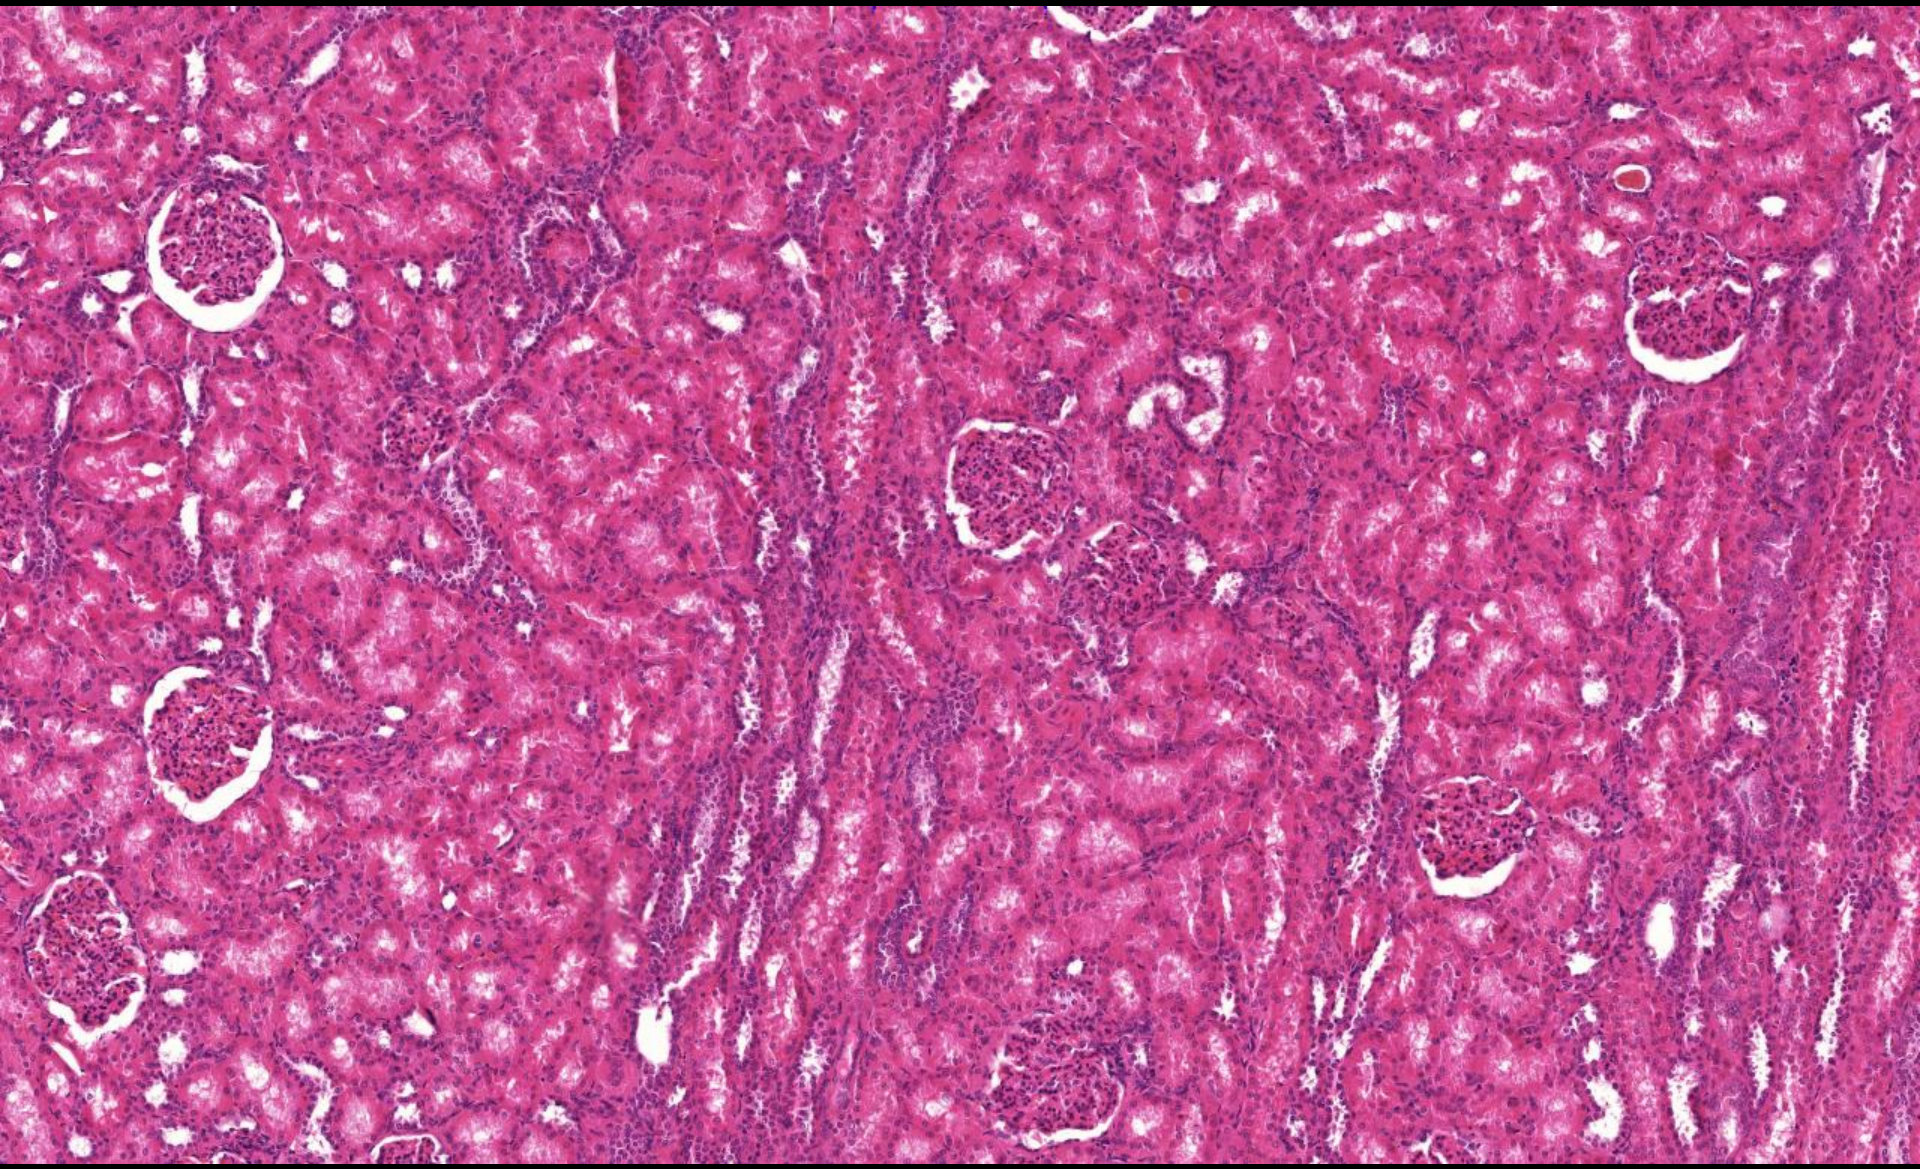
HISTOLOGY

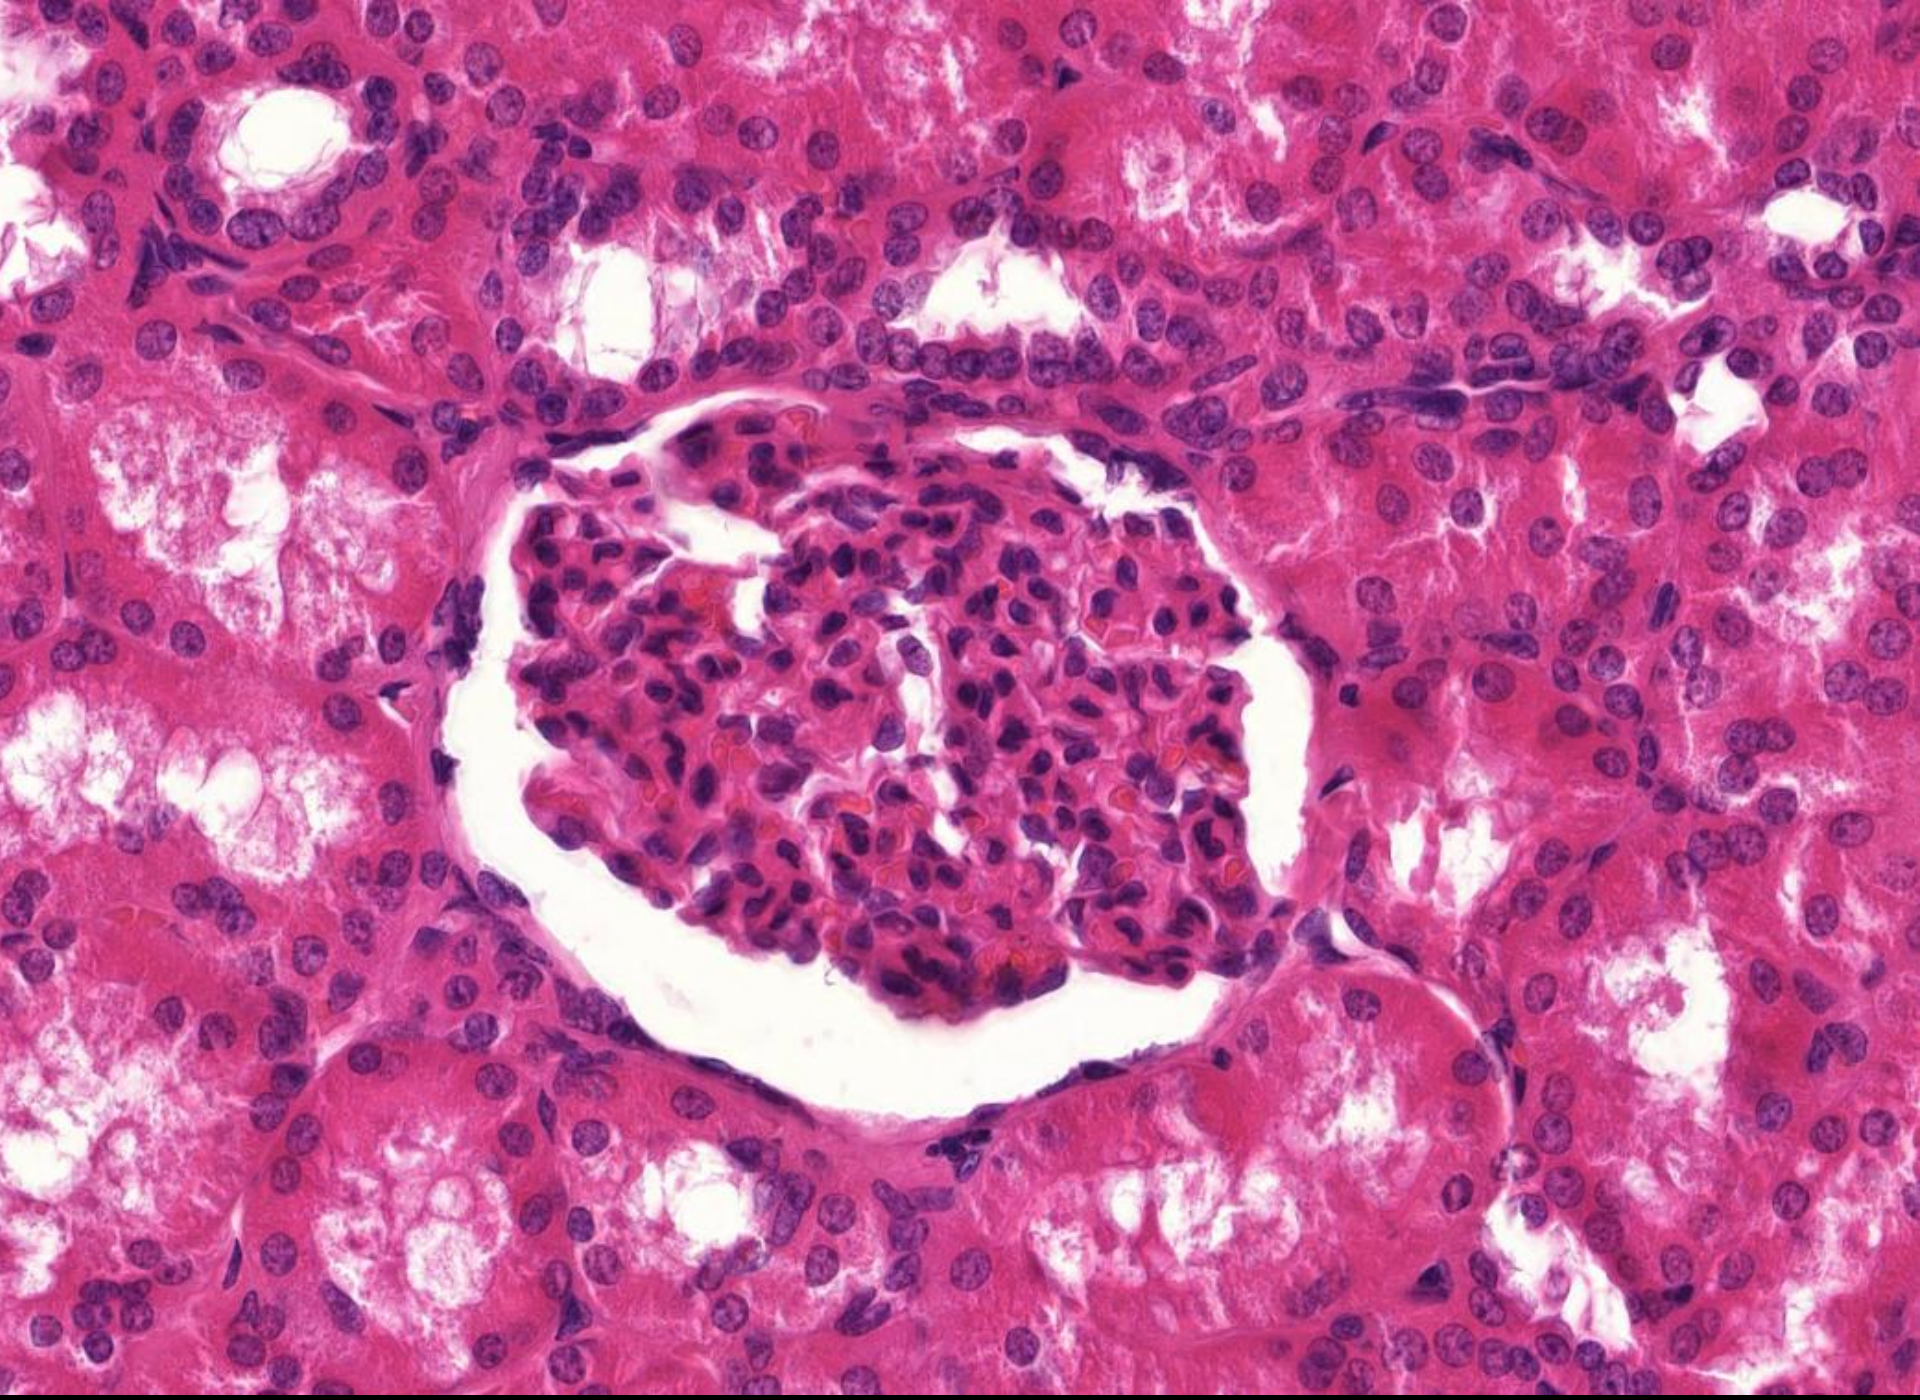
Kidney

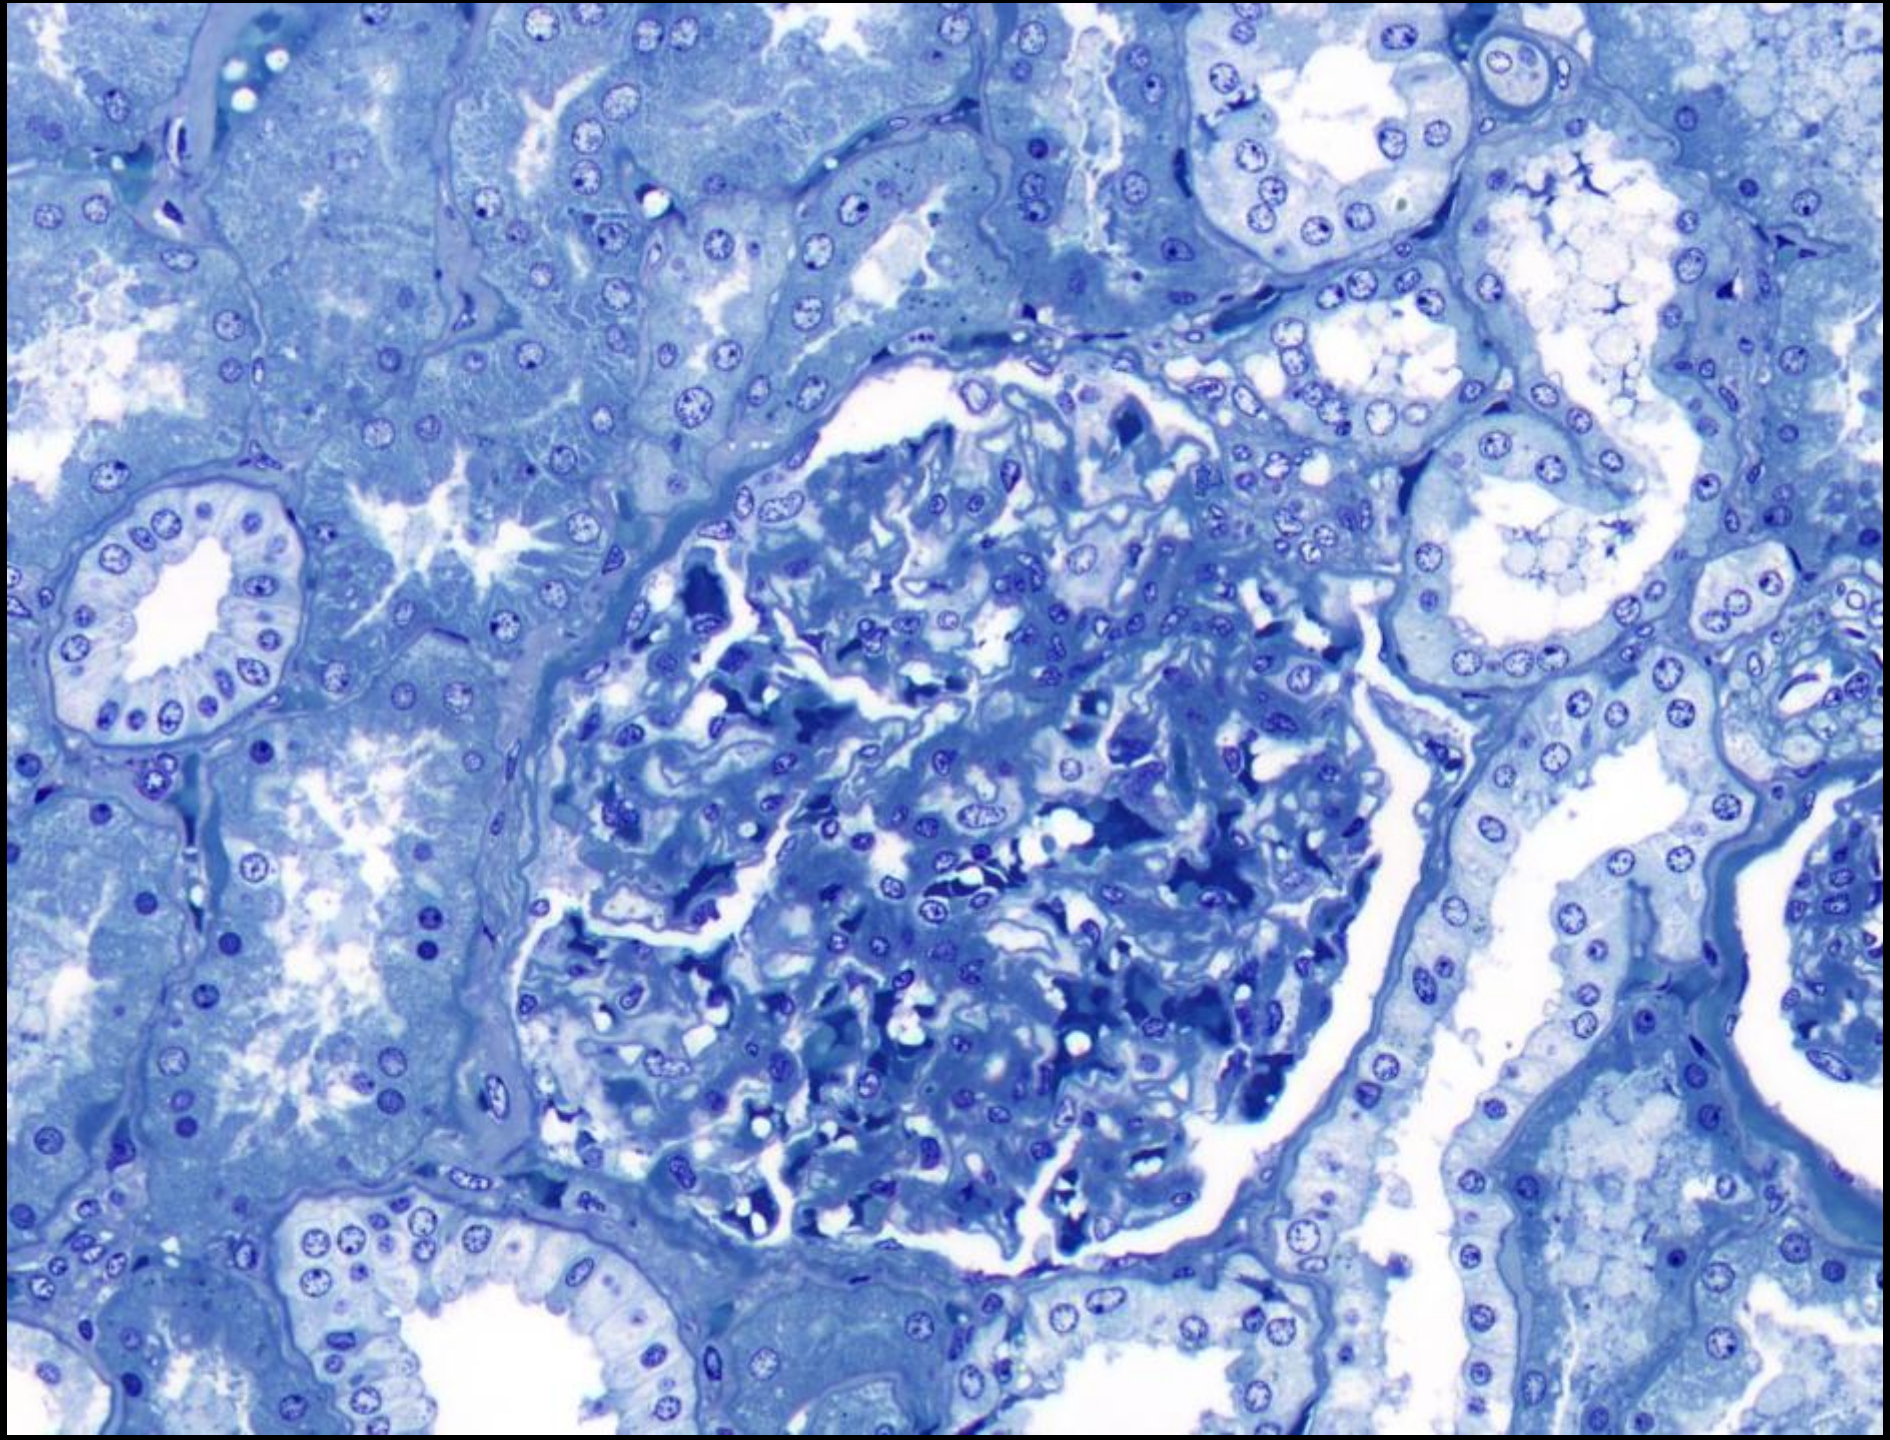


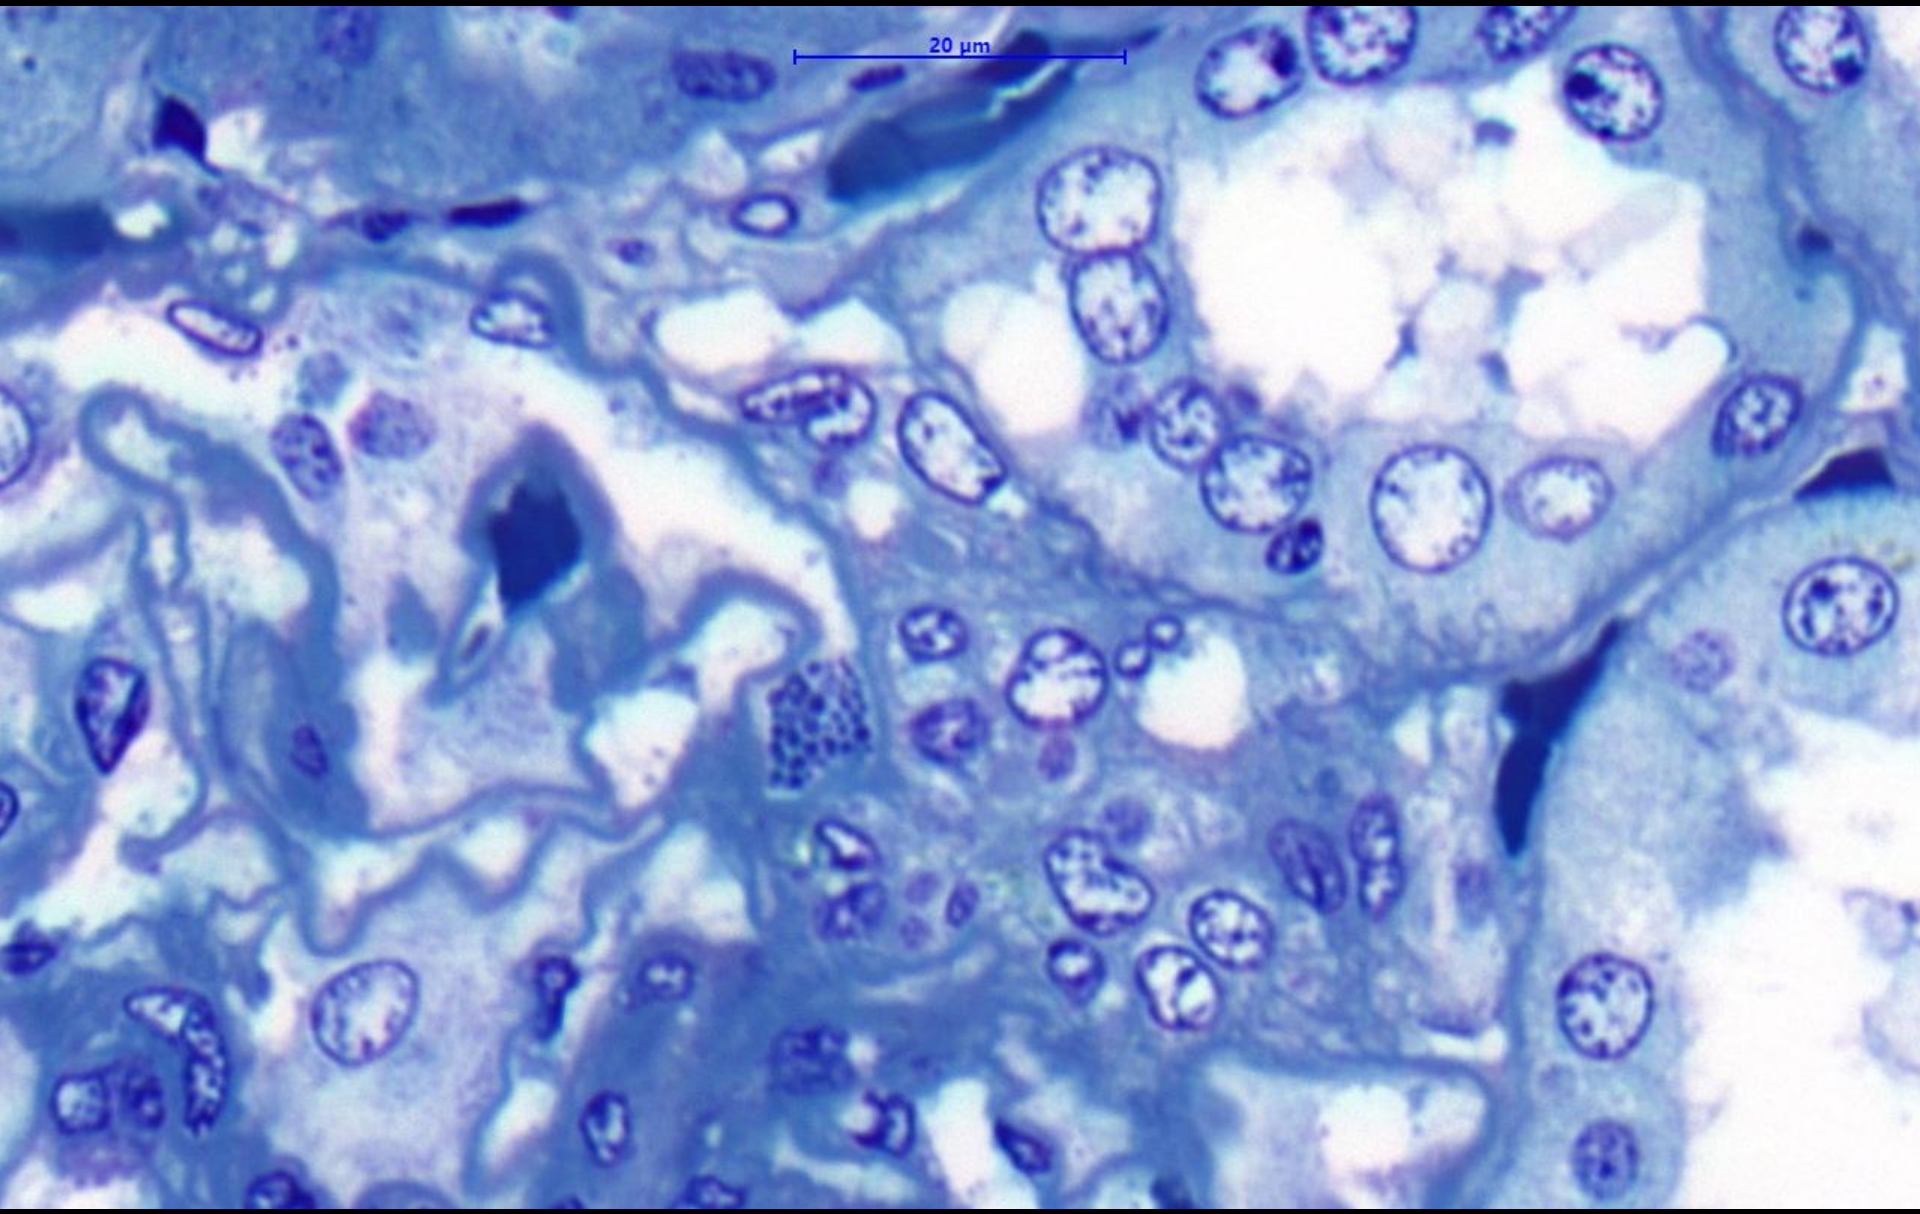




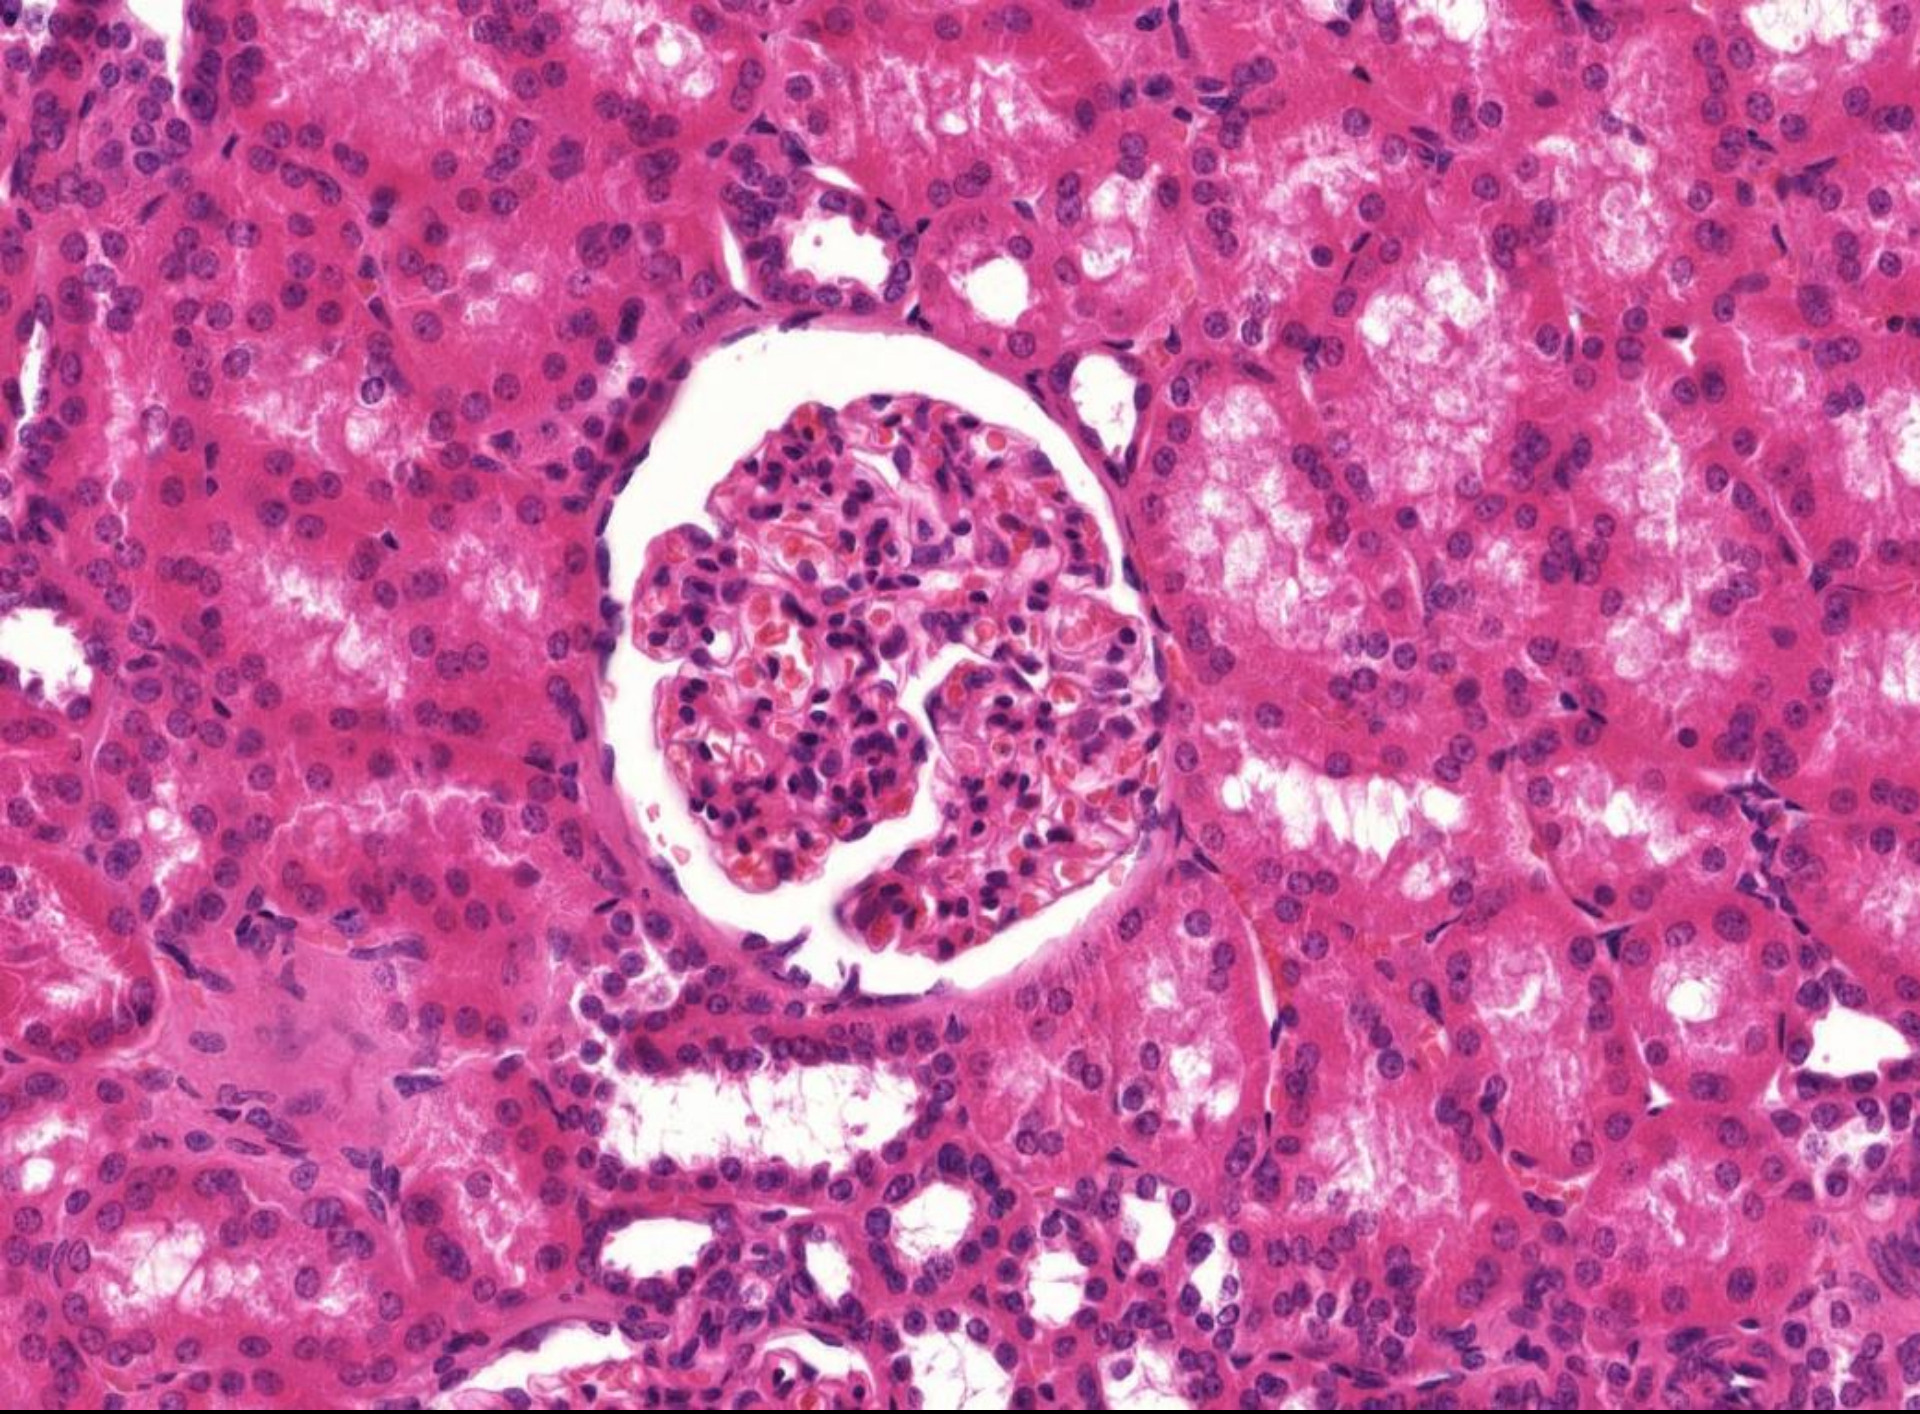


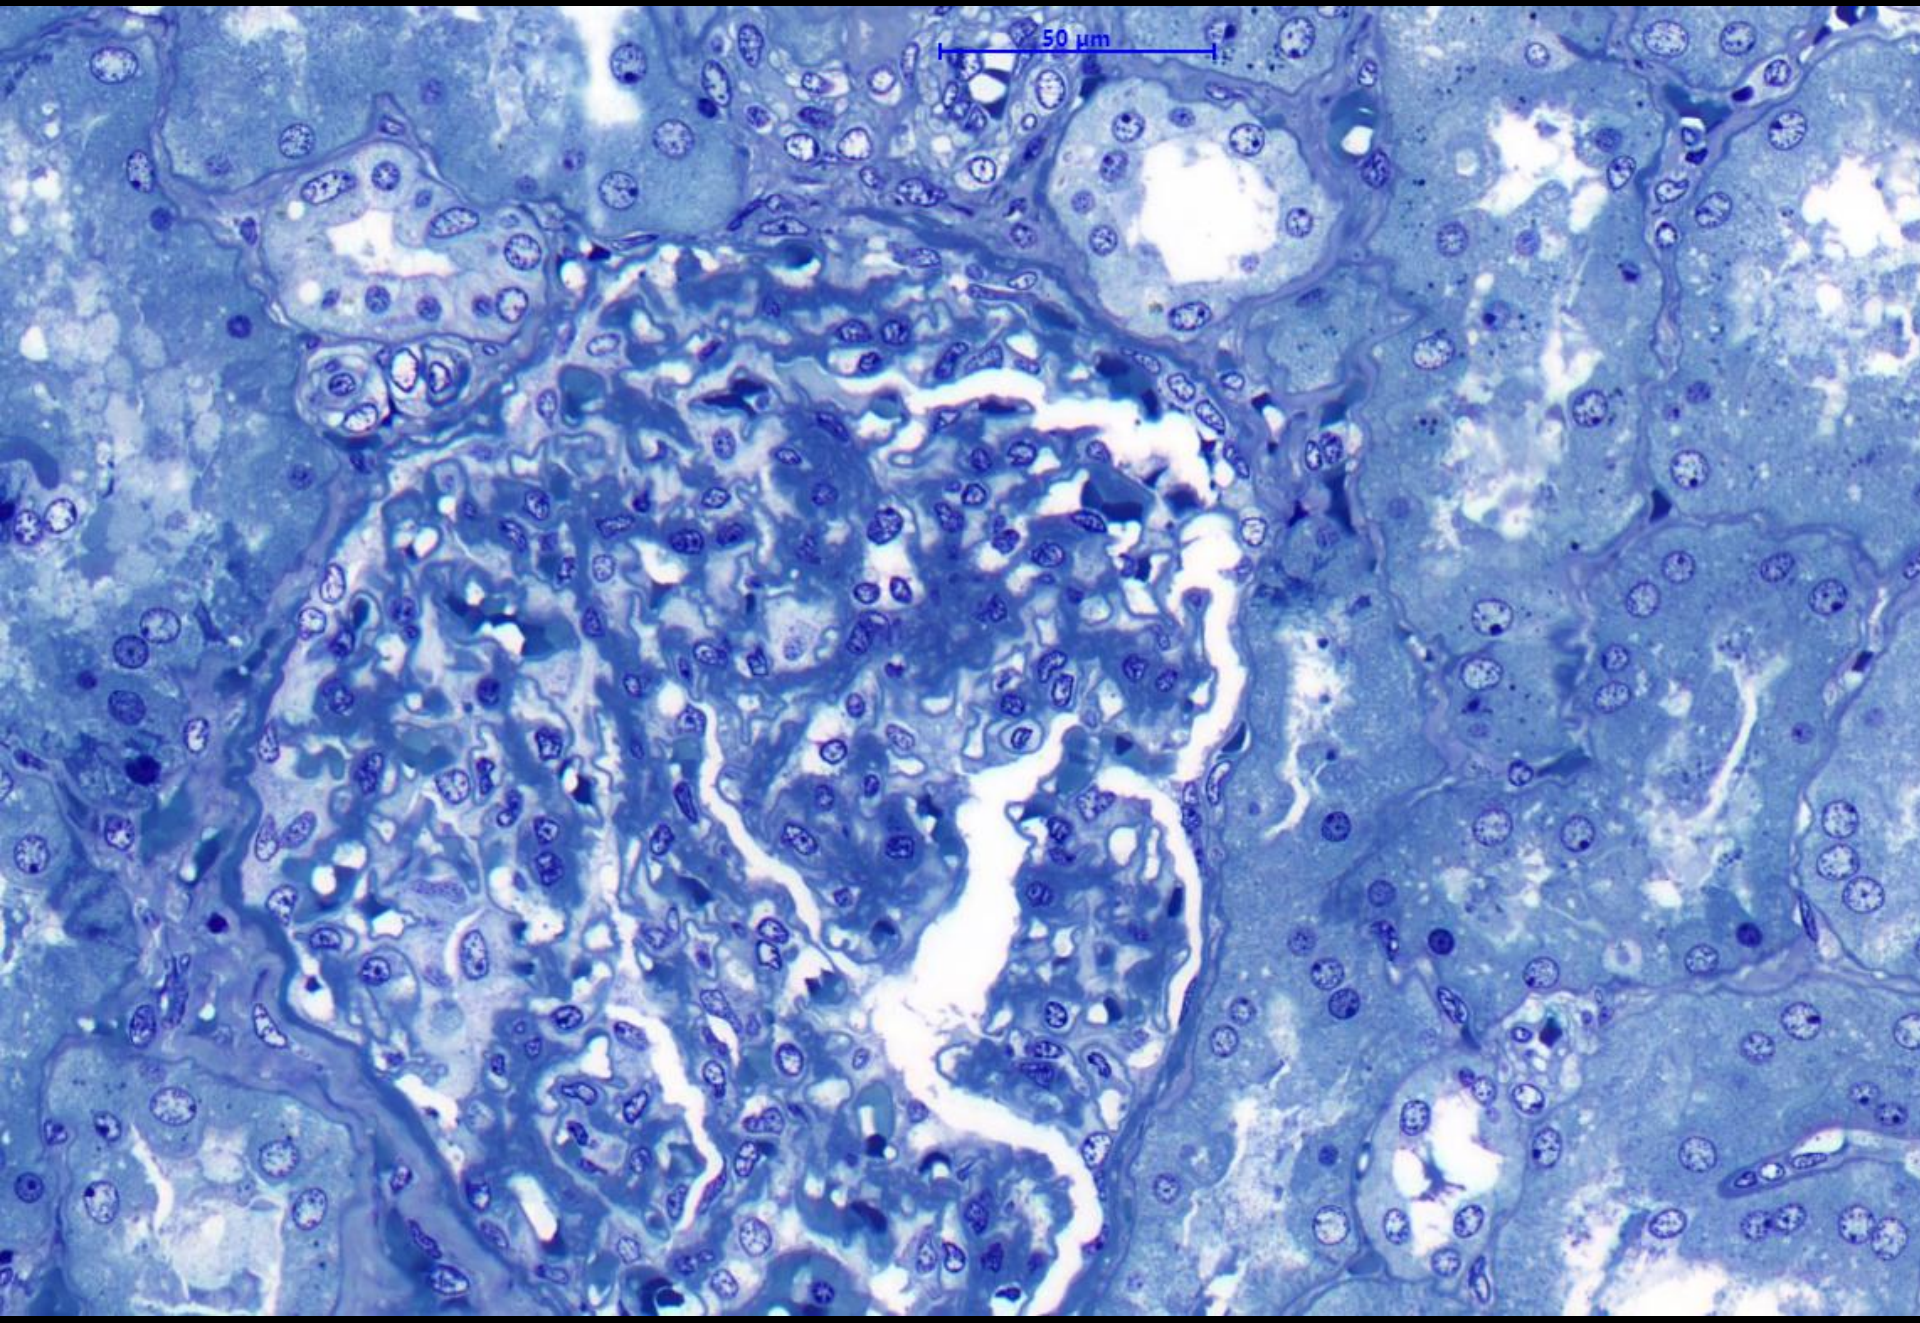




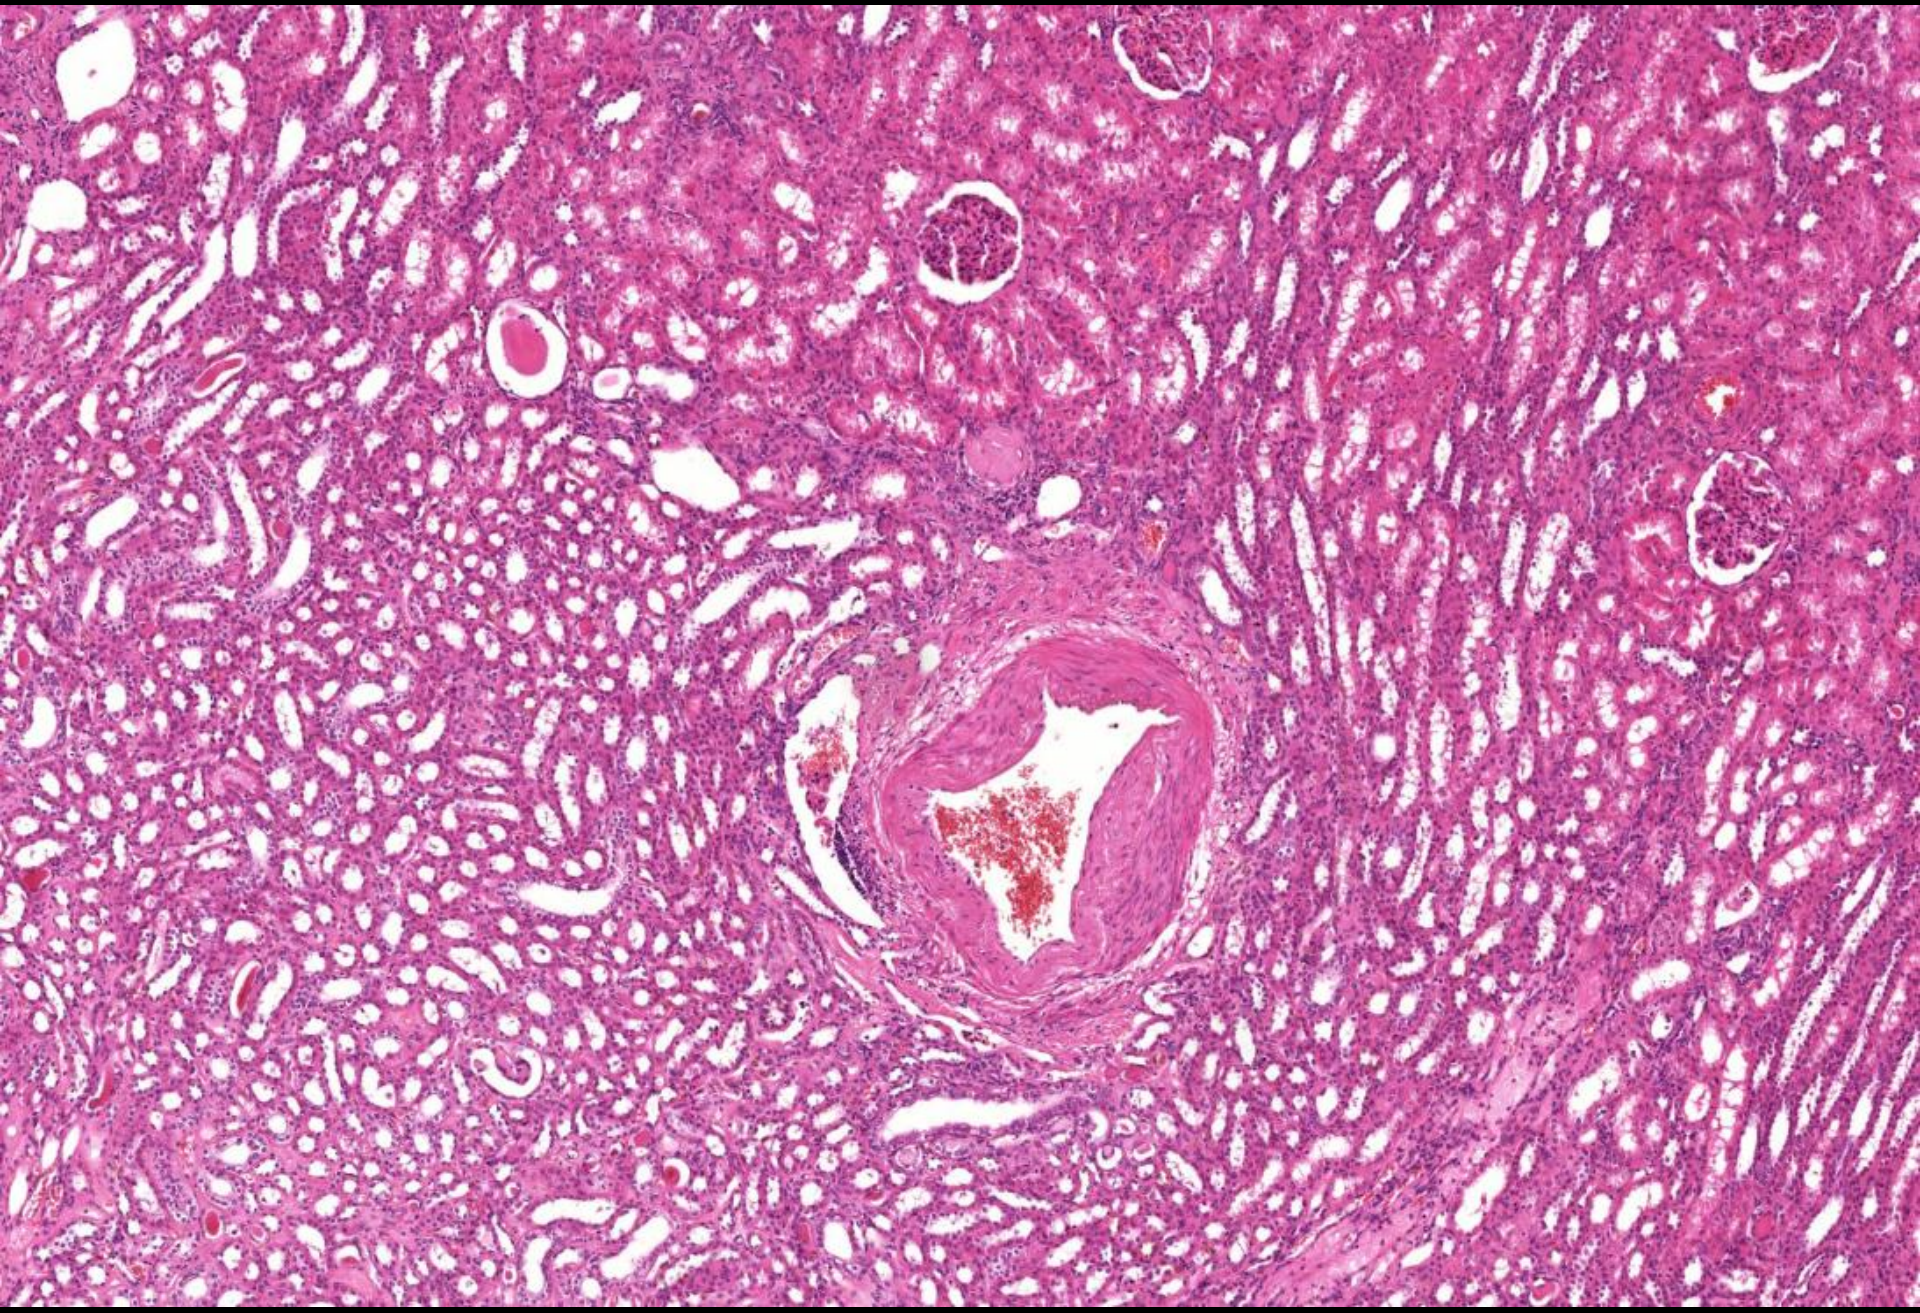


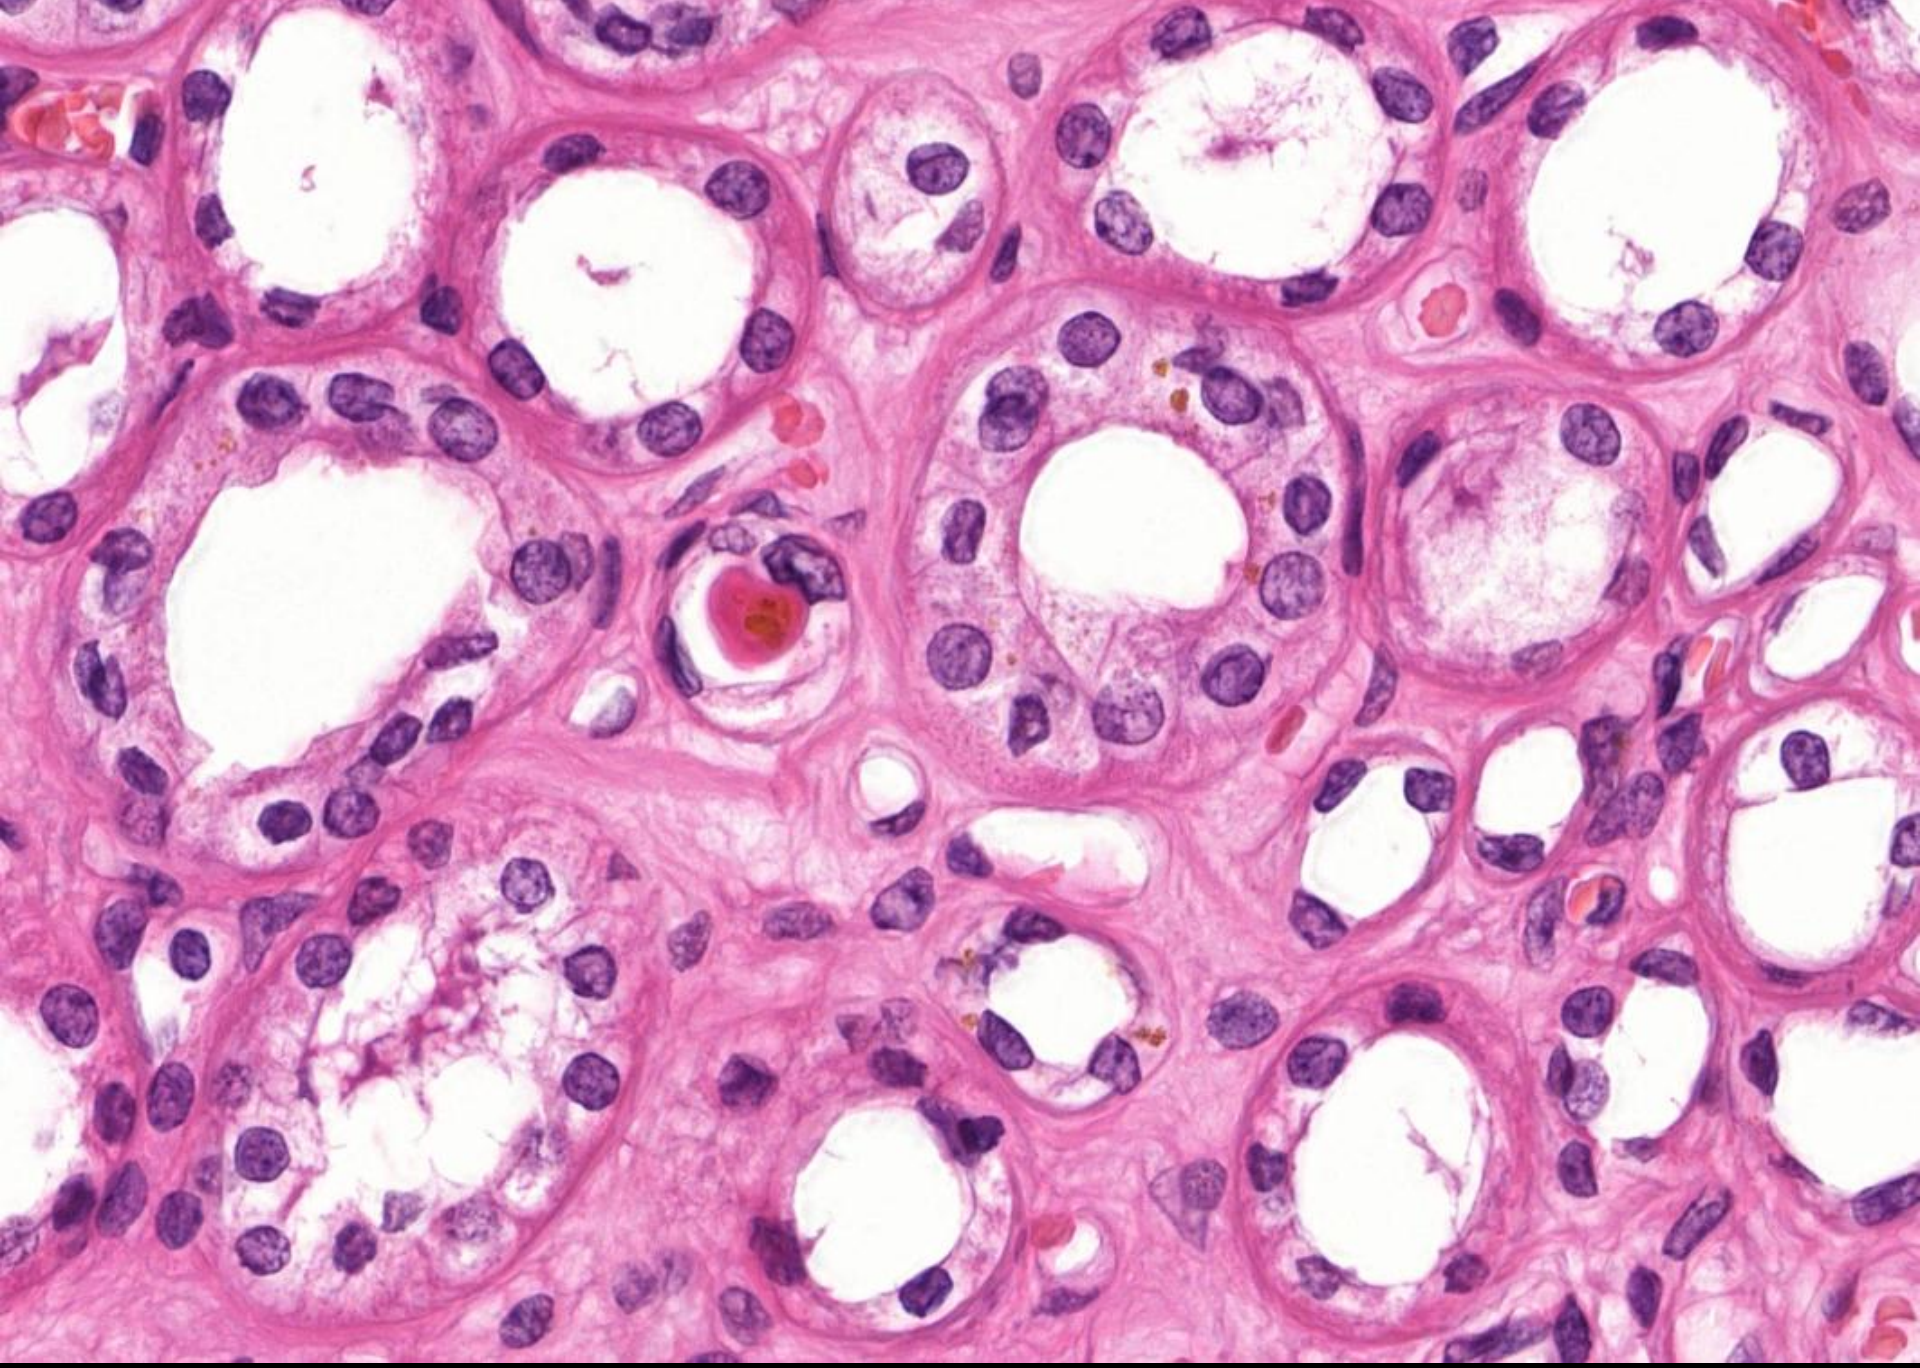
20 µm

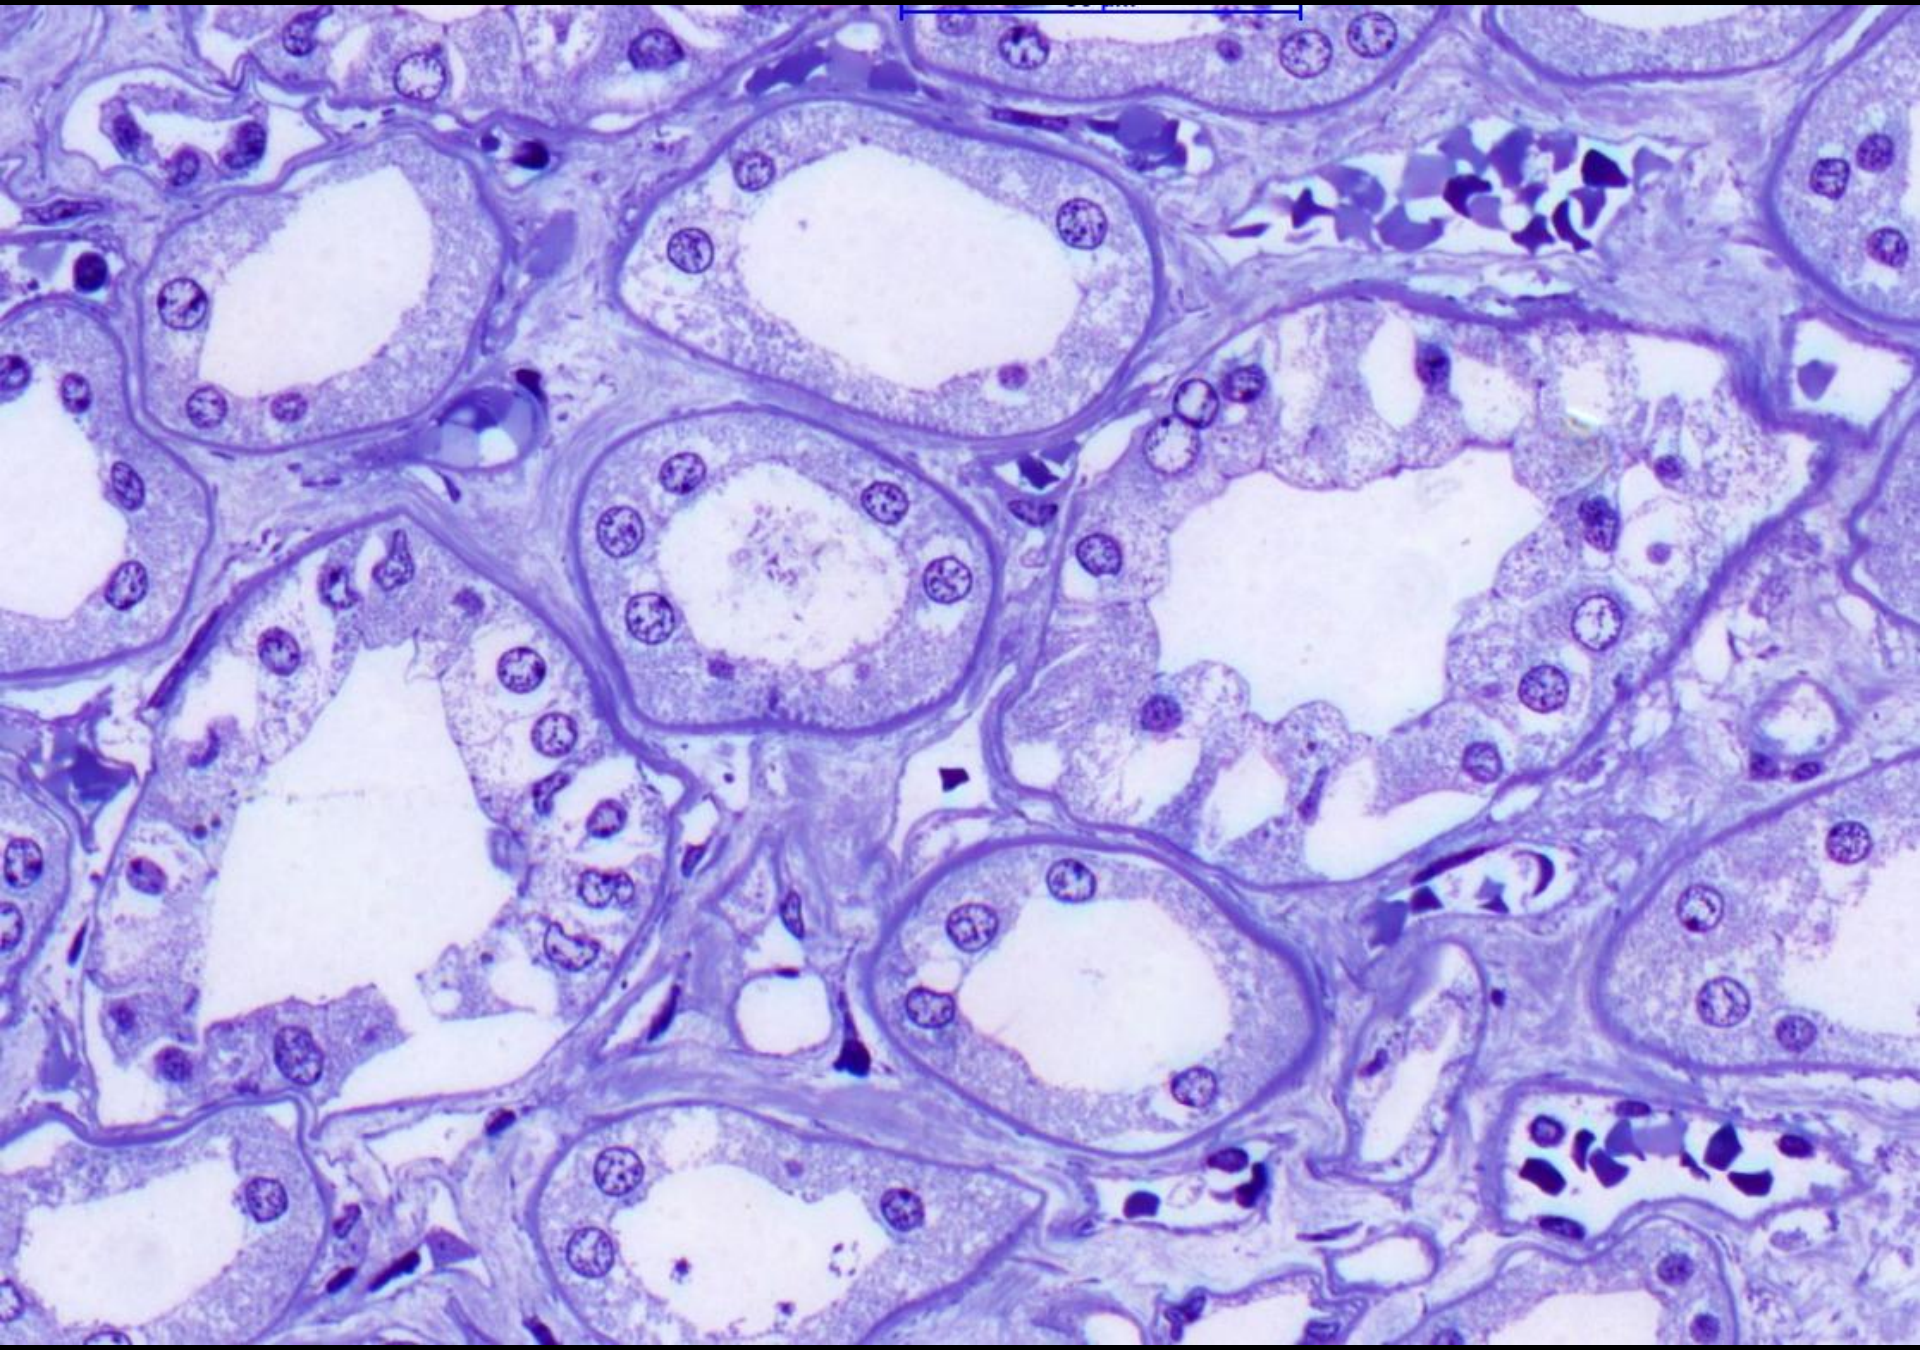


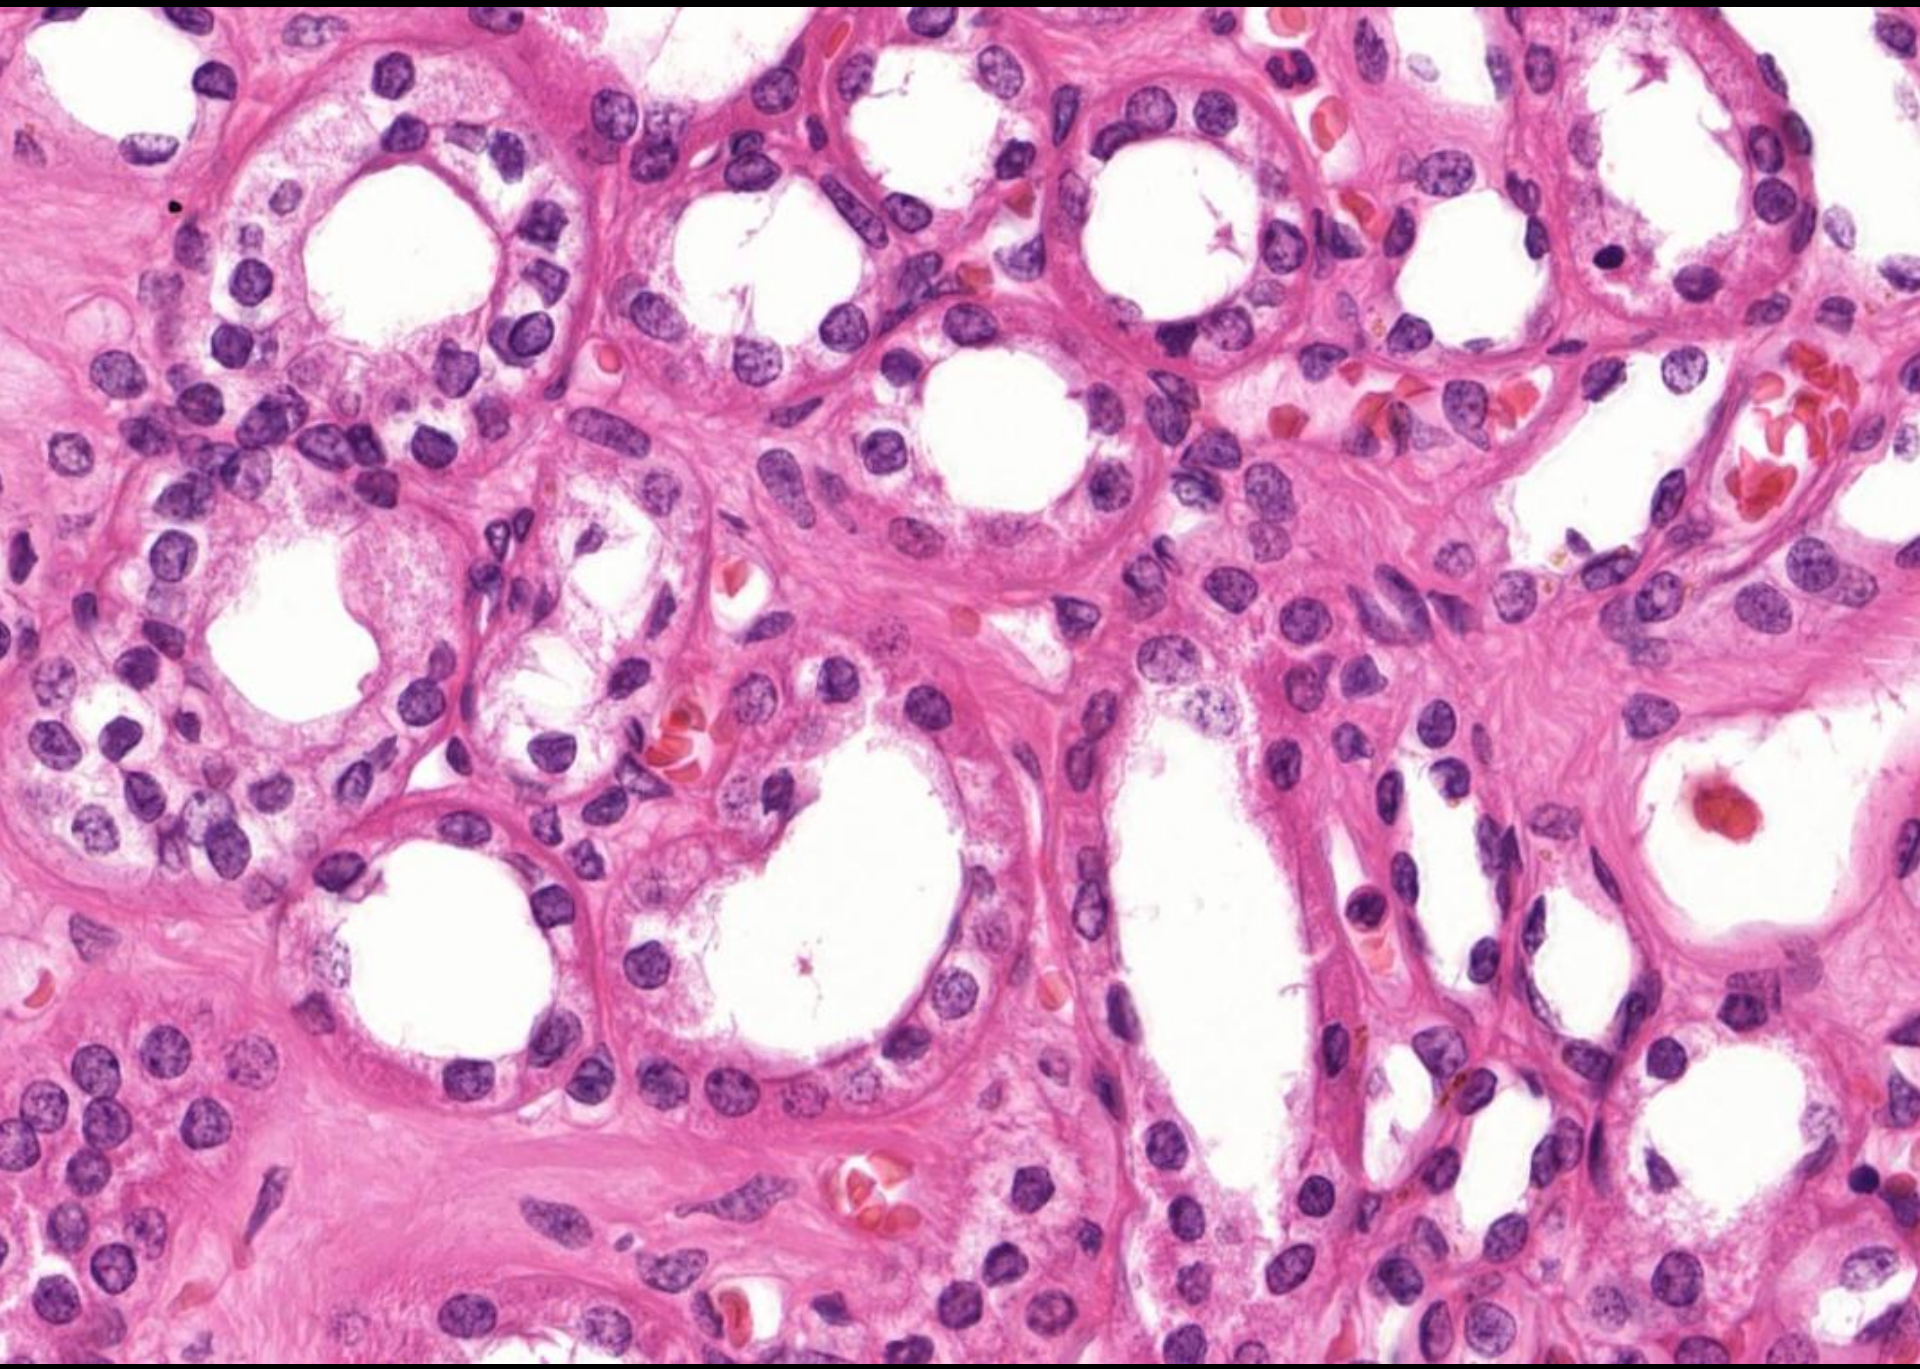


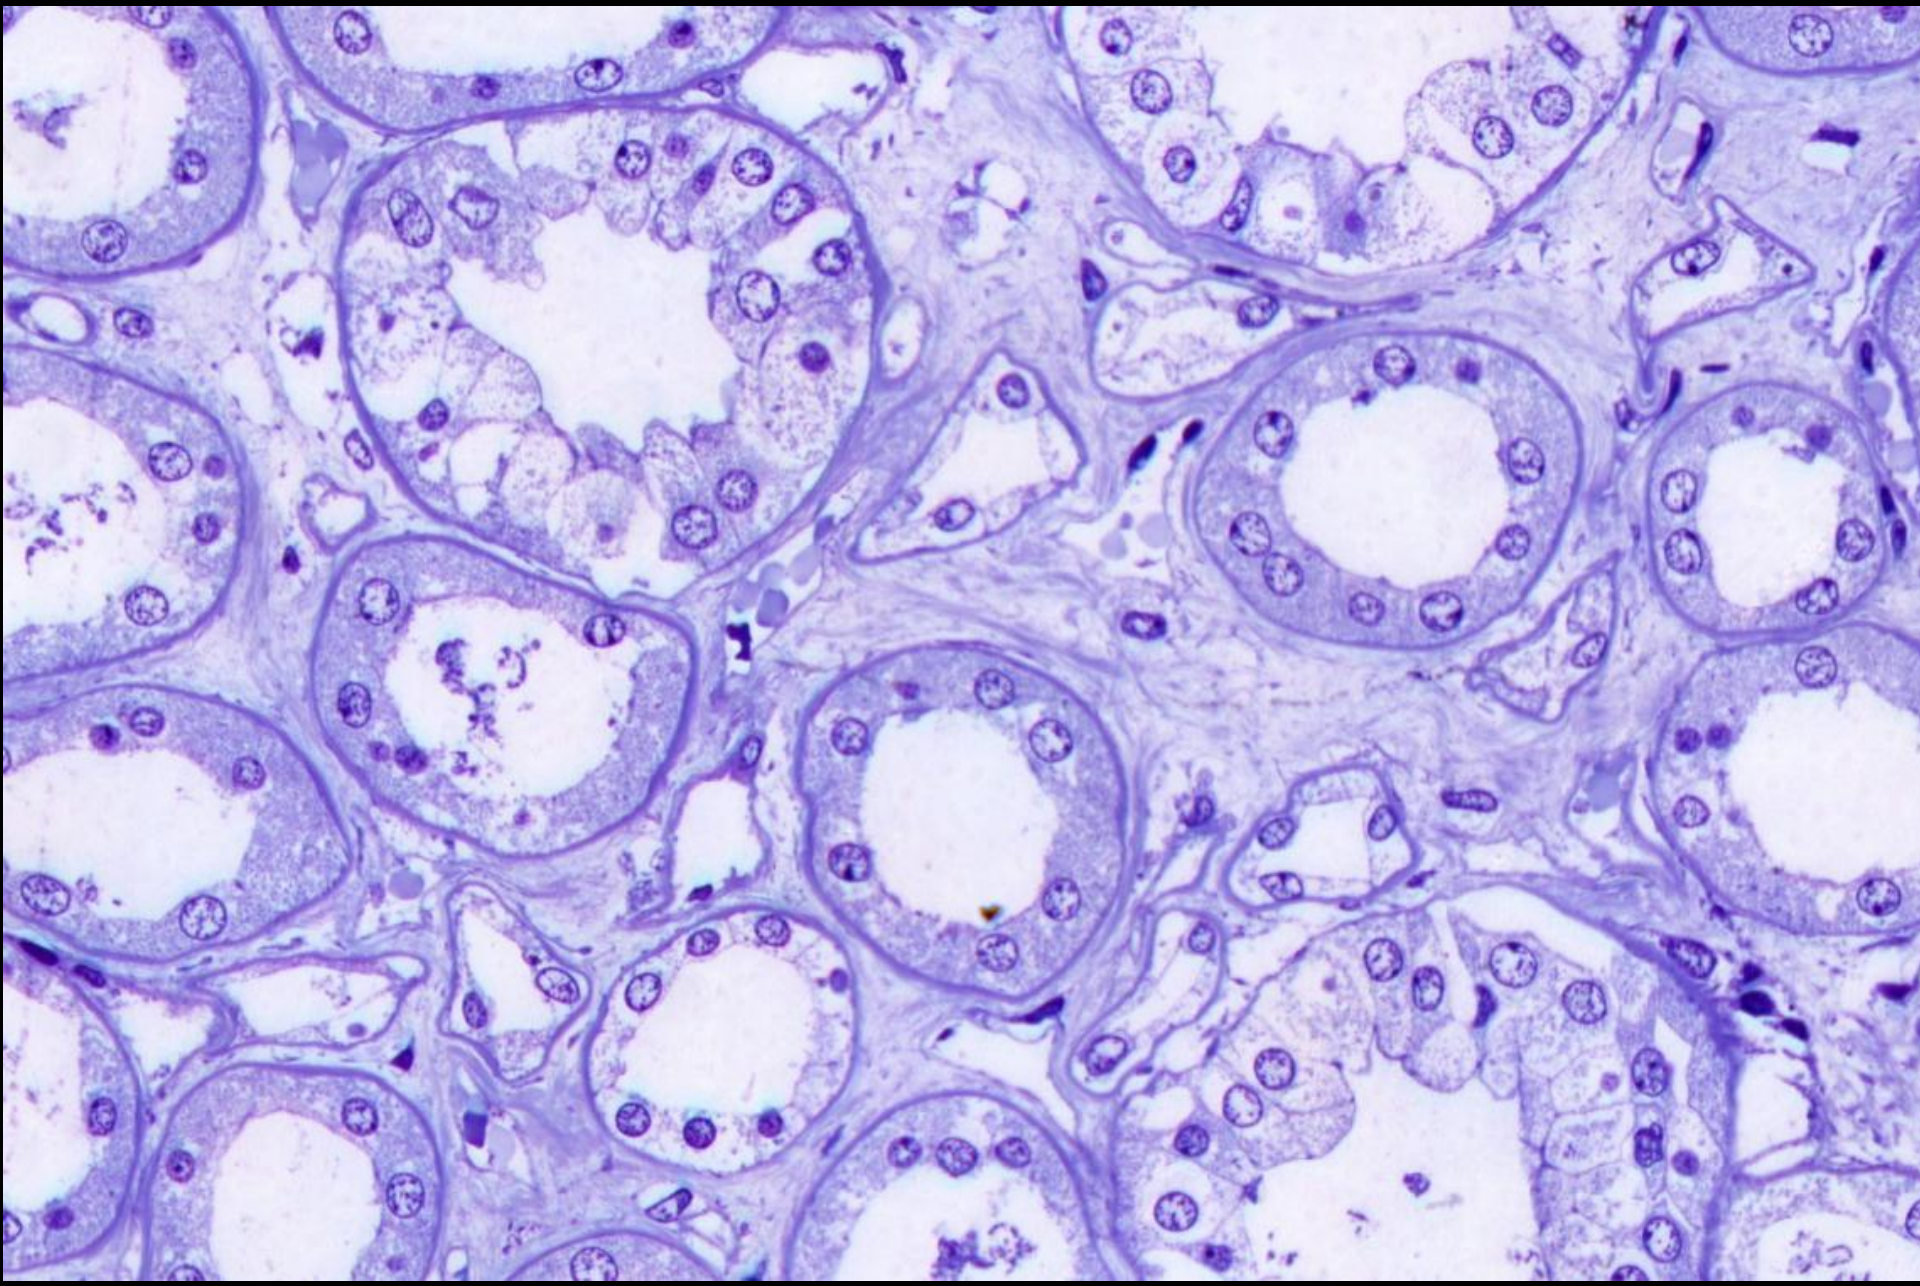
50 µm

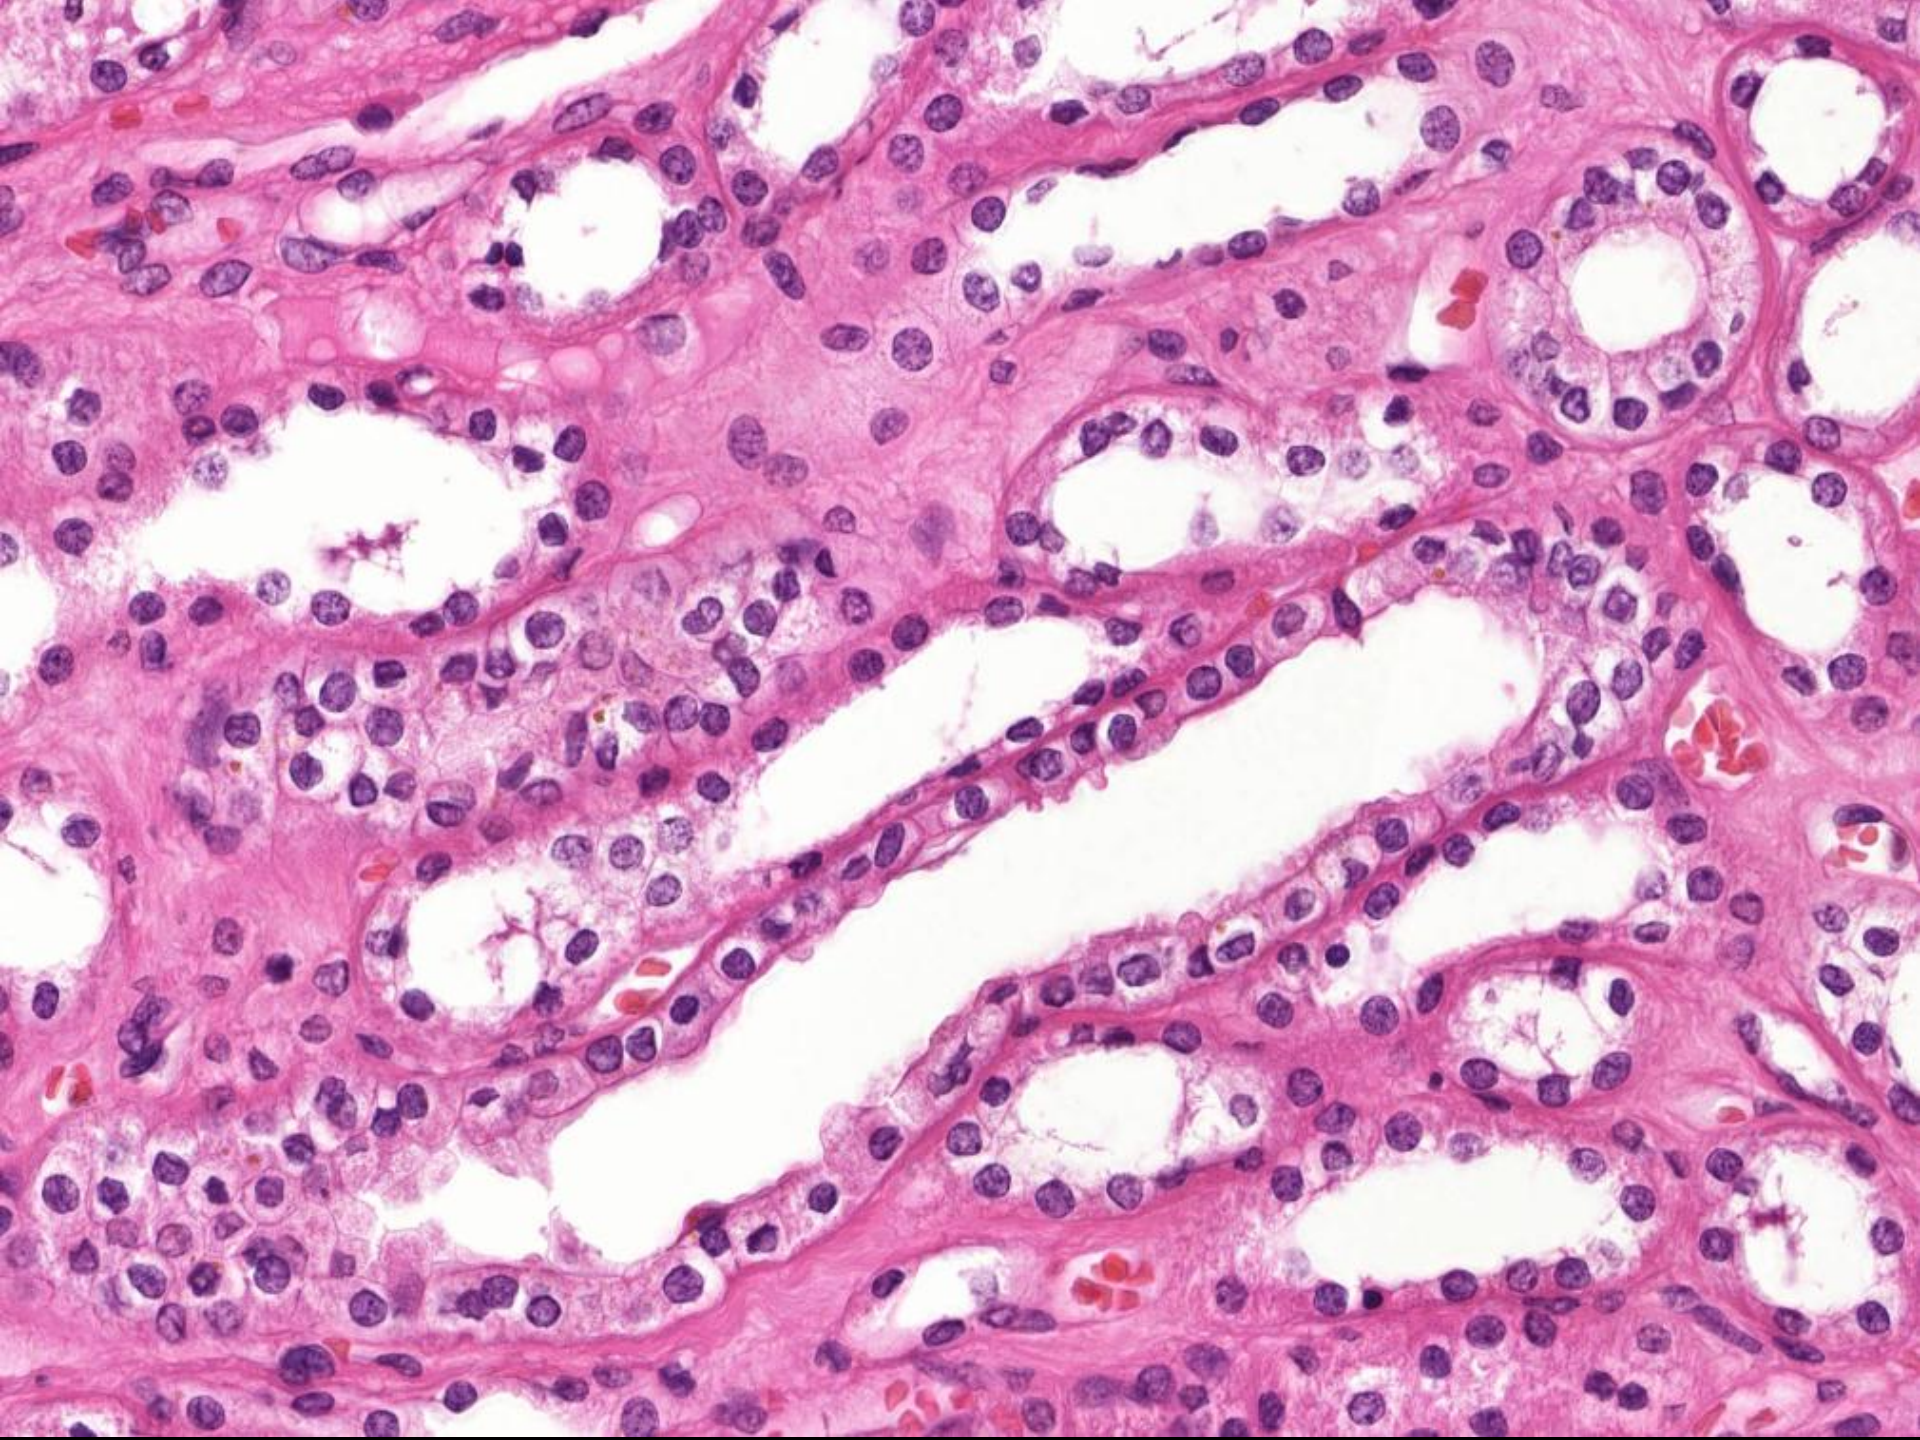


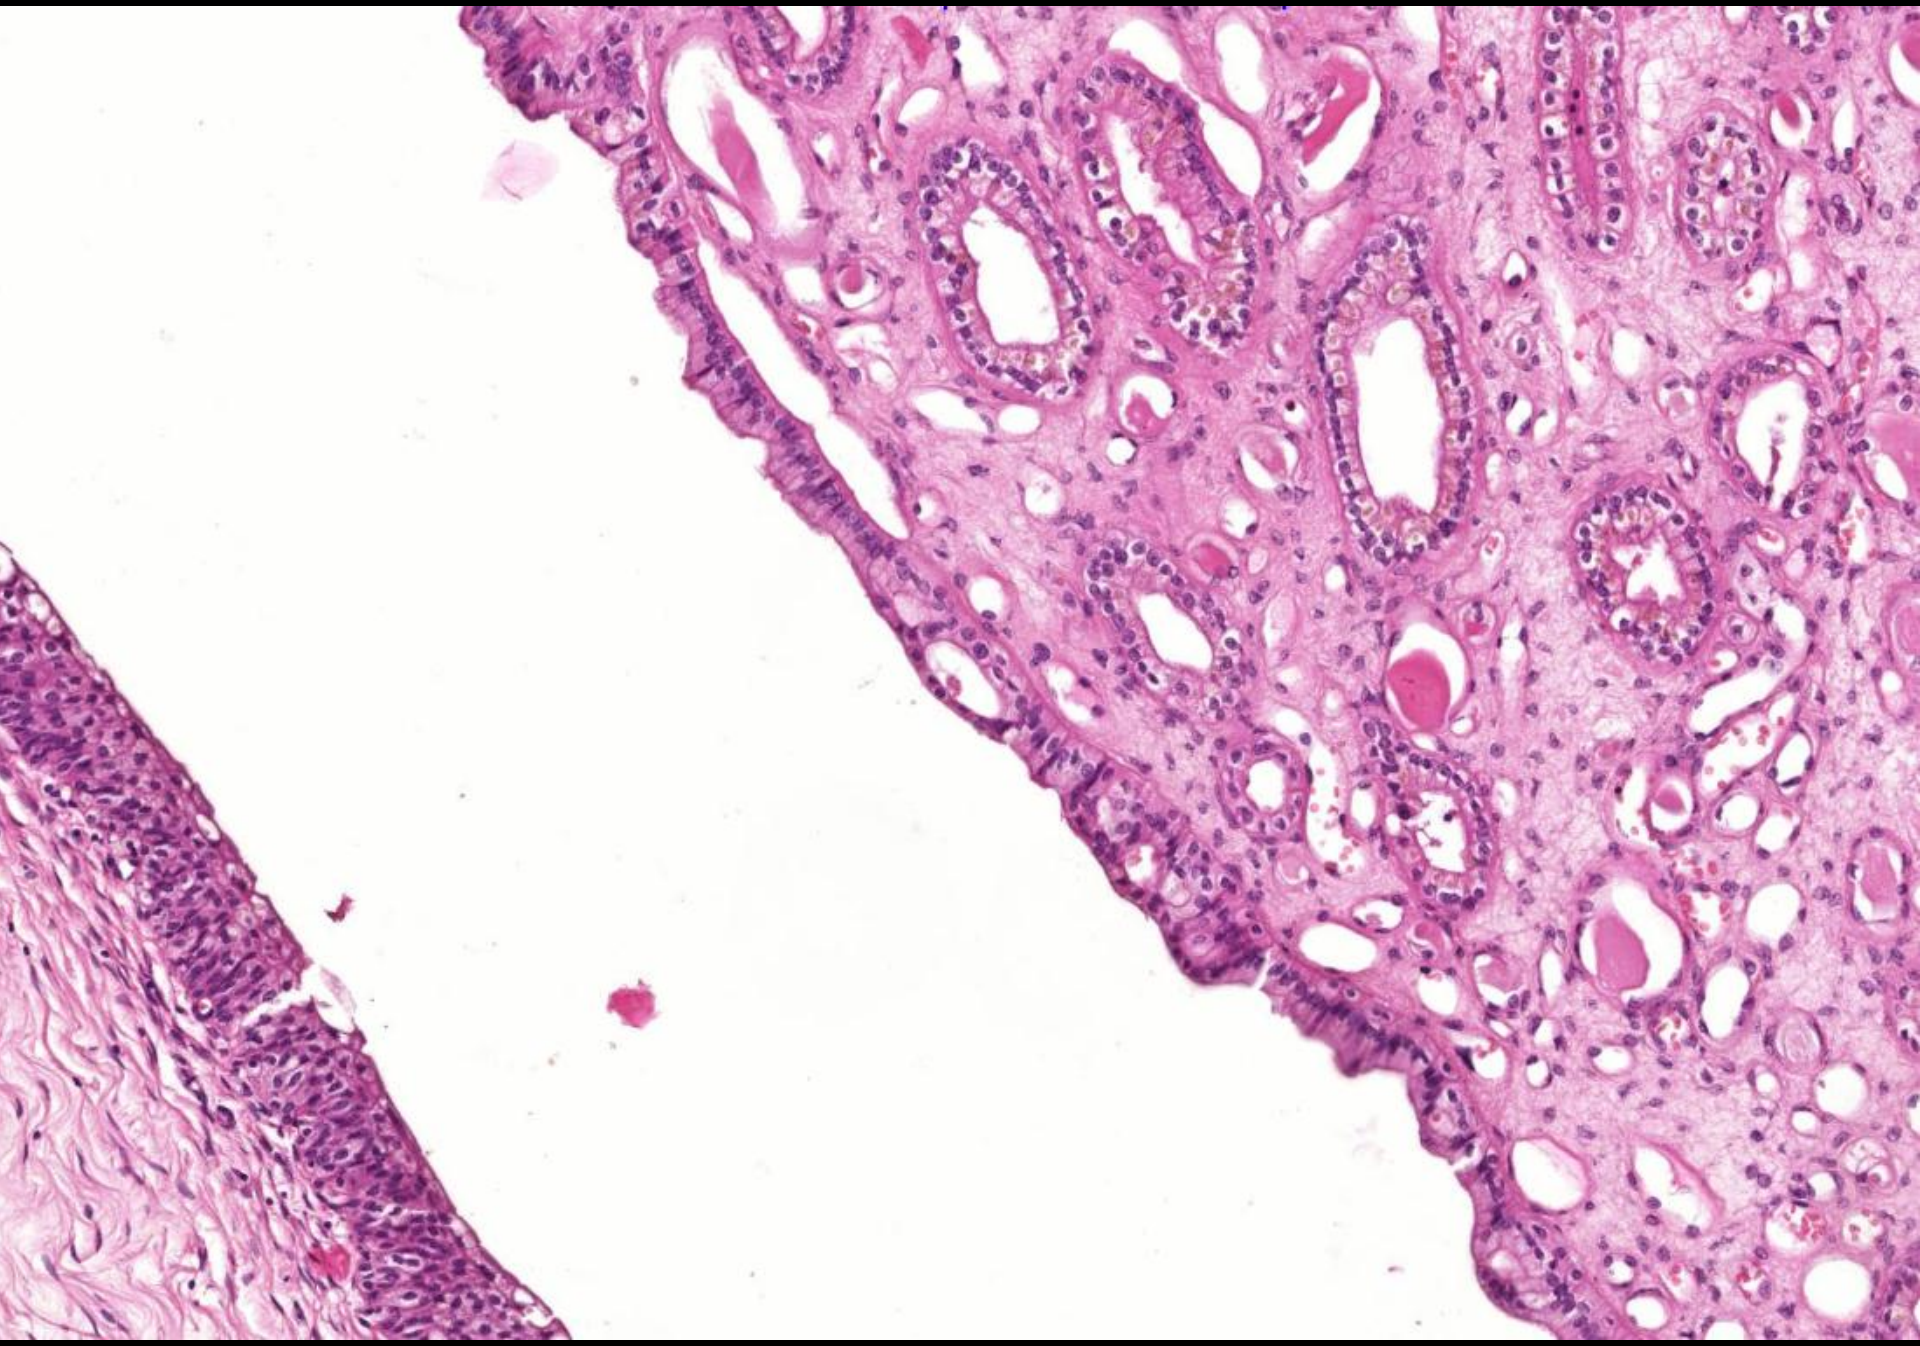




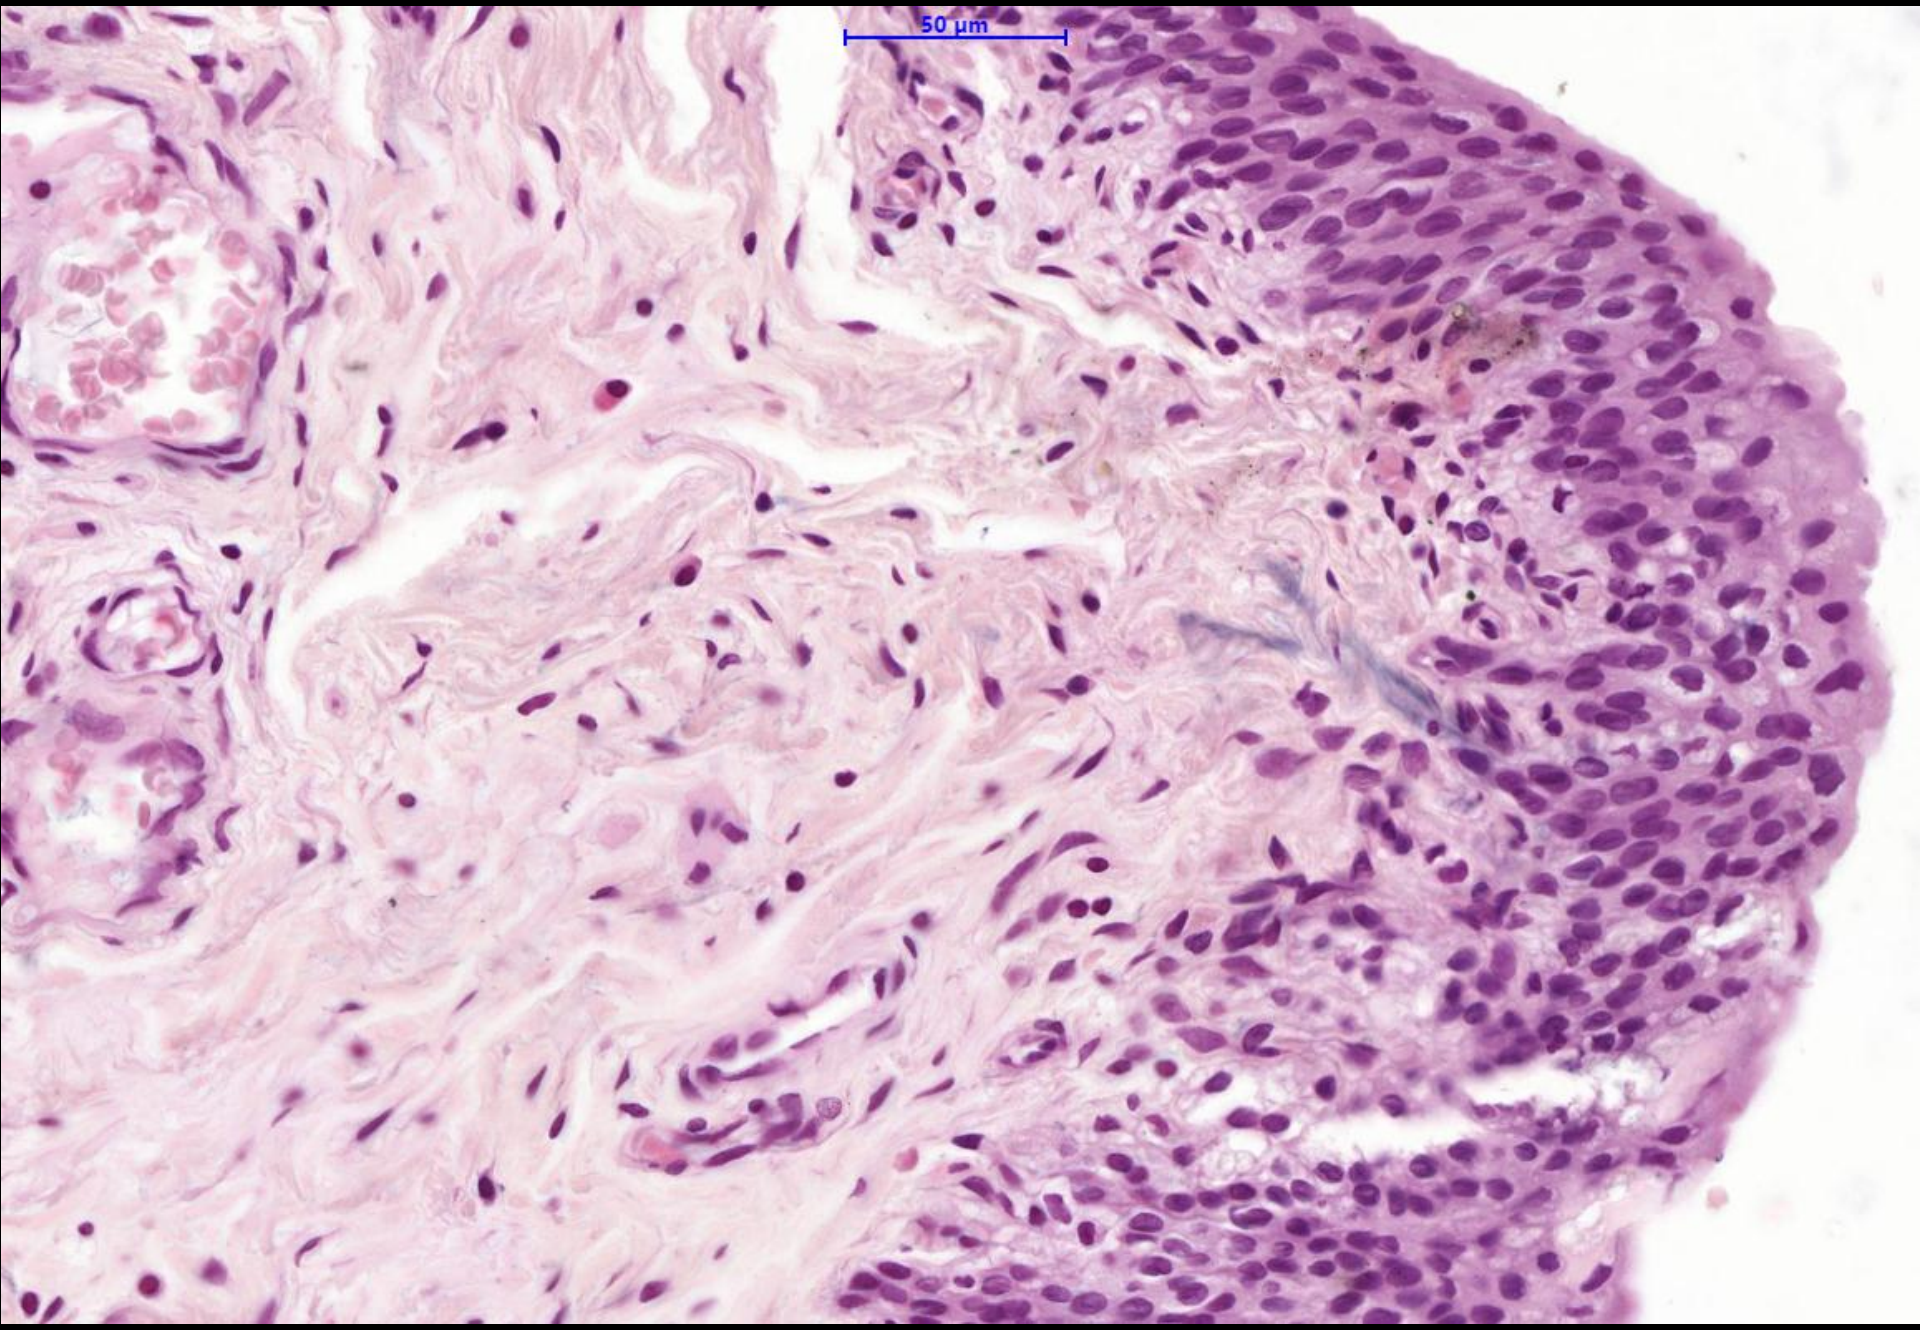




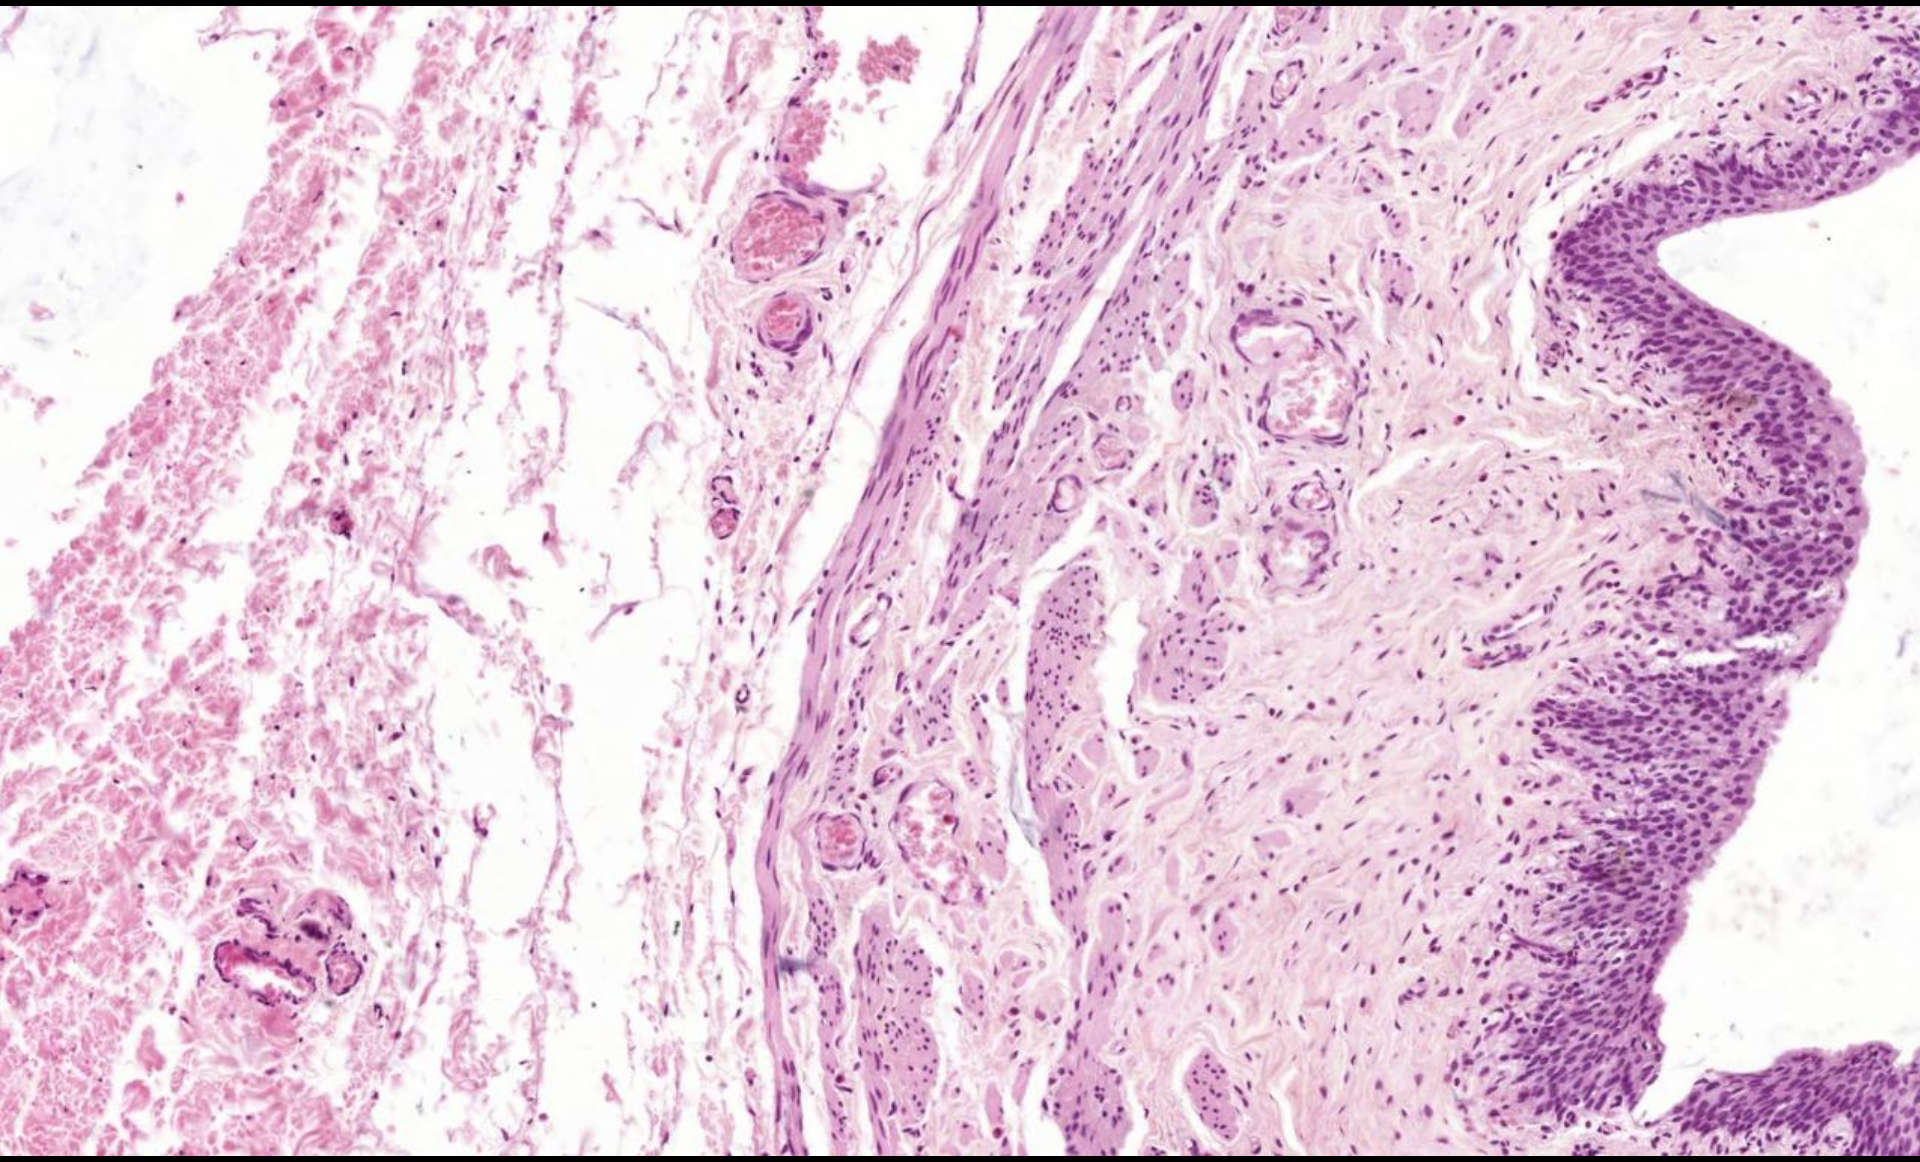




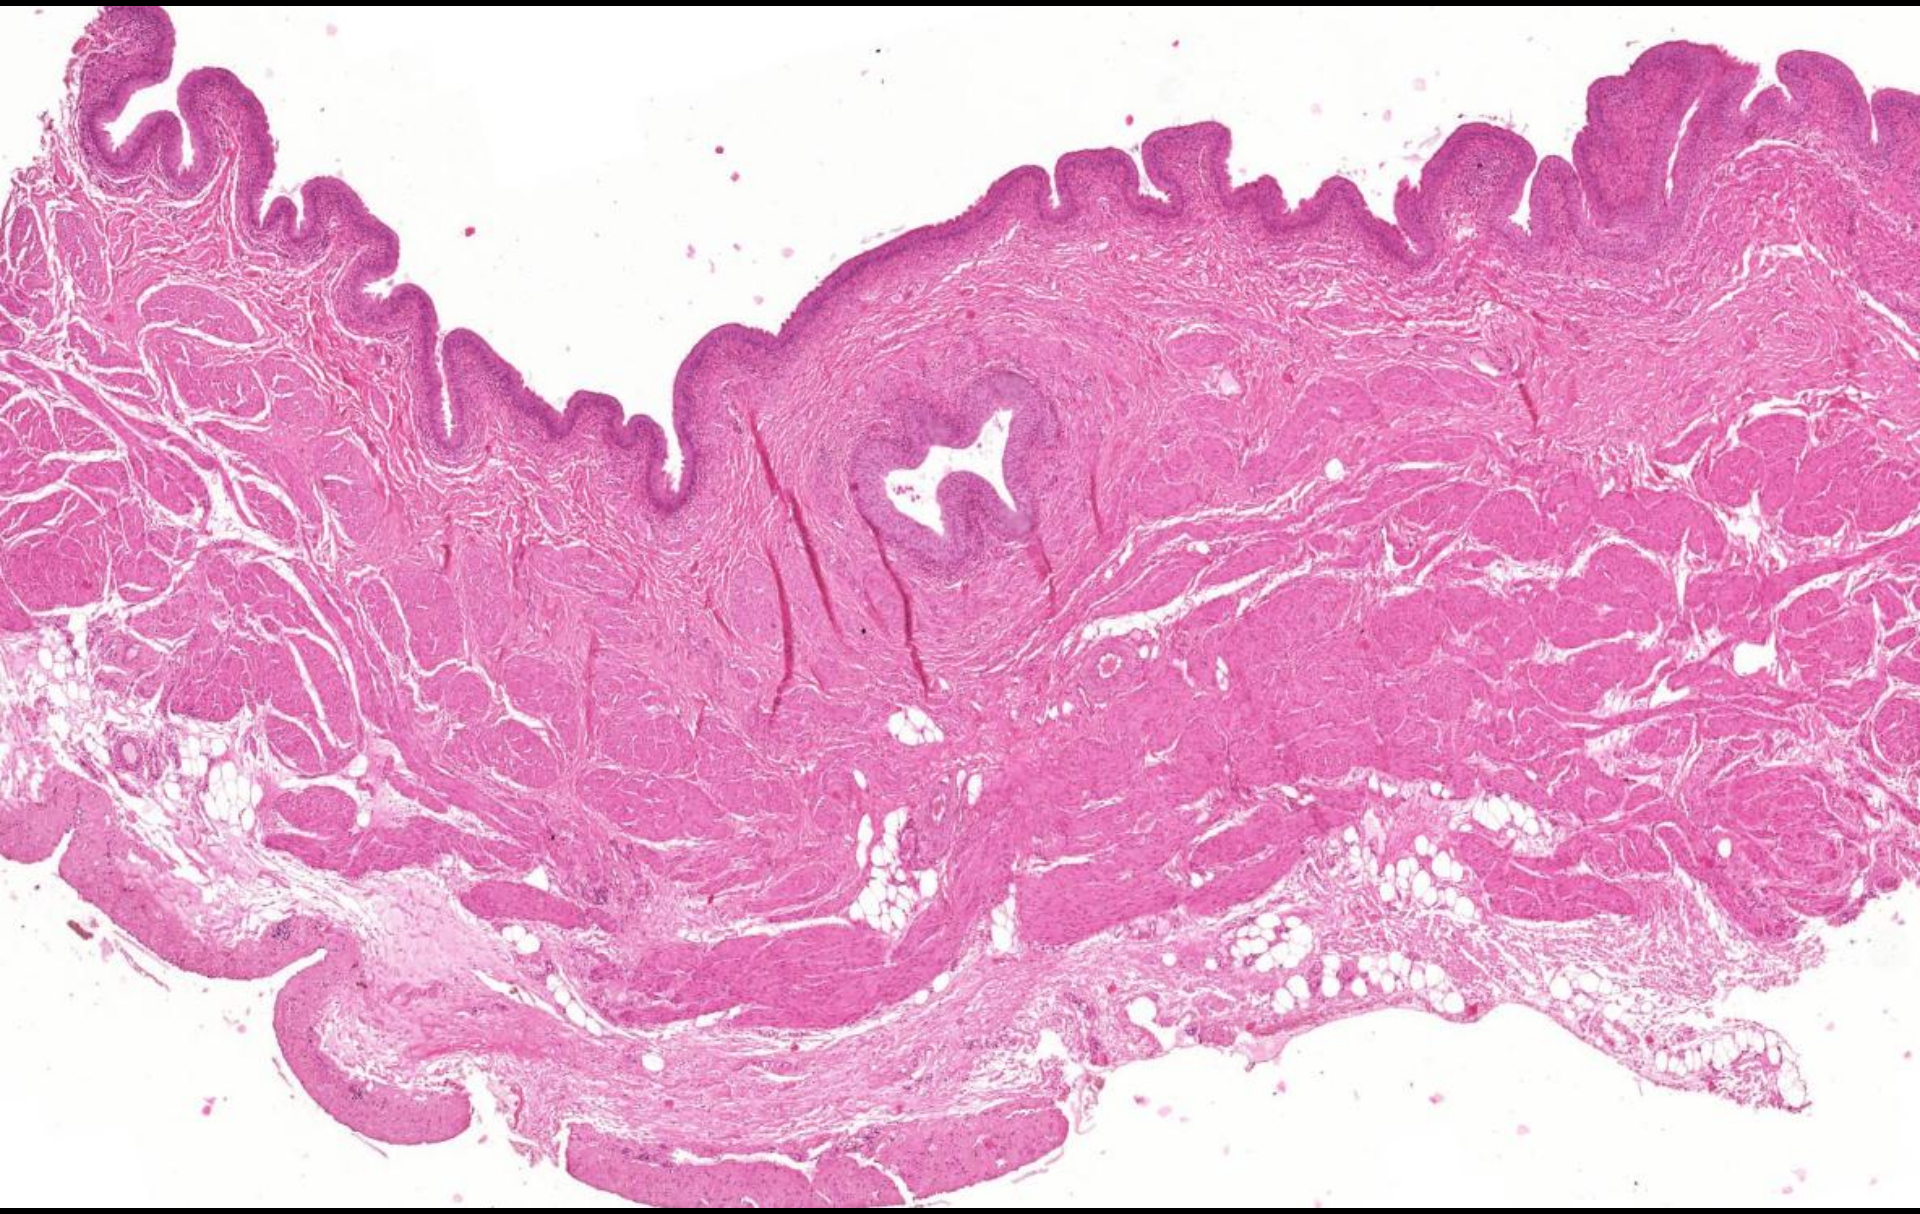
Ureter

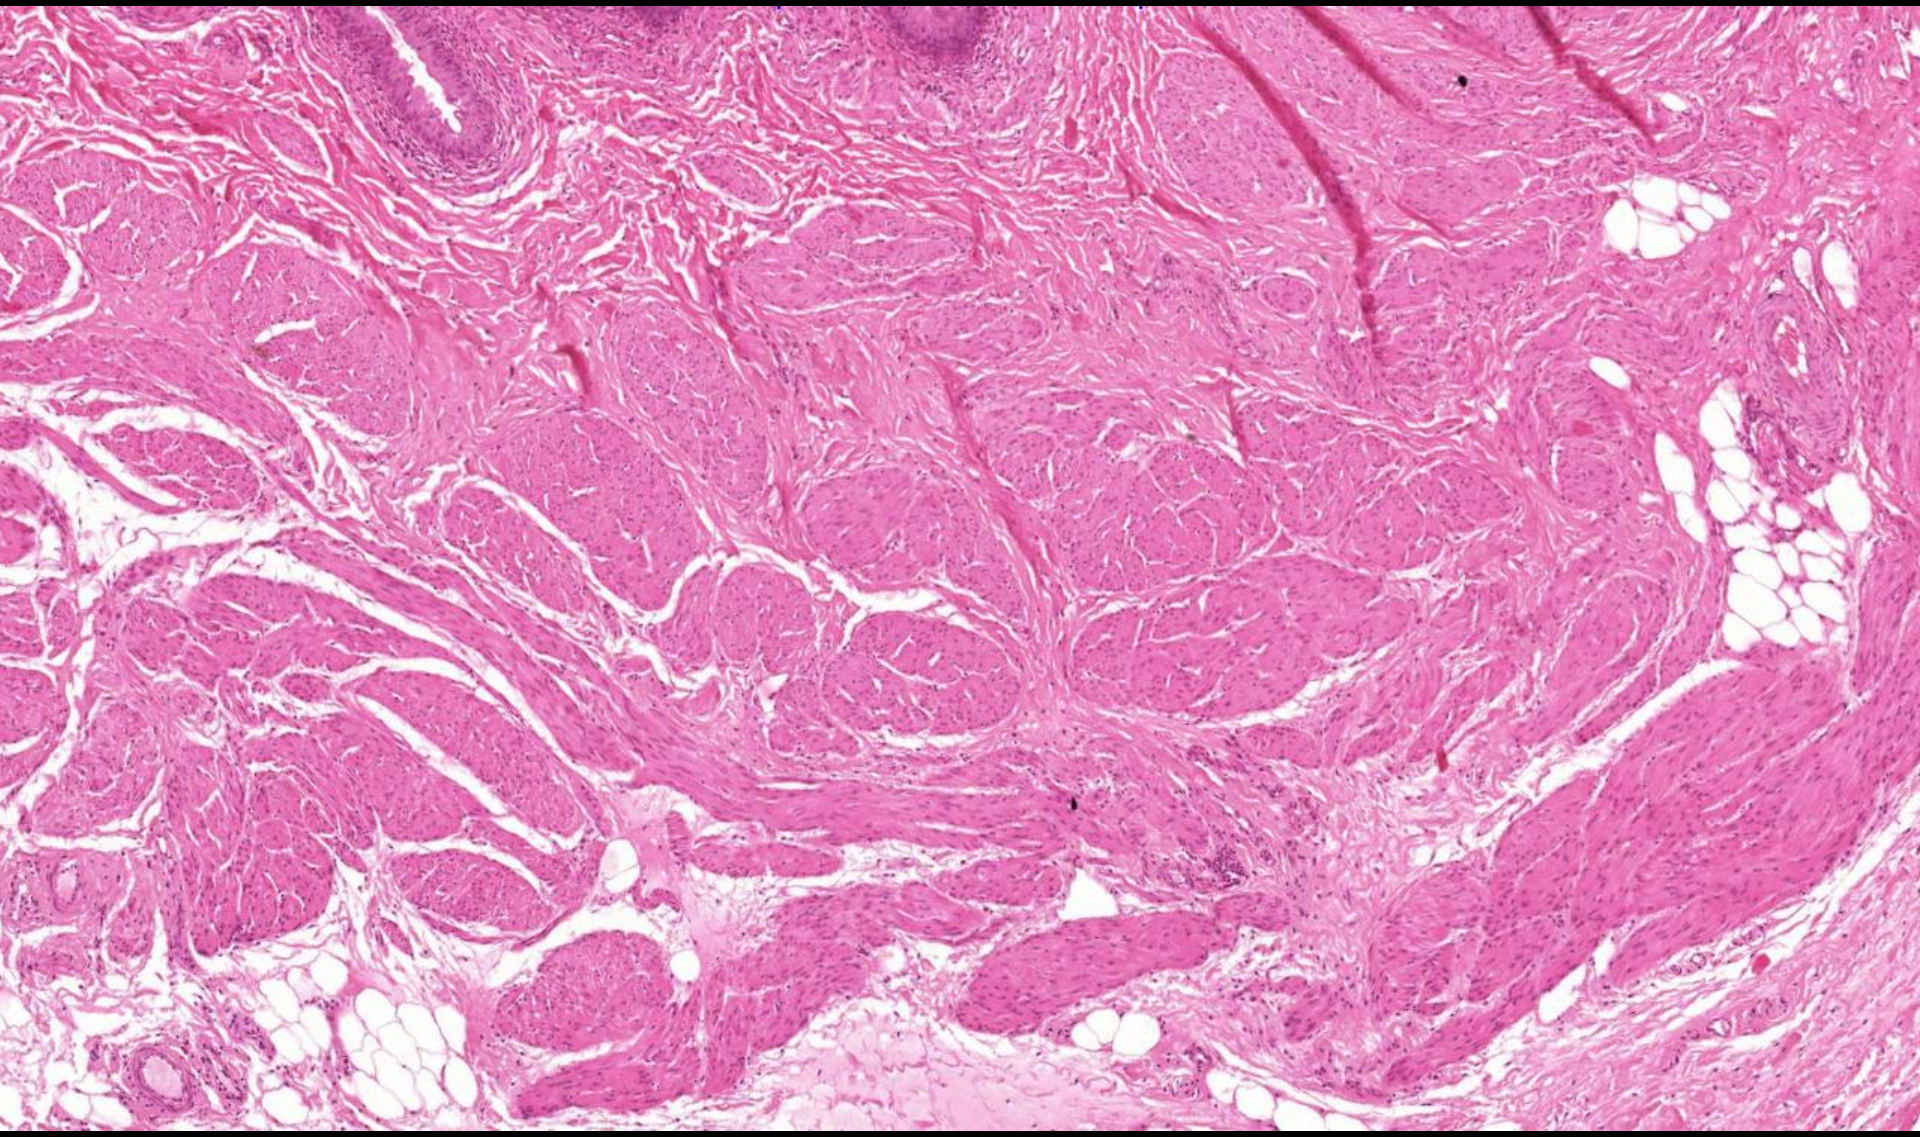


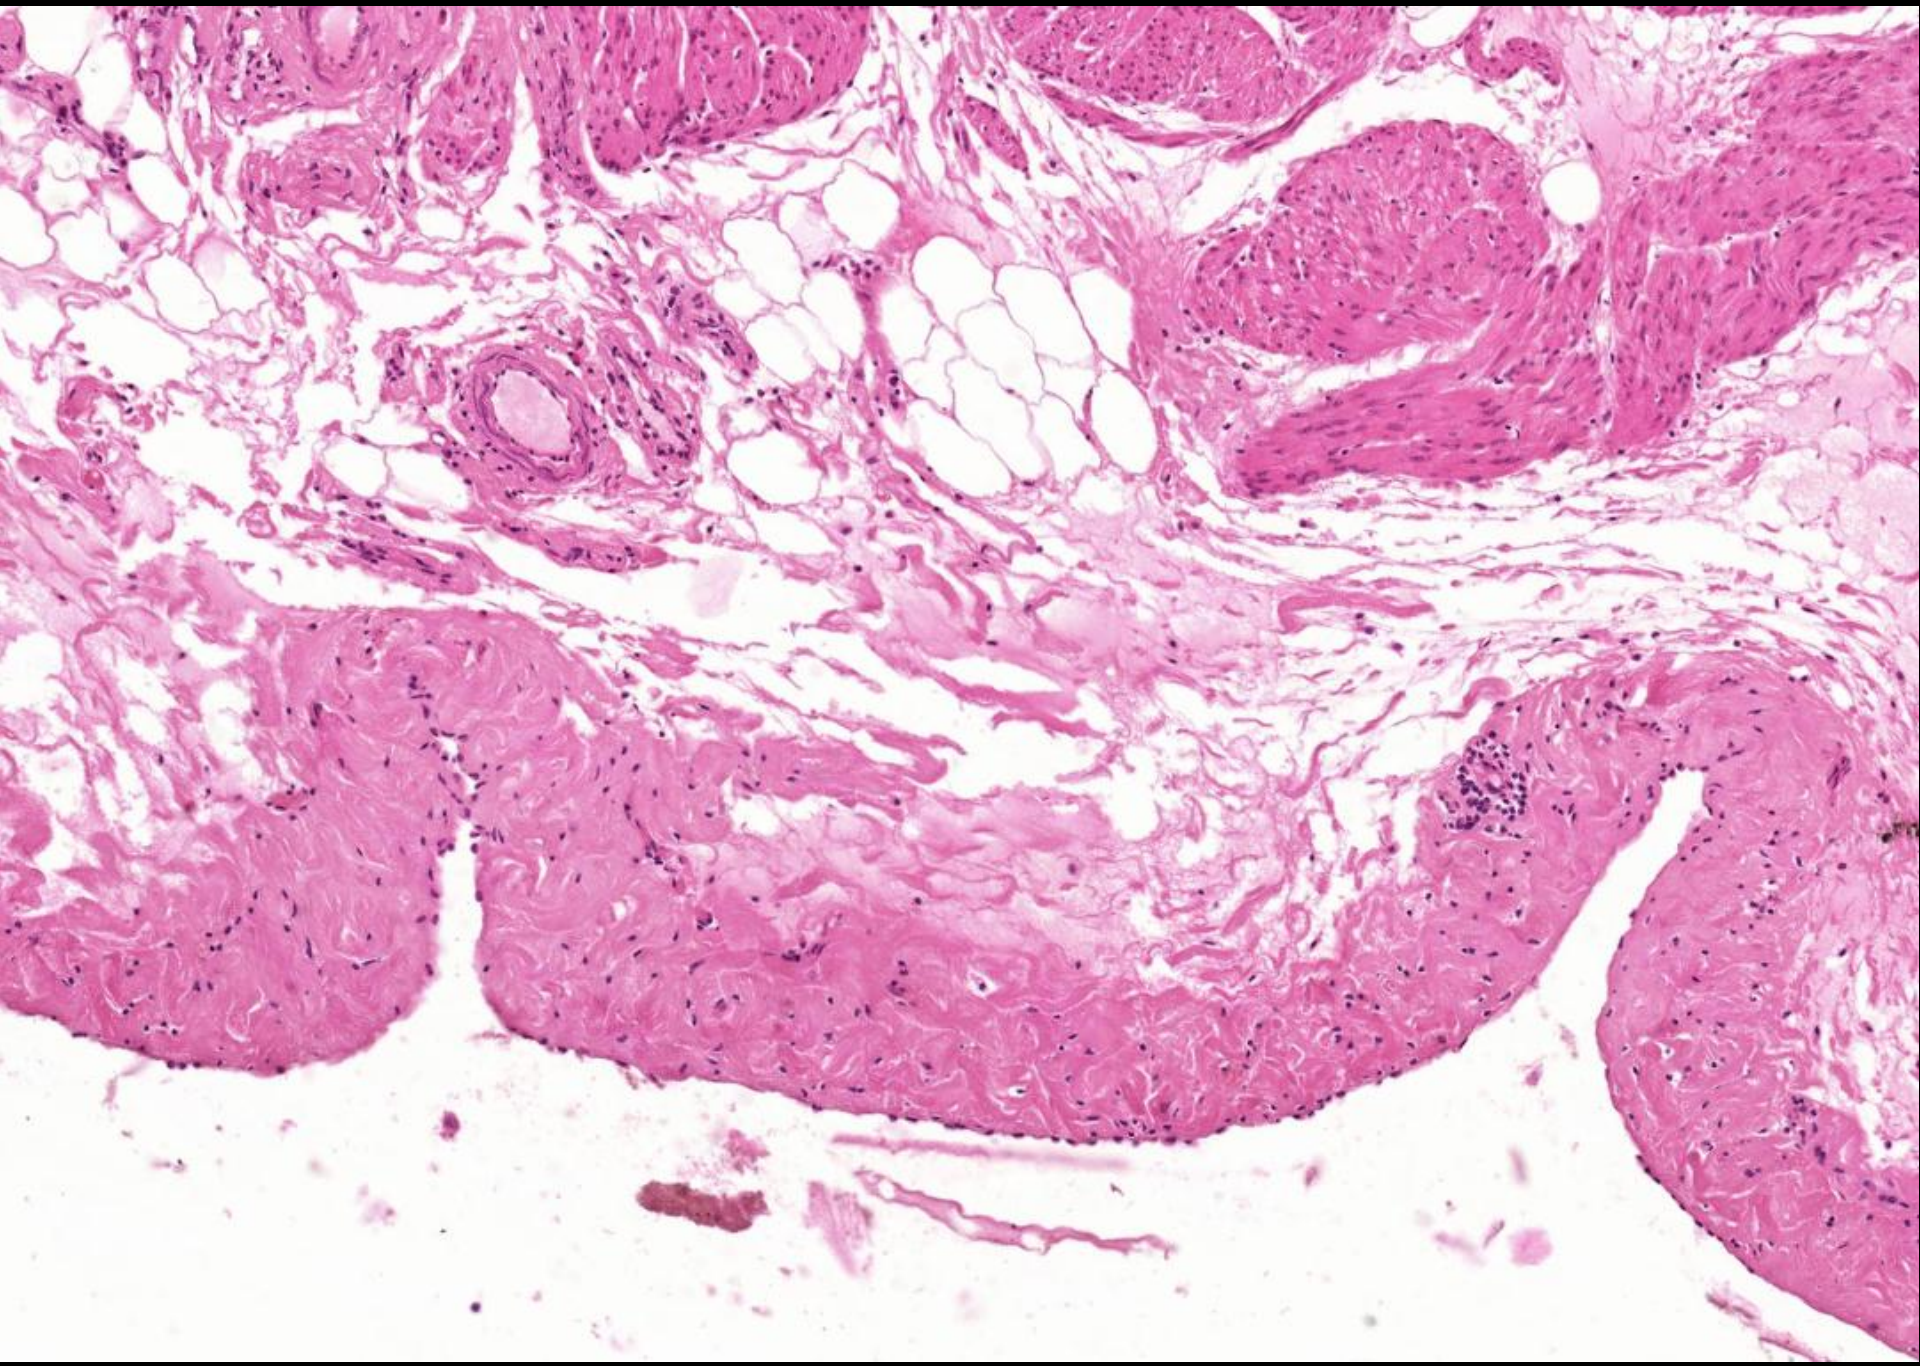
50 µm

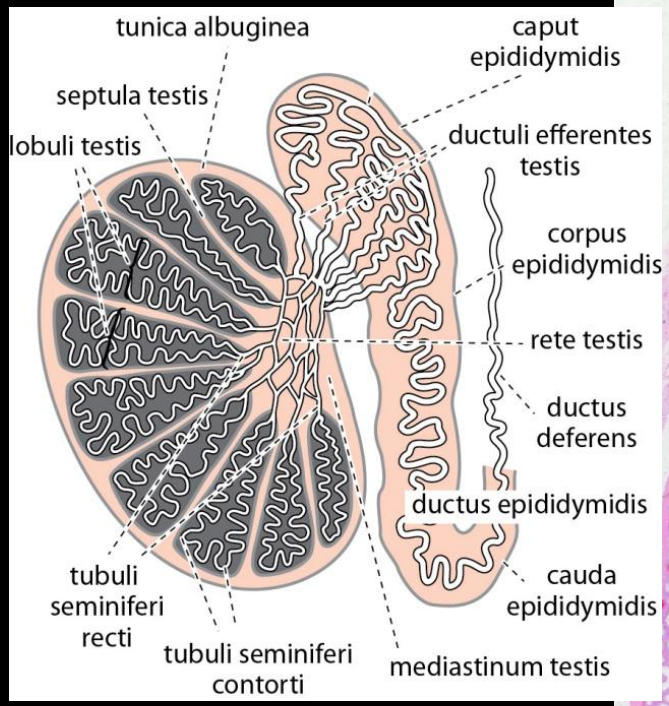


Urinary bladder





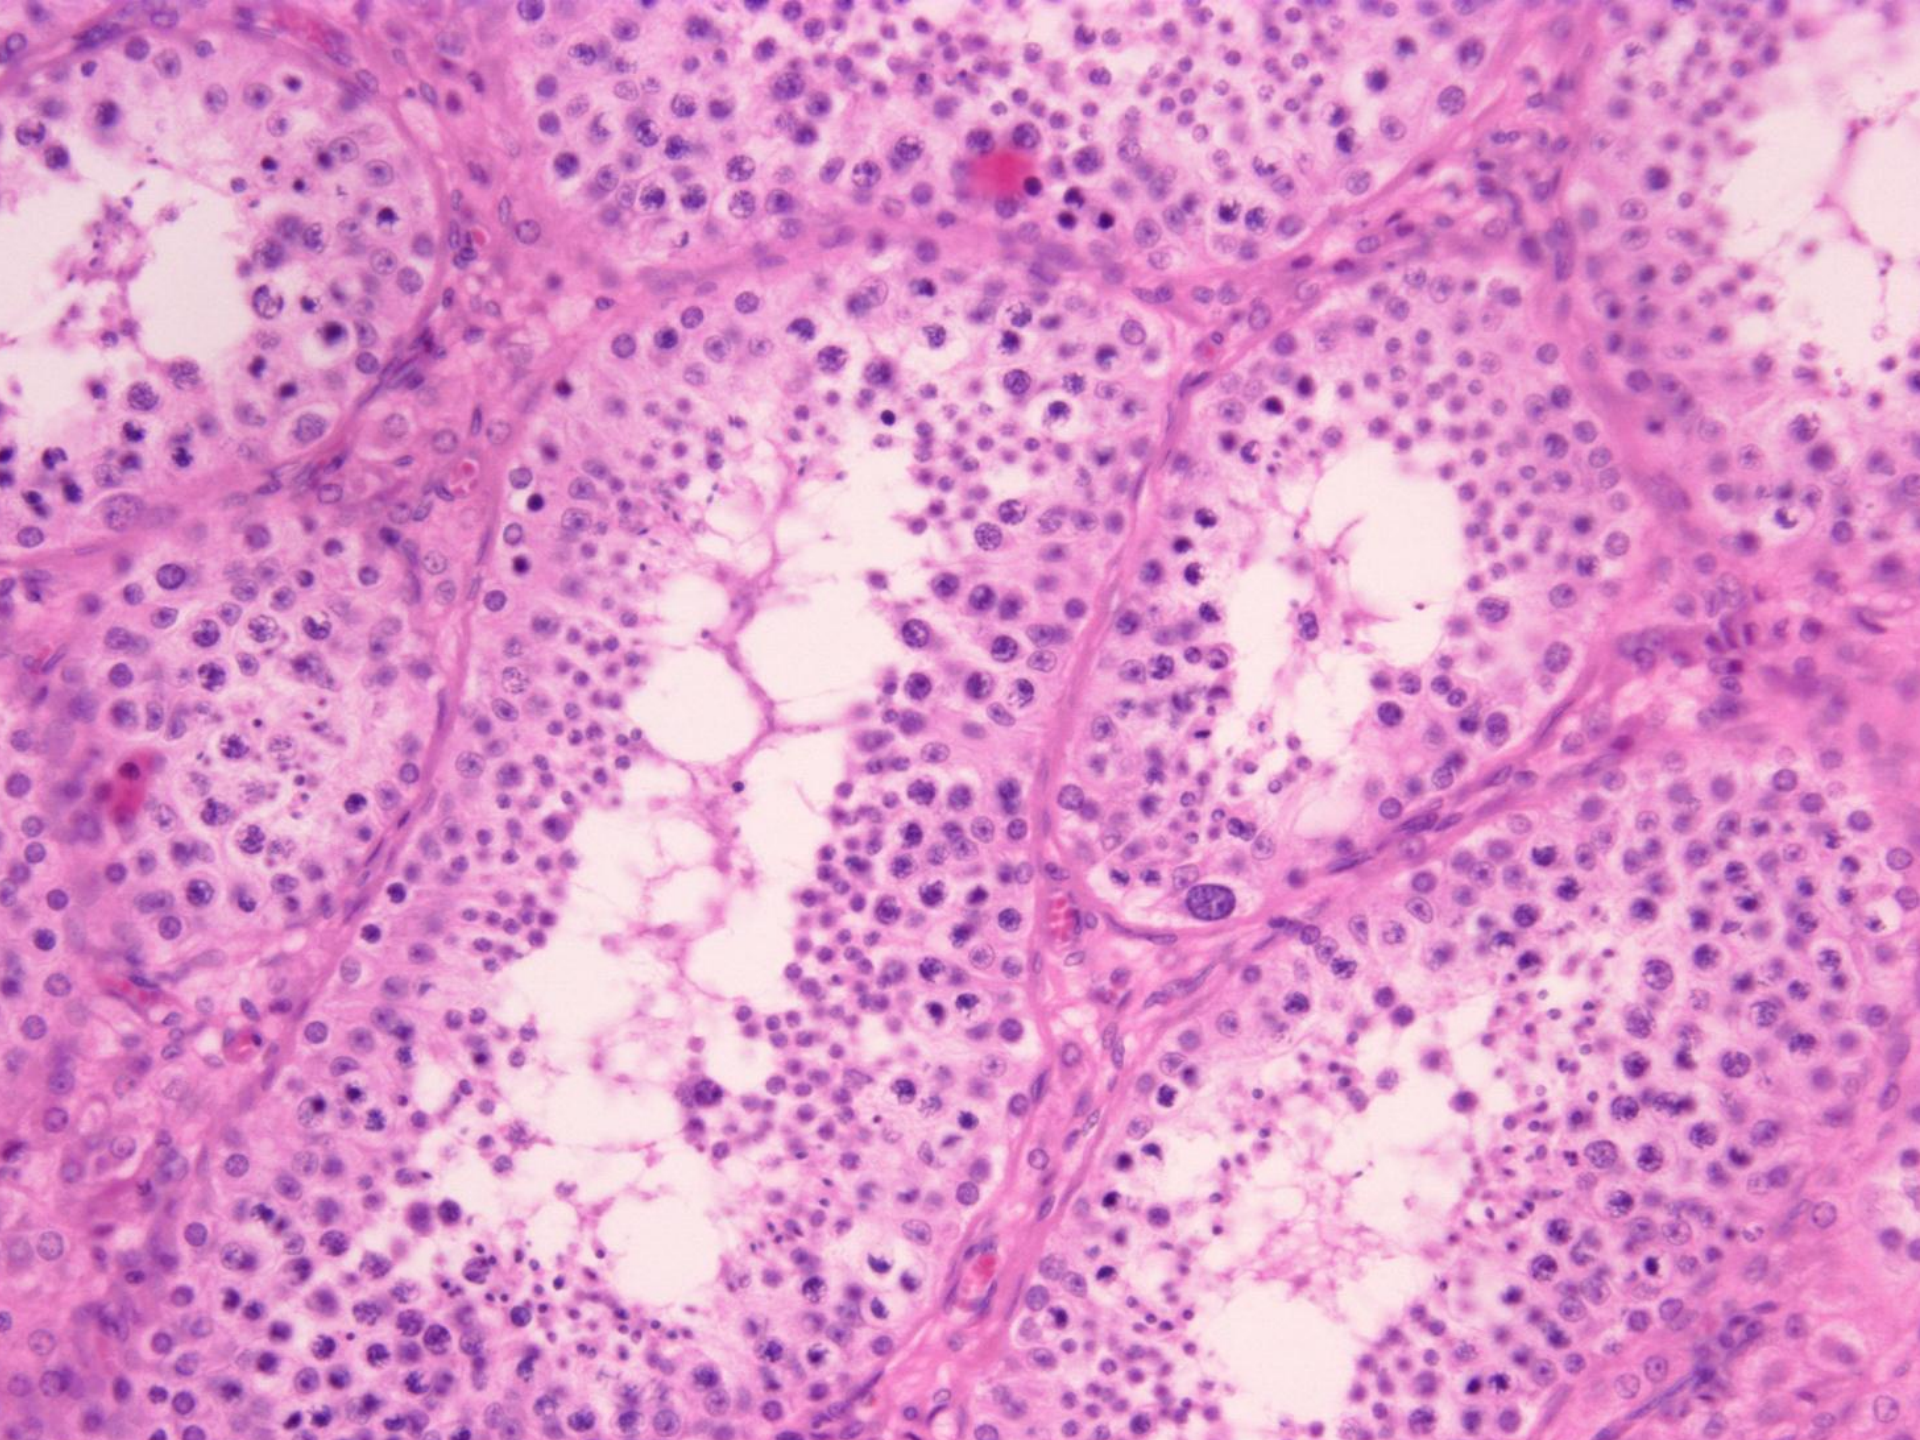


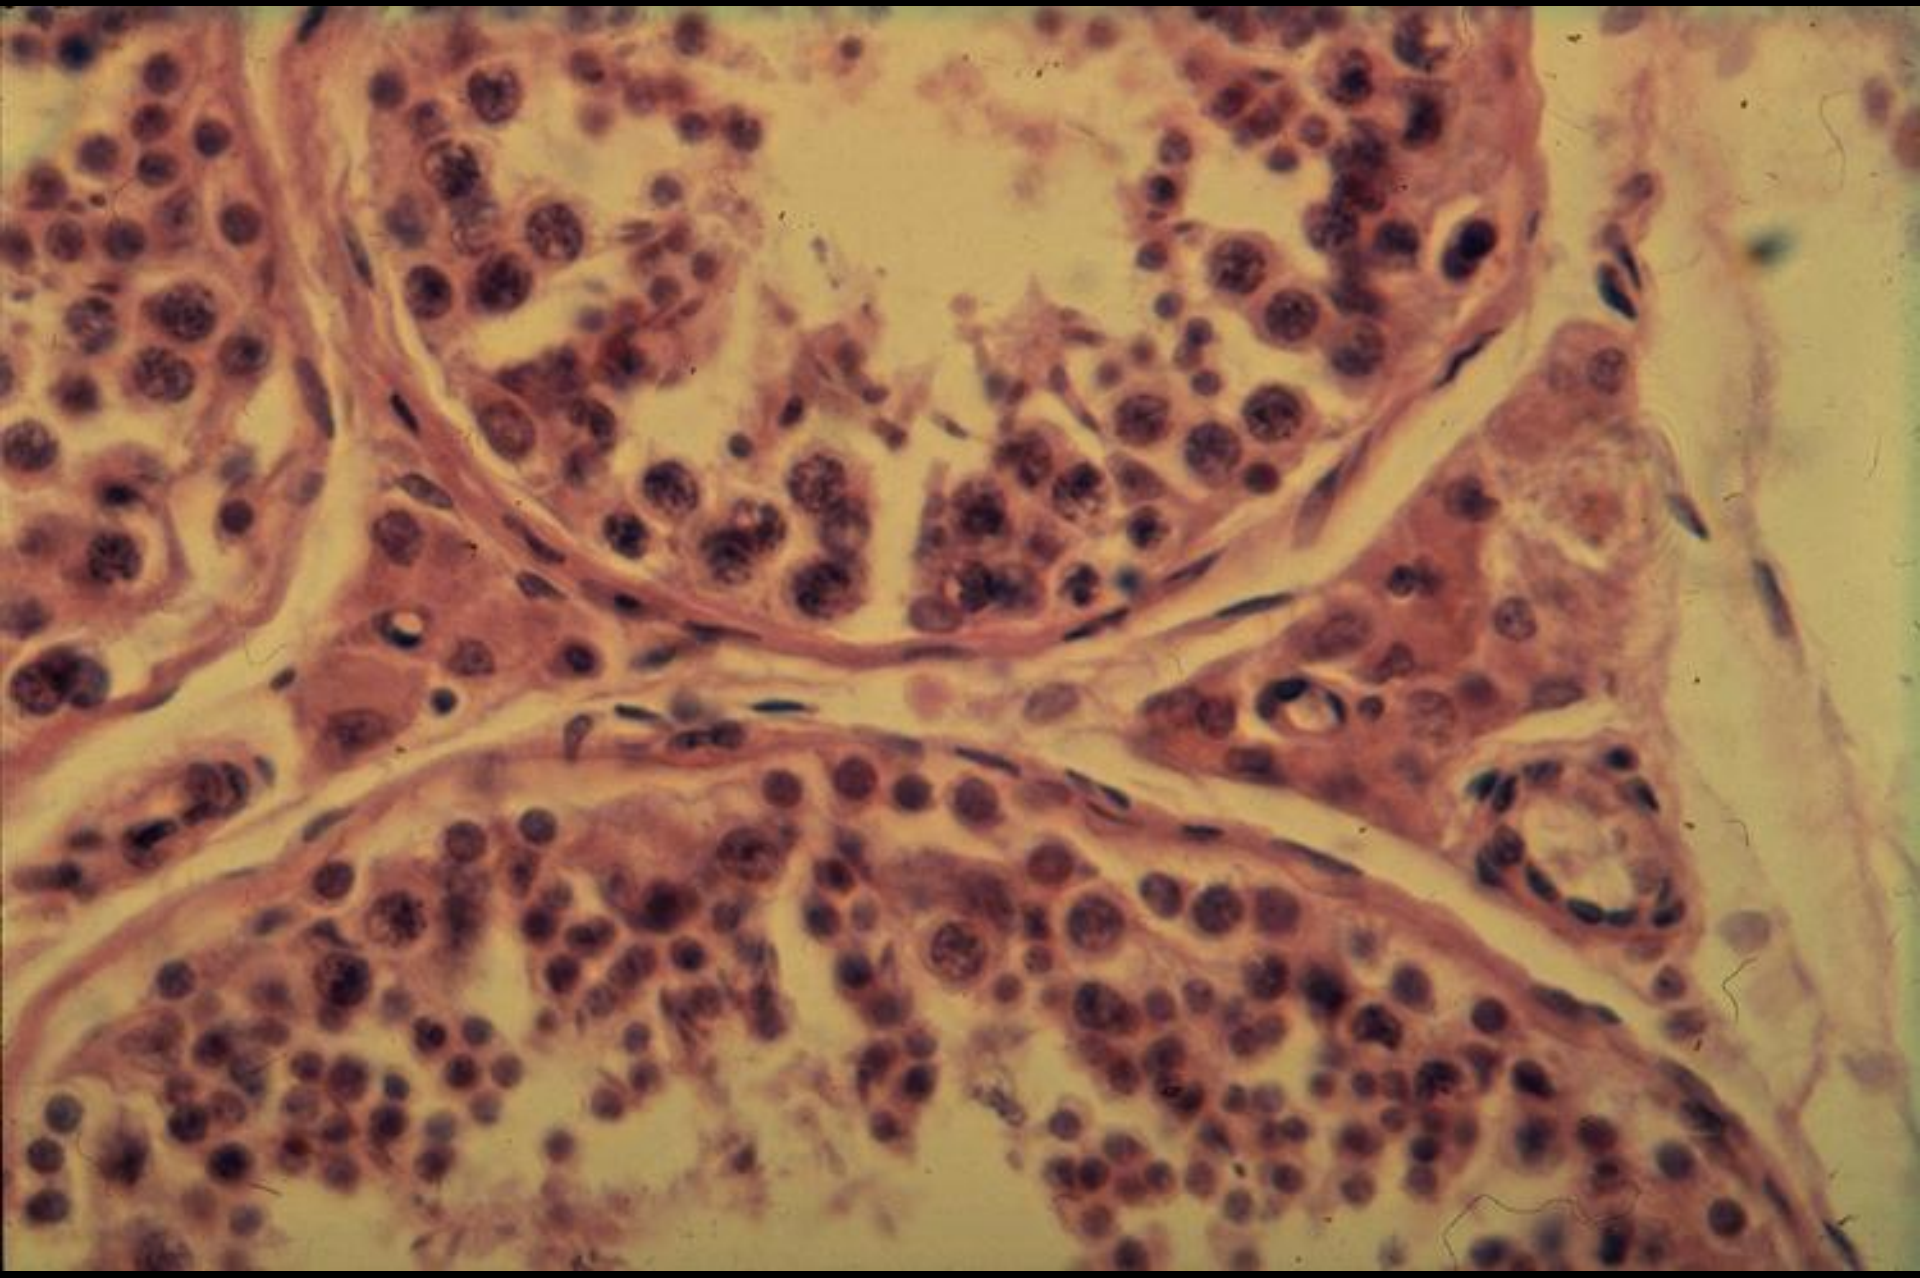


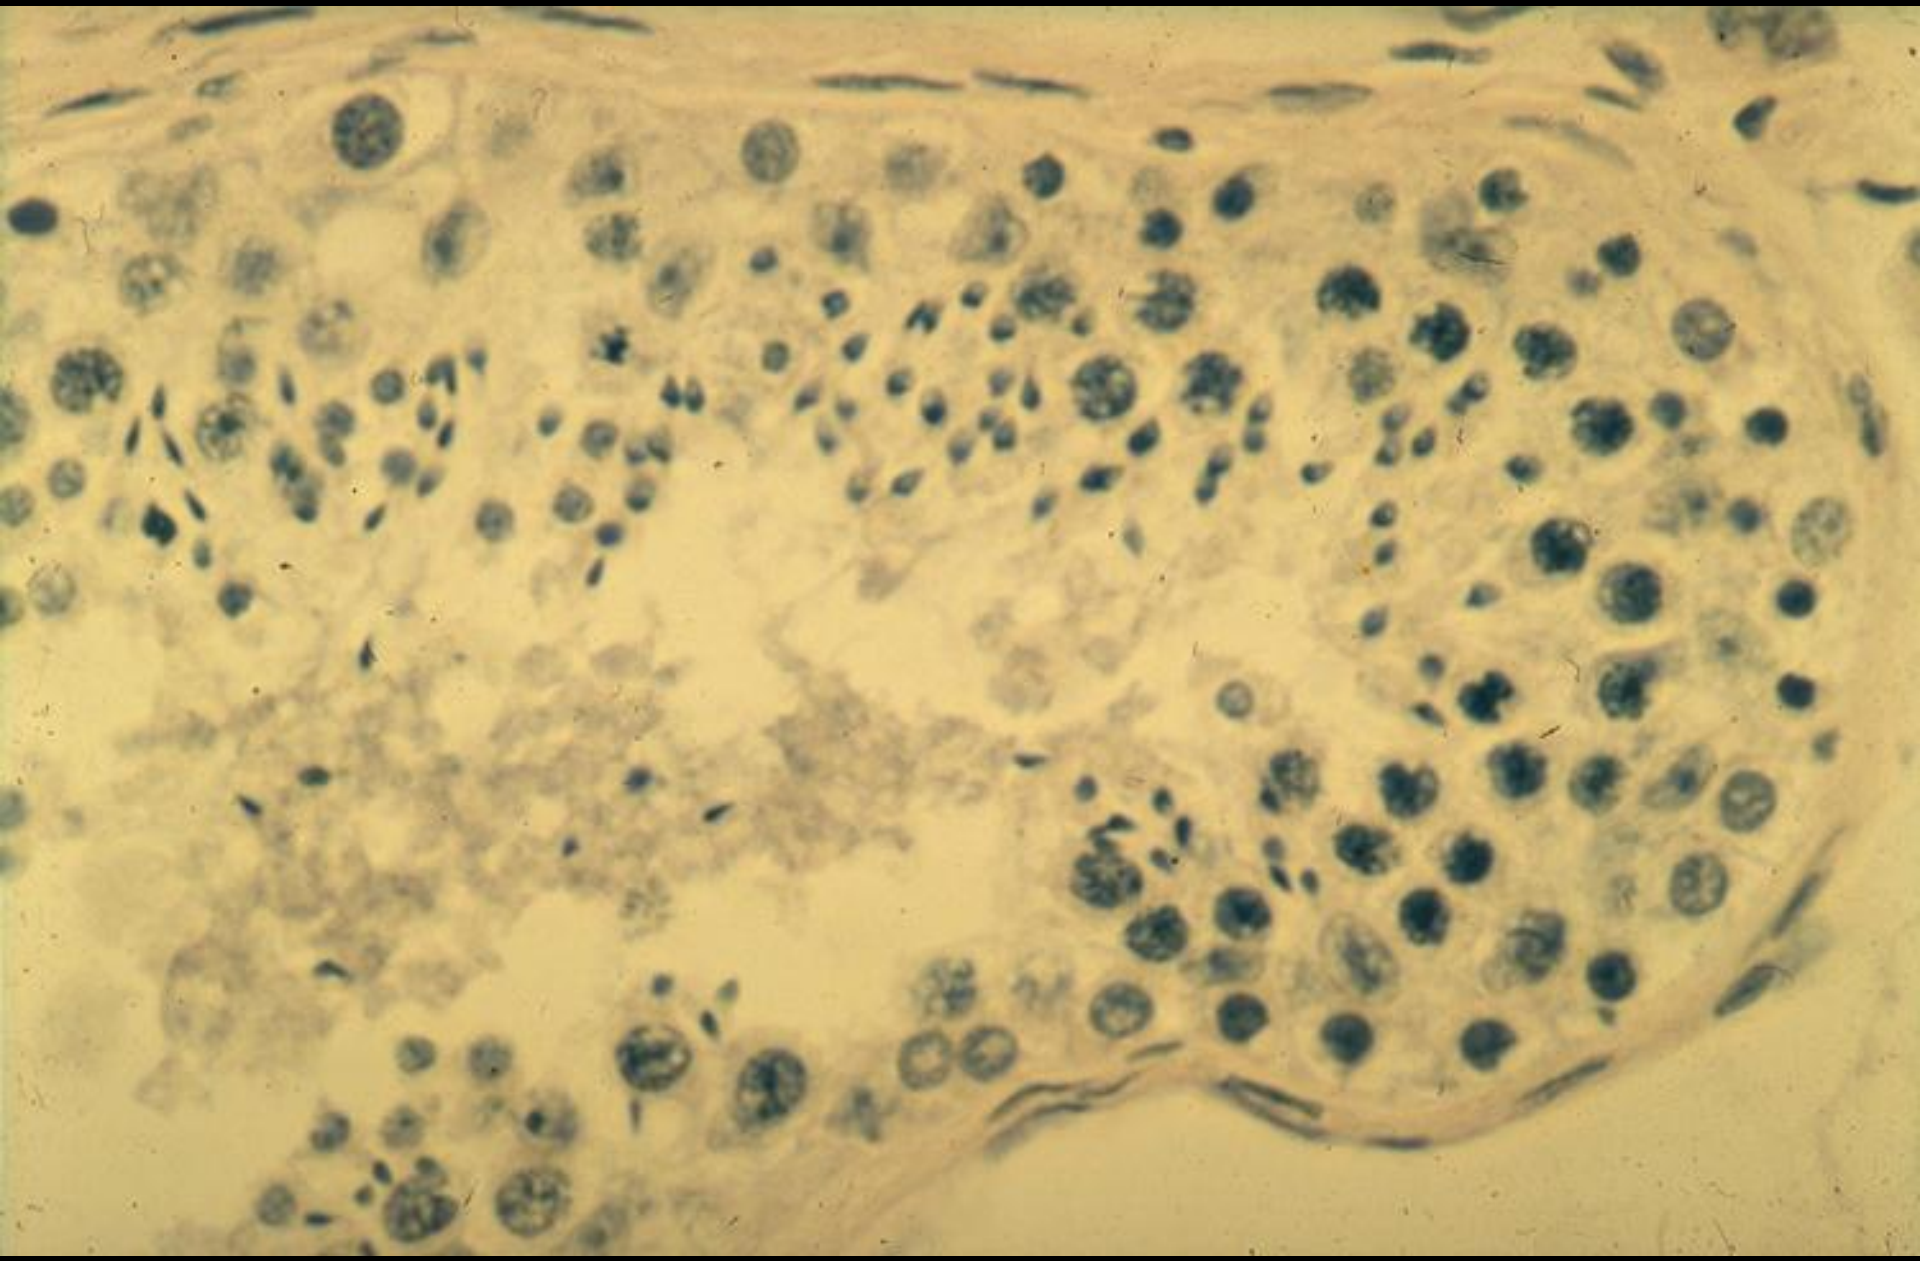
Caput epididymidis

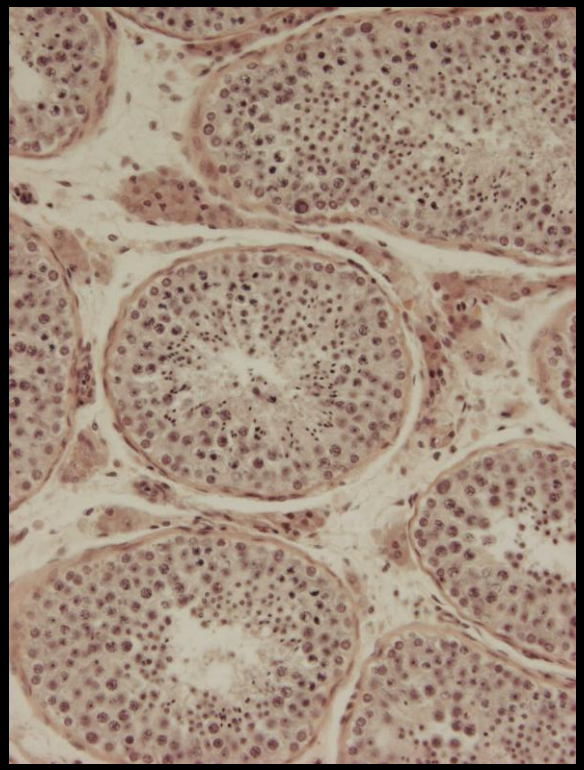
Testis

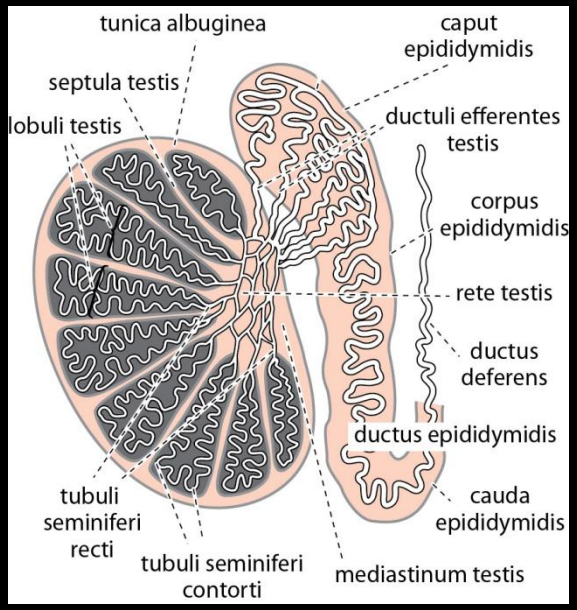
Body of epididymis



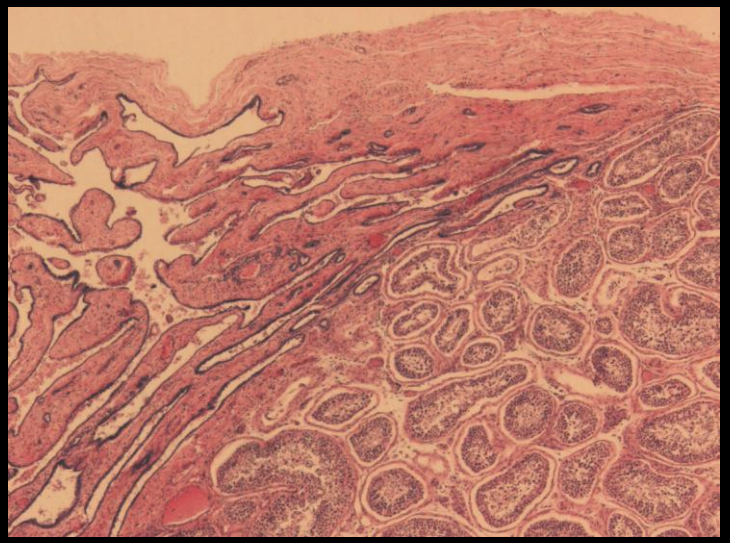


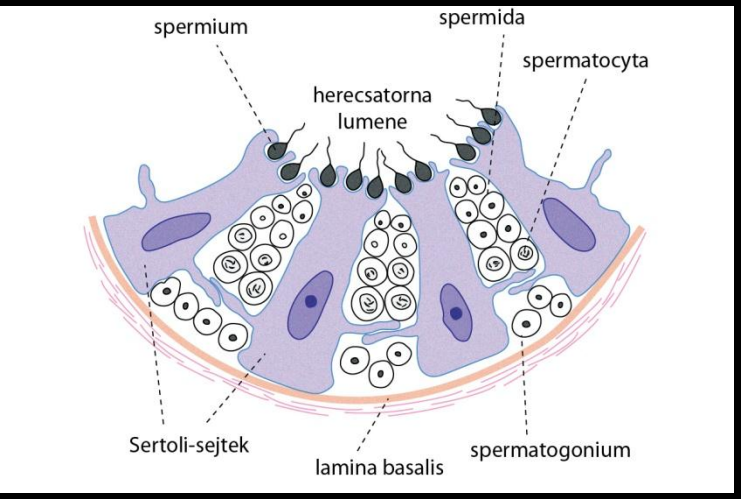




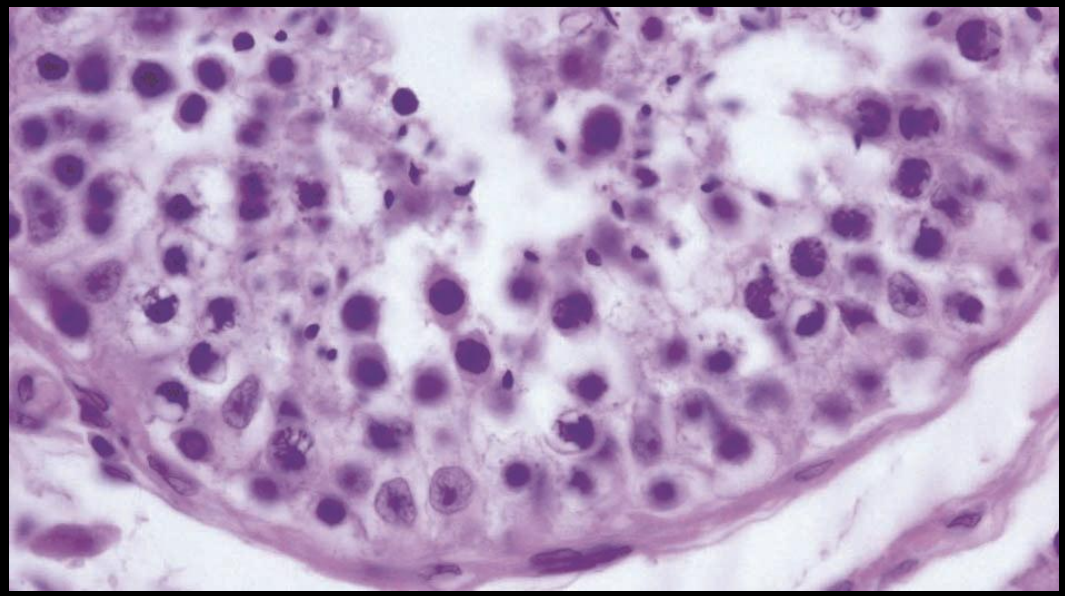


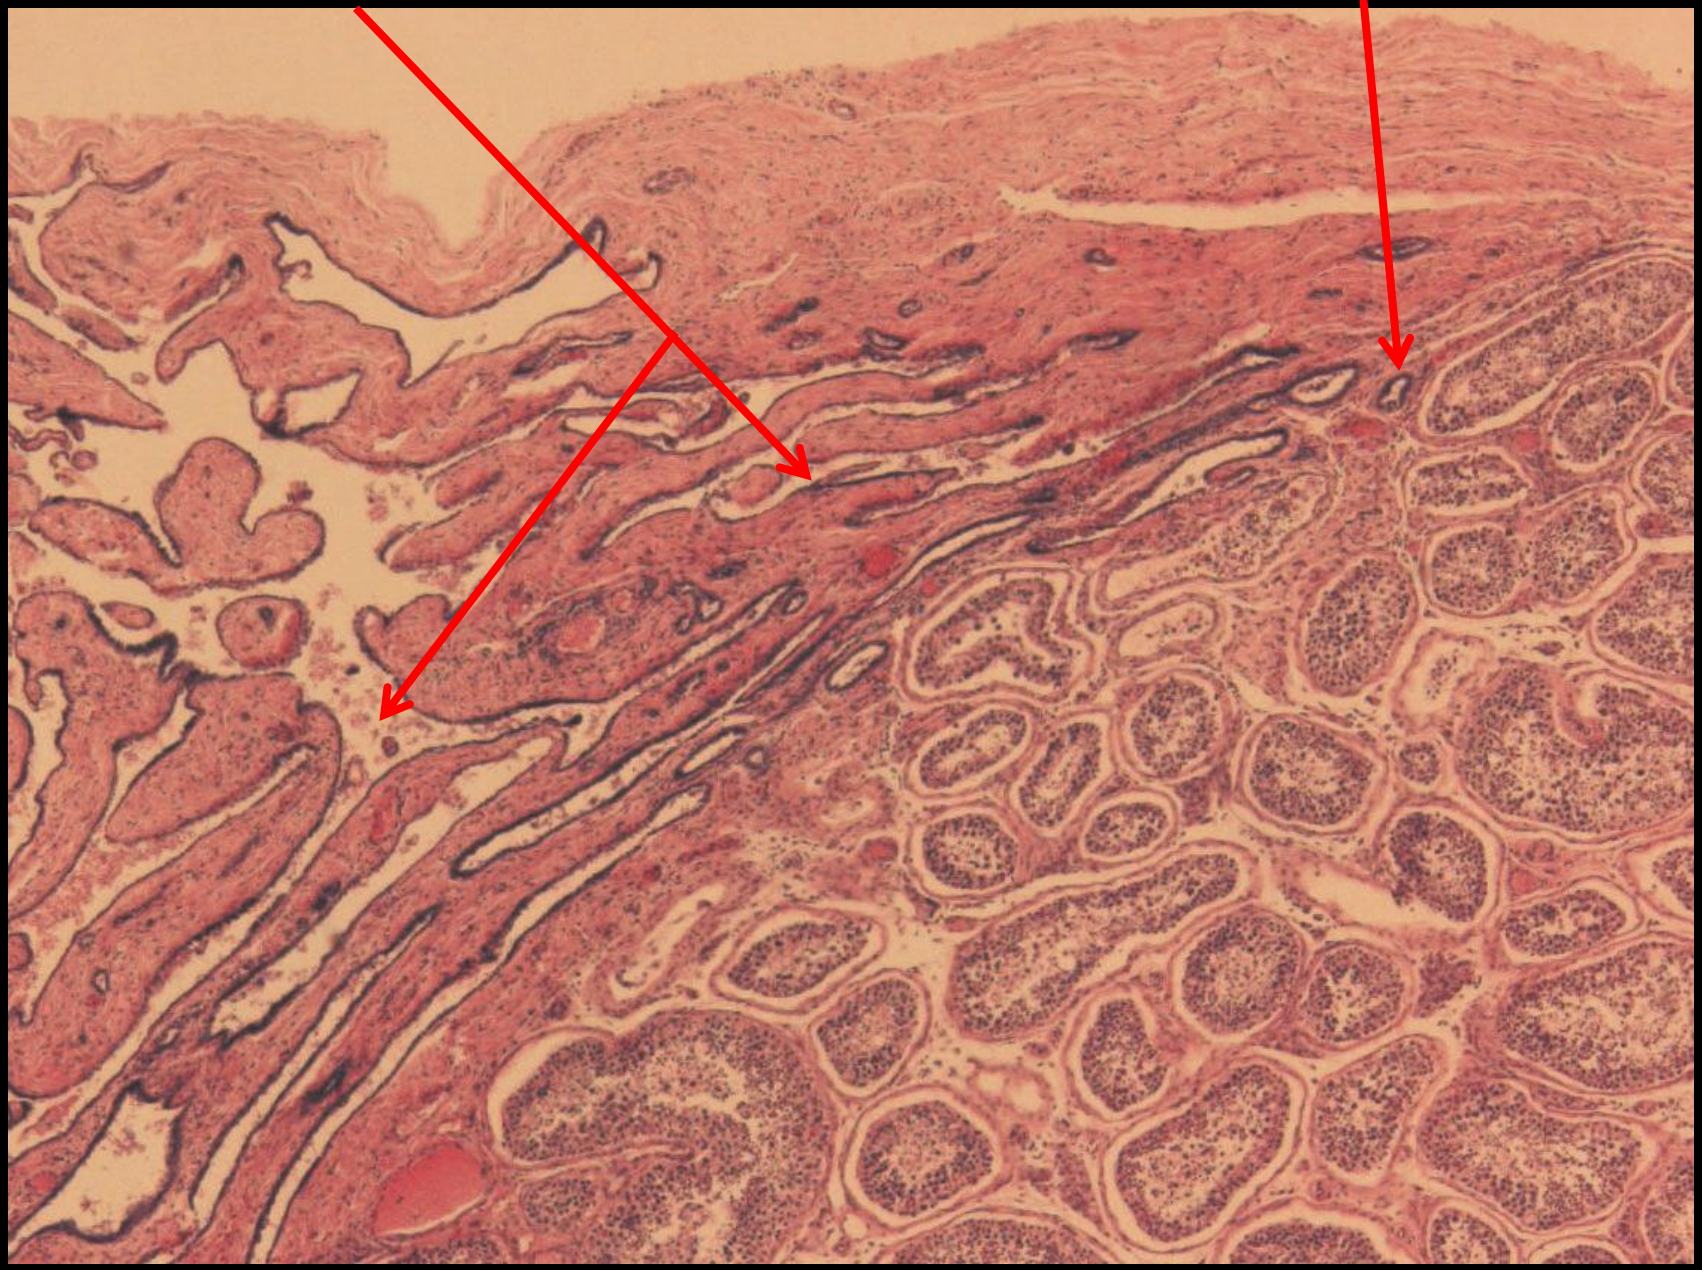
tunica albuginea
caput epididymidis
septula testis
lobuli testis
ductuli efferentes testis
corpus epididymidis
rete testis
ductus deferens
ductus epididymidis
cauda epididymidis
tubuli seminiferi recti
tubuli seminiferi contorti
mediastinum testis



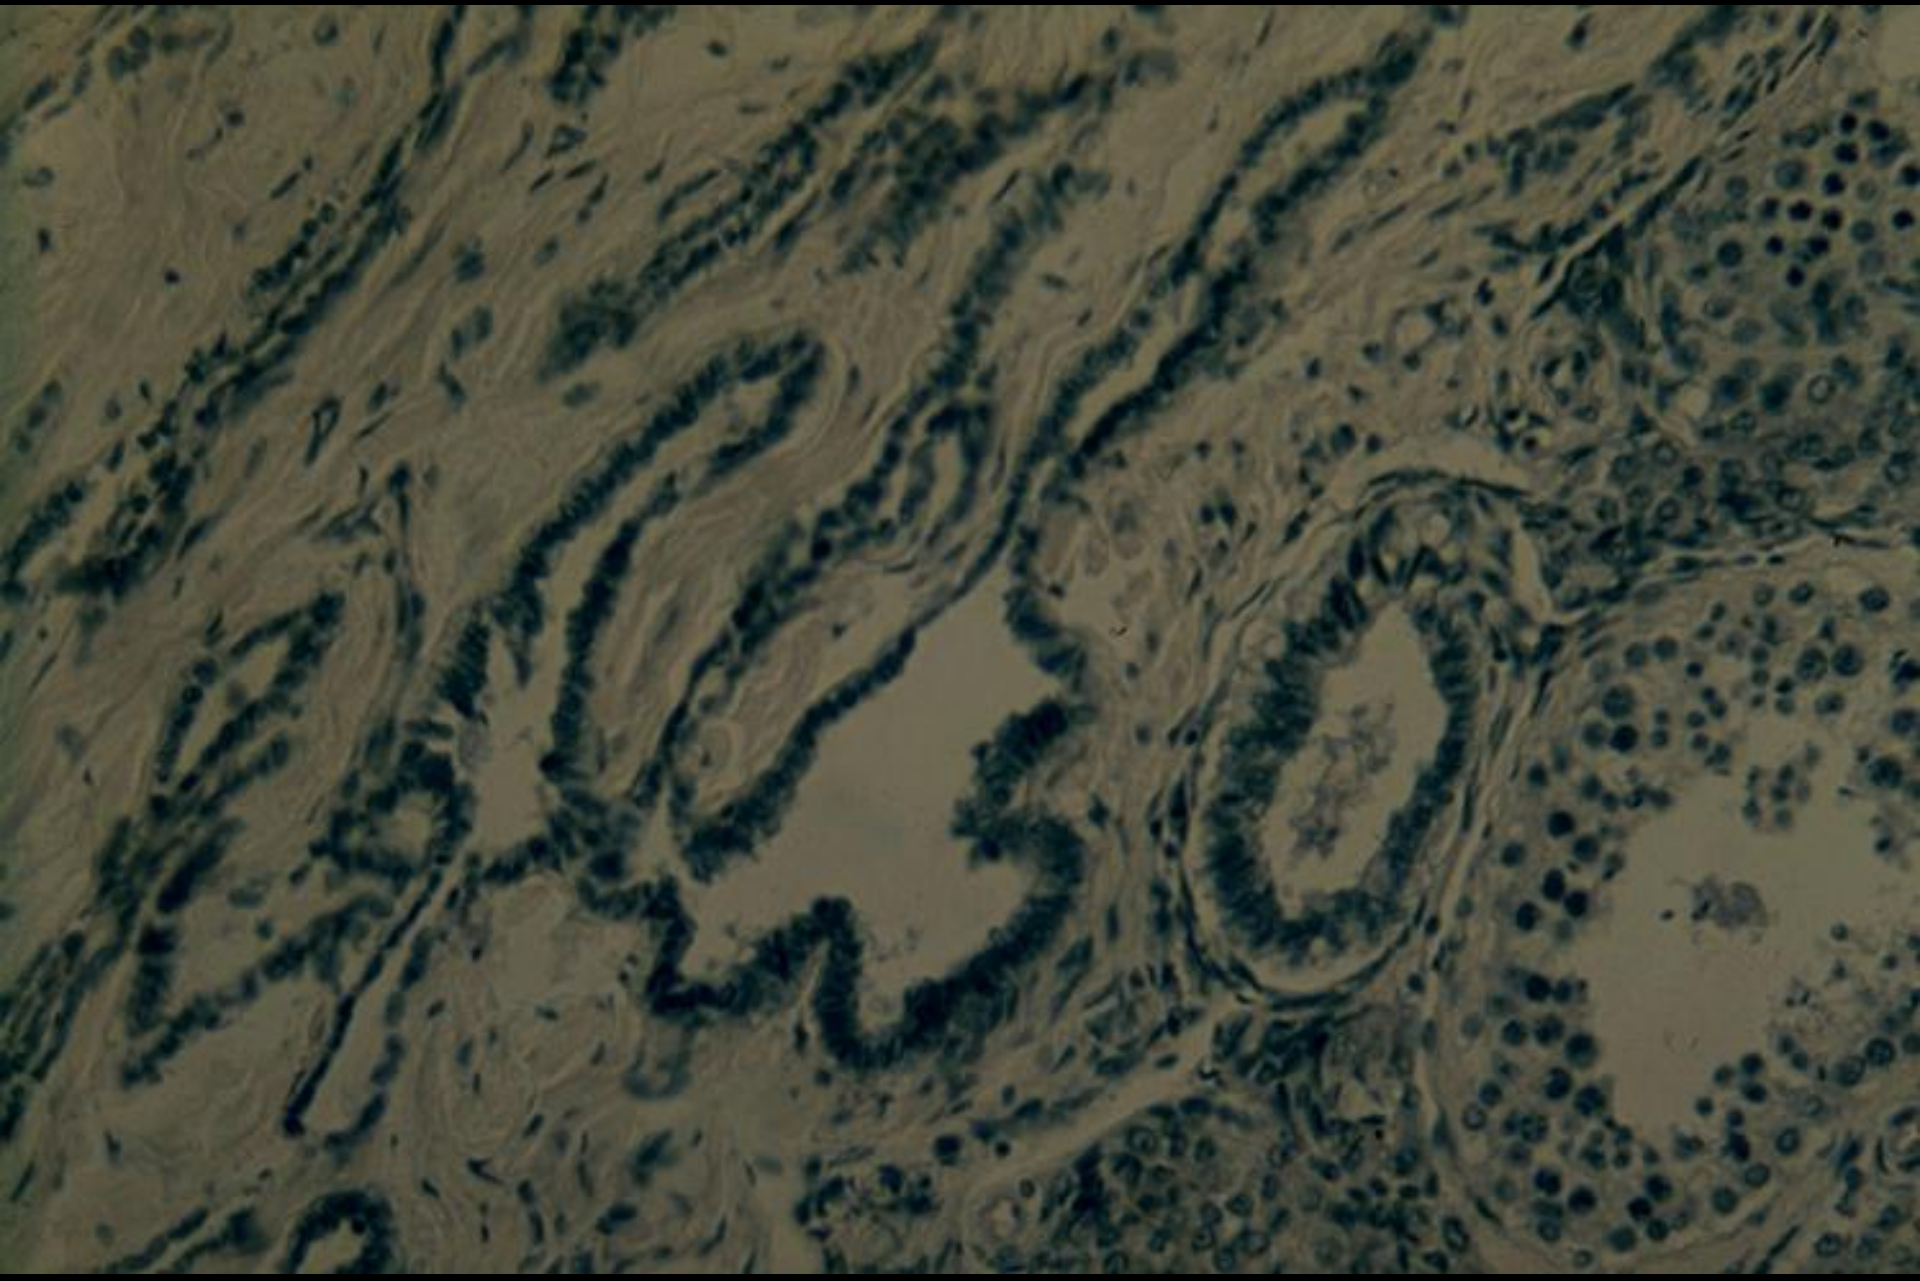


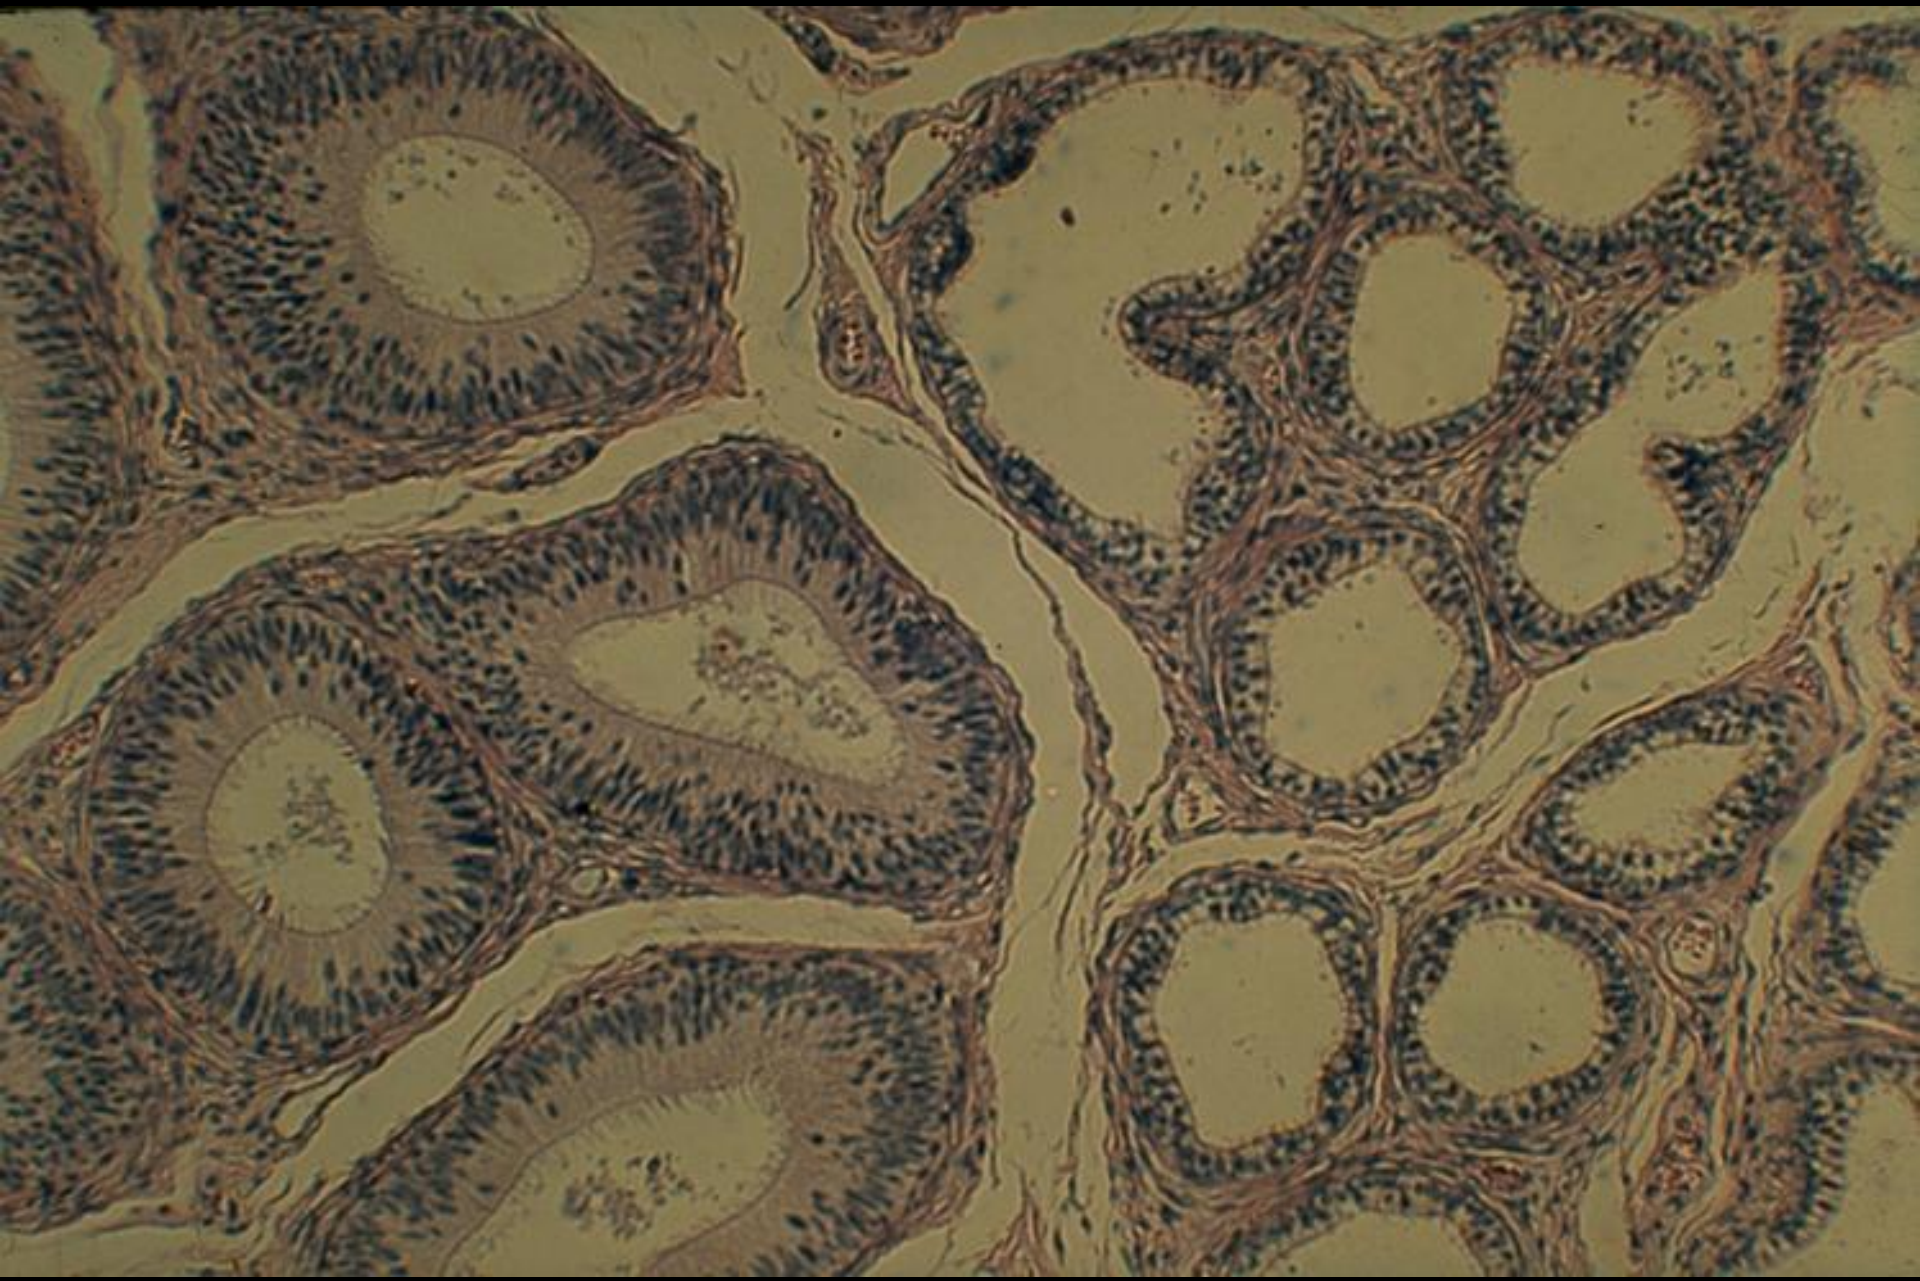
spermium
spermida
spermatocyta
herecsatorna lumene
Sertoli-sejtek
lamina basalis
spermatogonium

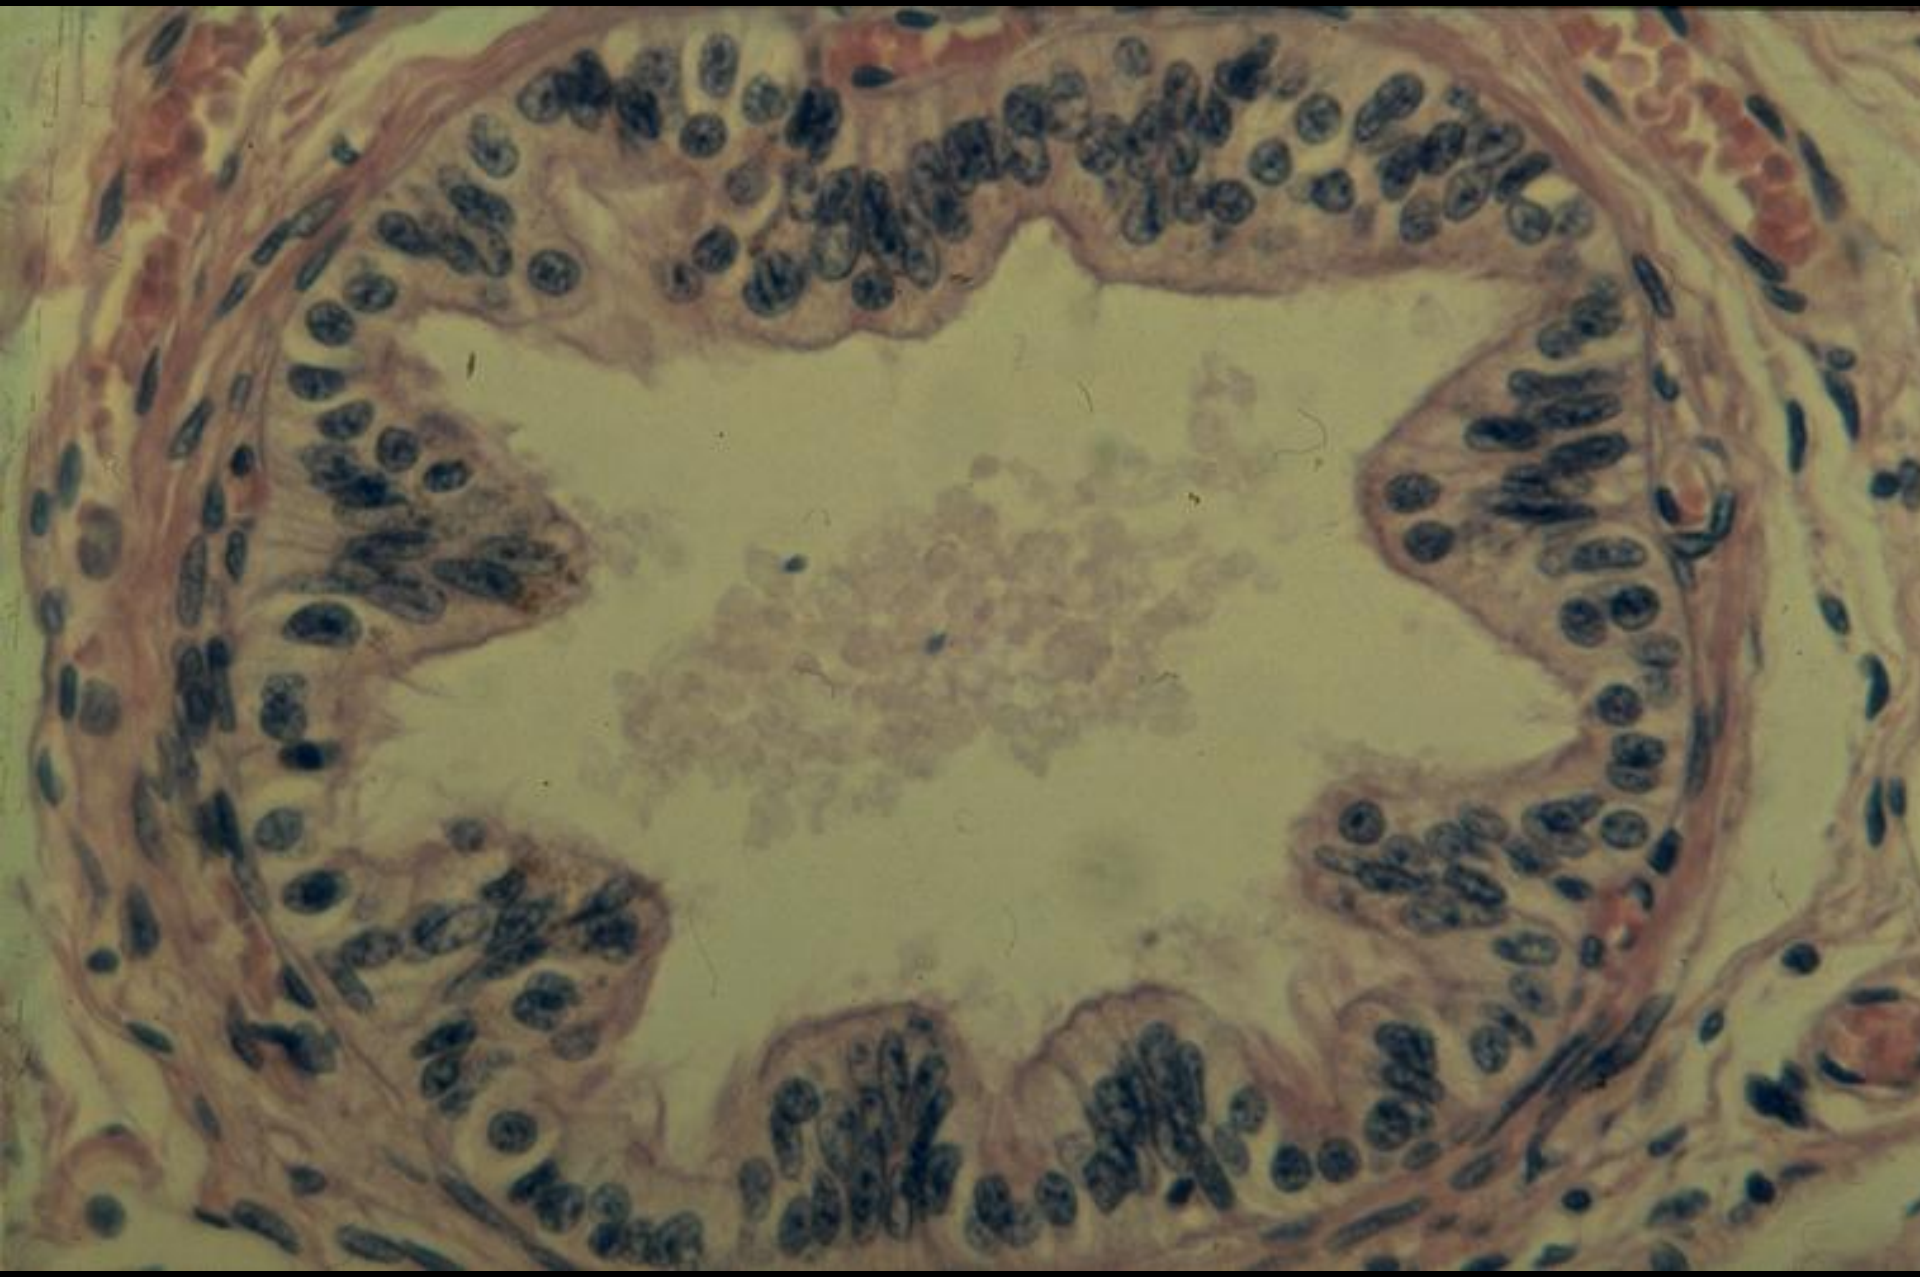




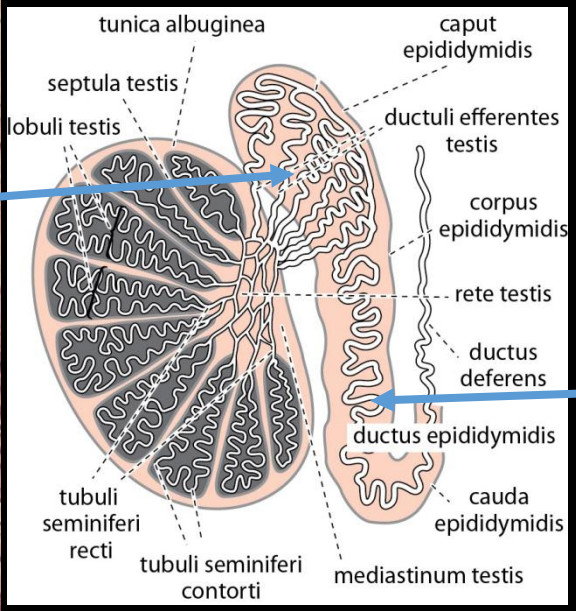
Rete testis
Tubuli seminiferi recti



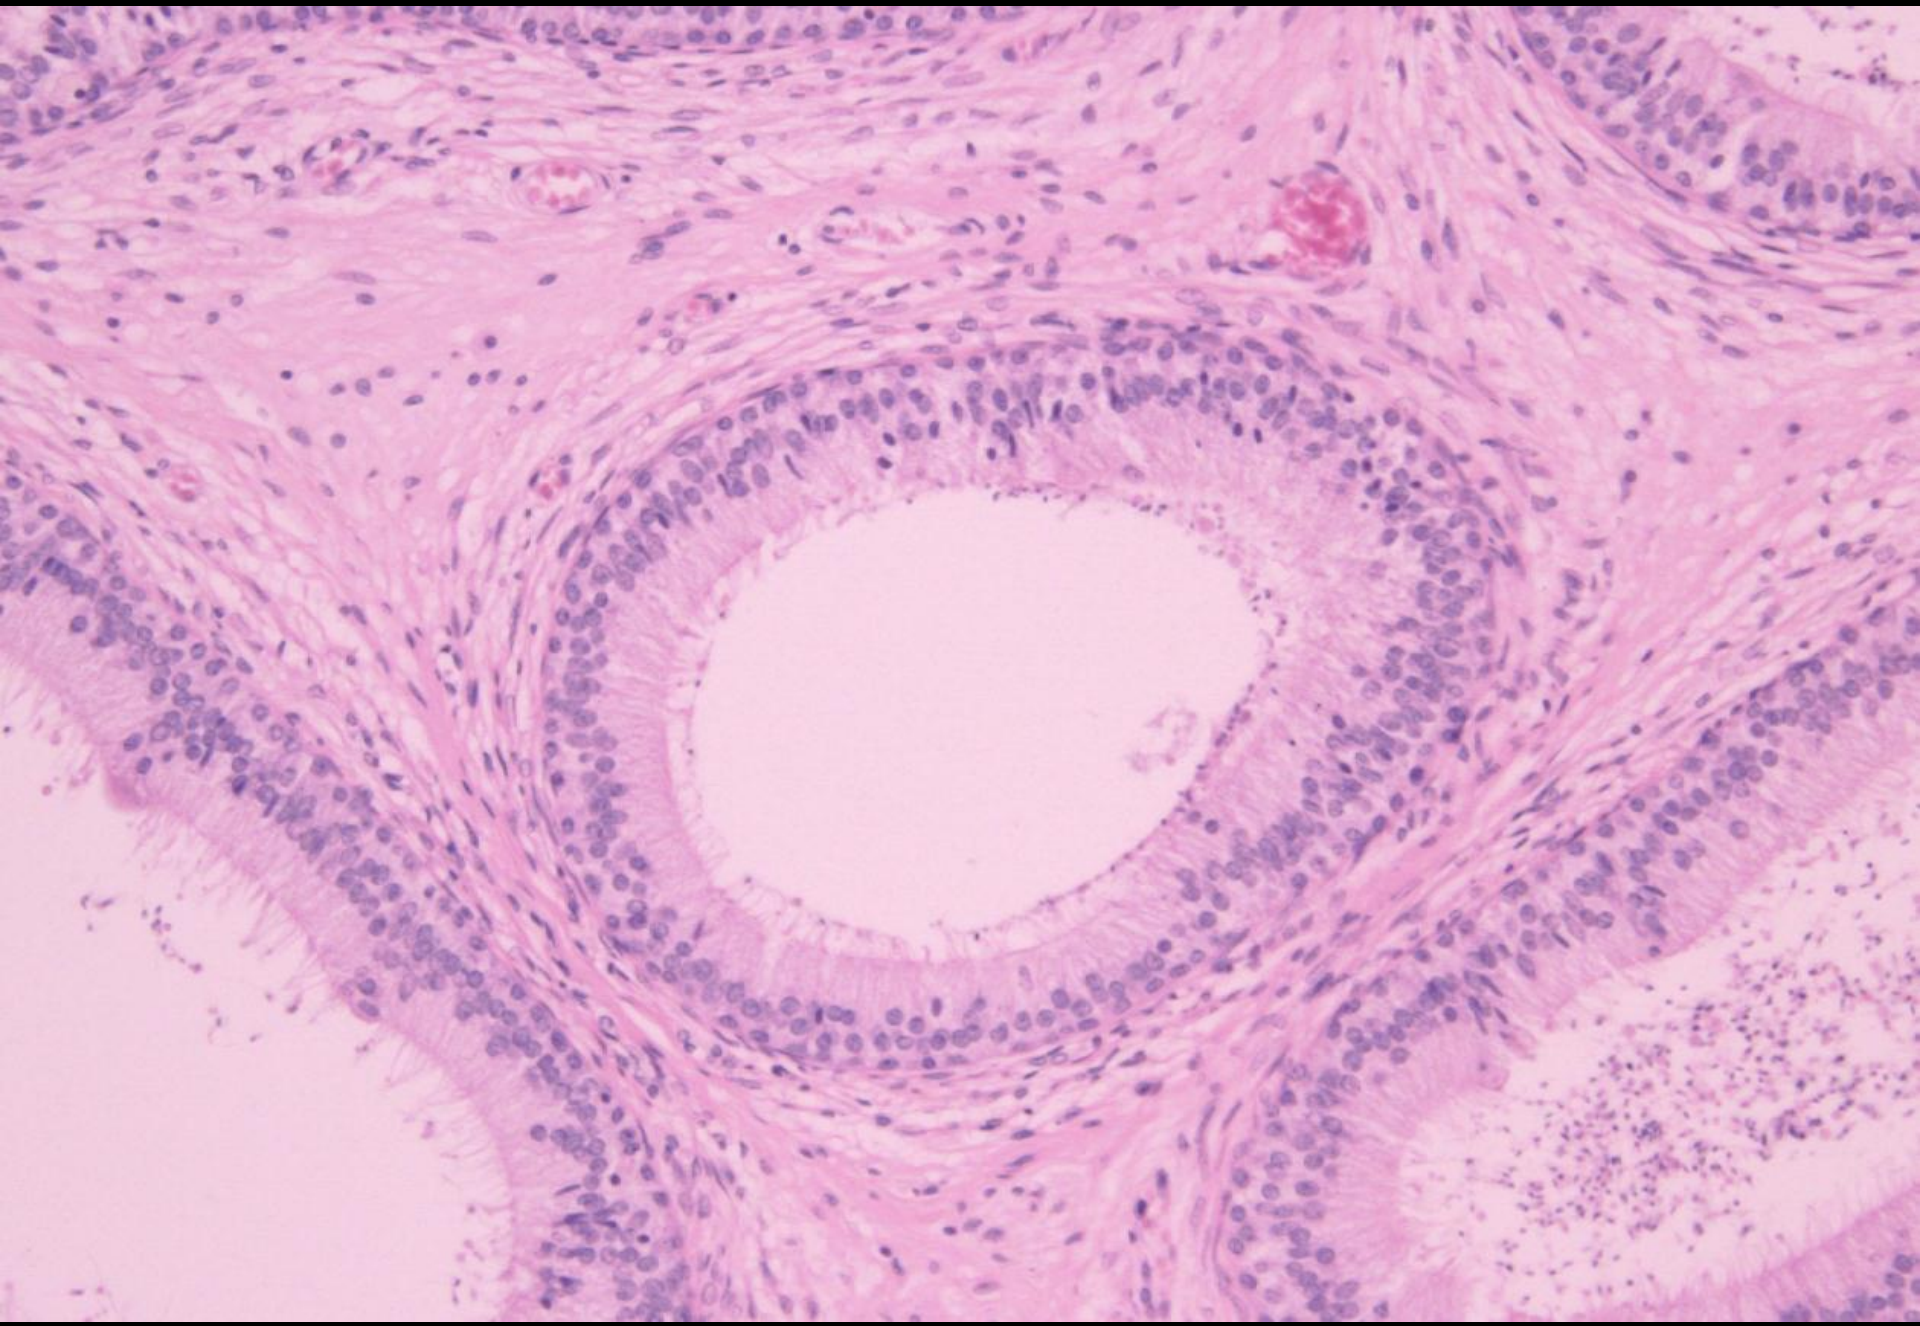


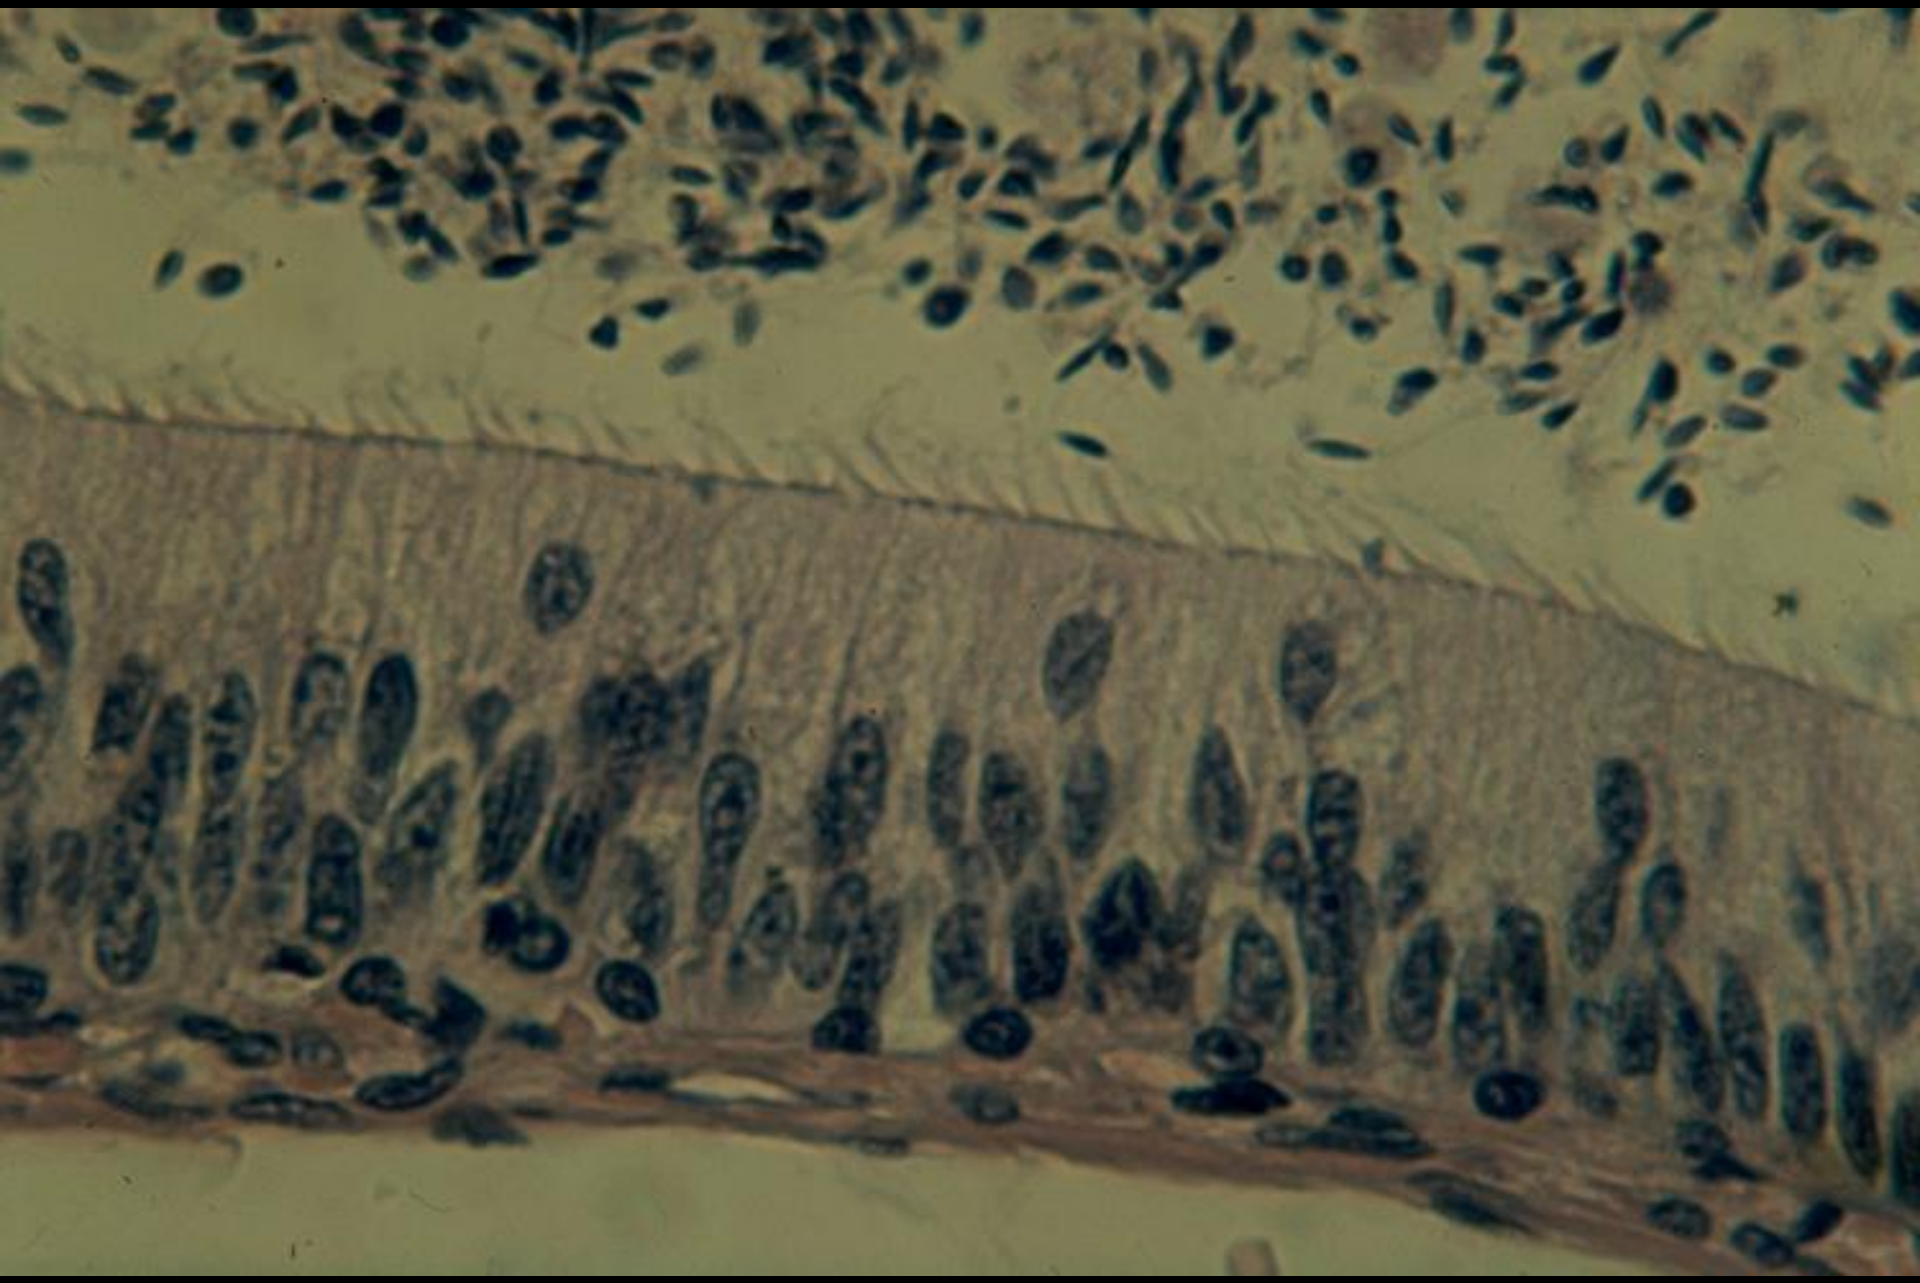


Ductuli efferentes testis

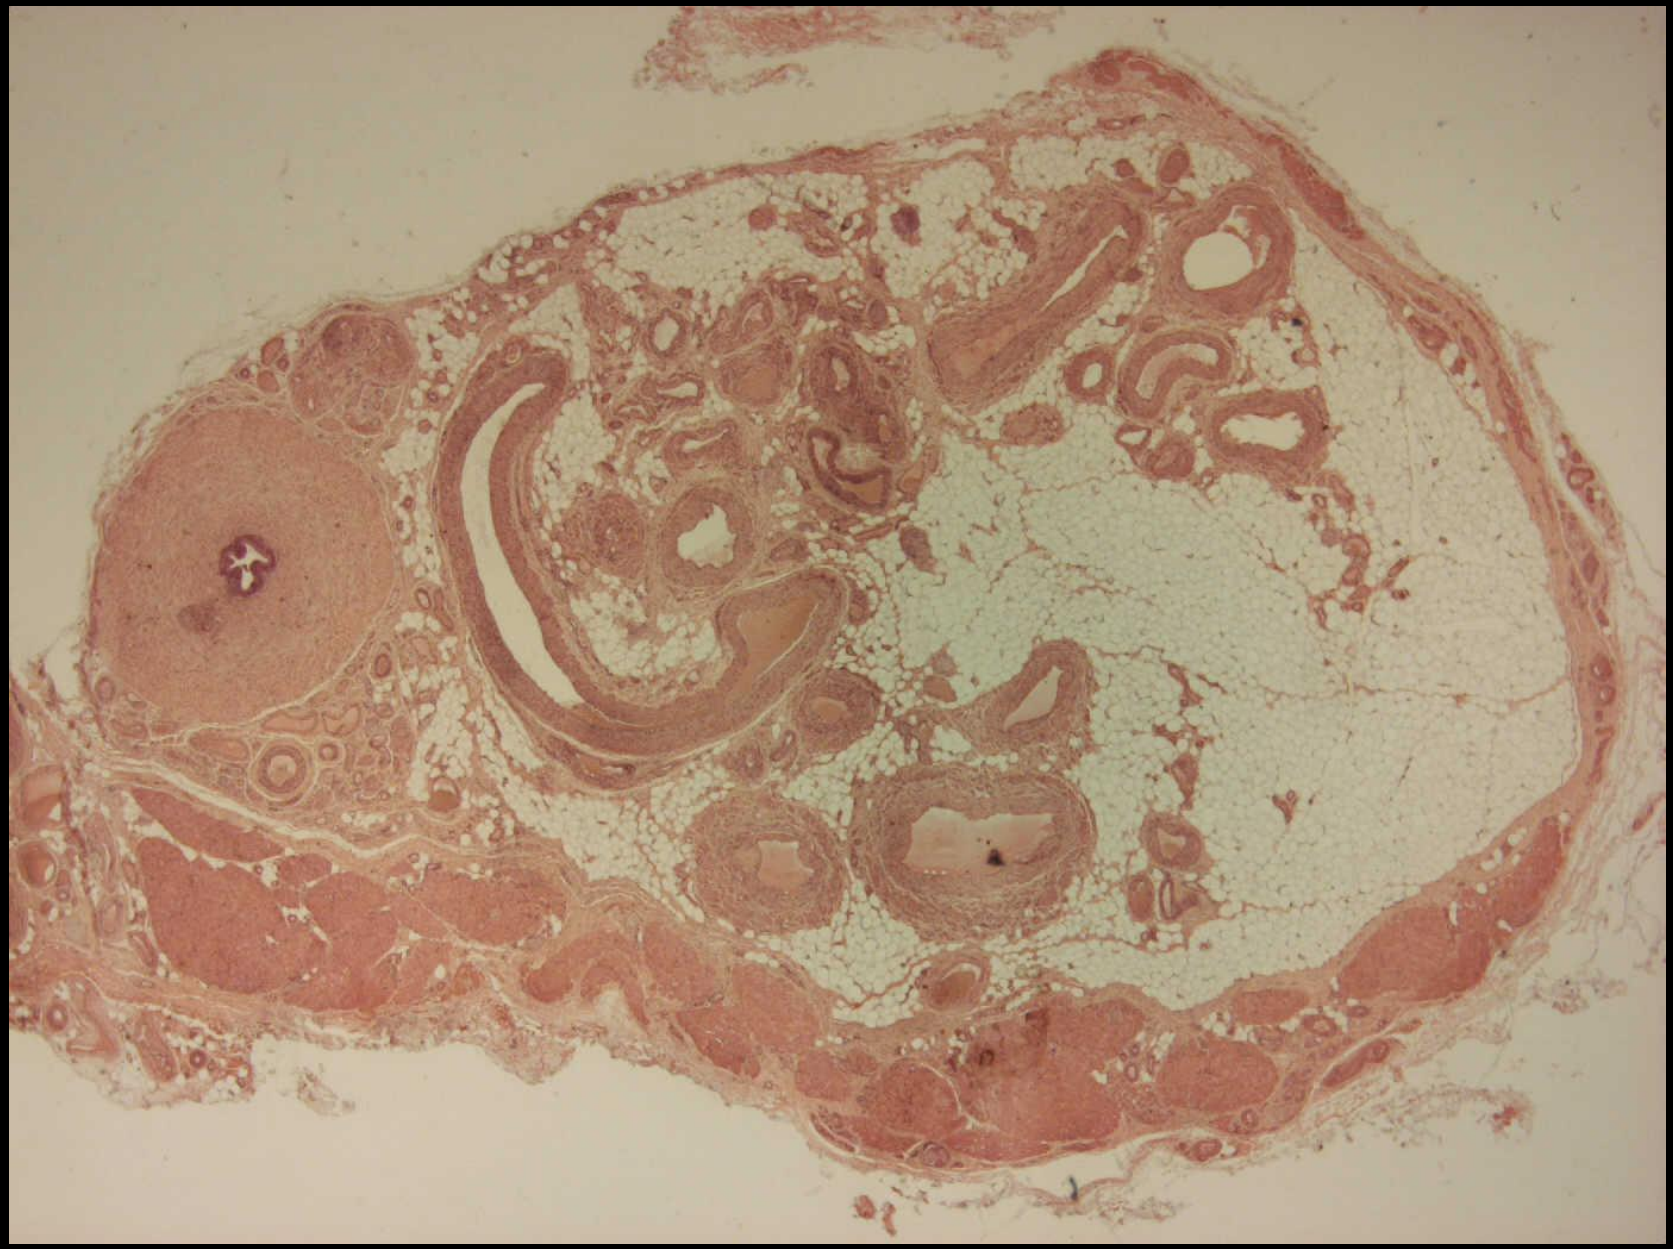


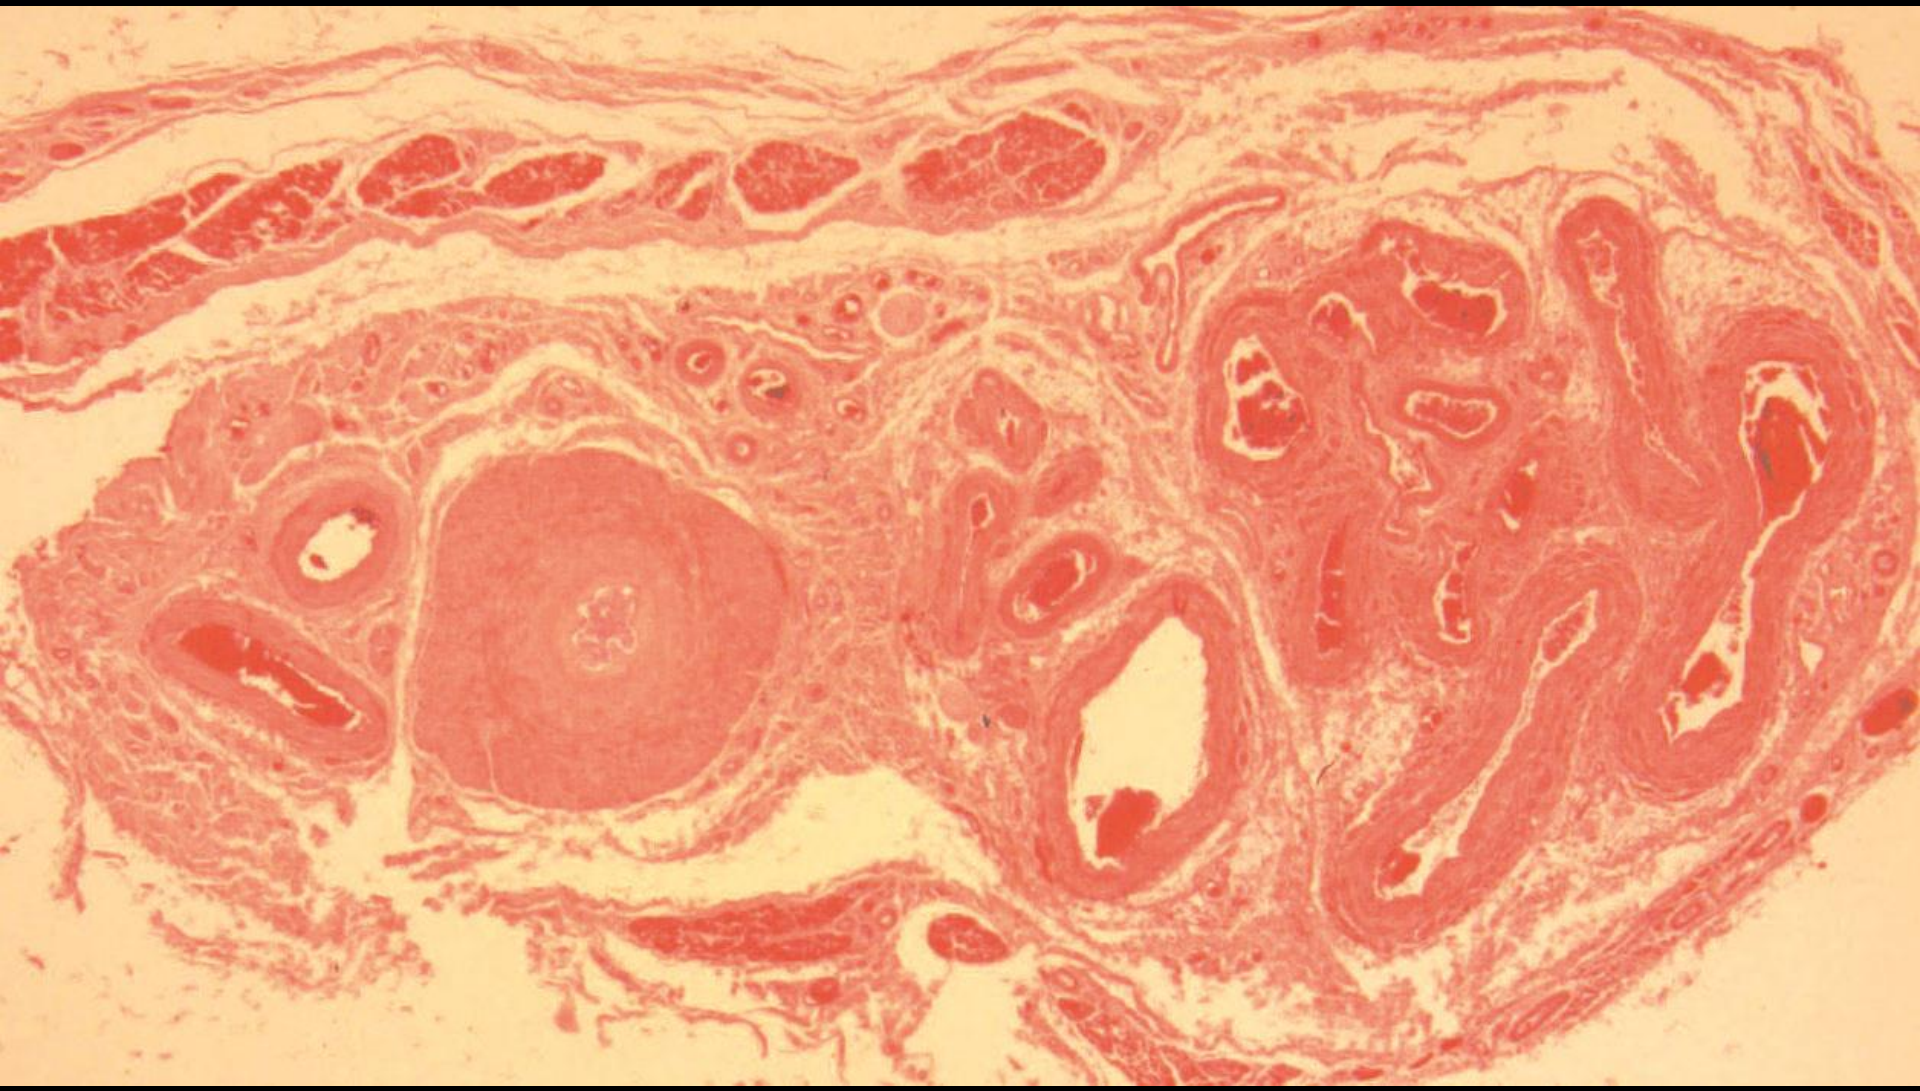
Duct of epdidymis

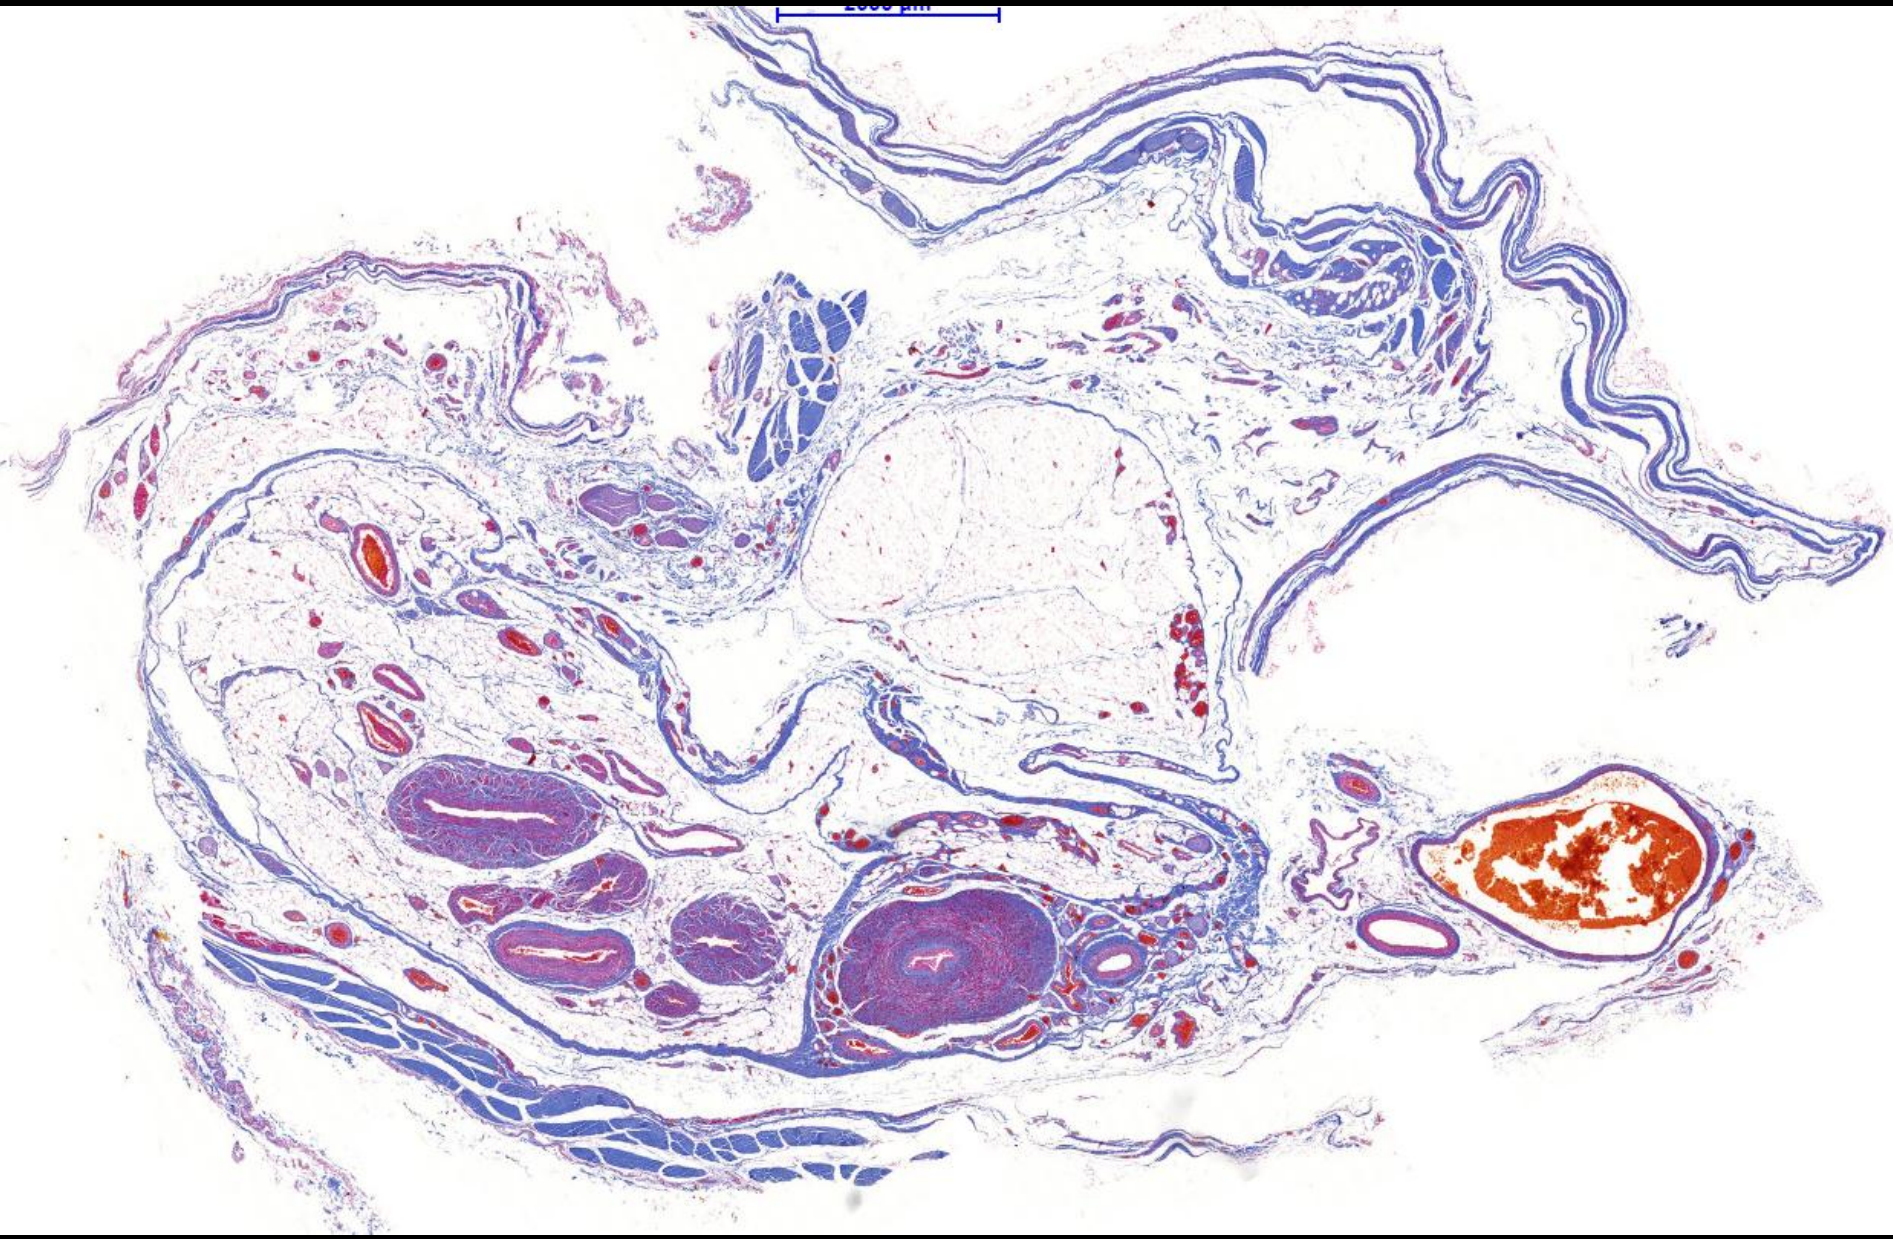




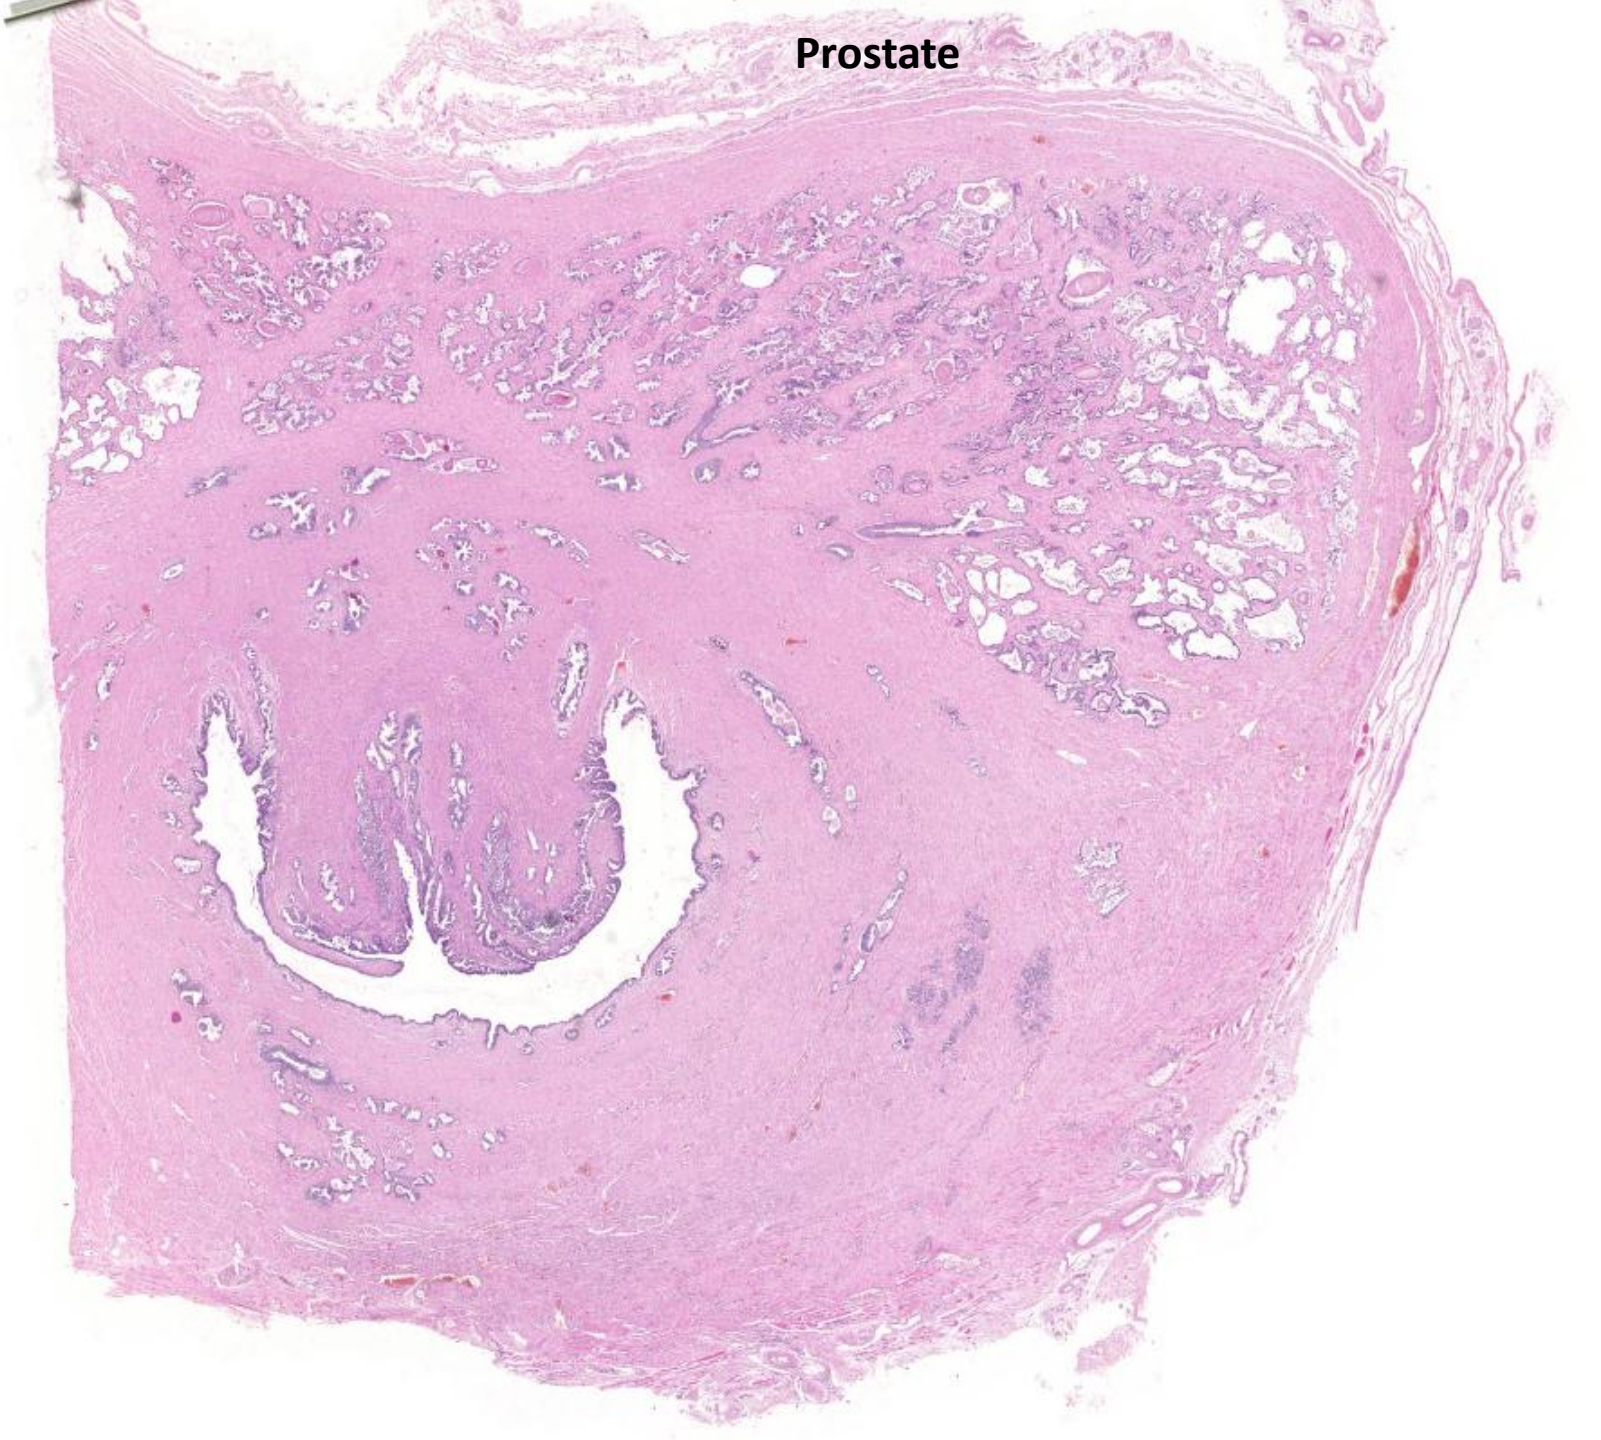
Spermatic cord

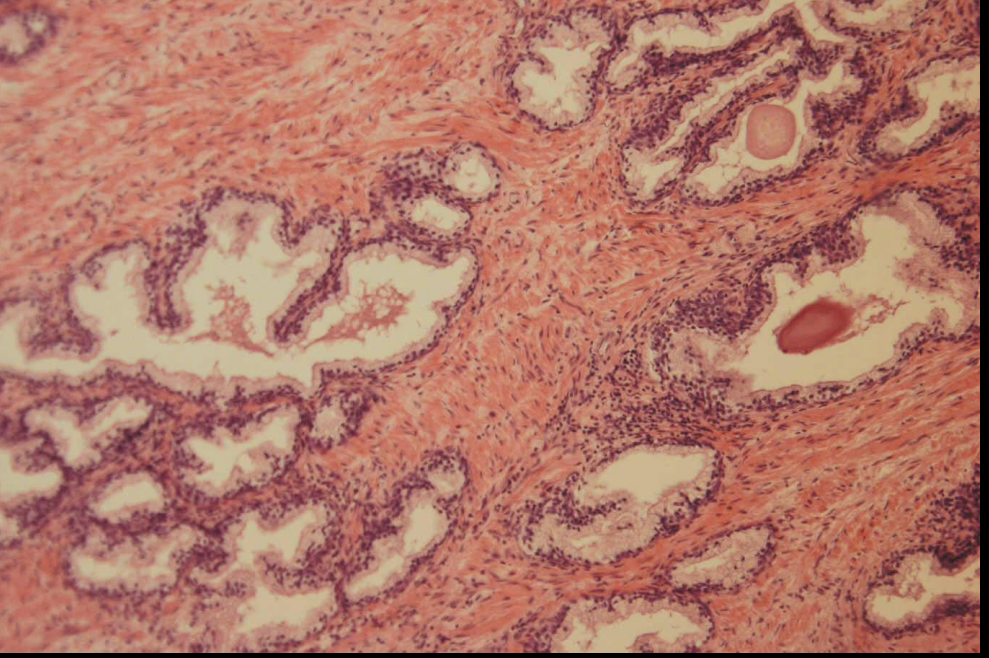


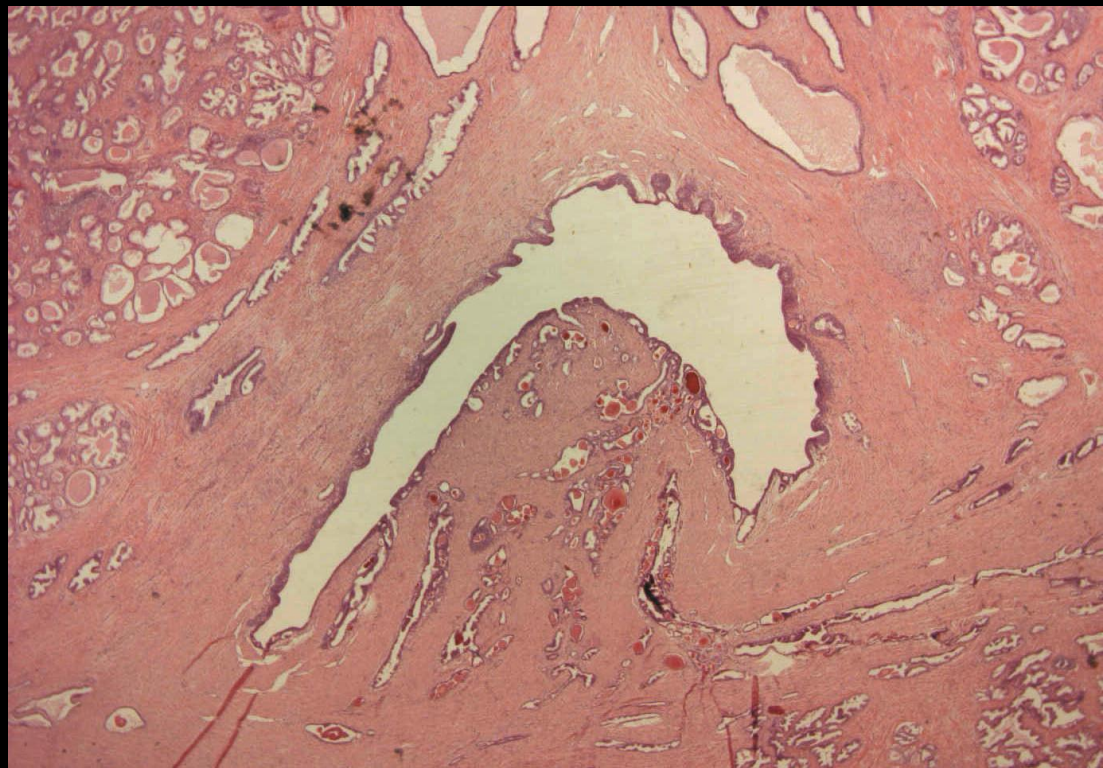


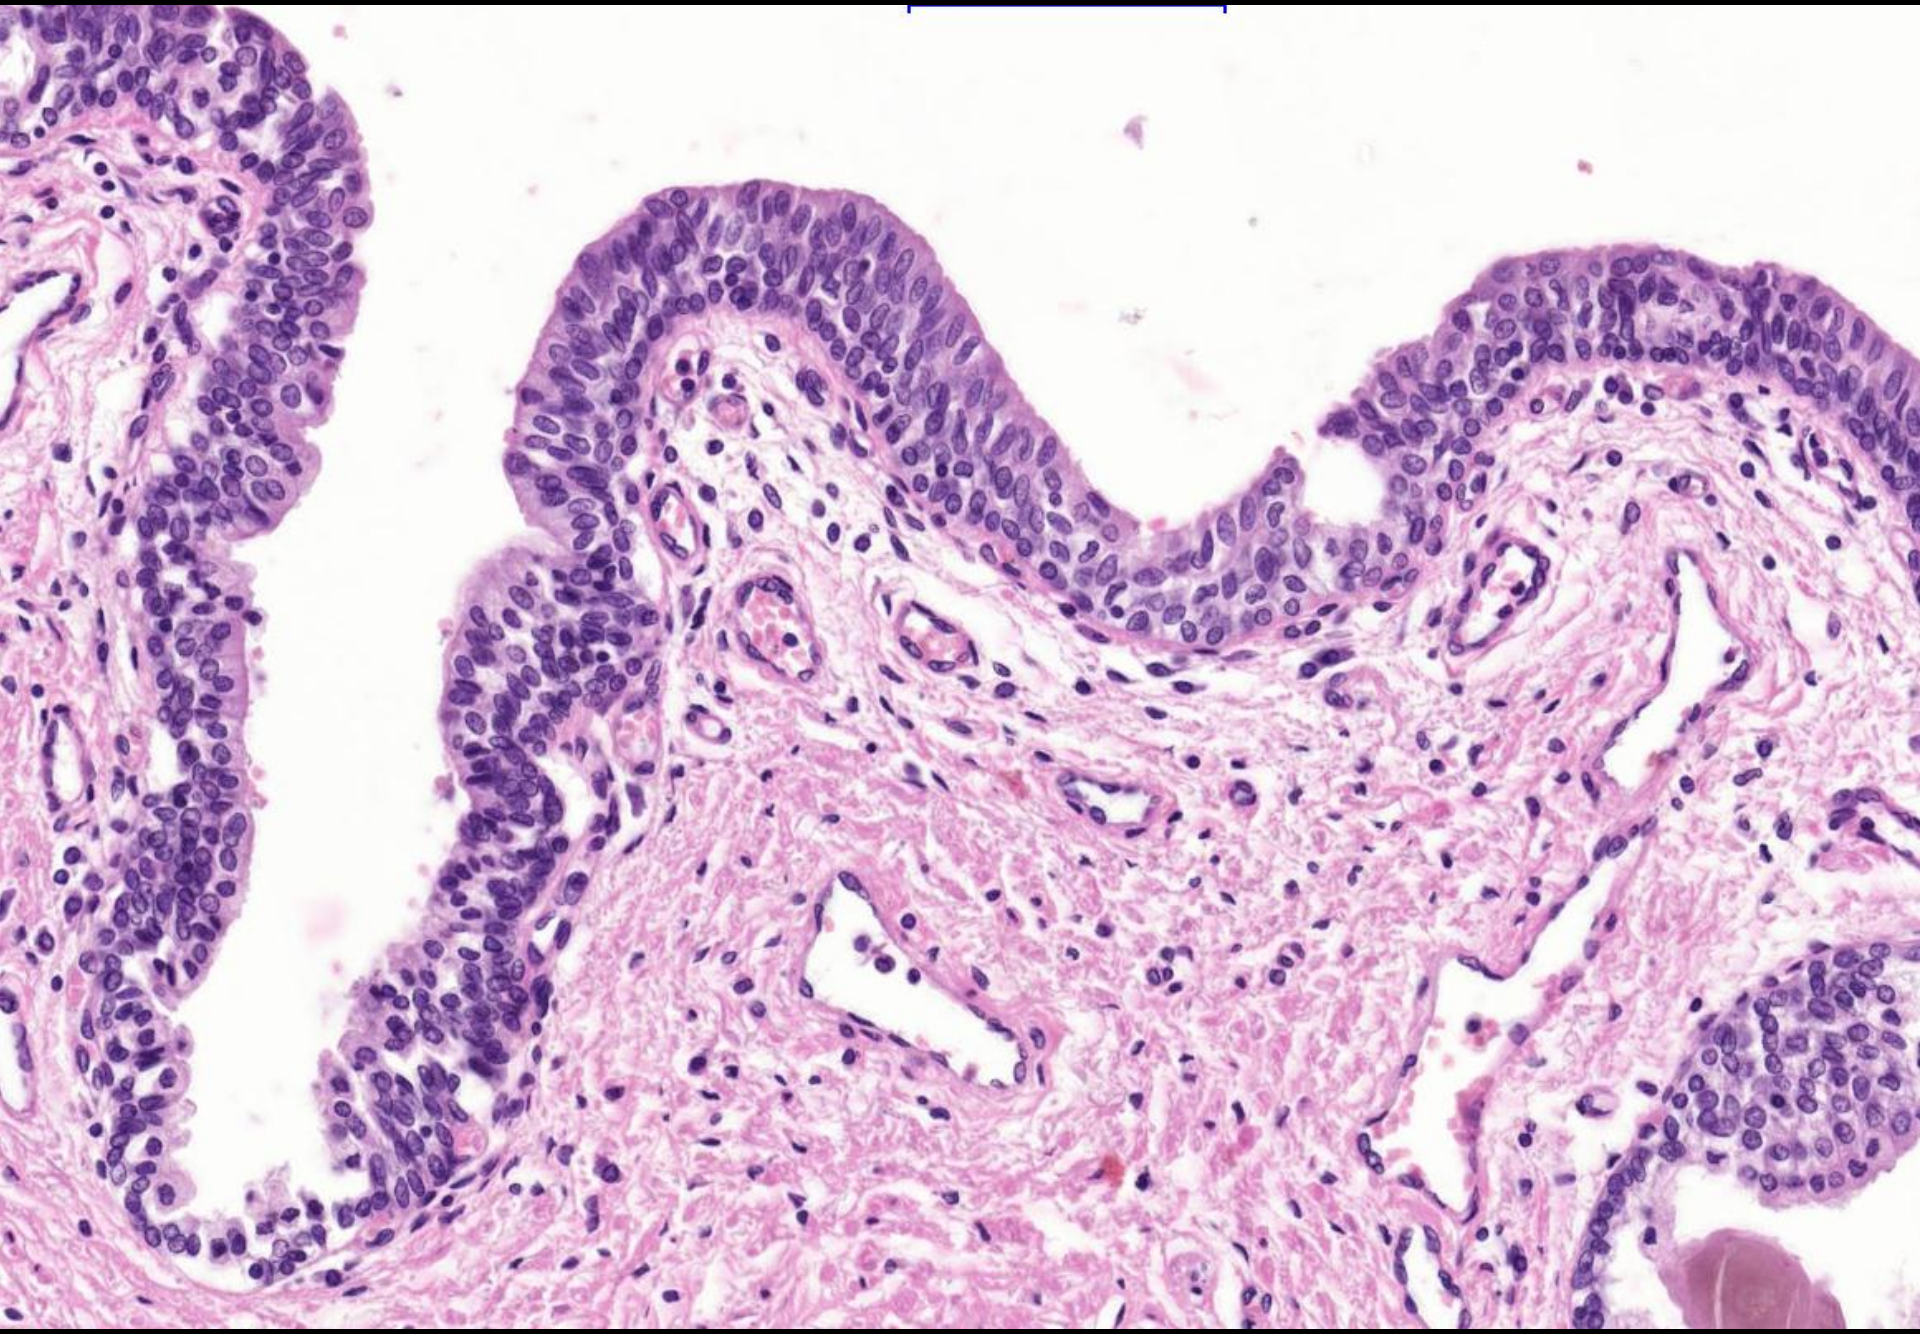


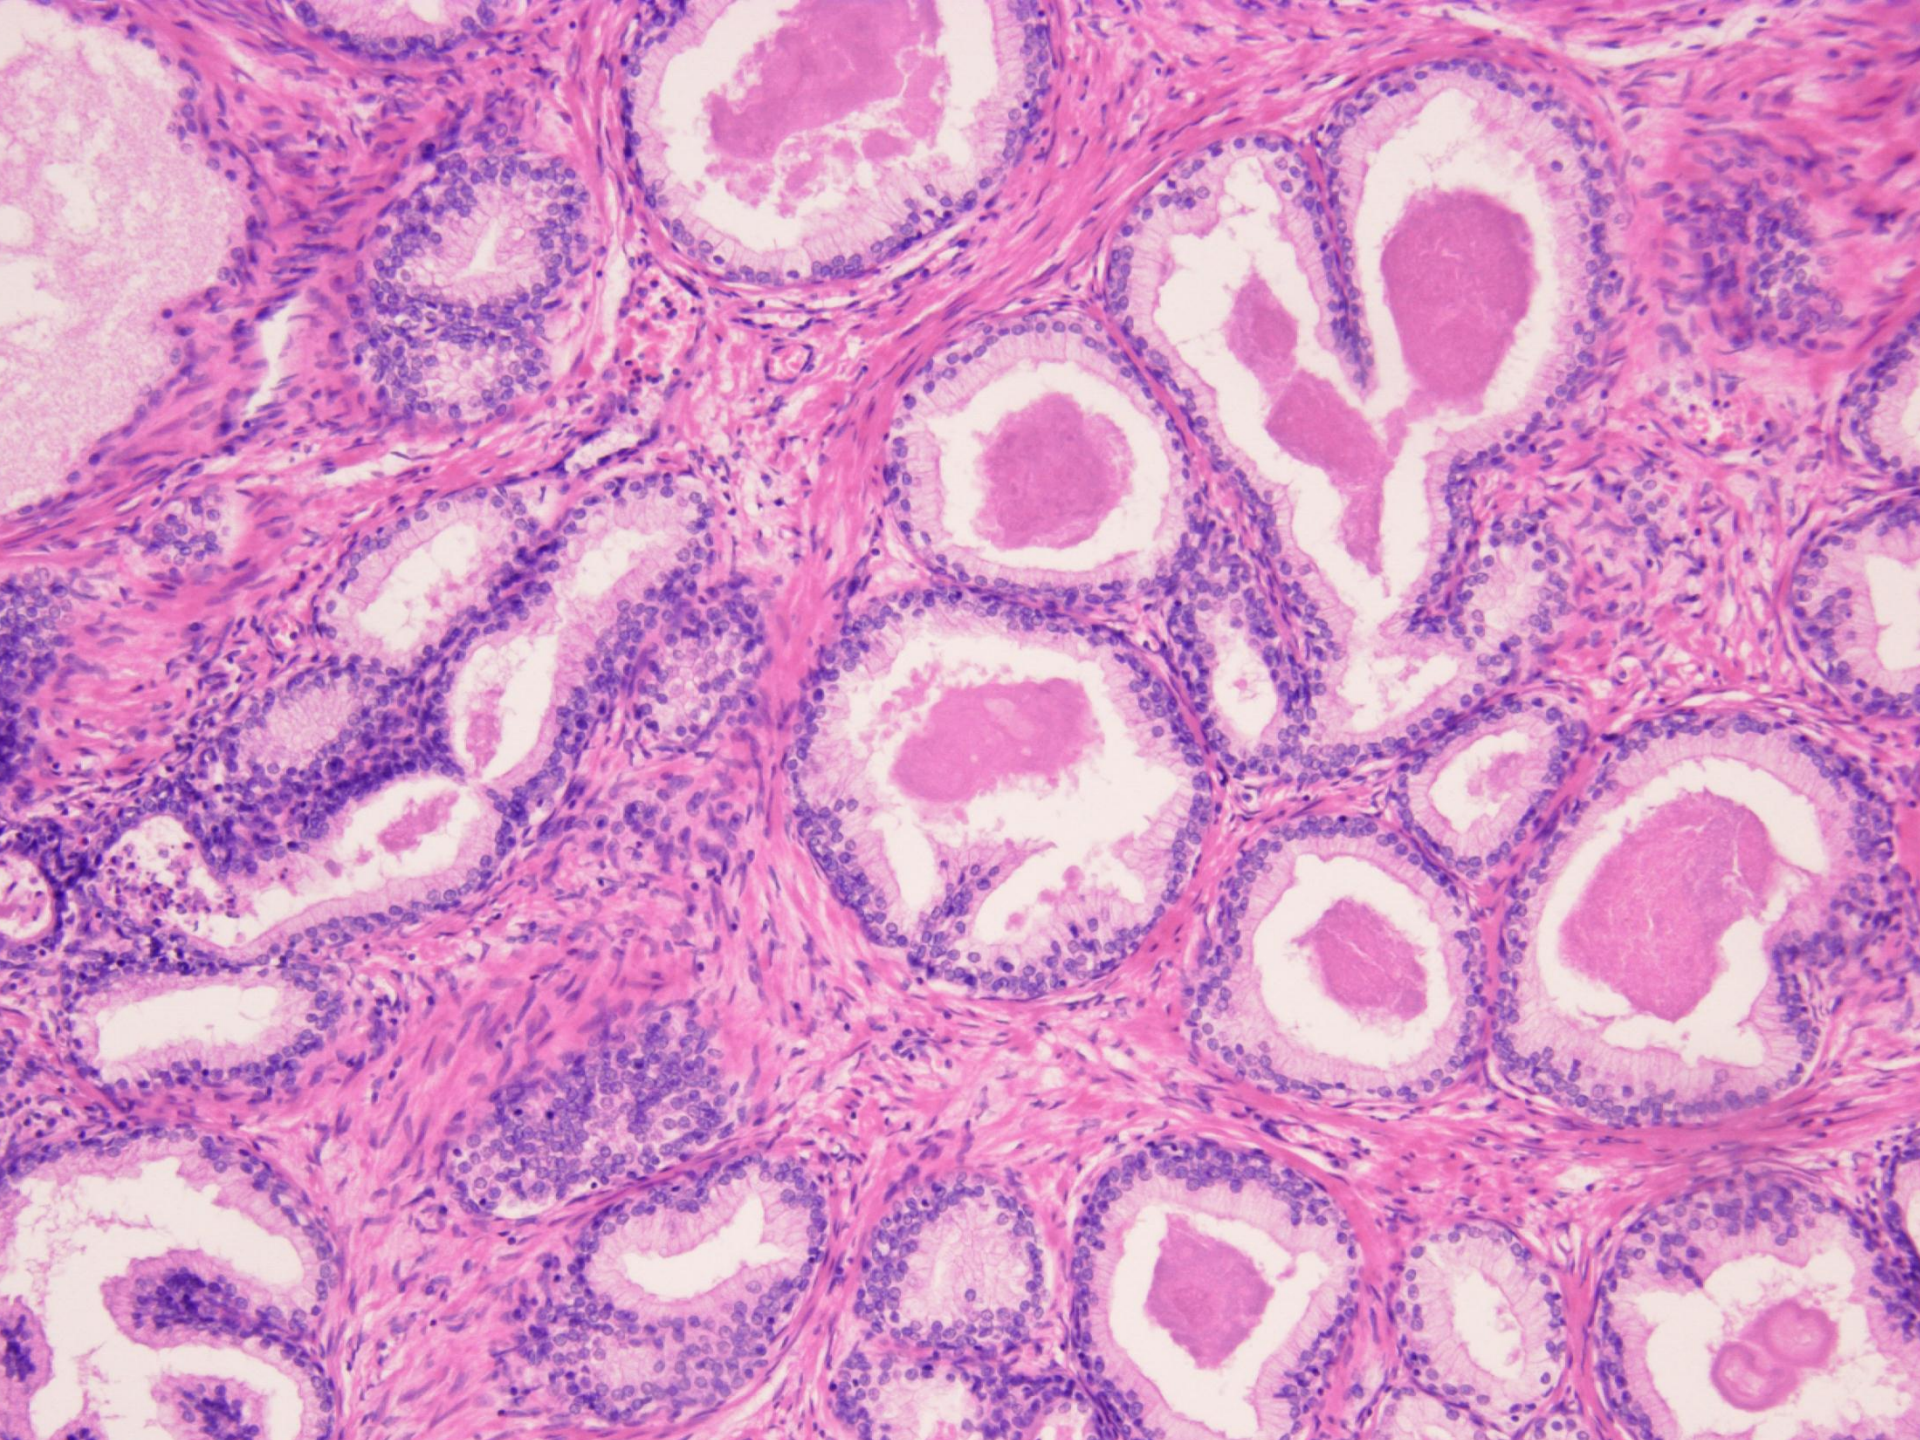
Prostate

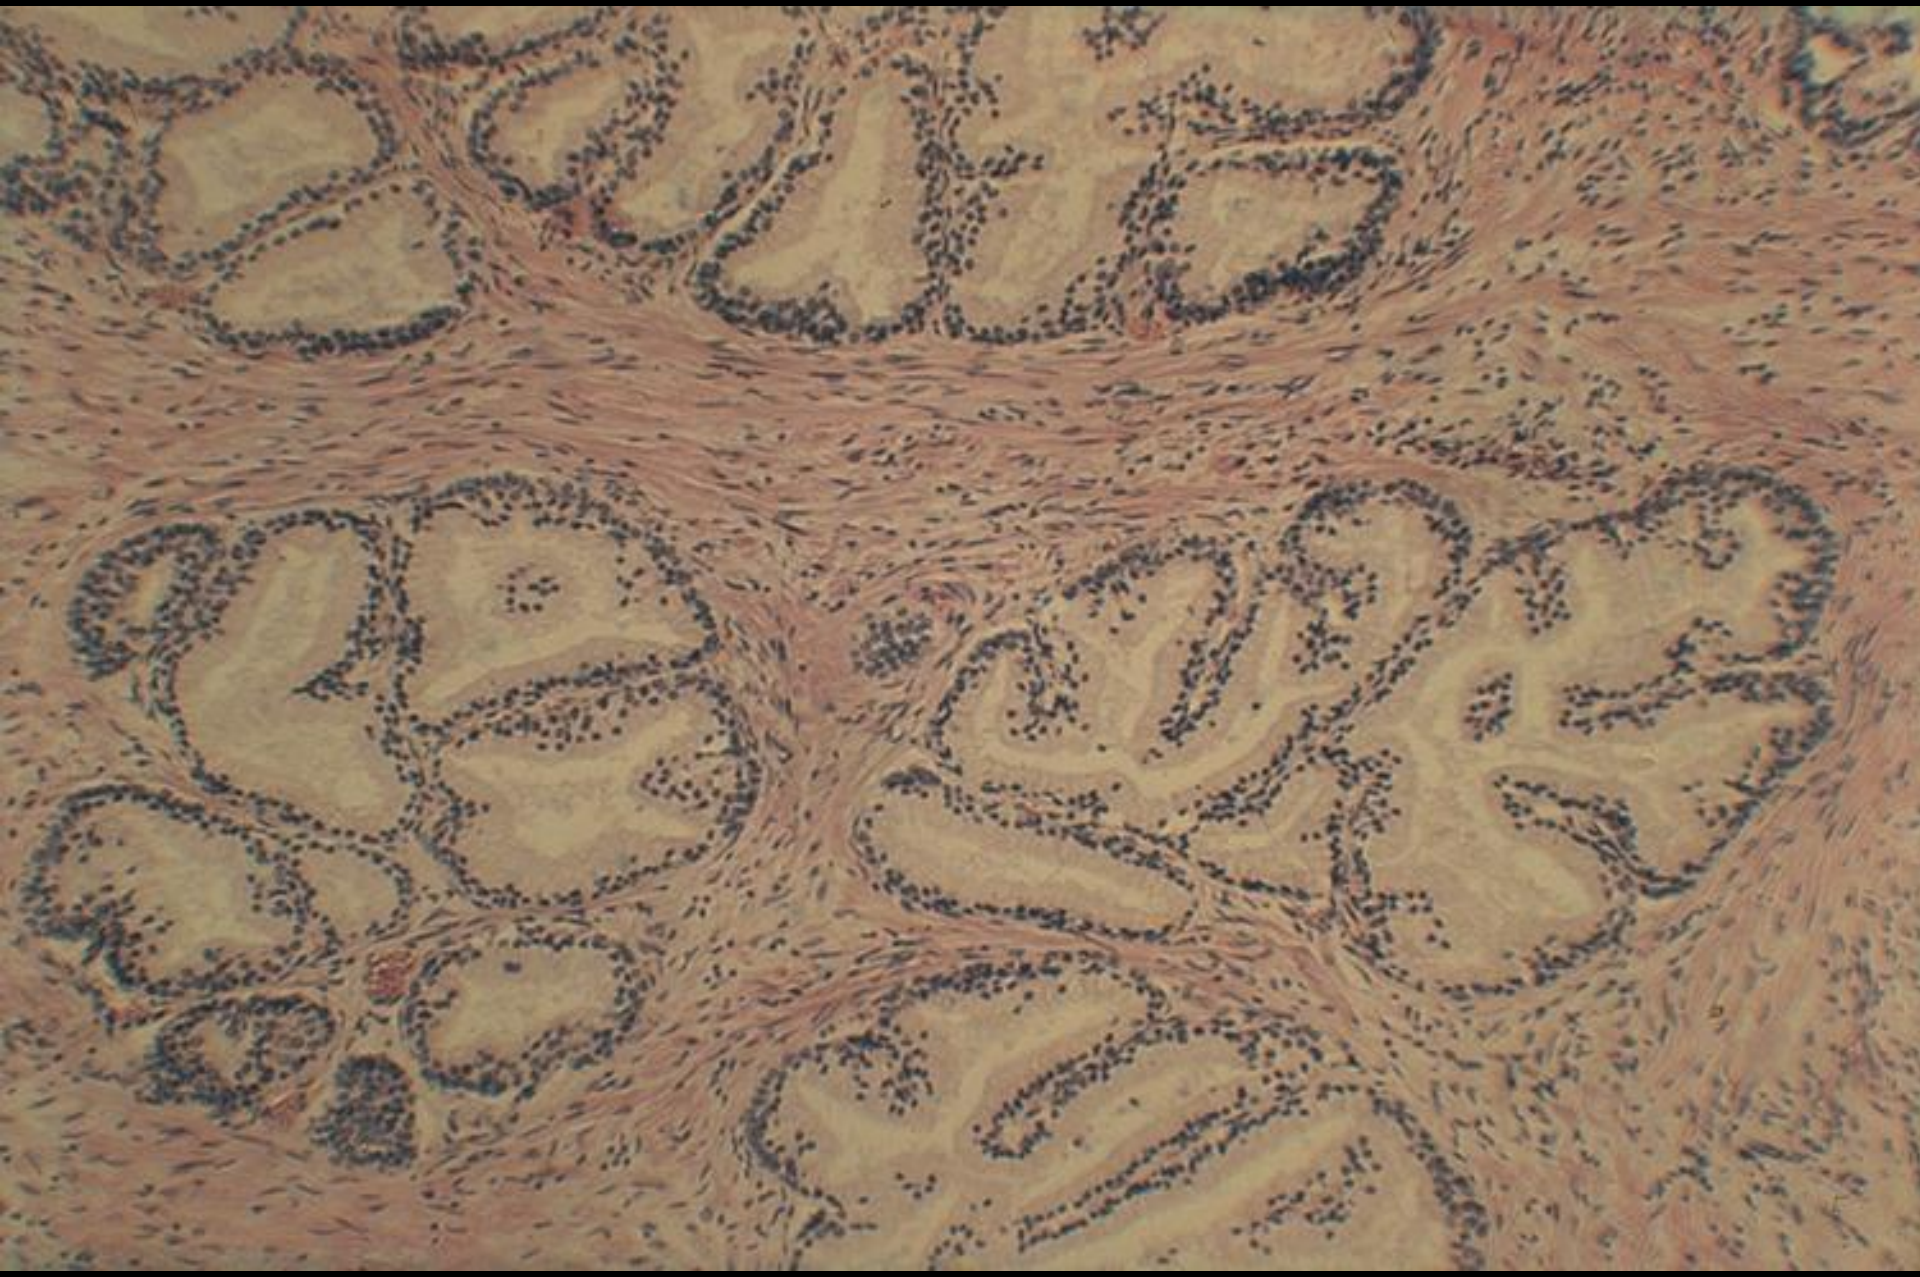




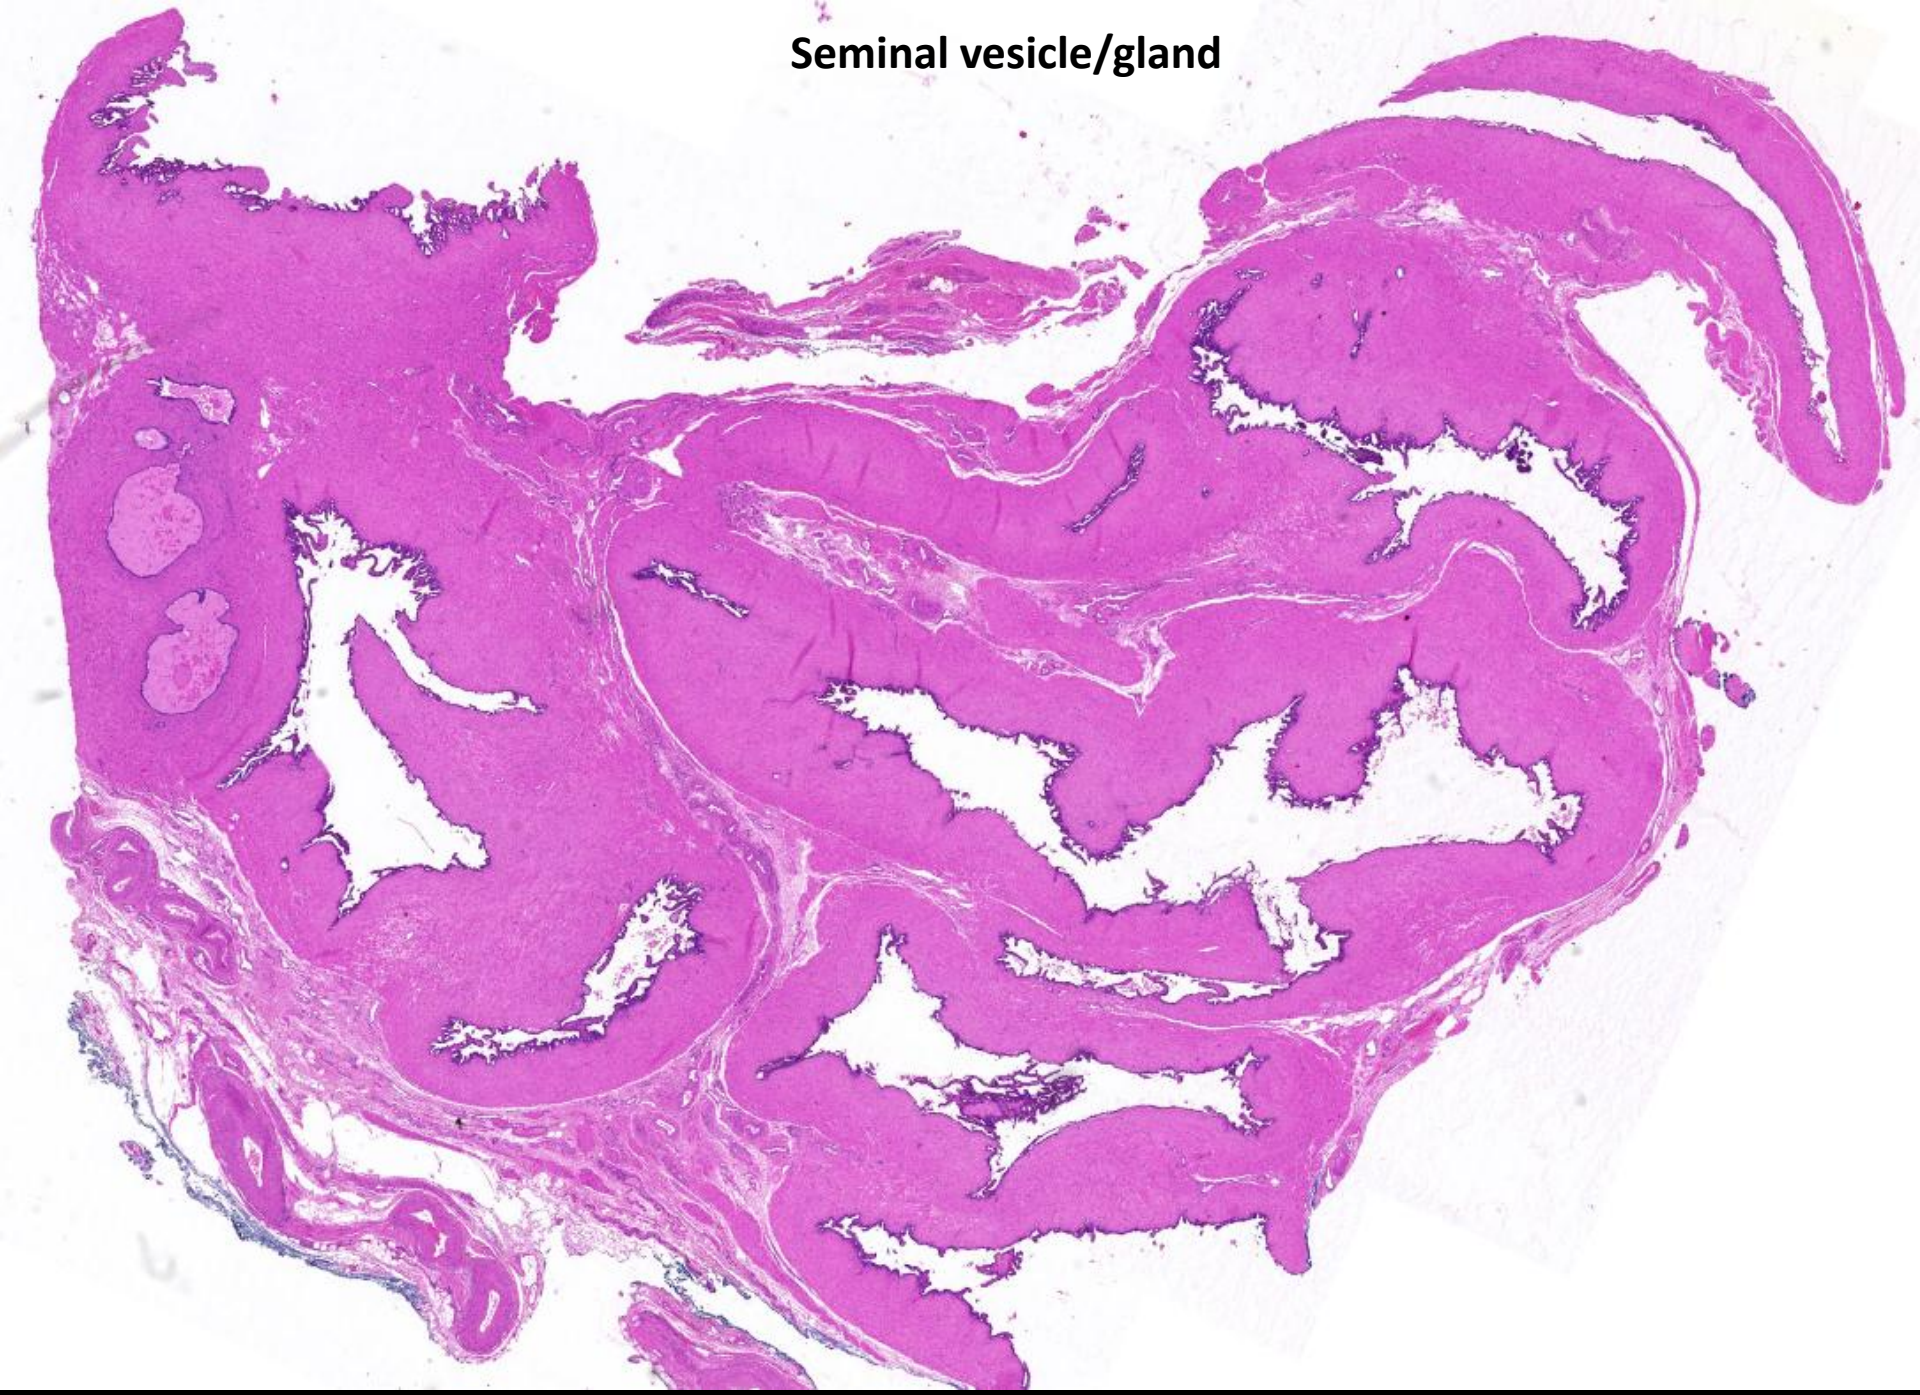




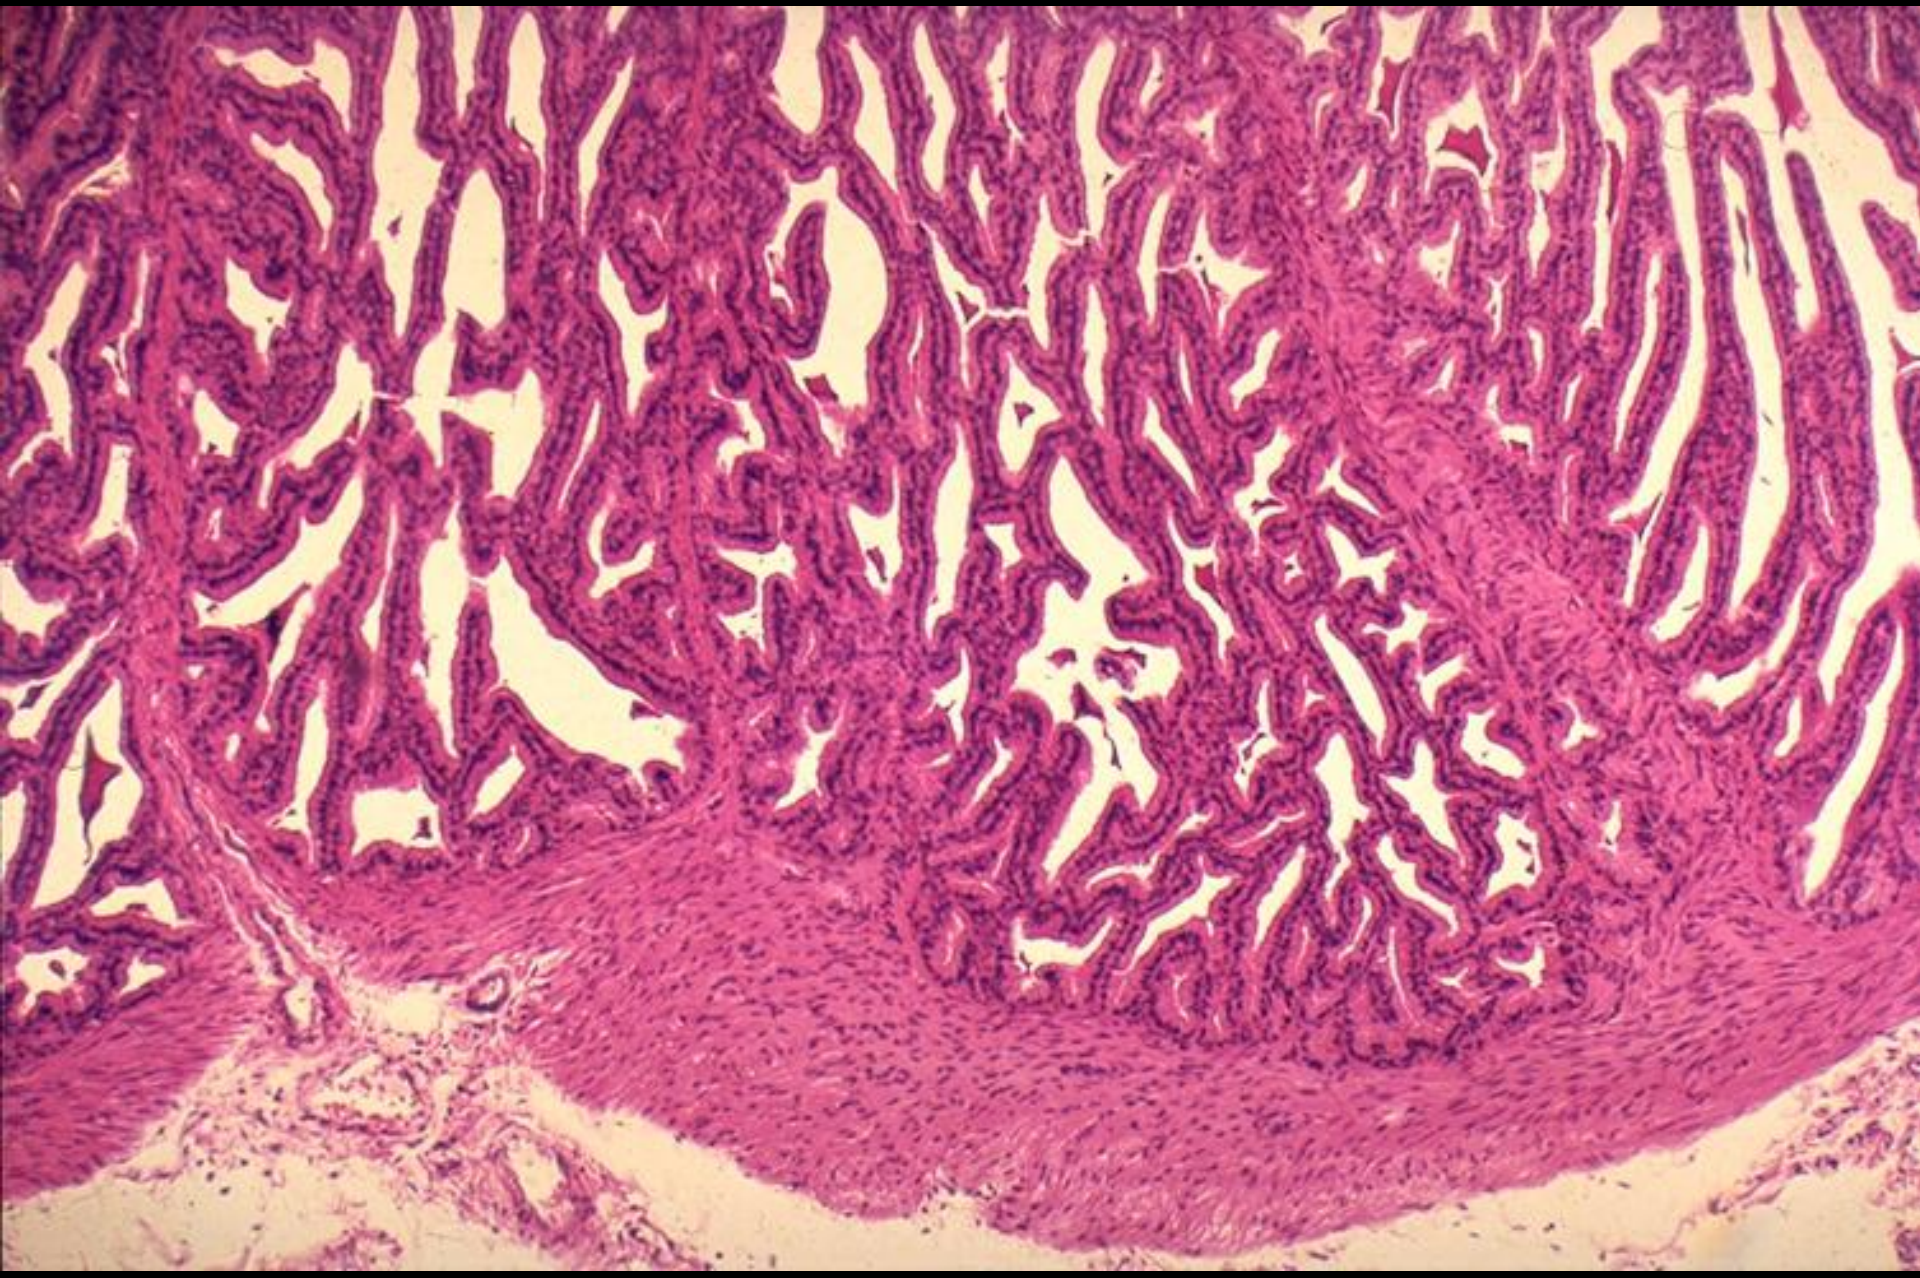


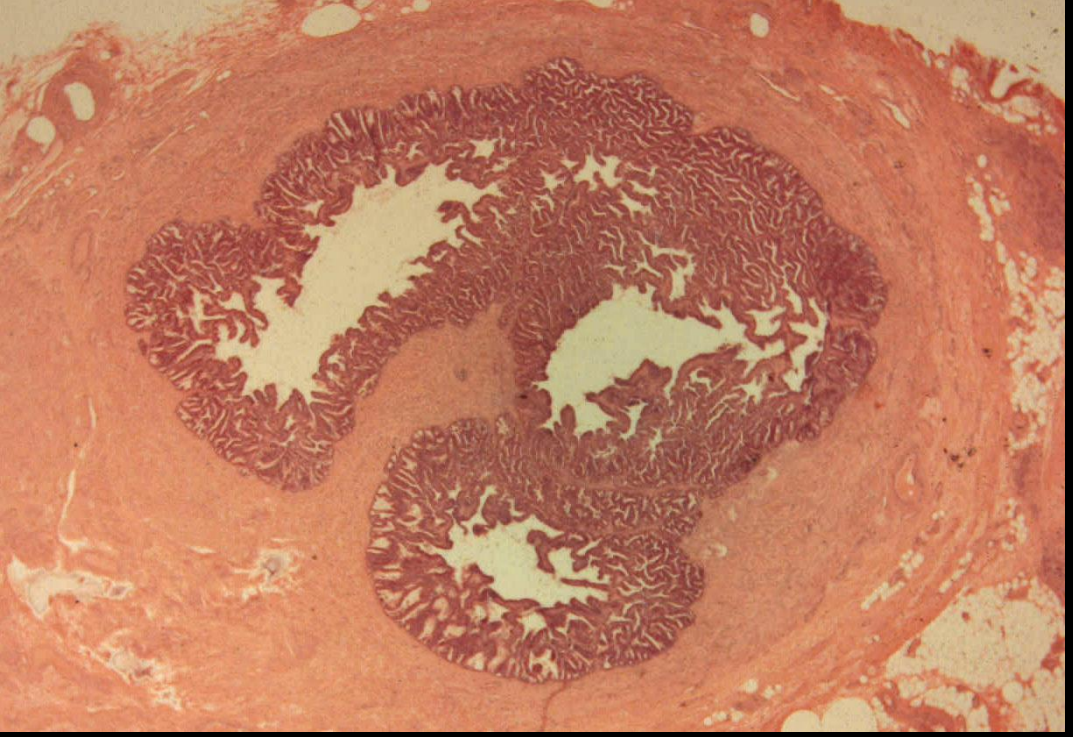


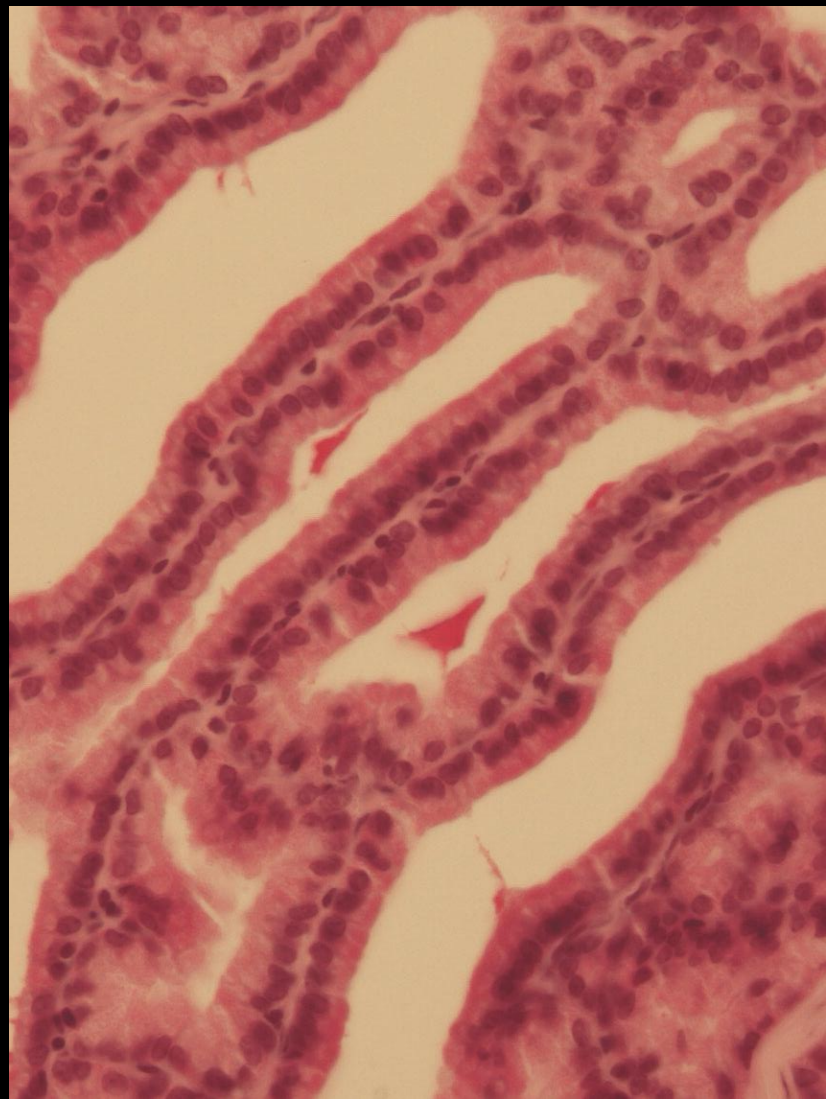
Seminal vesicle/gland



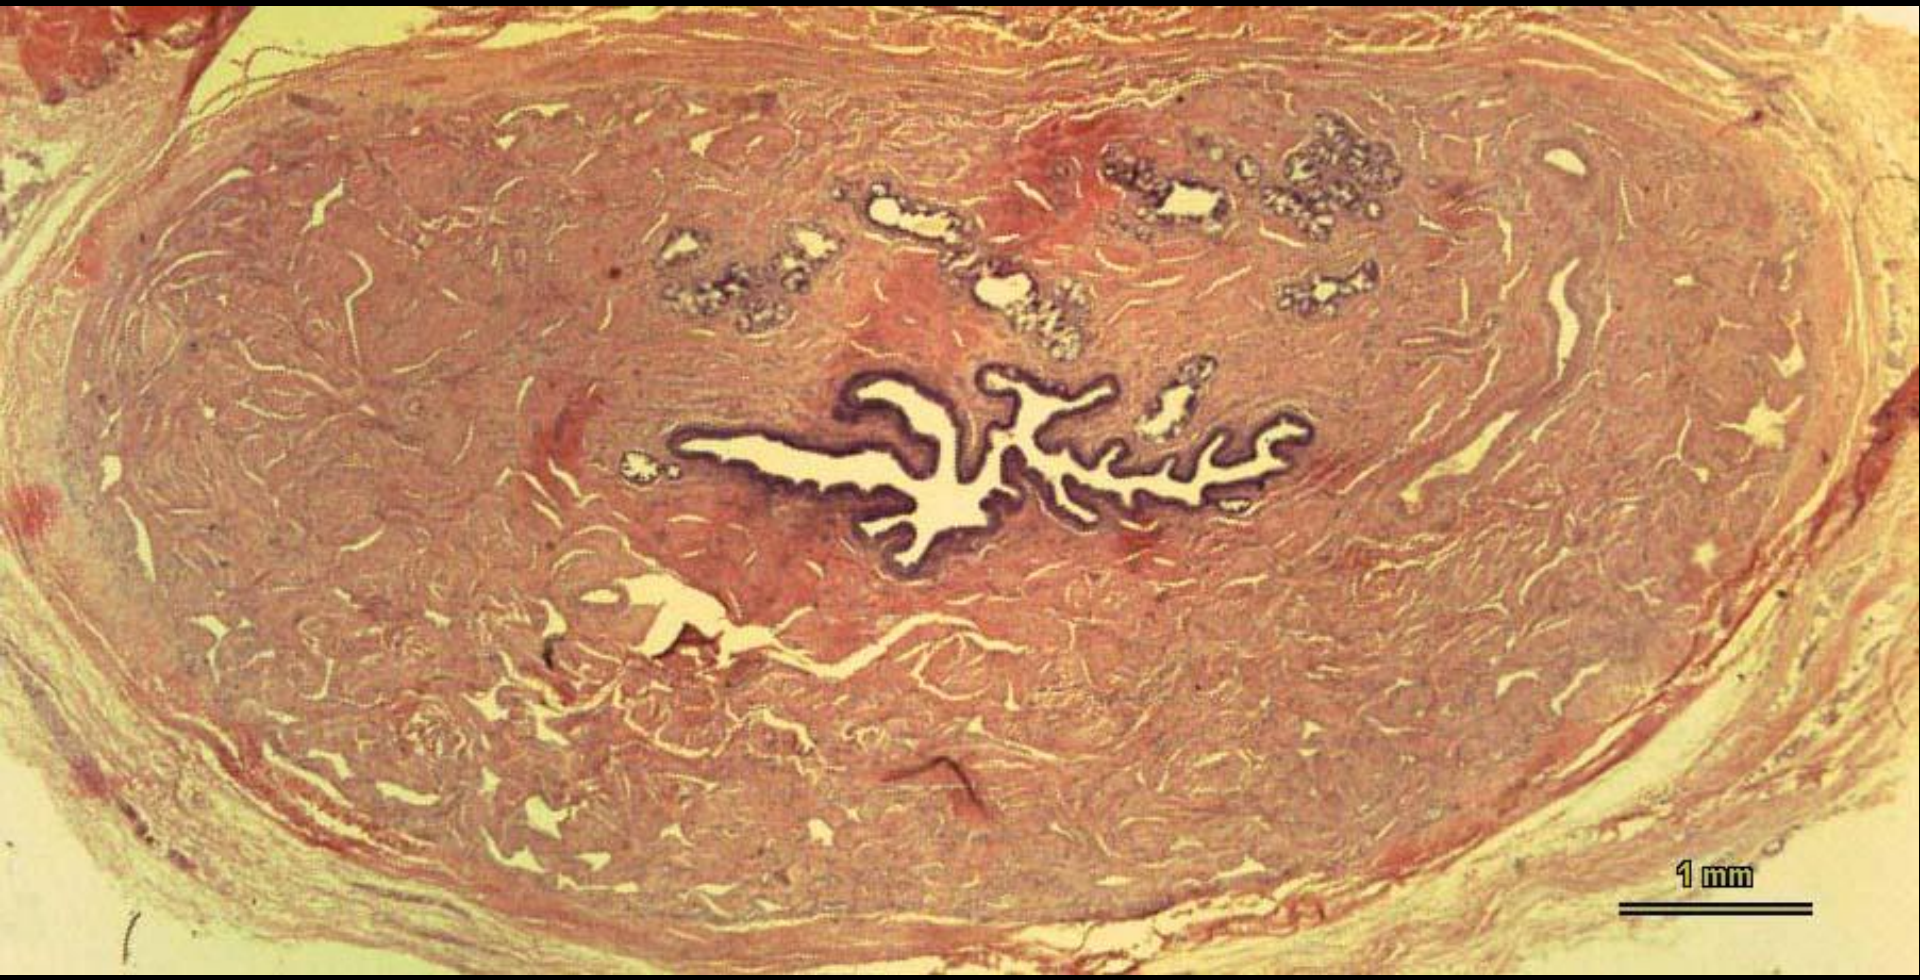
1 mm



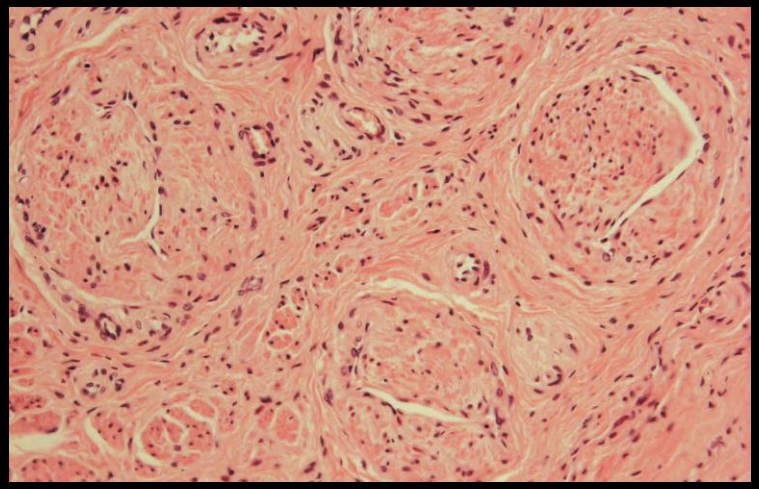


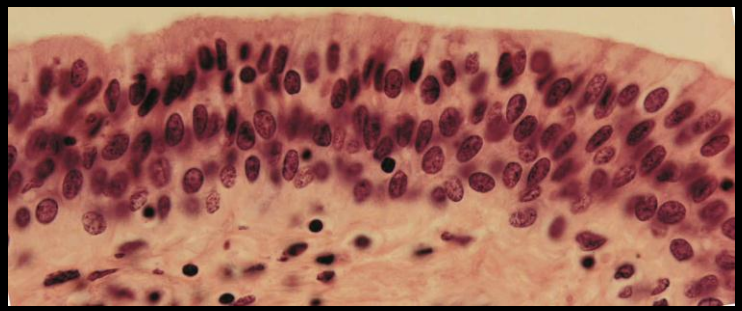


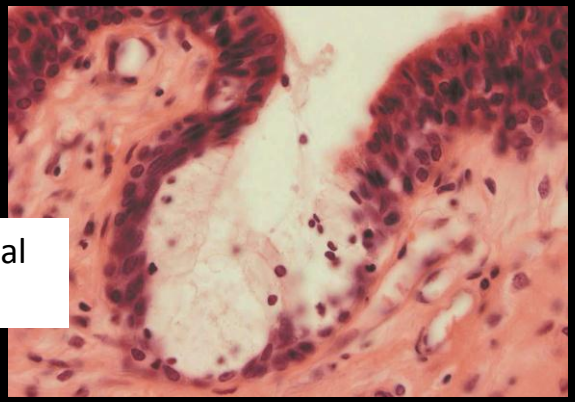
Penis



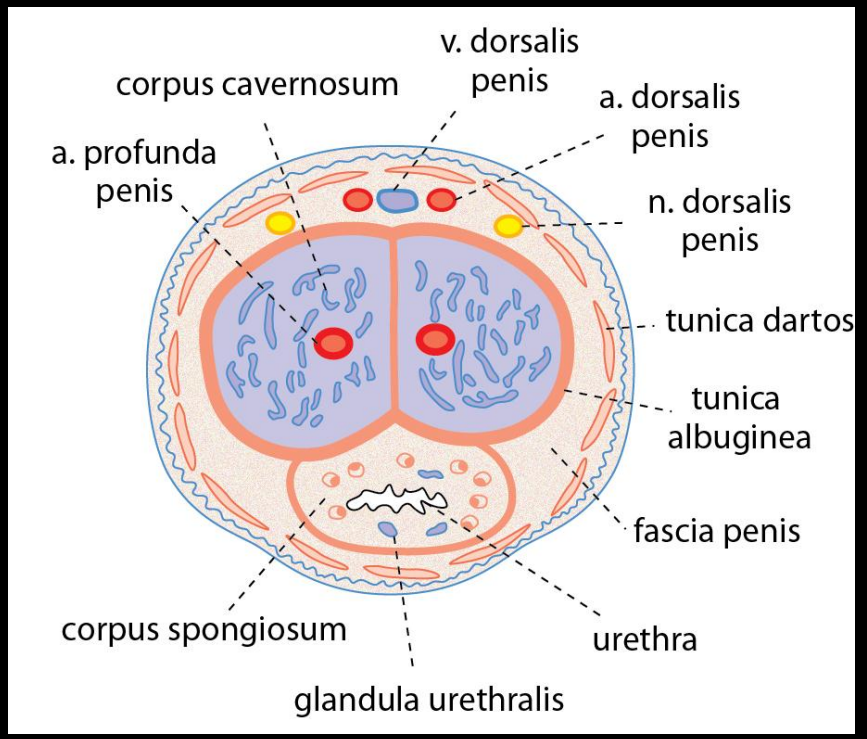
1 mm





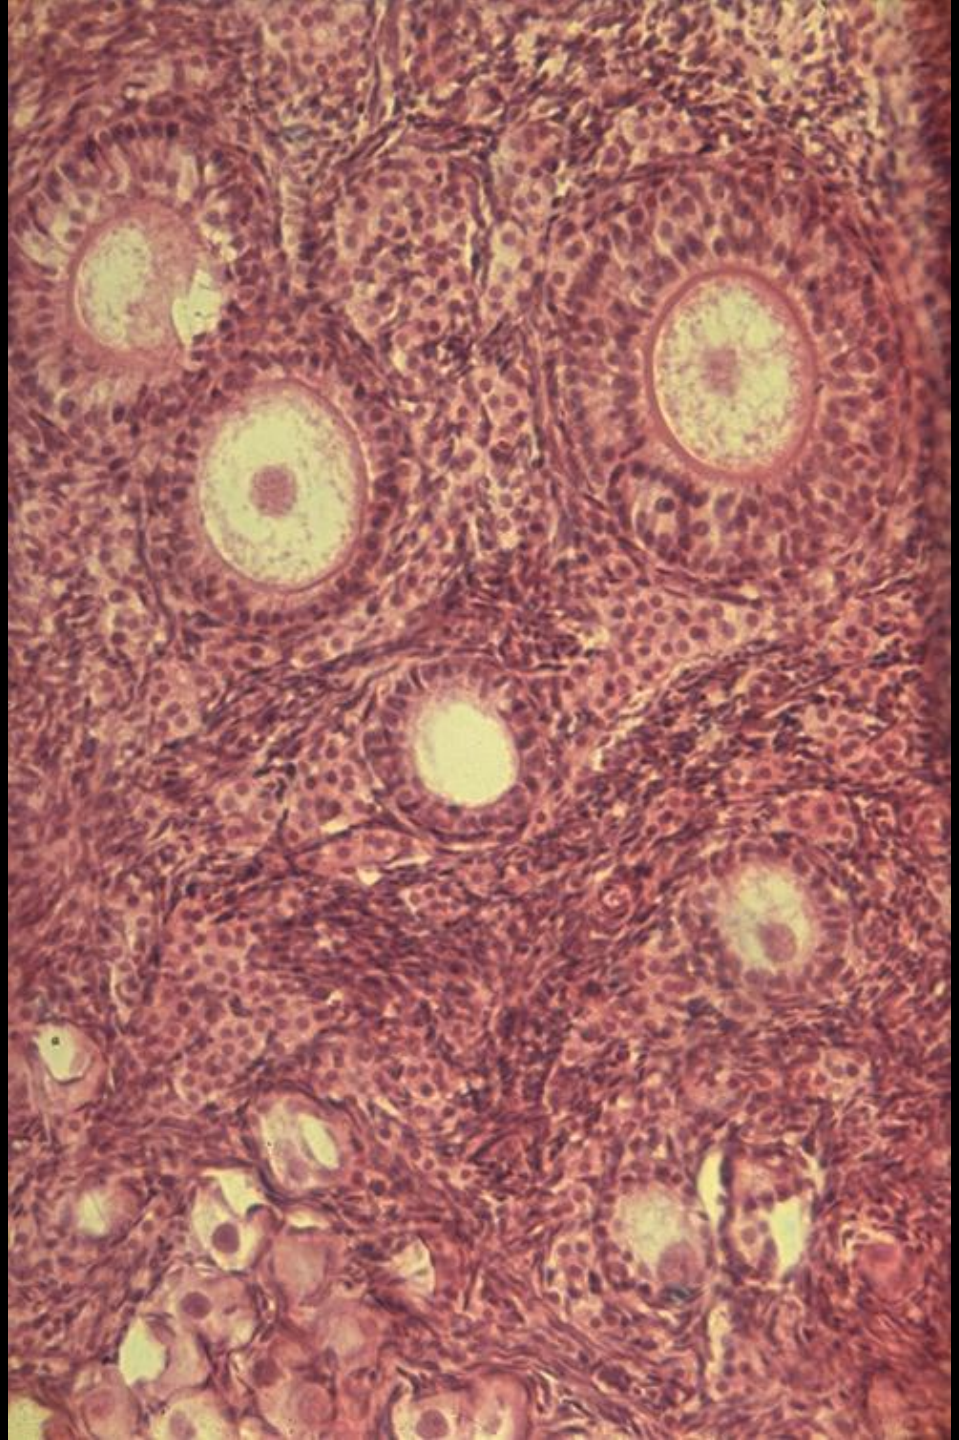


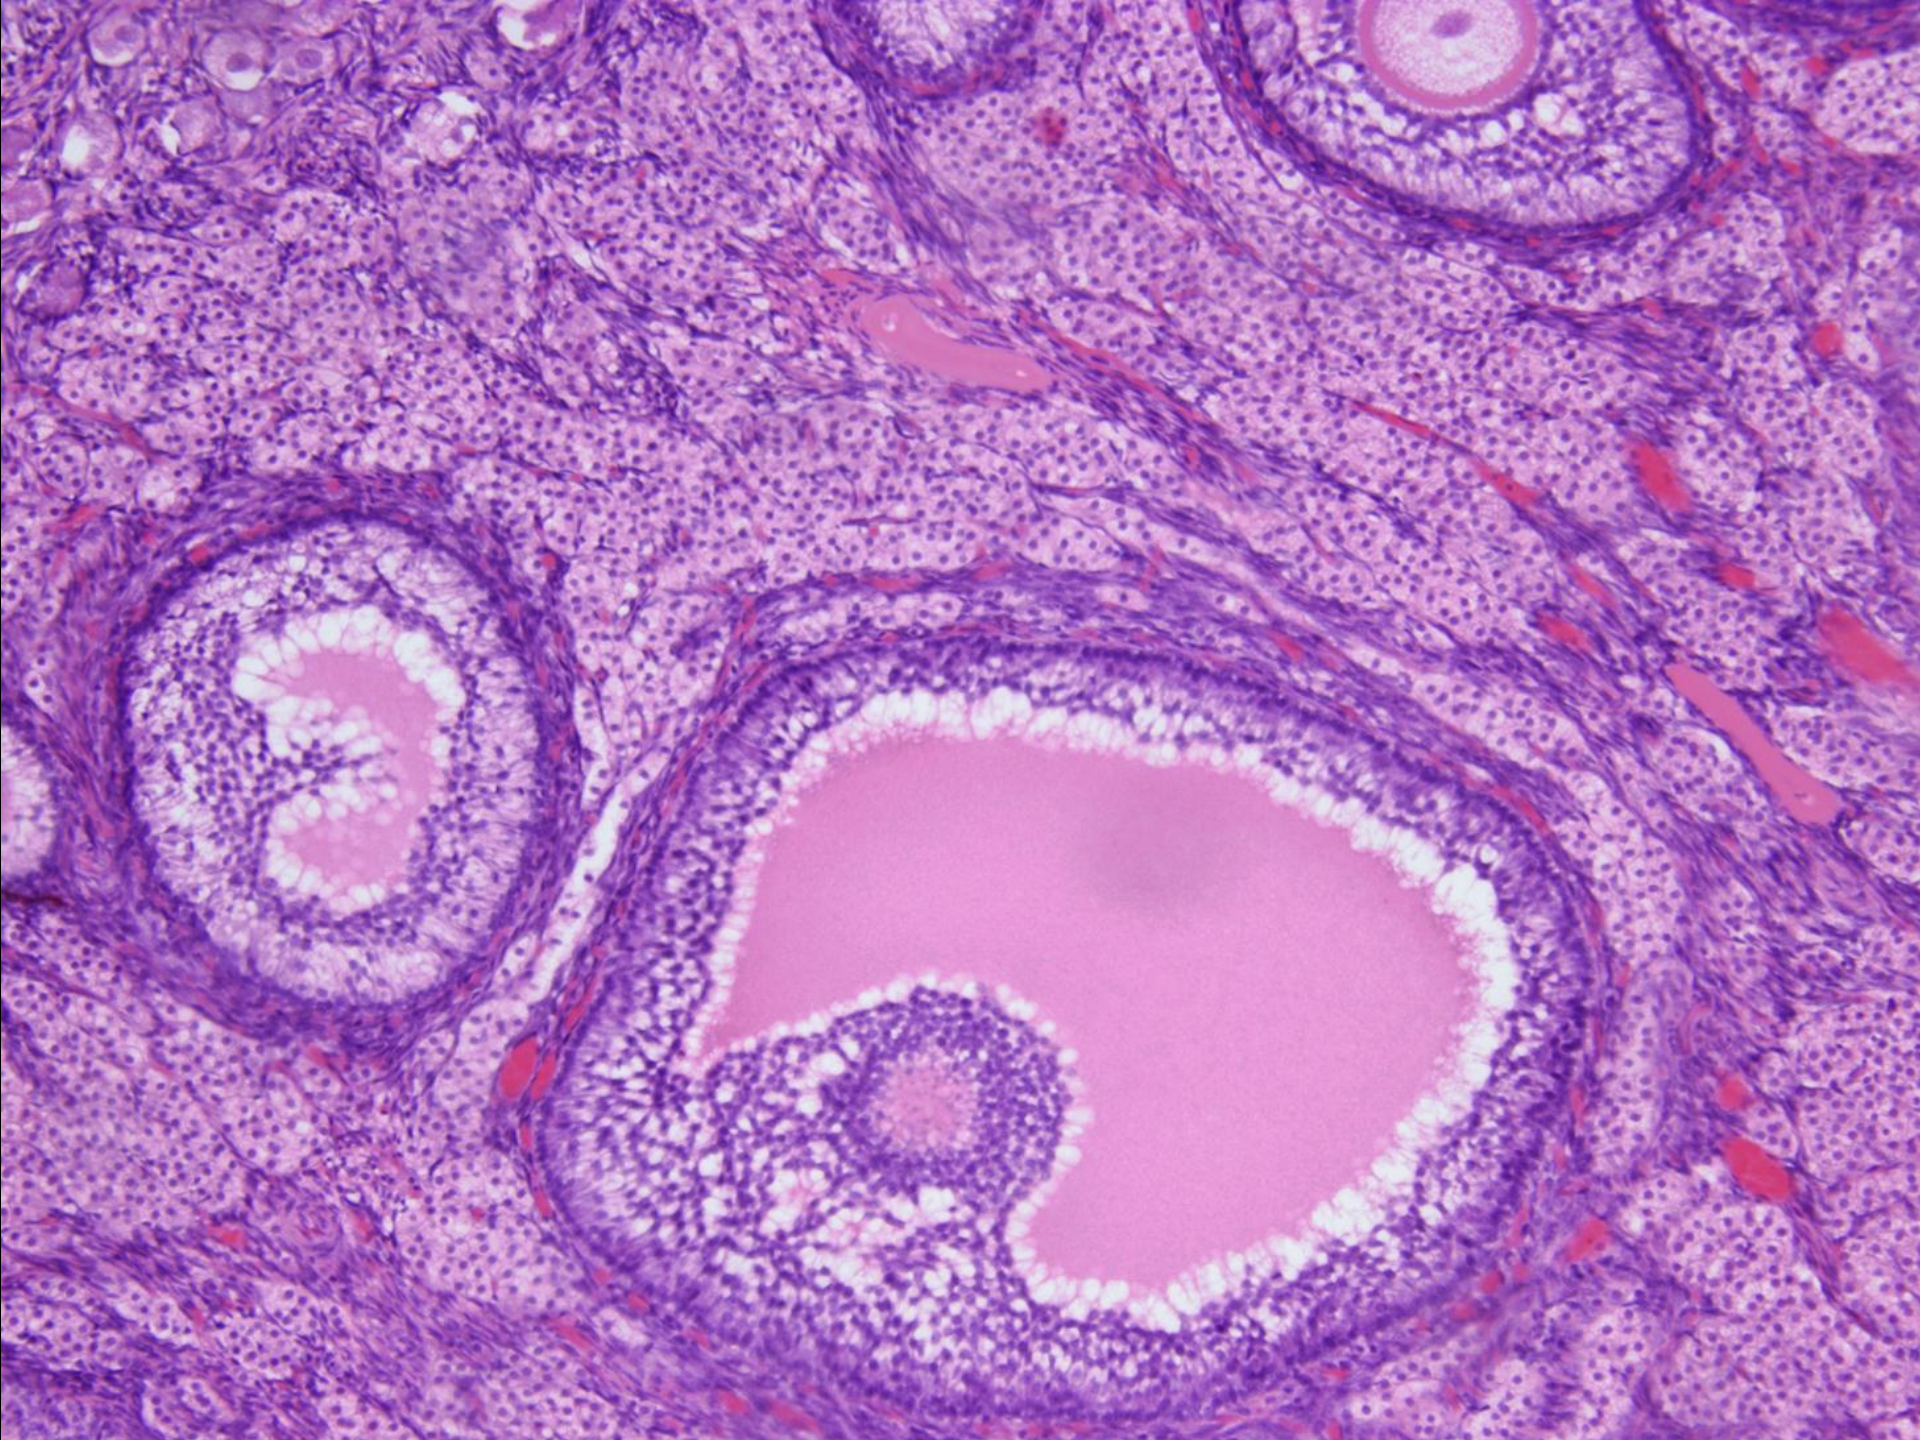
Endoepithelial glands

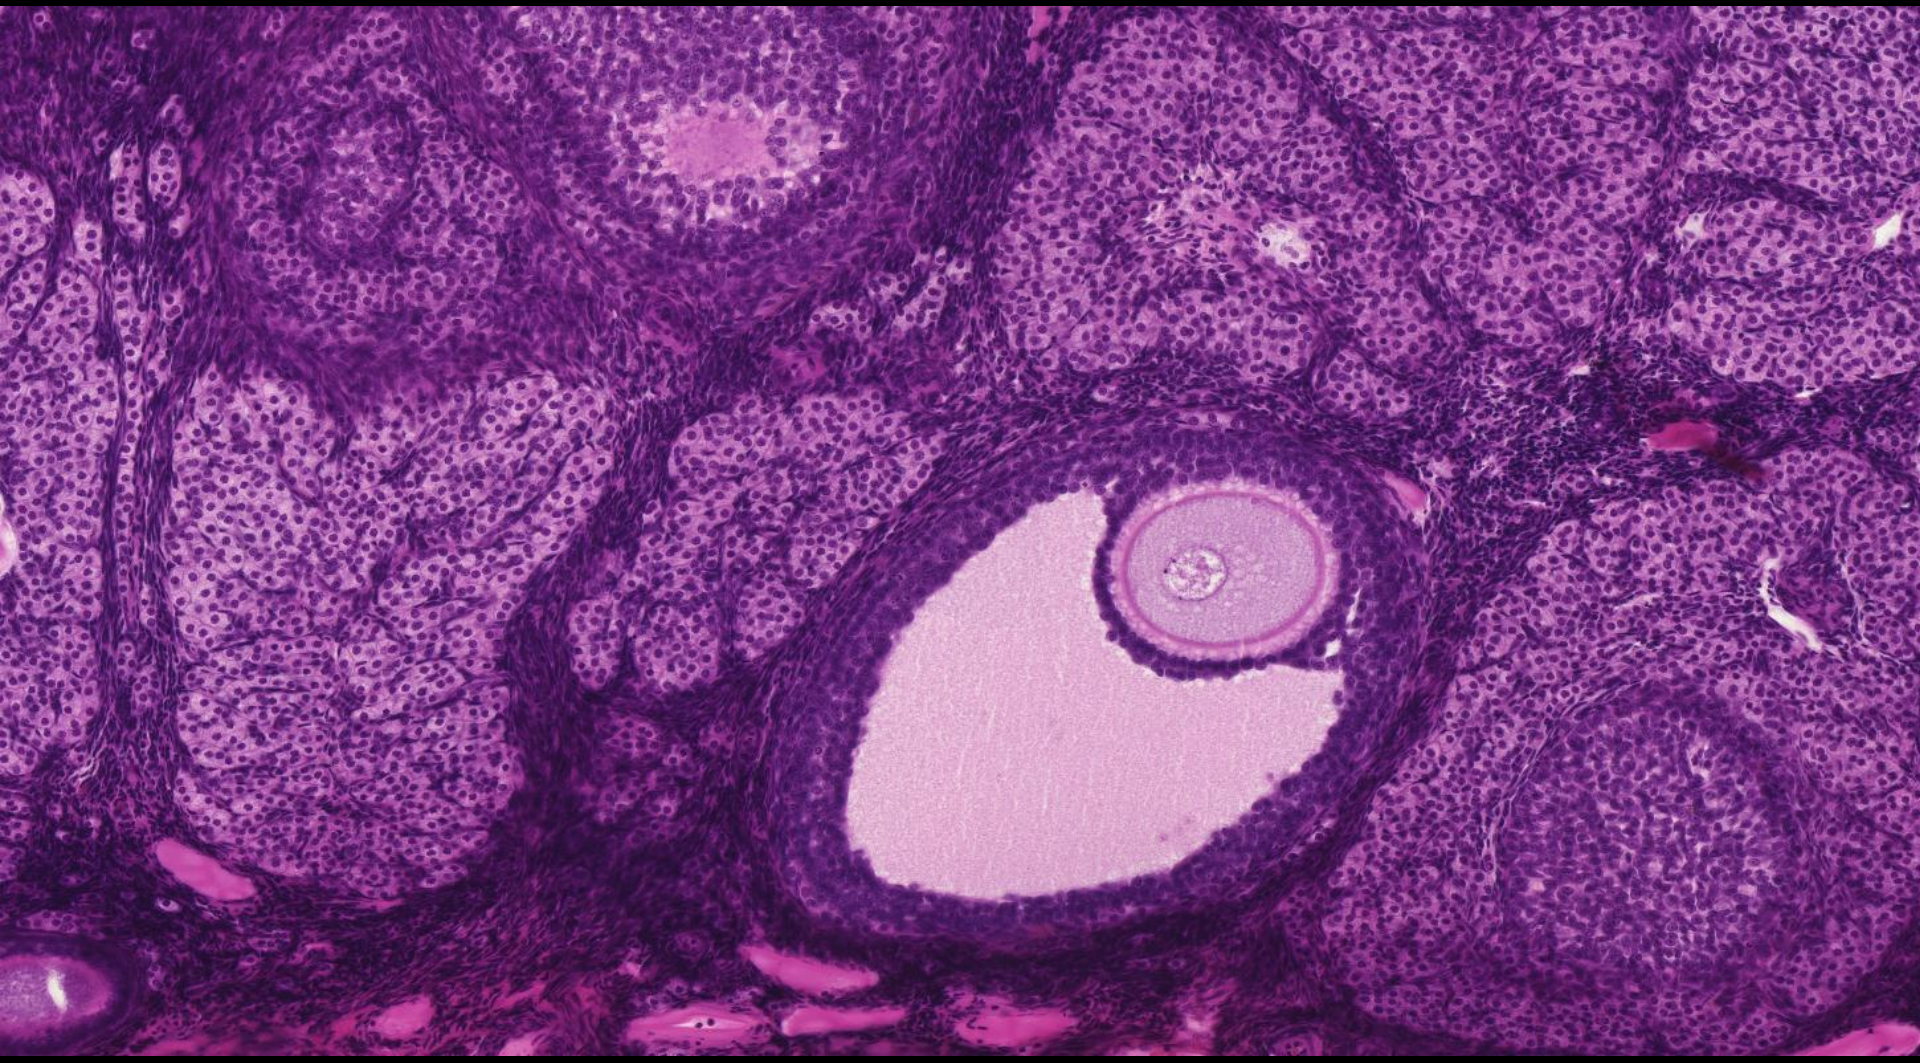


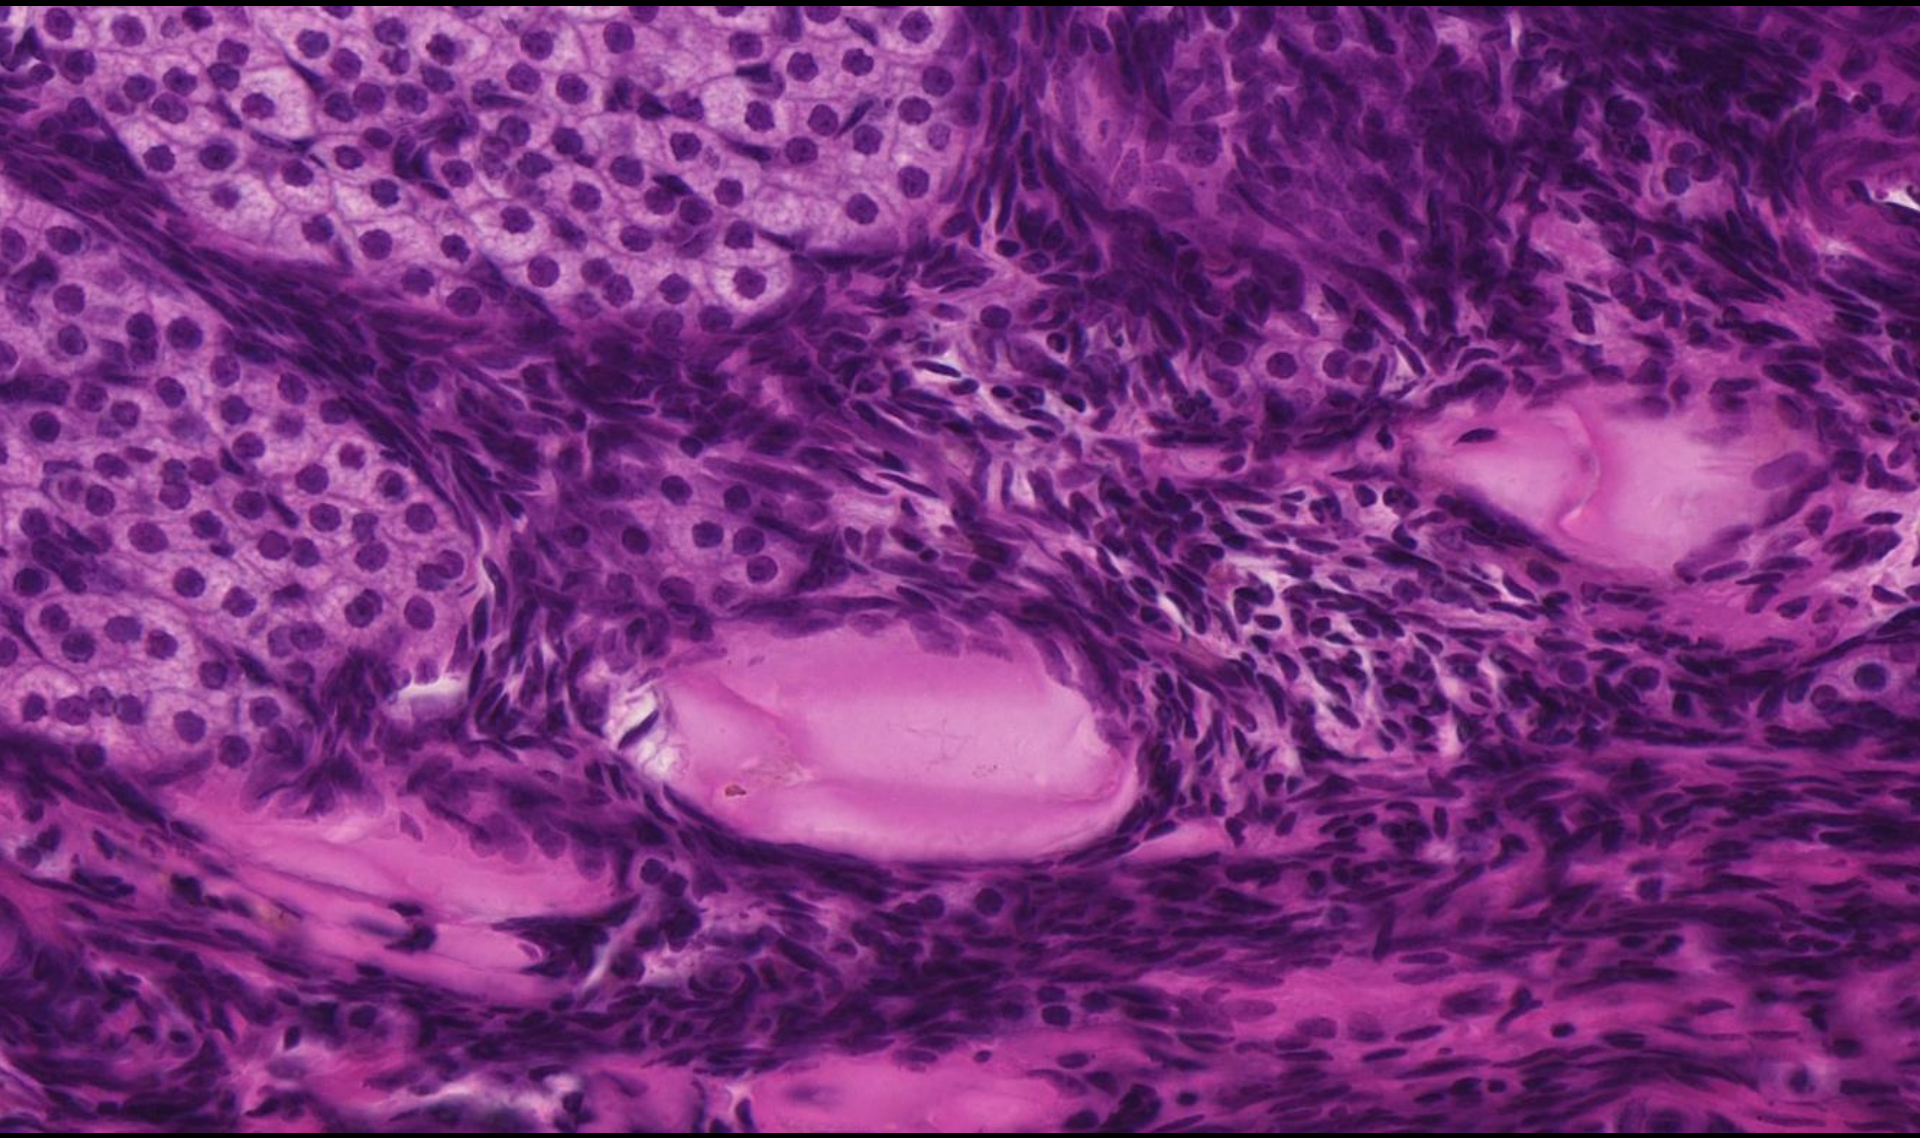
Glans of penis

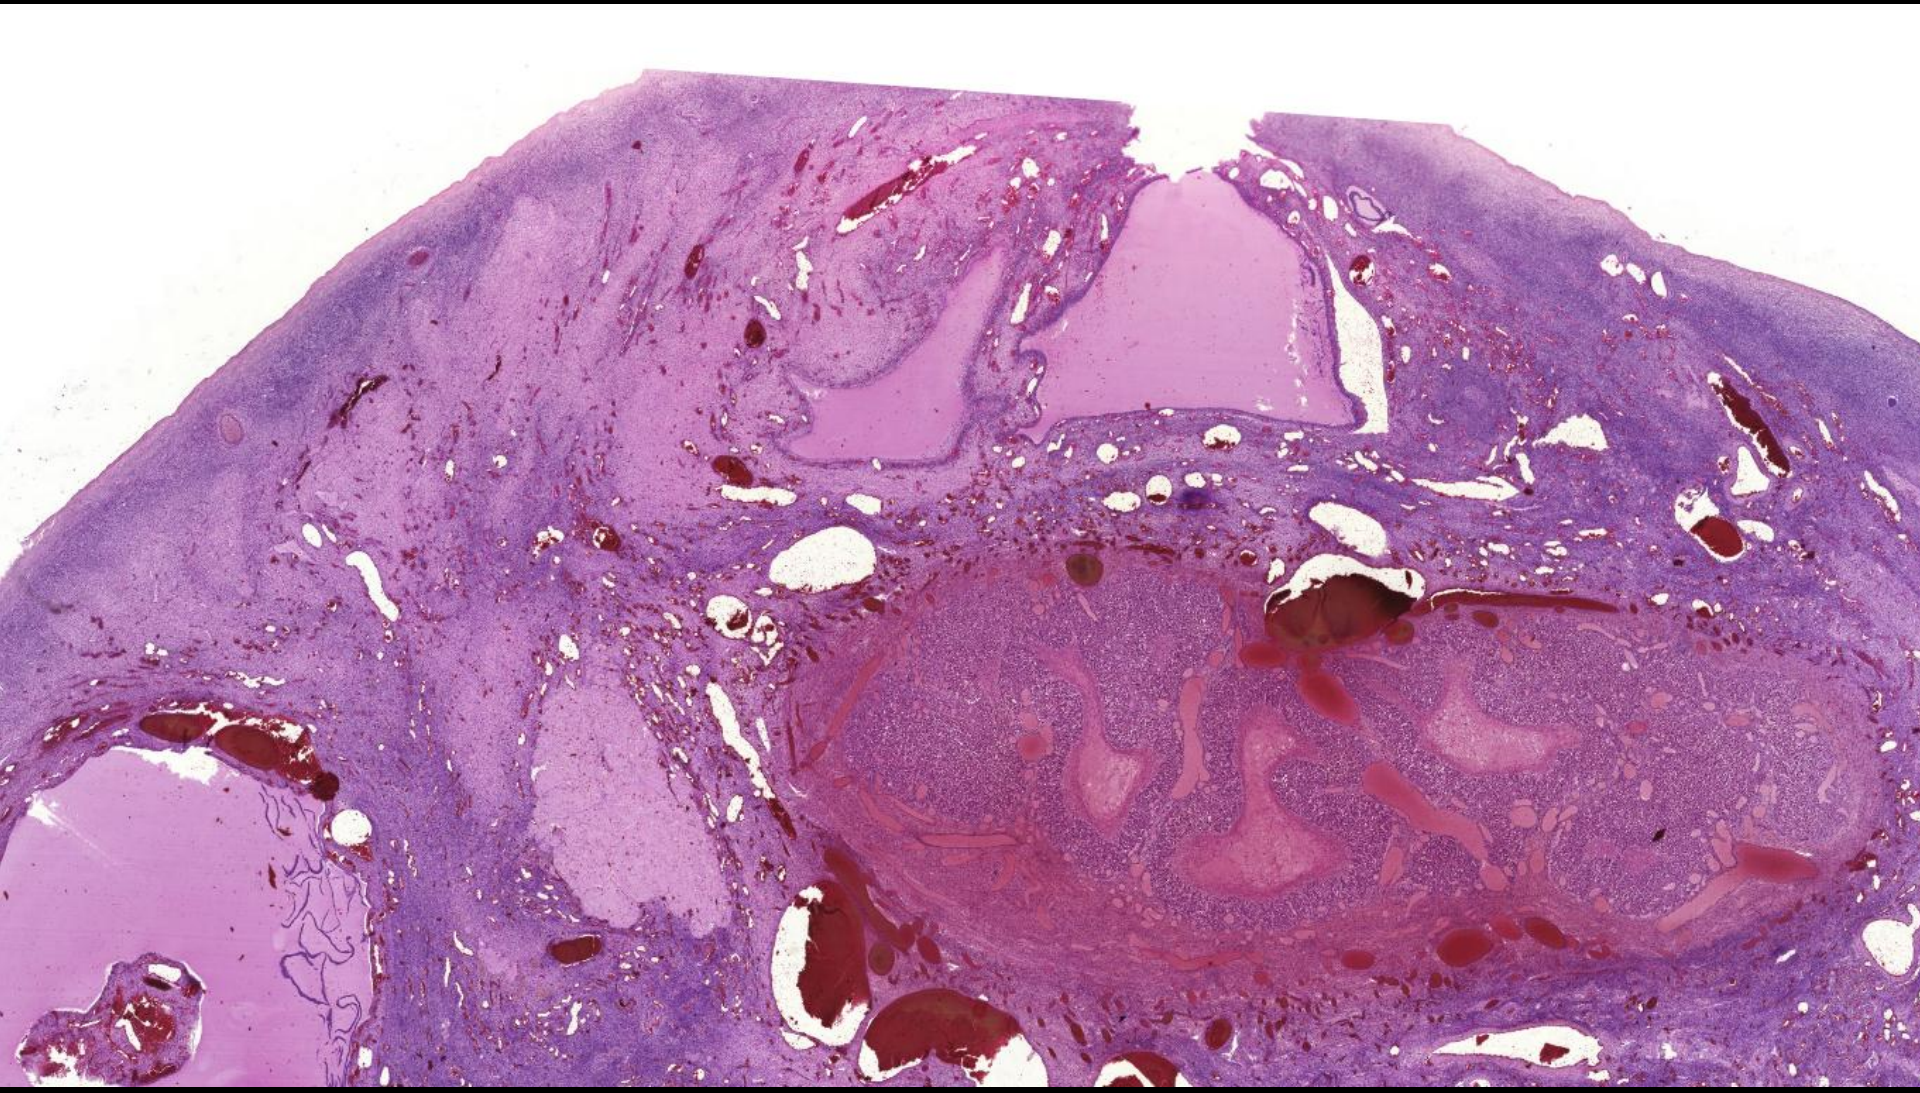
Ovary

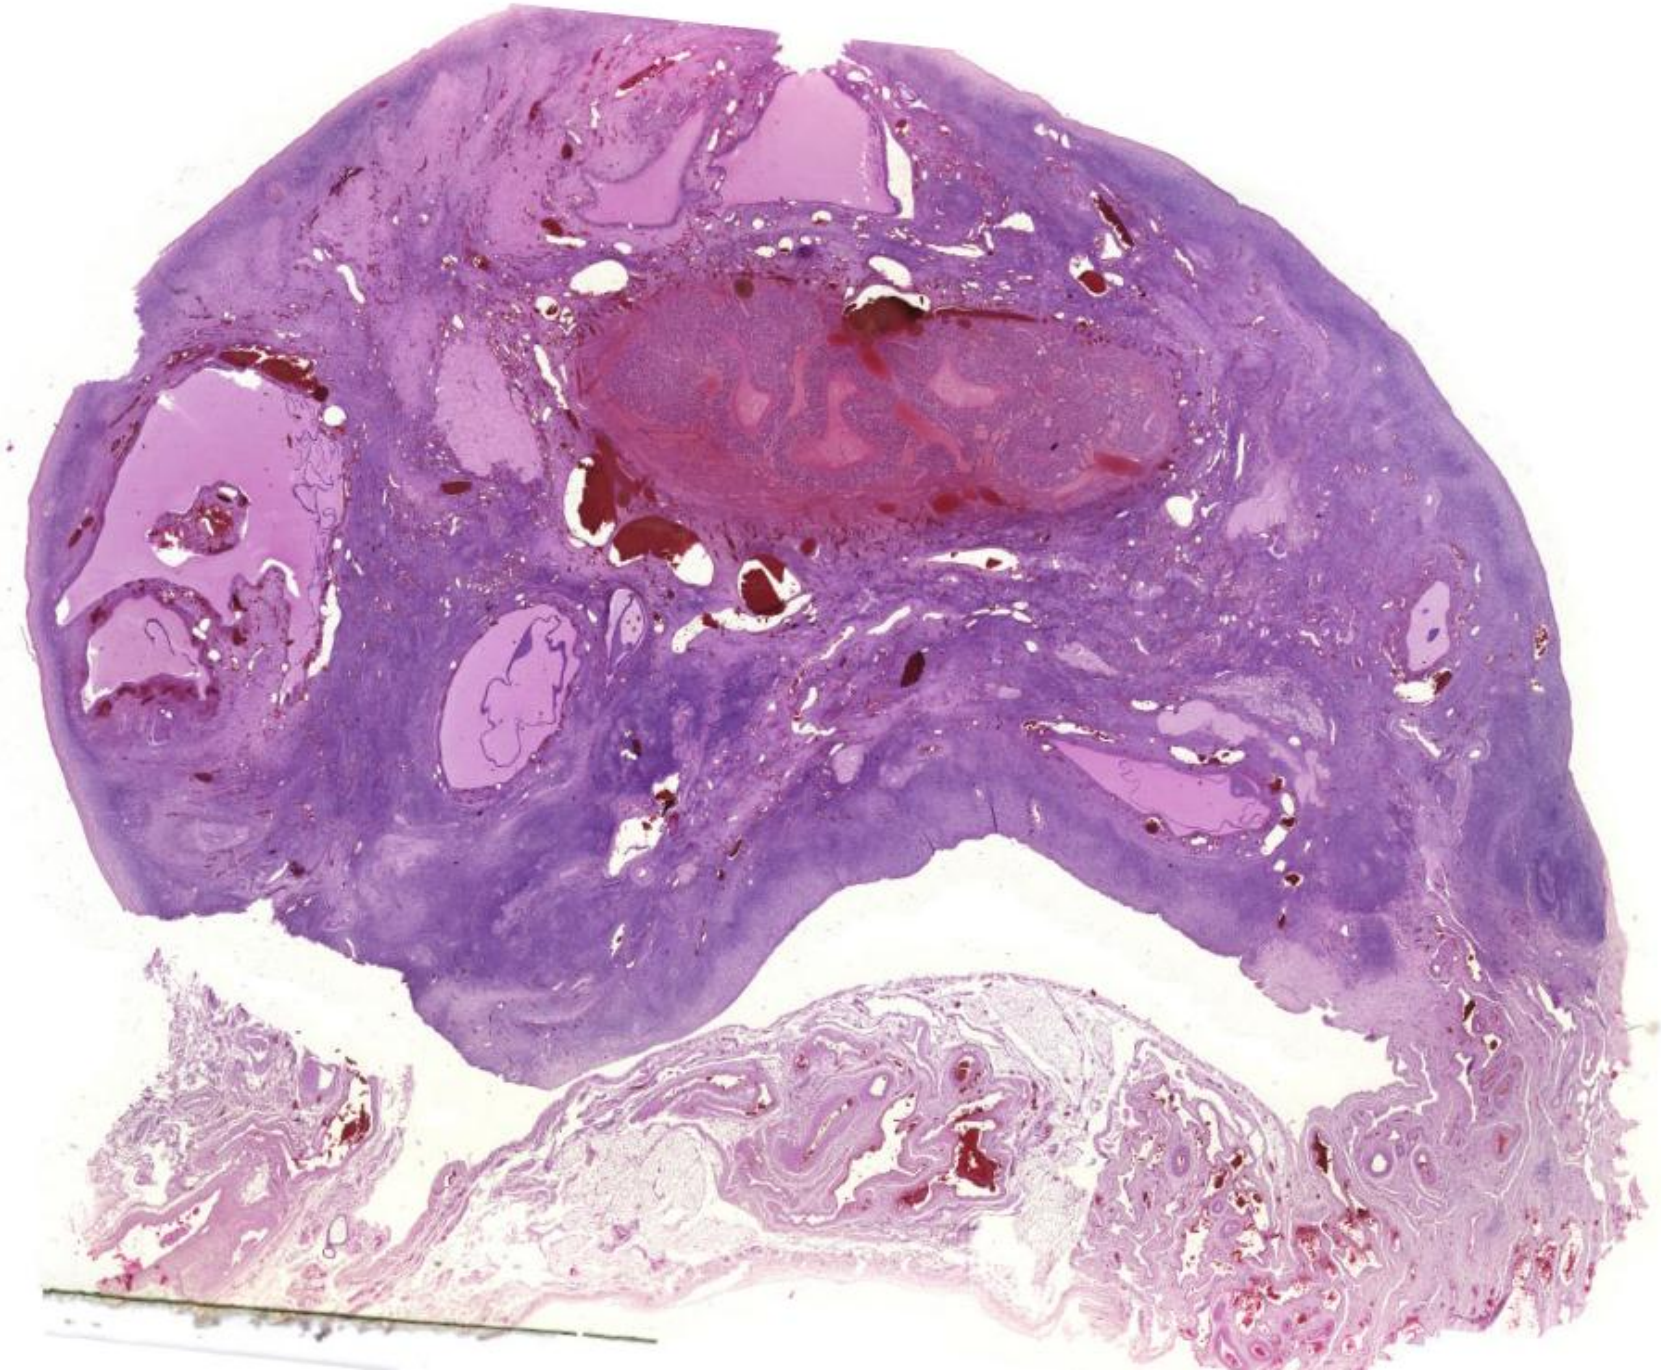




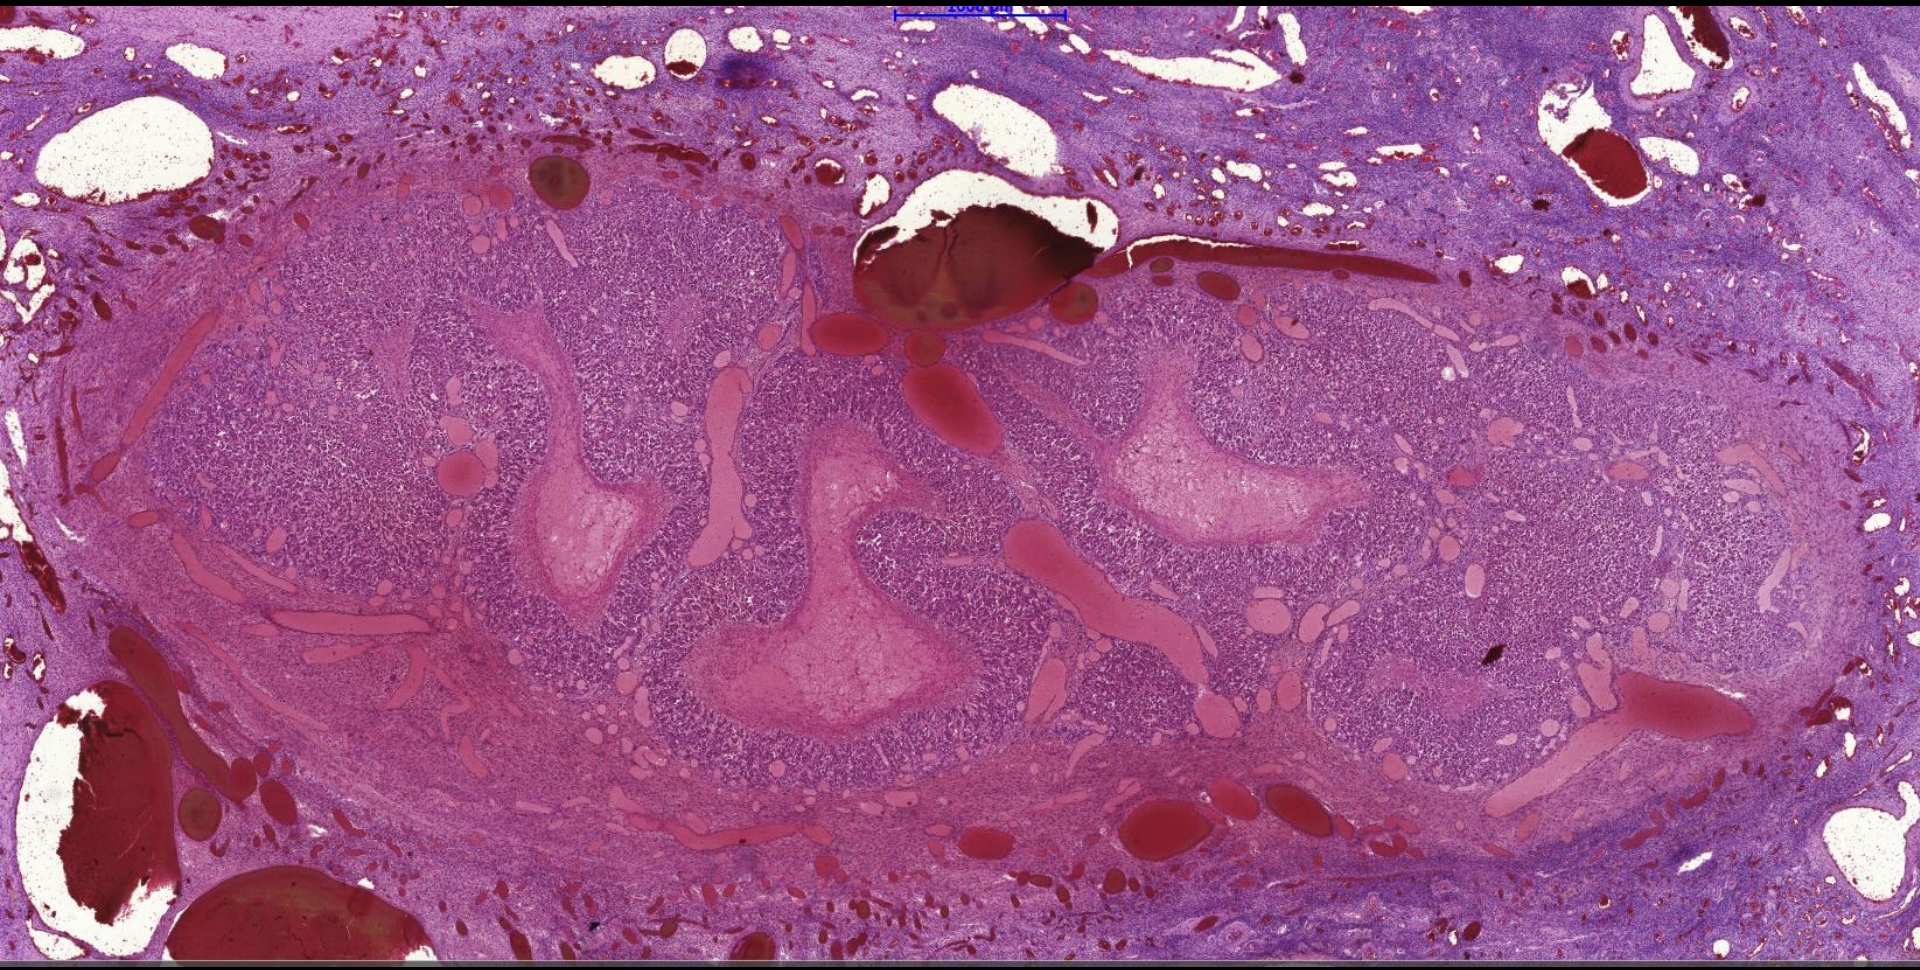


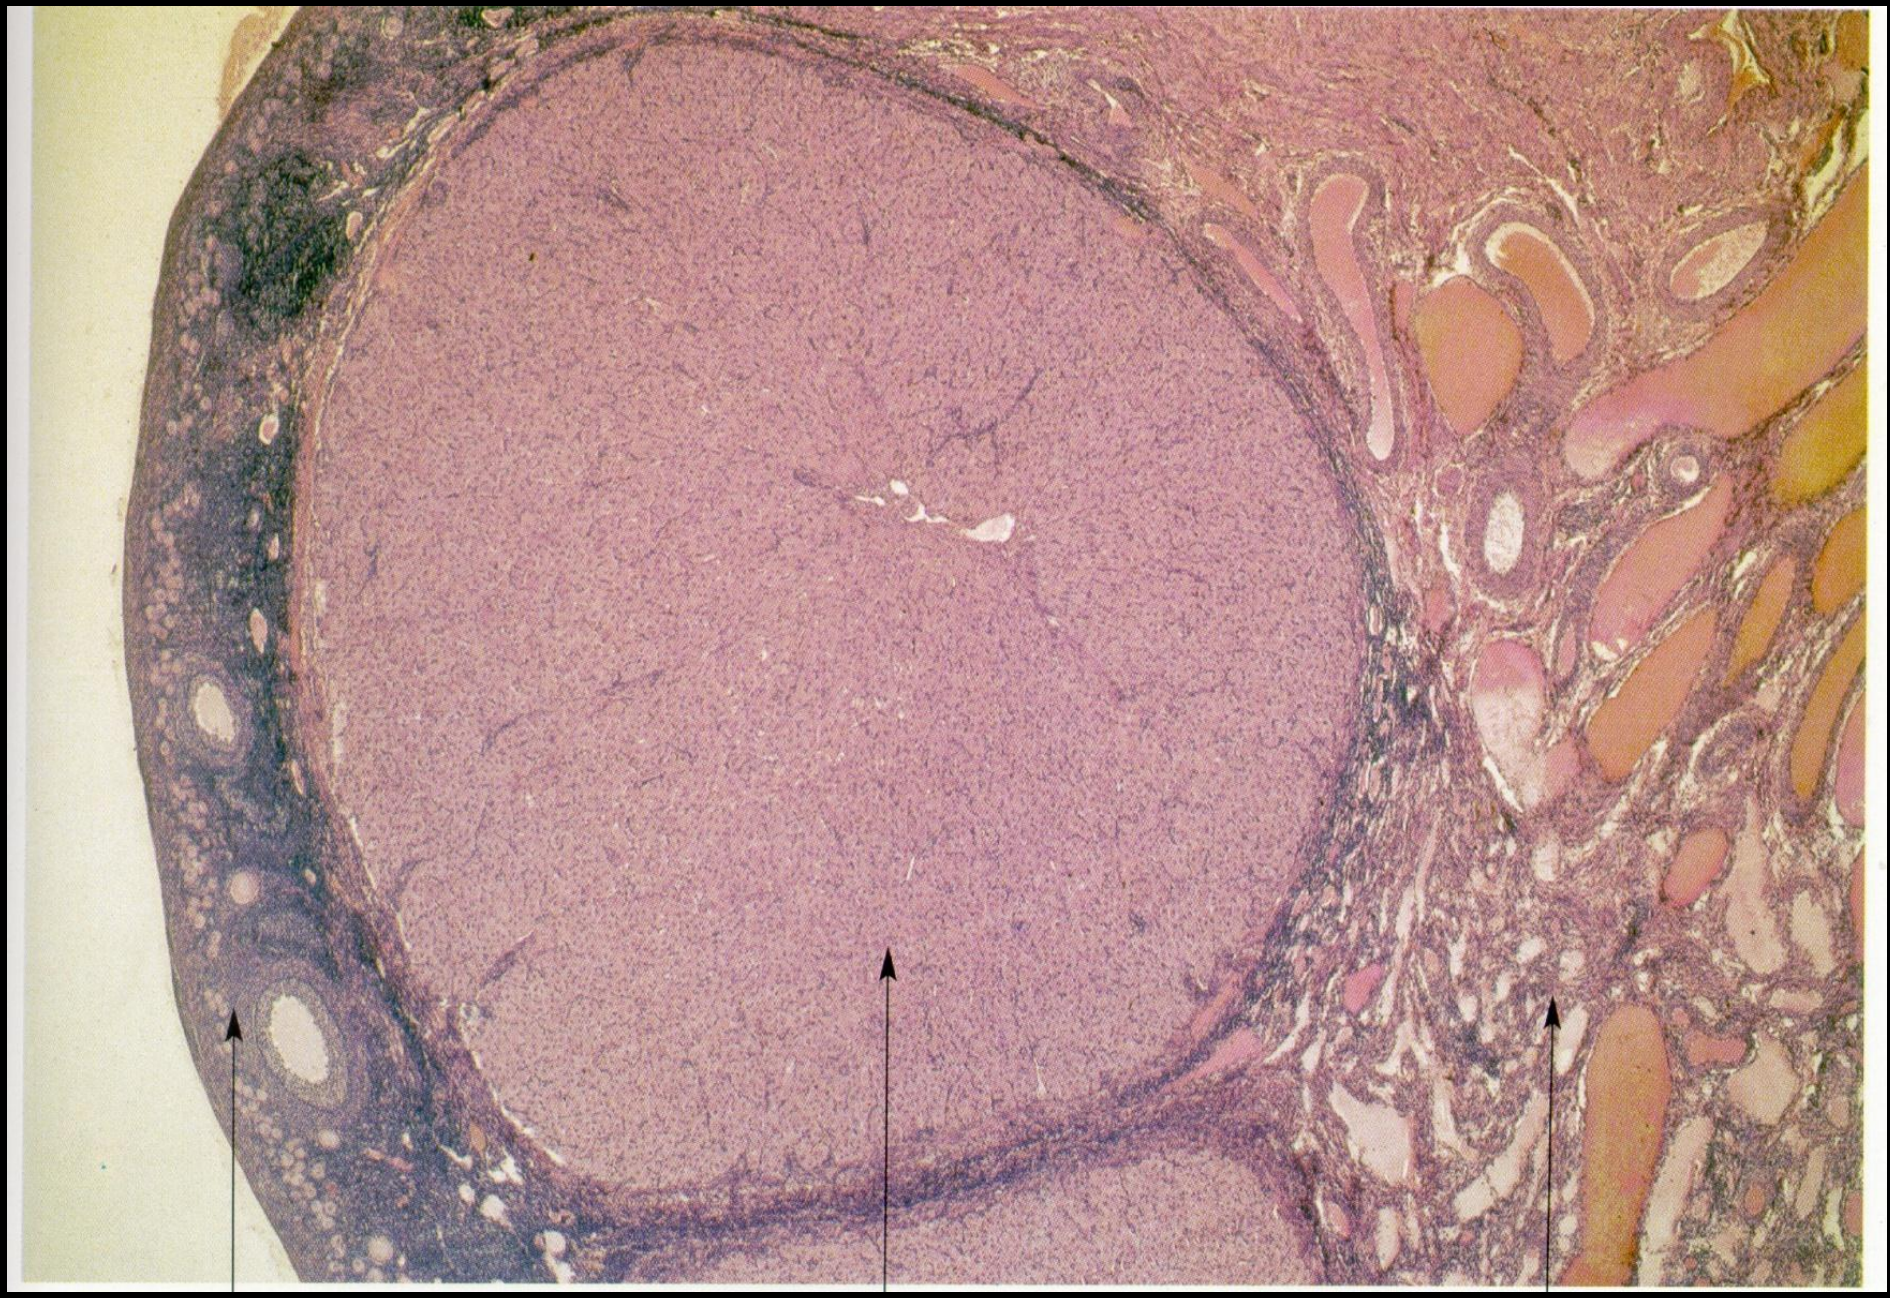


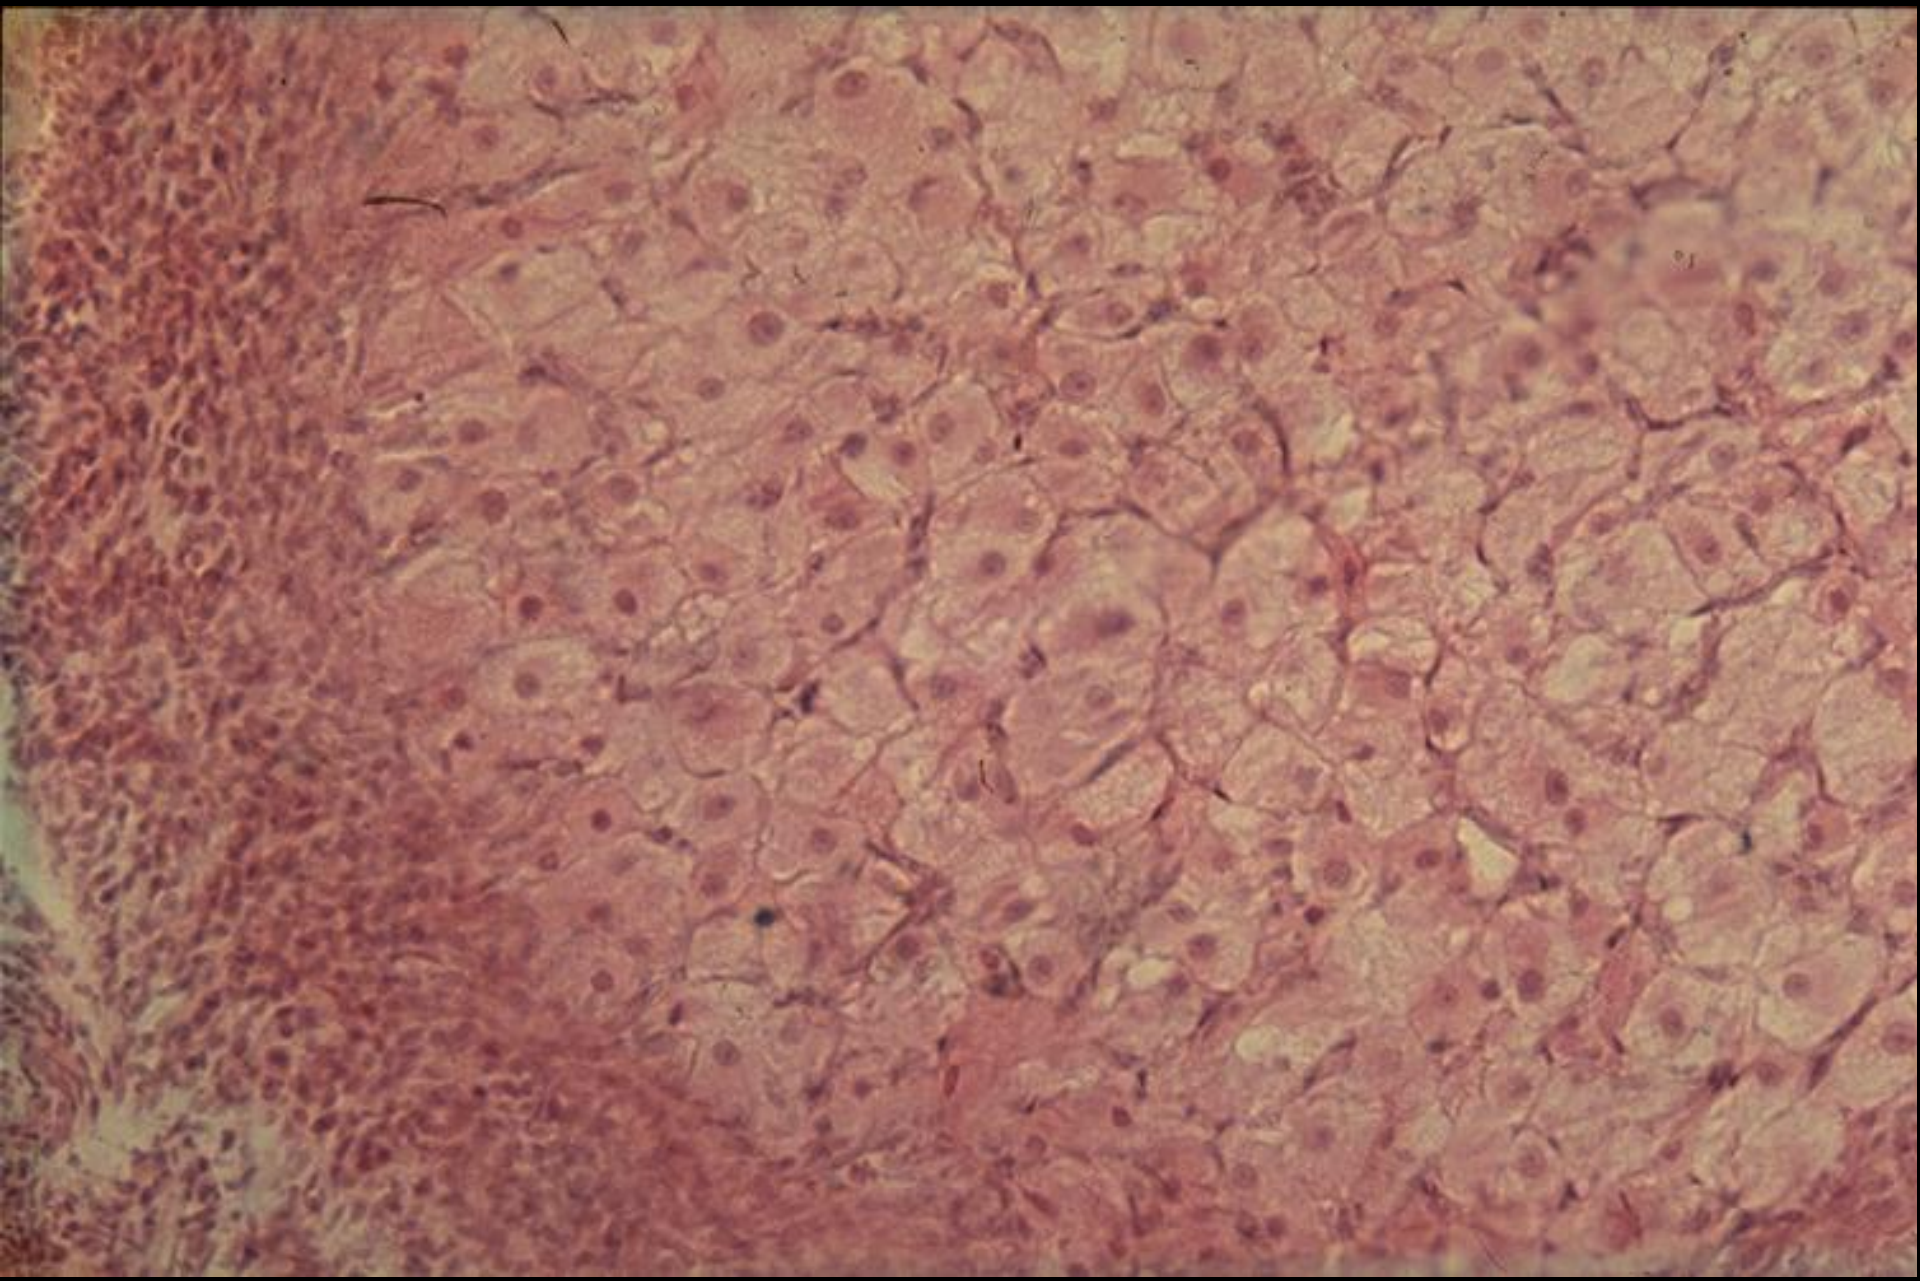




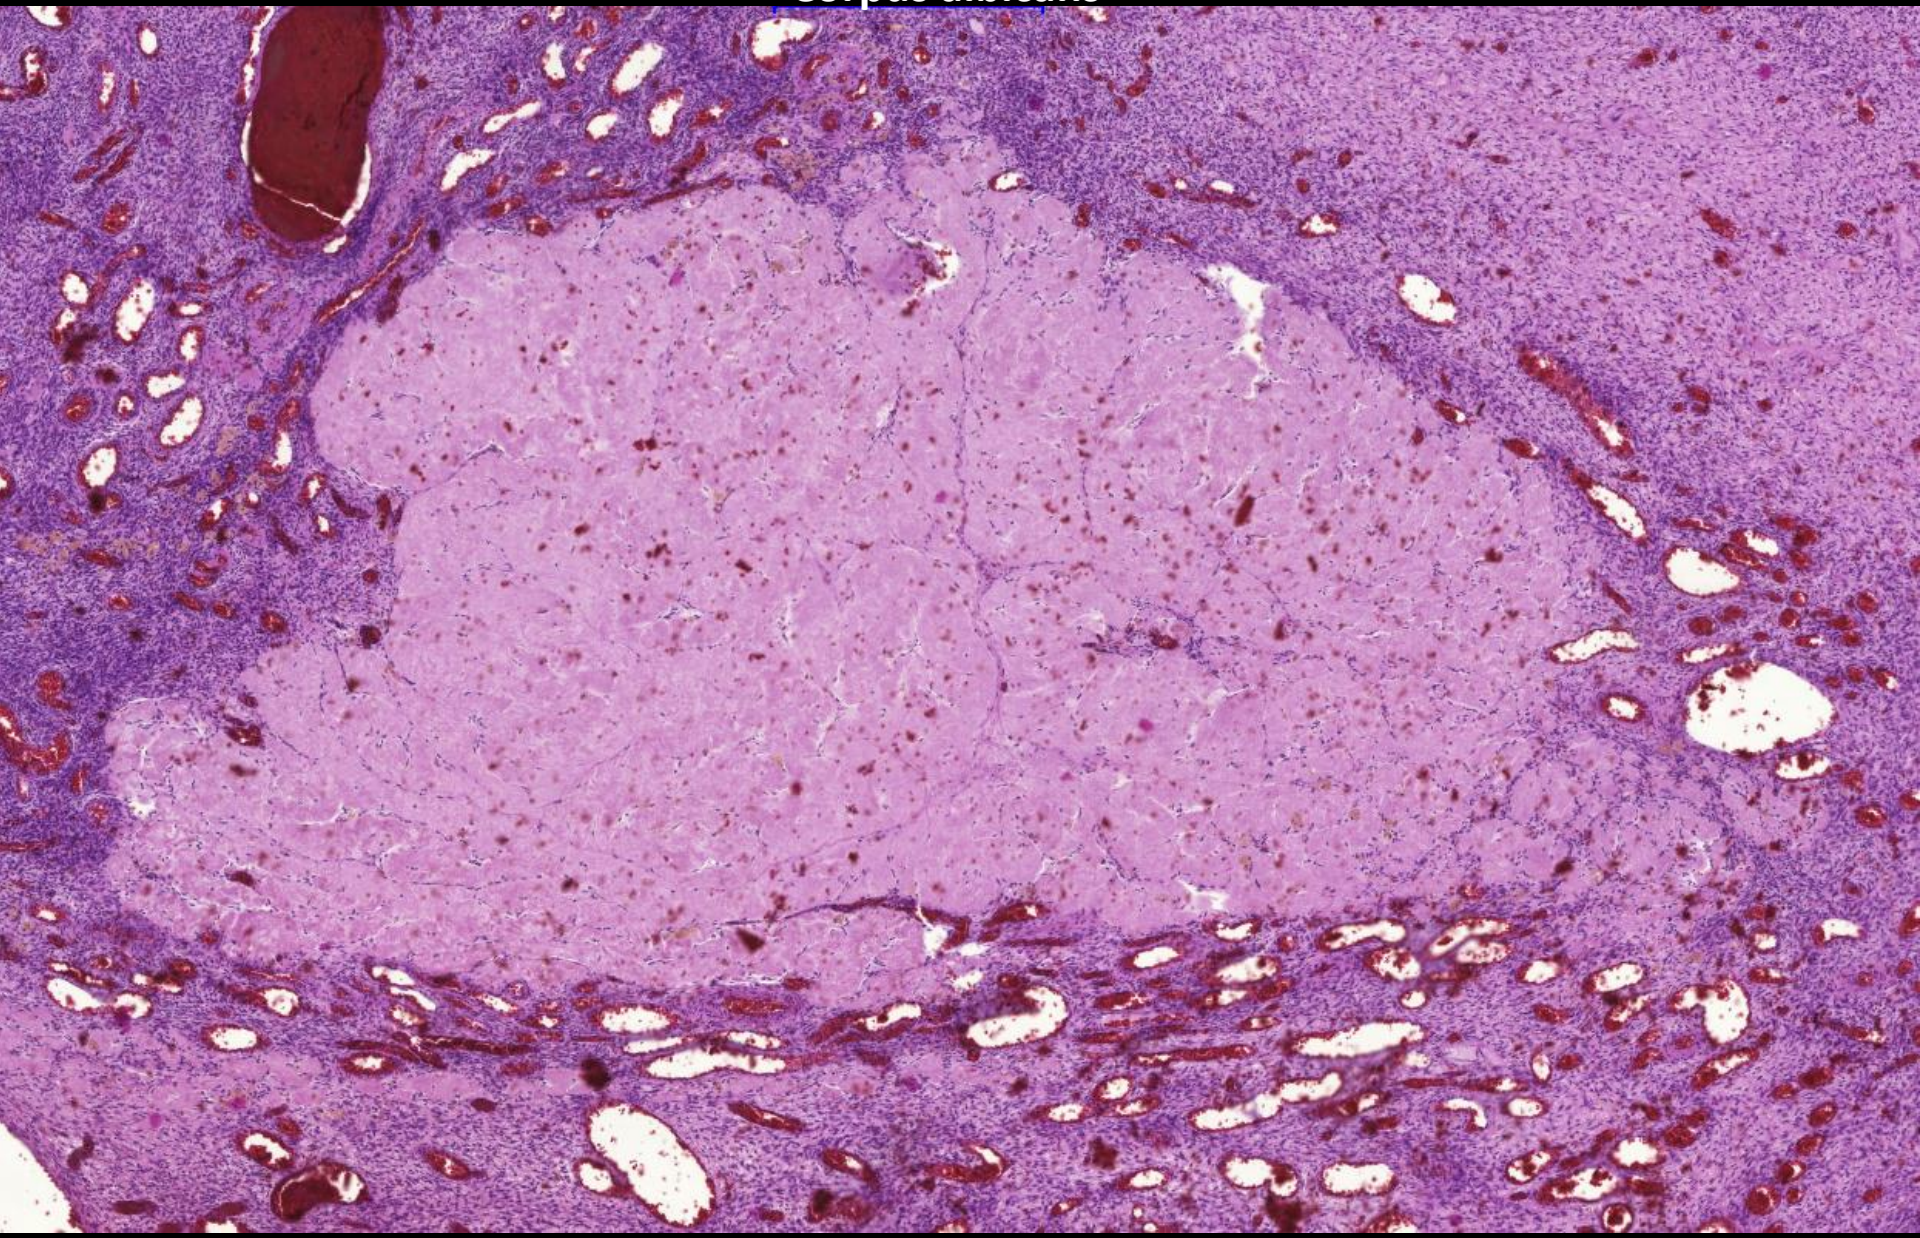
Corpus luteum



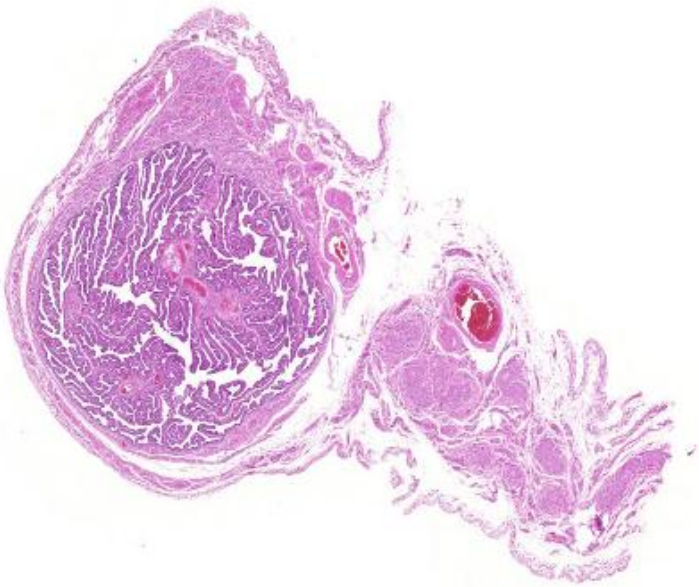


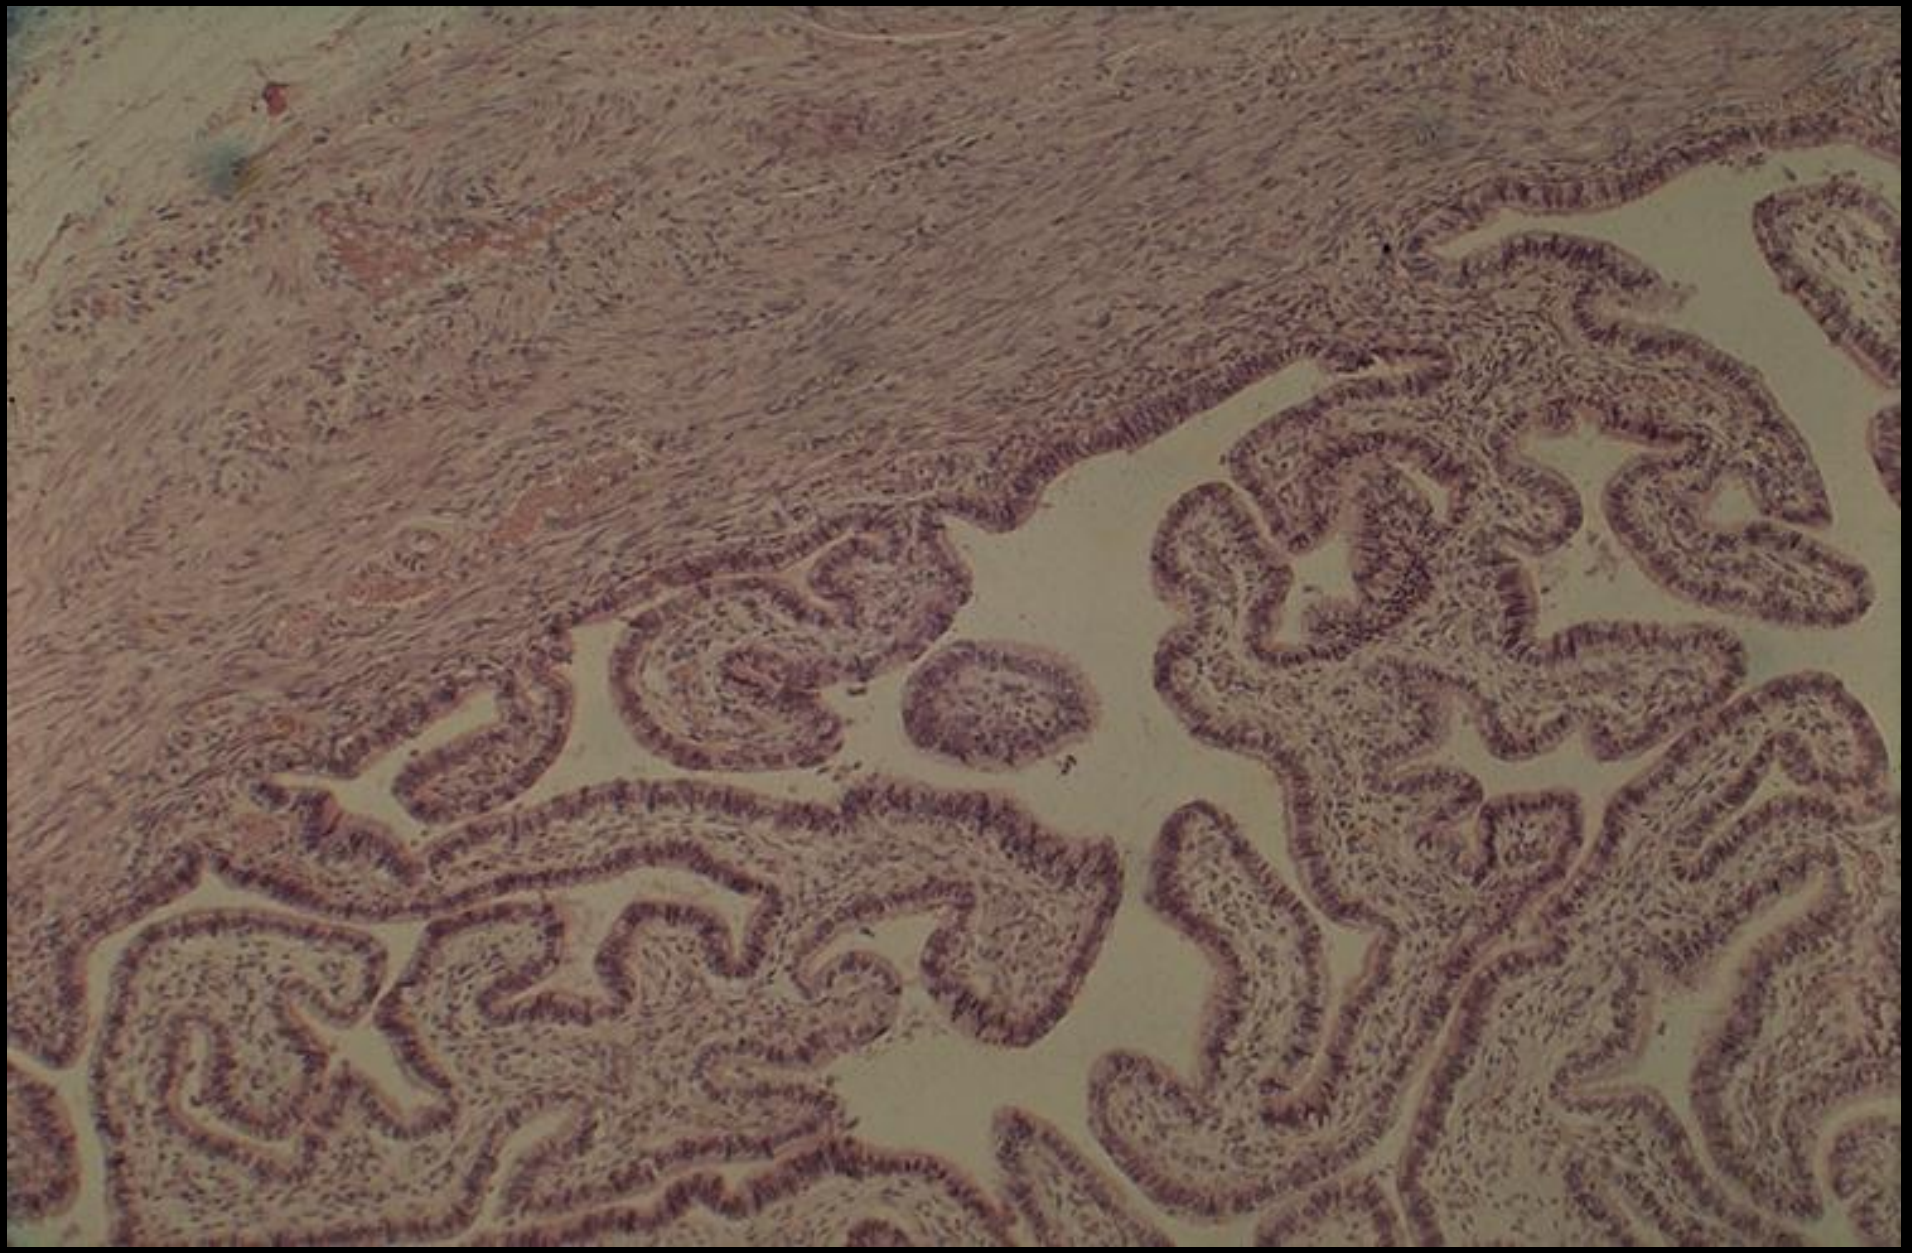


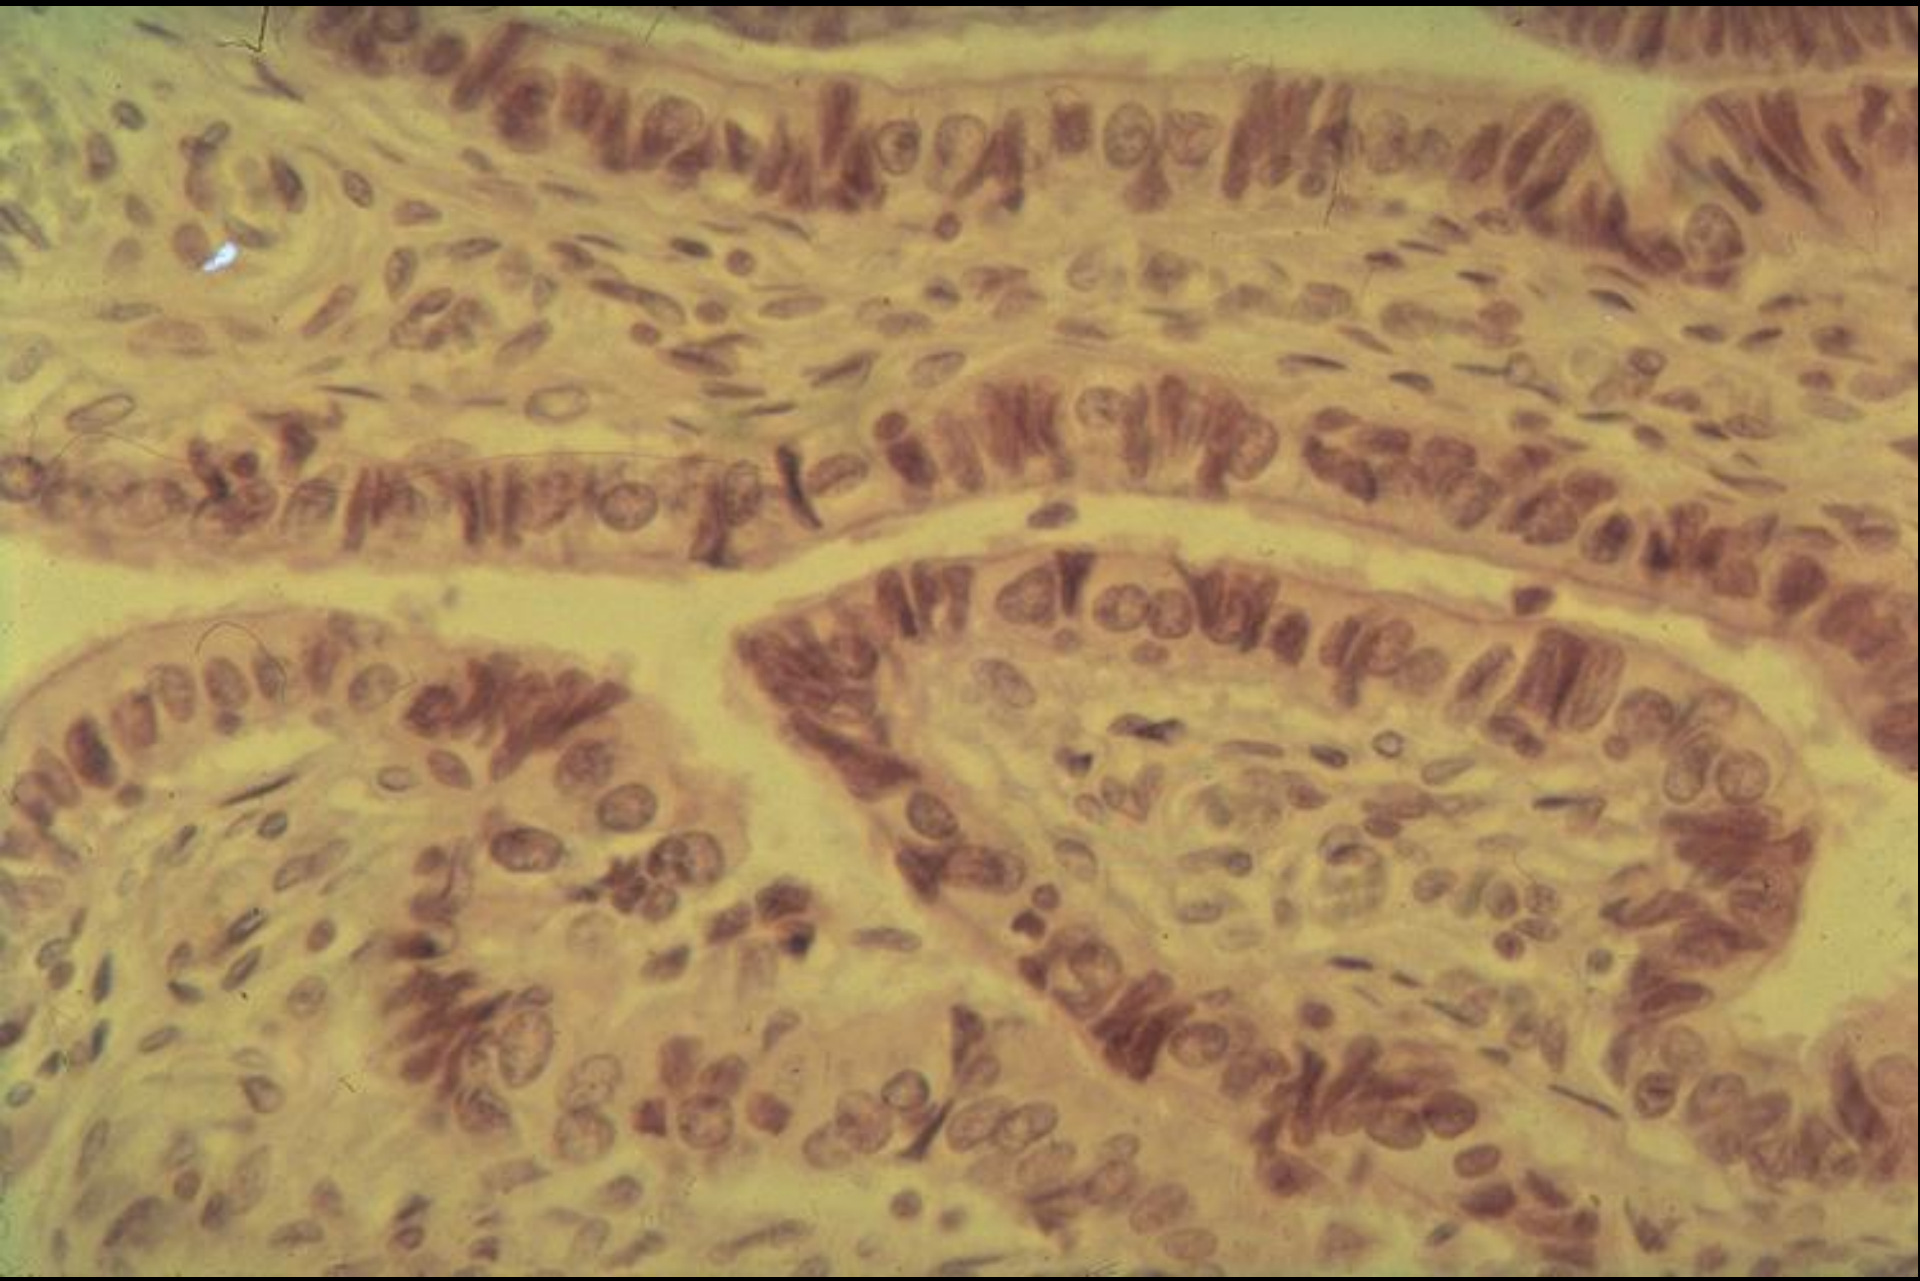
Corpus albicans



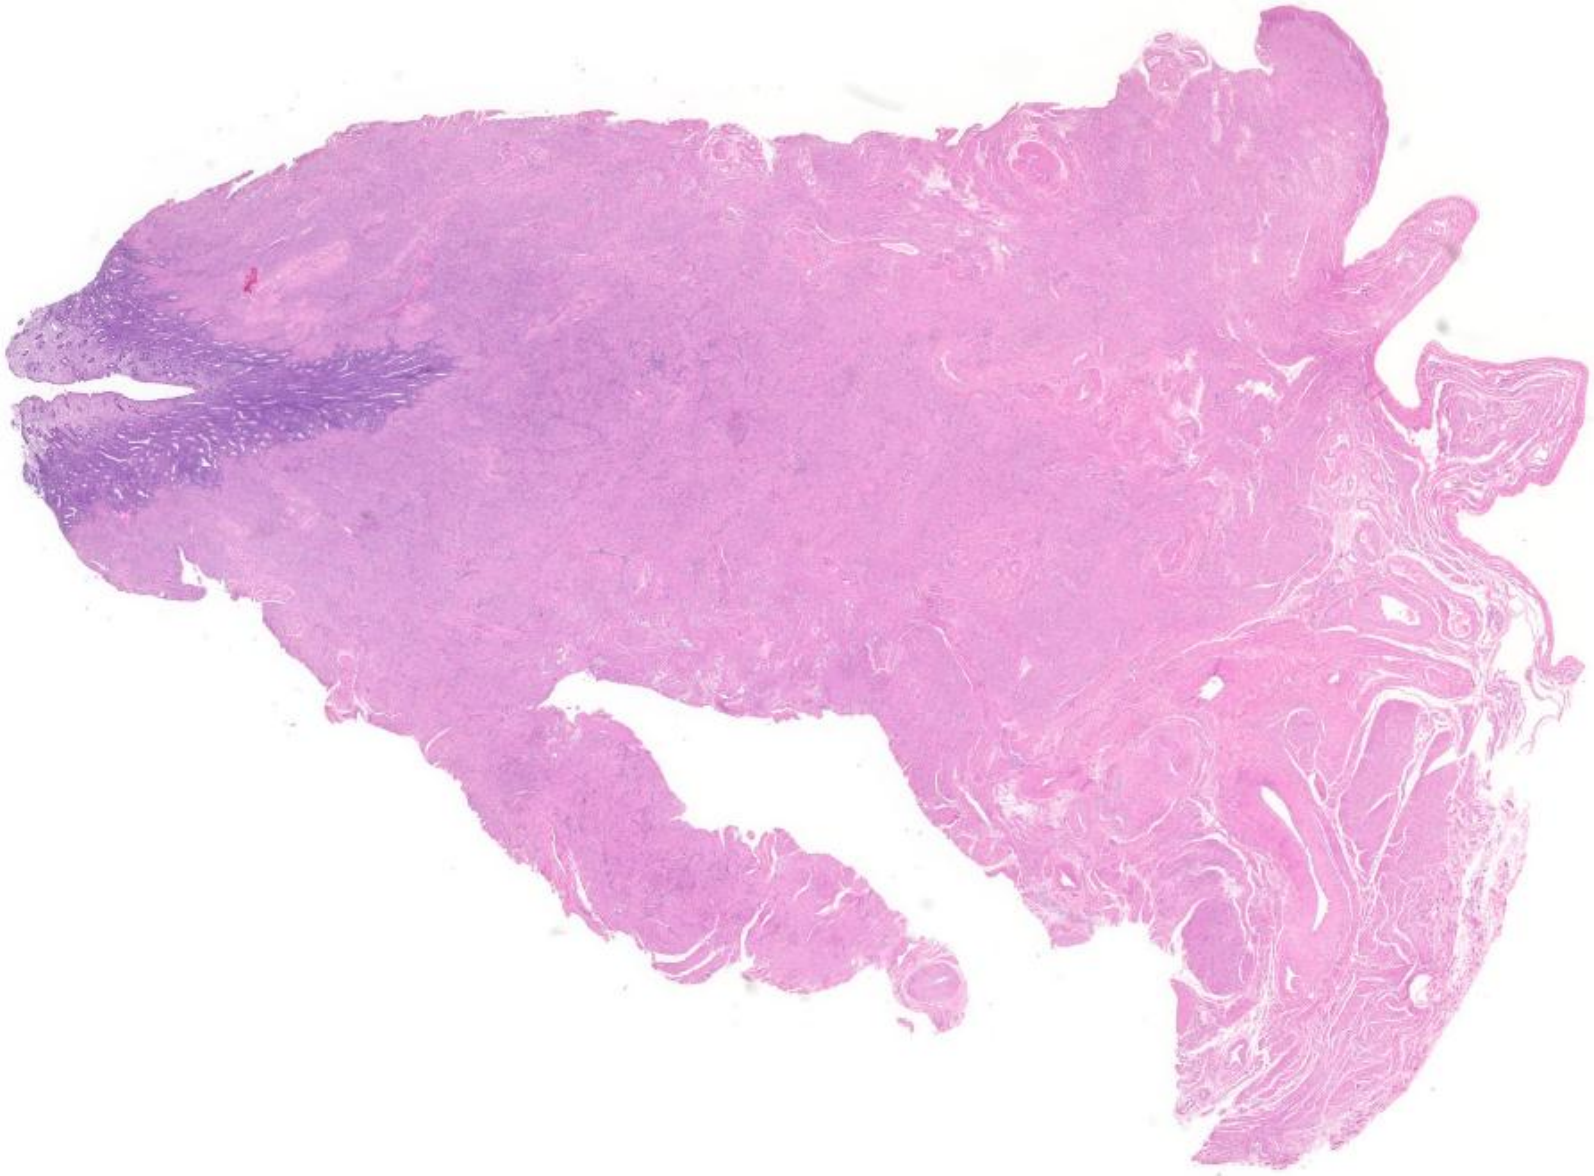
Uterine tube (isthmus and ampulla)

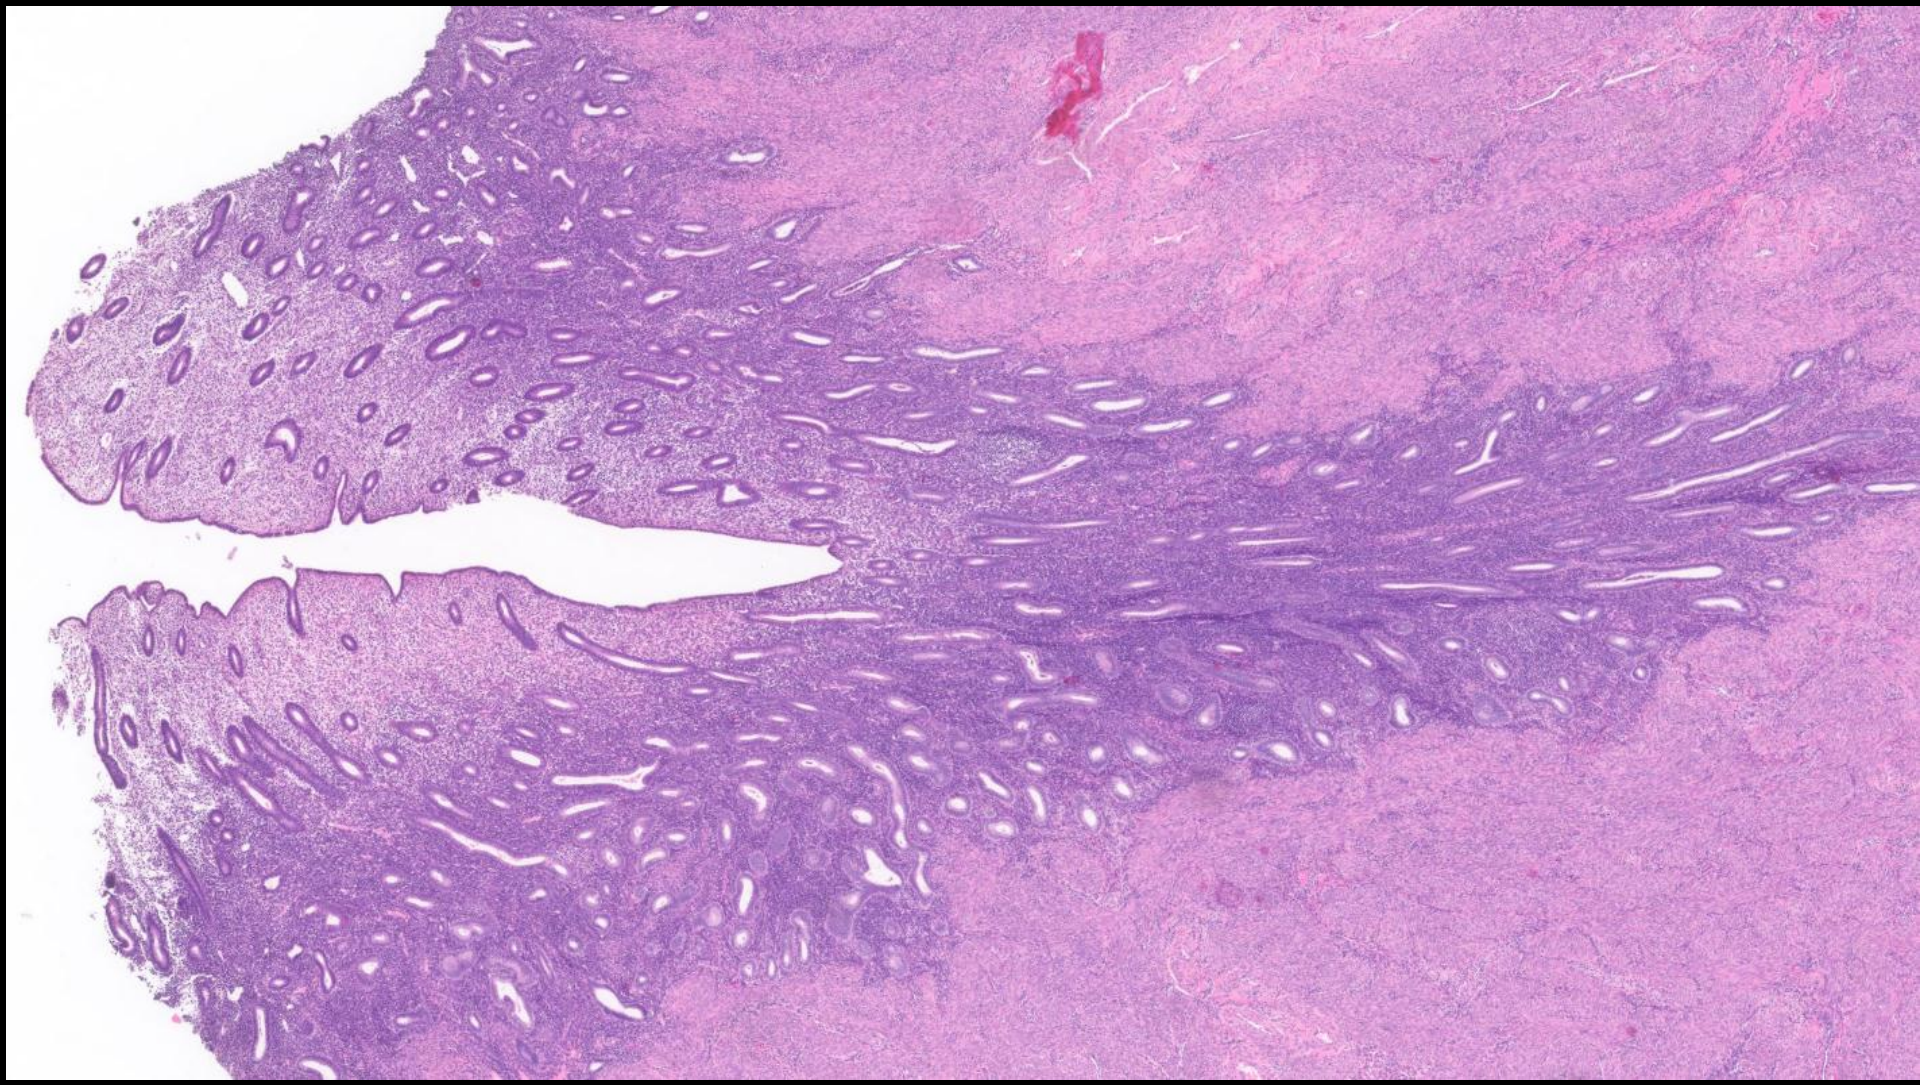


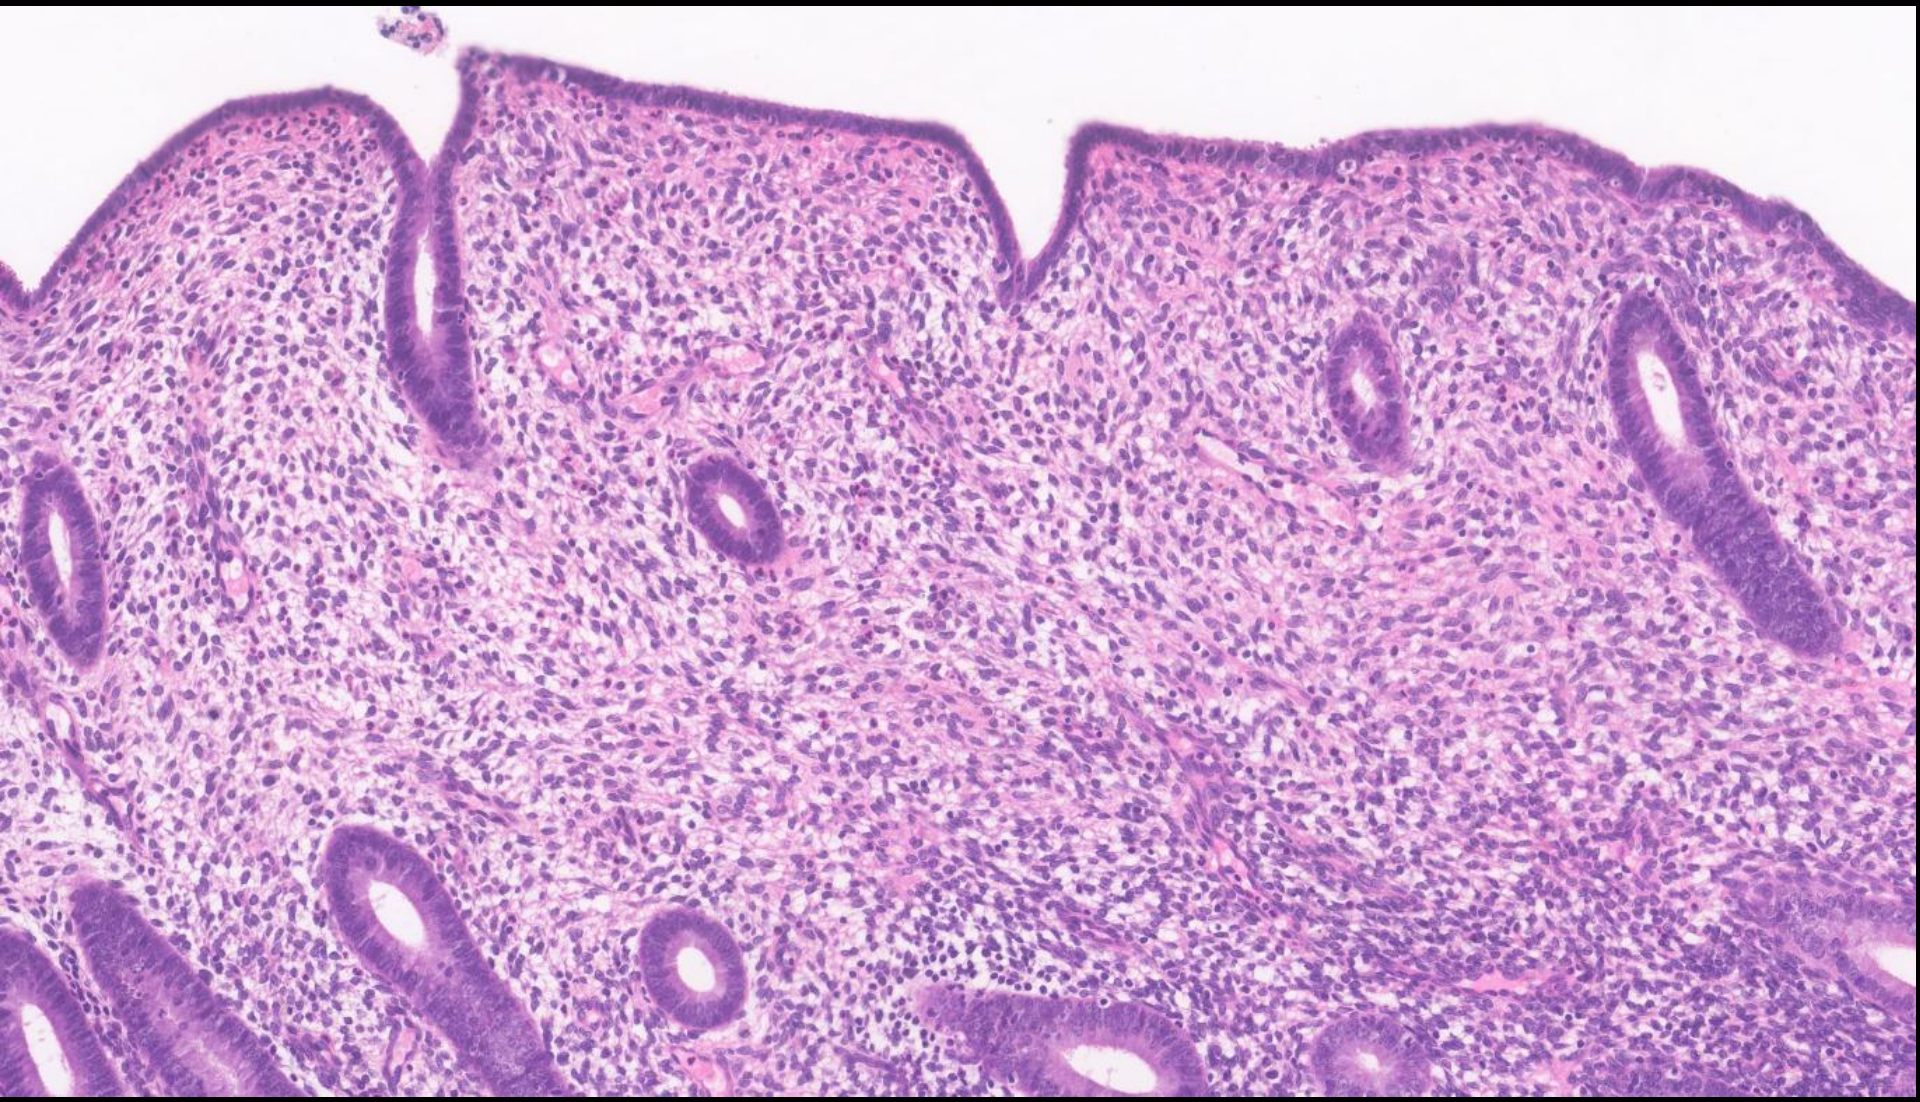


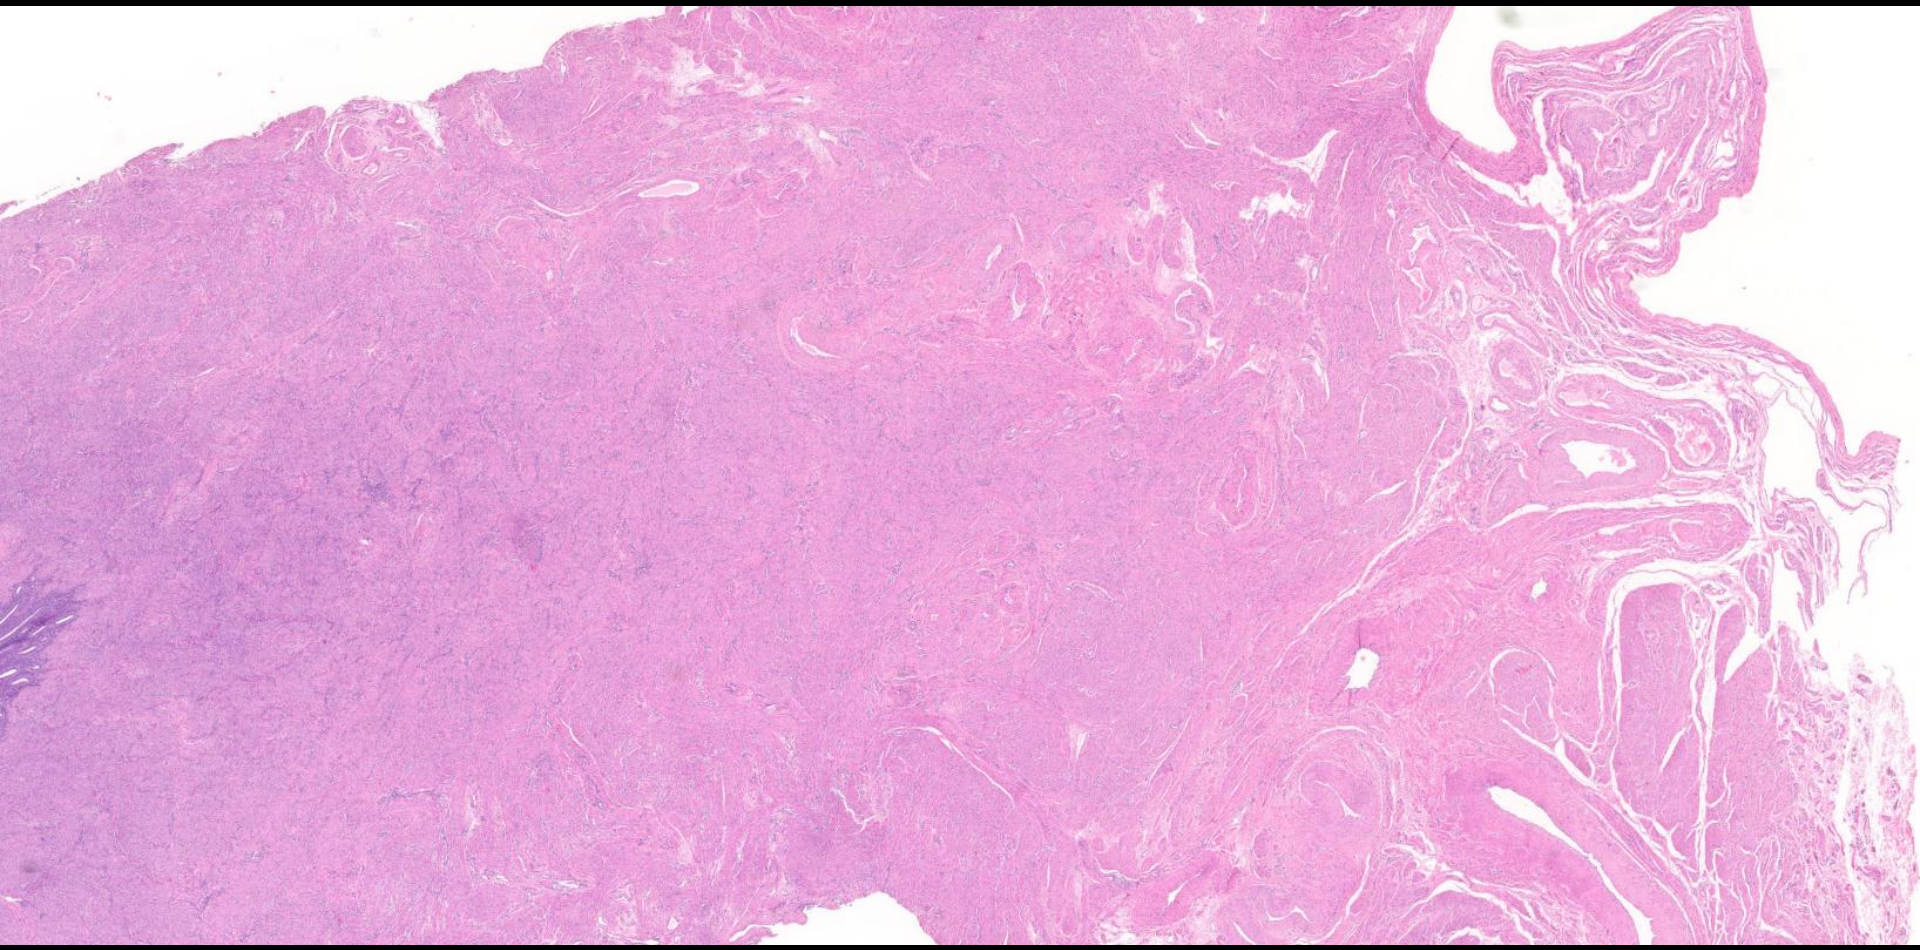


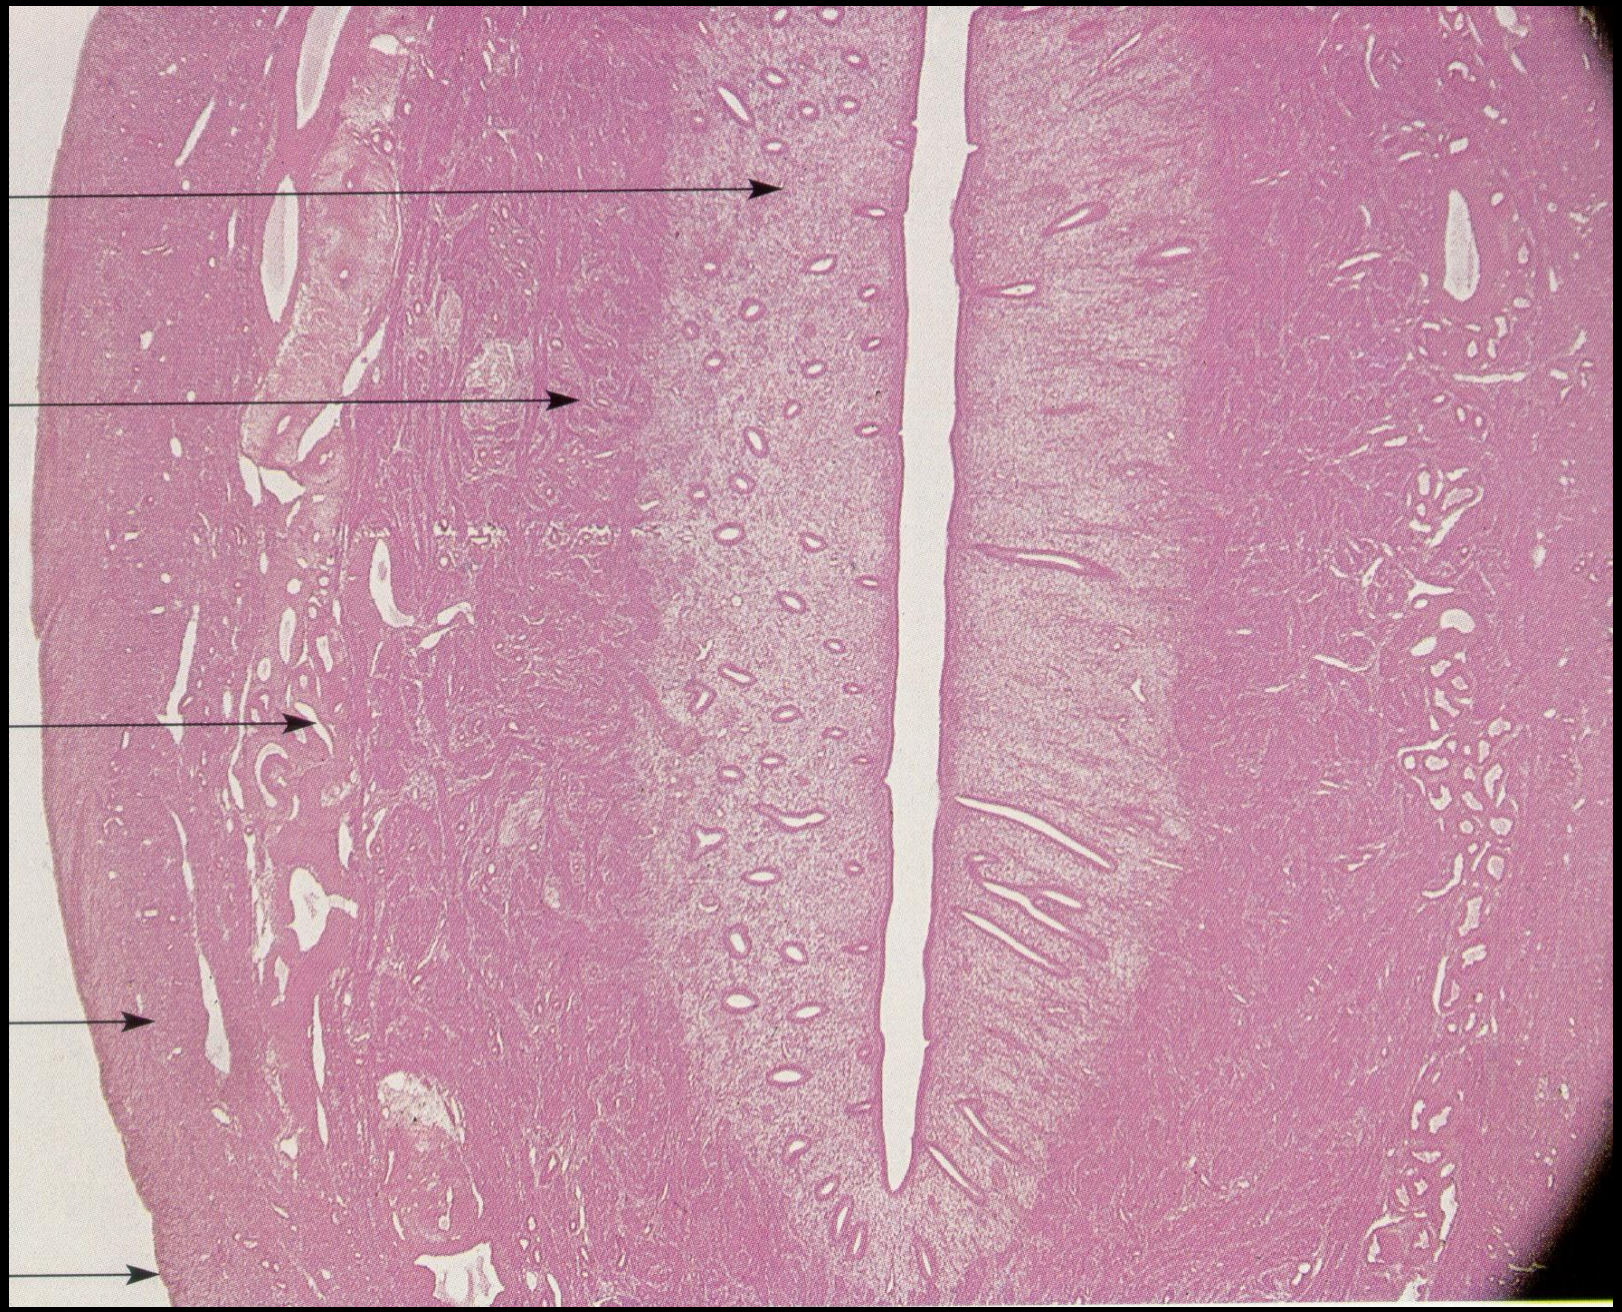
Uterus proliferationis

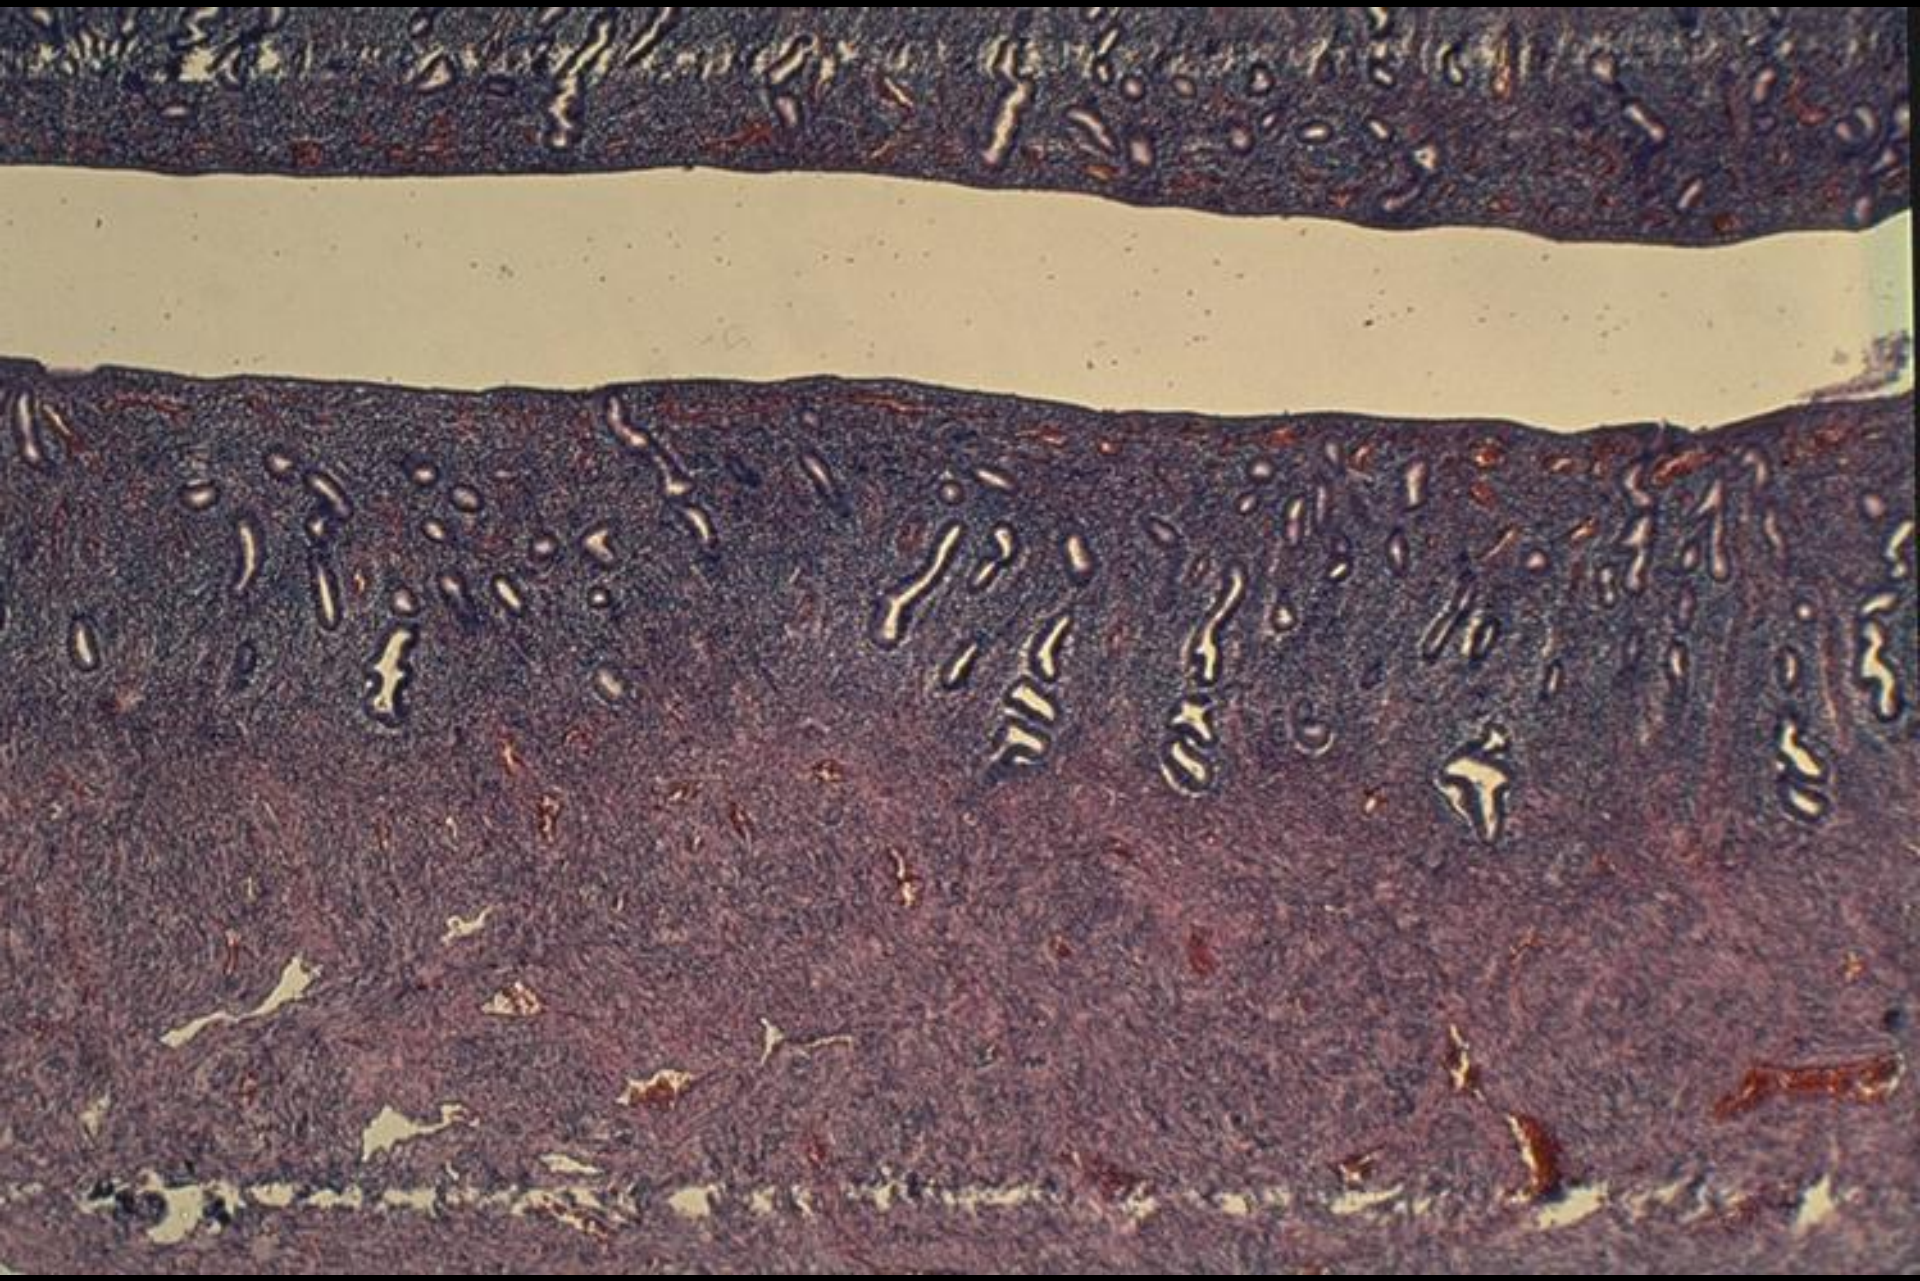




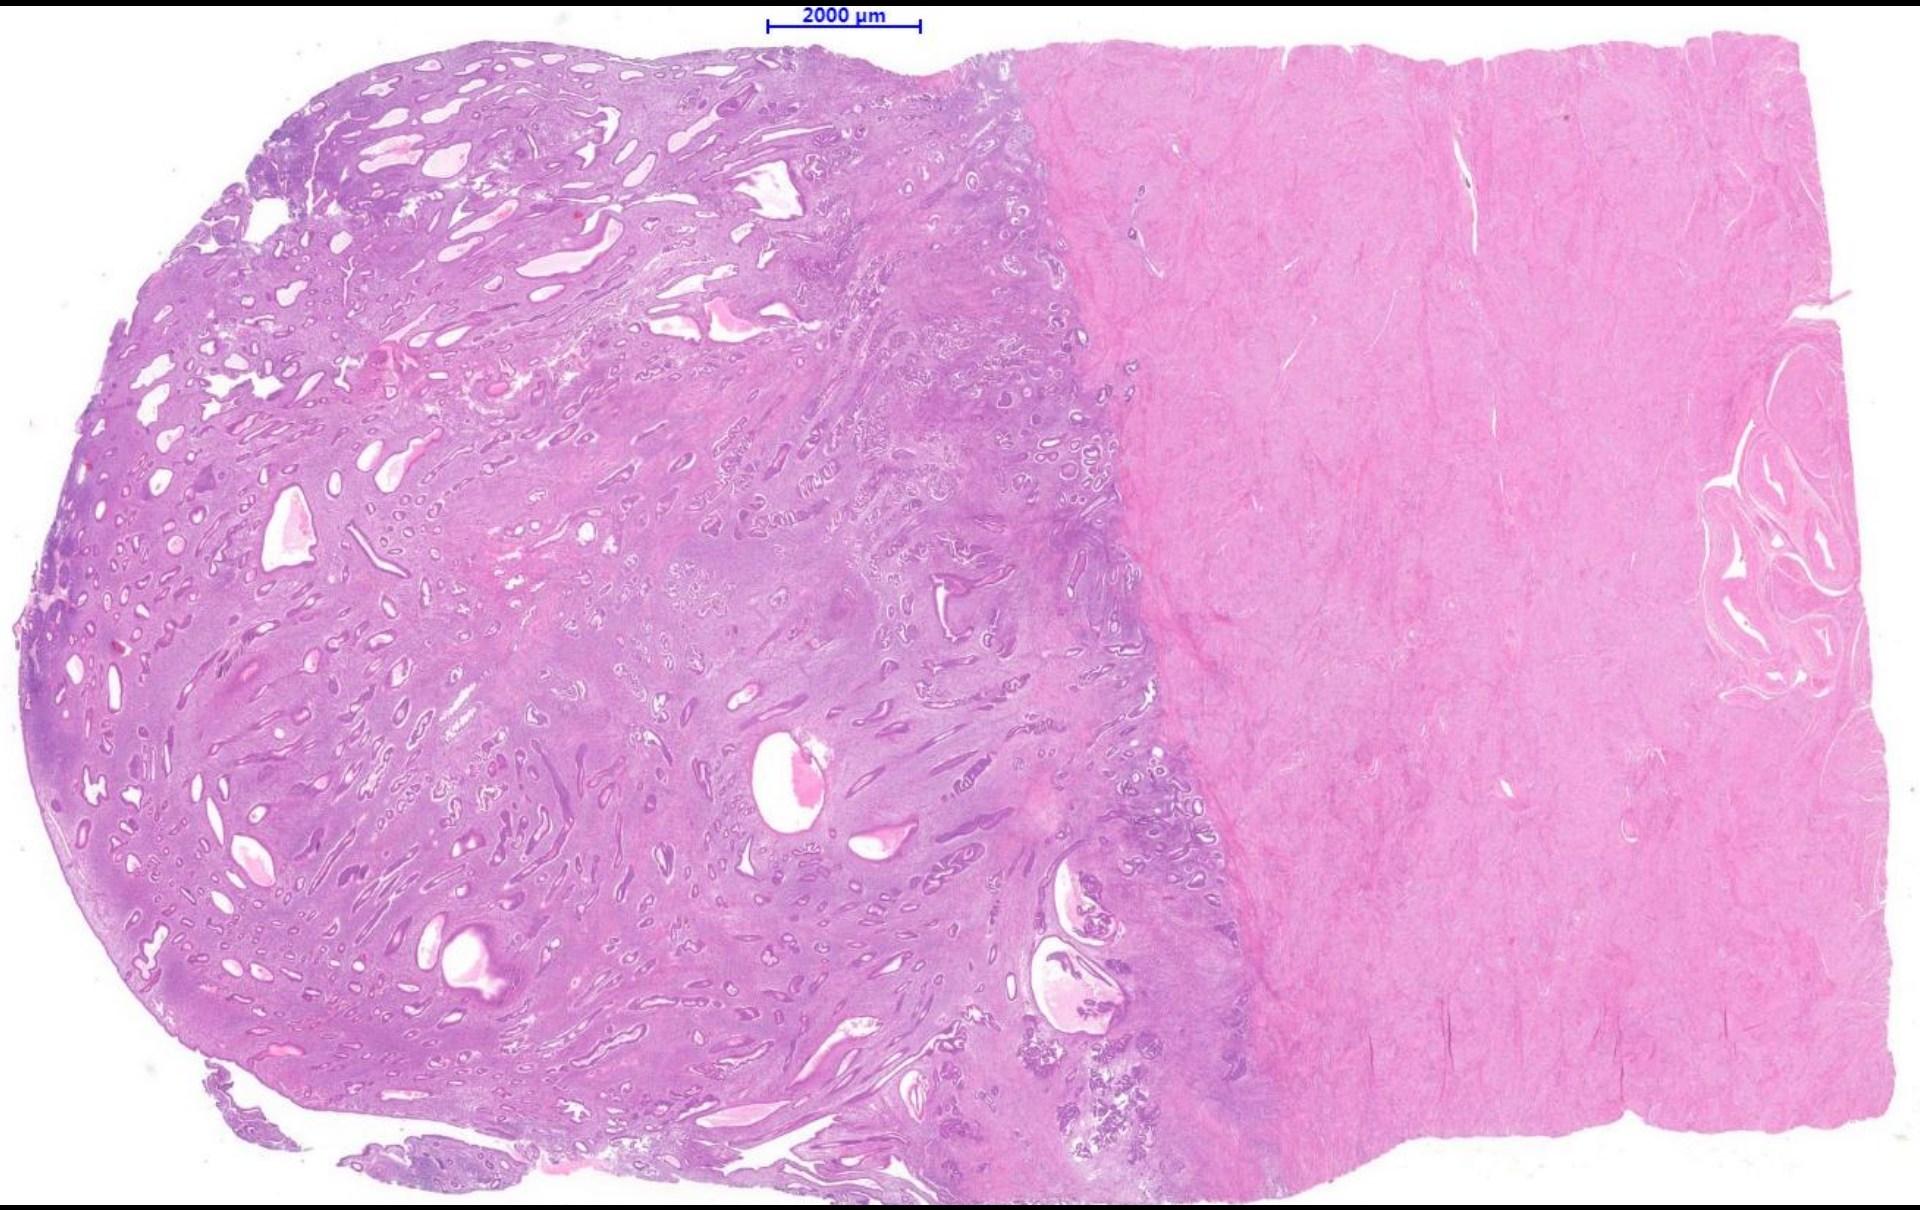


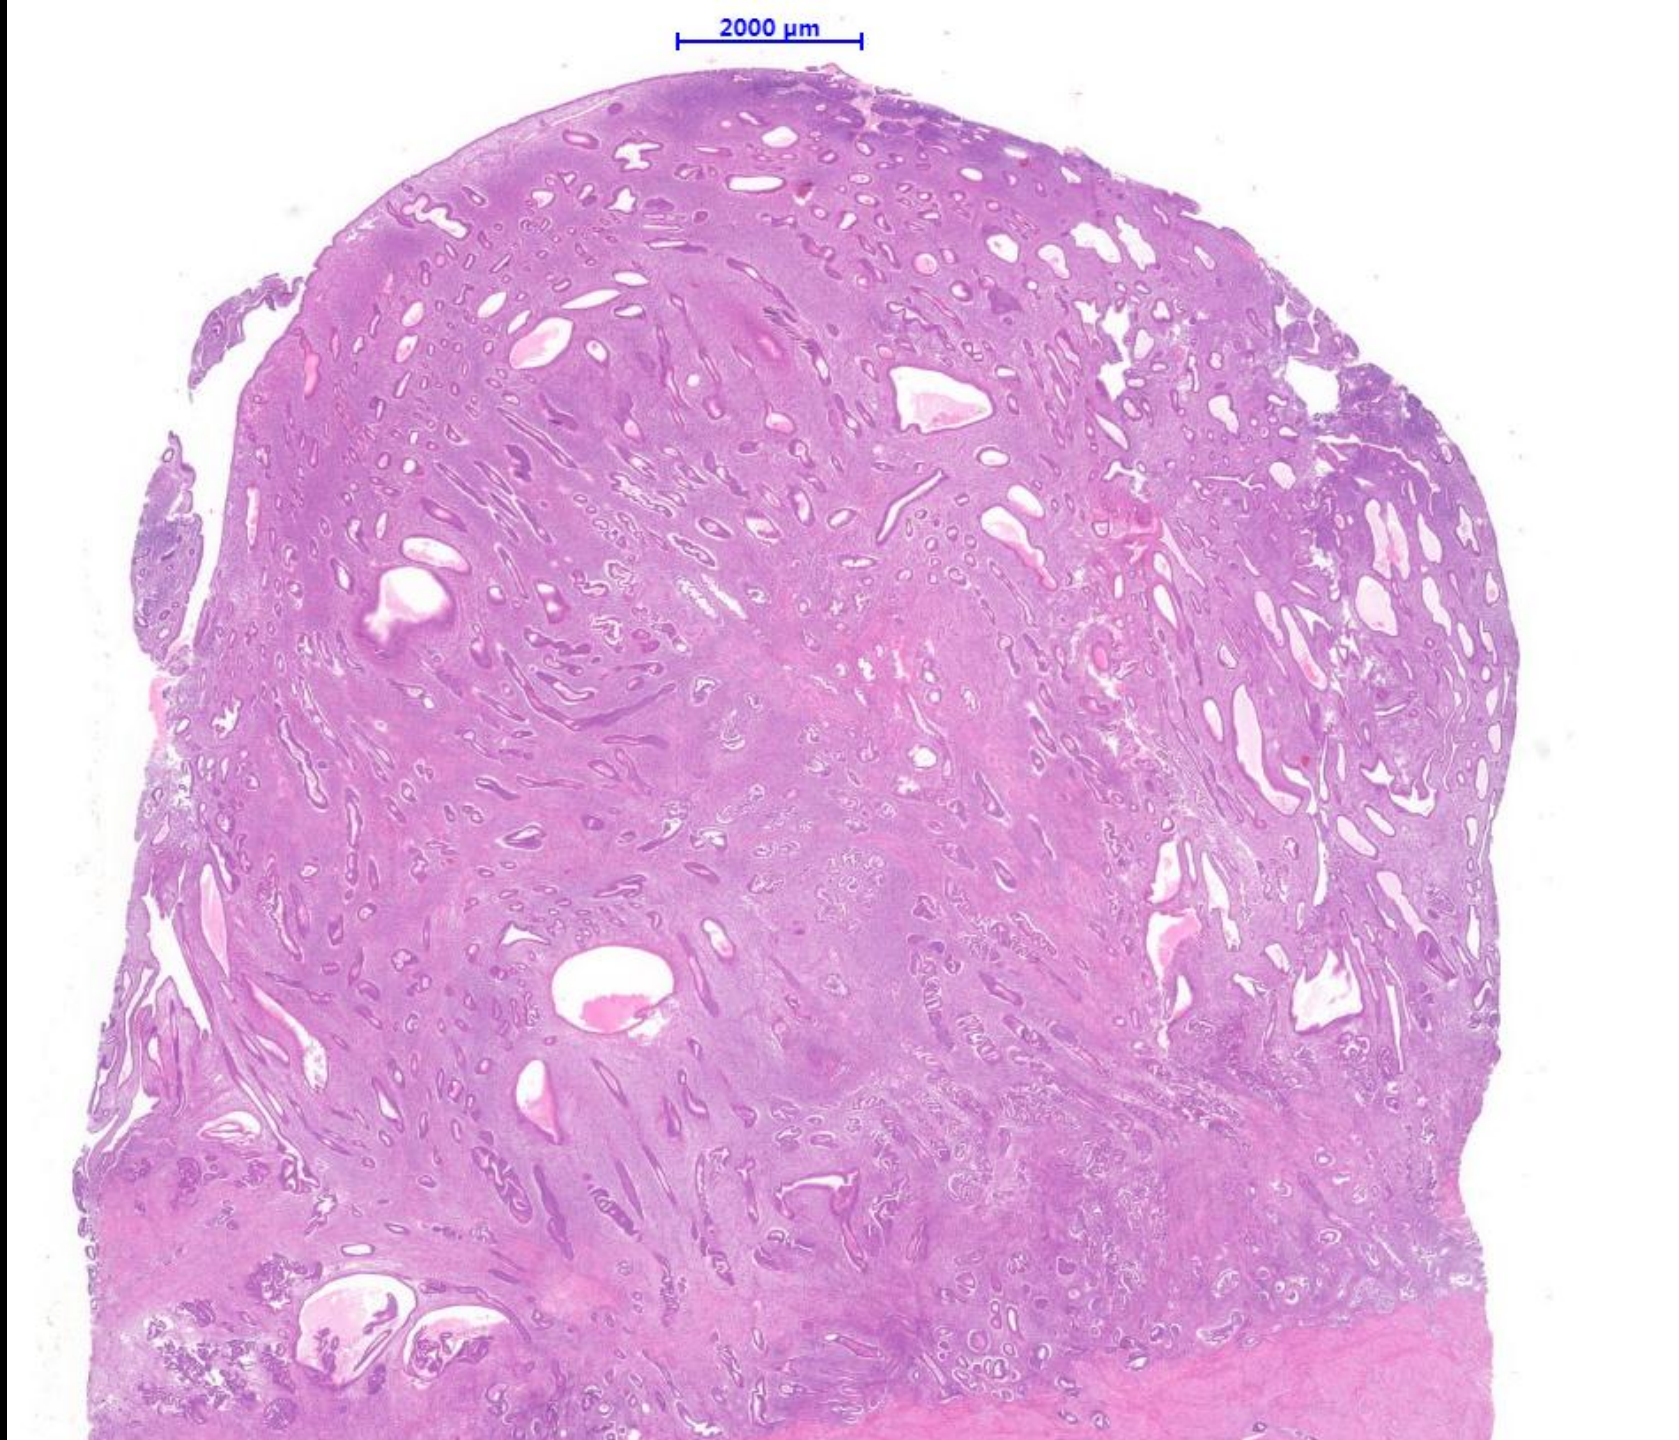






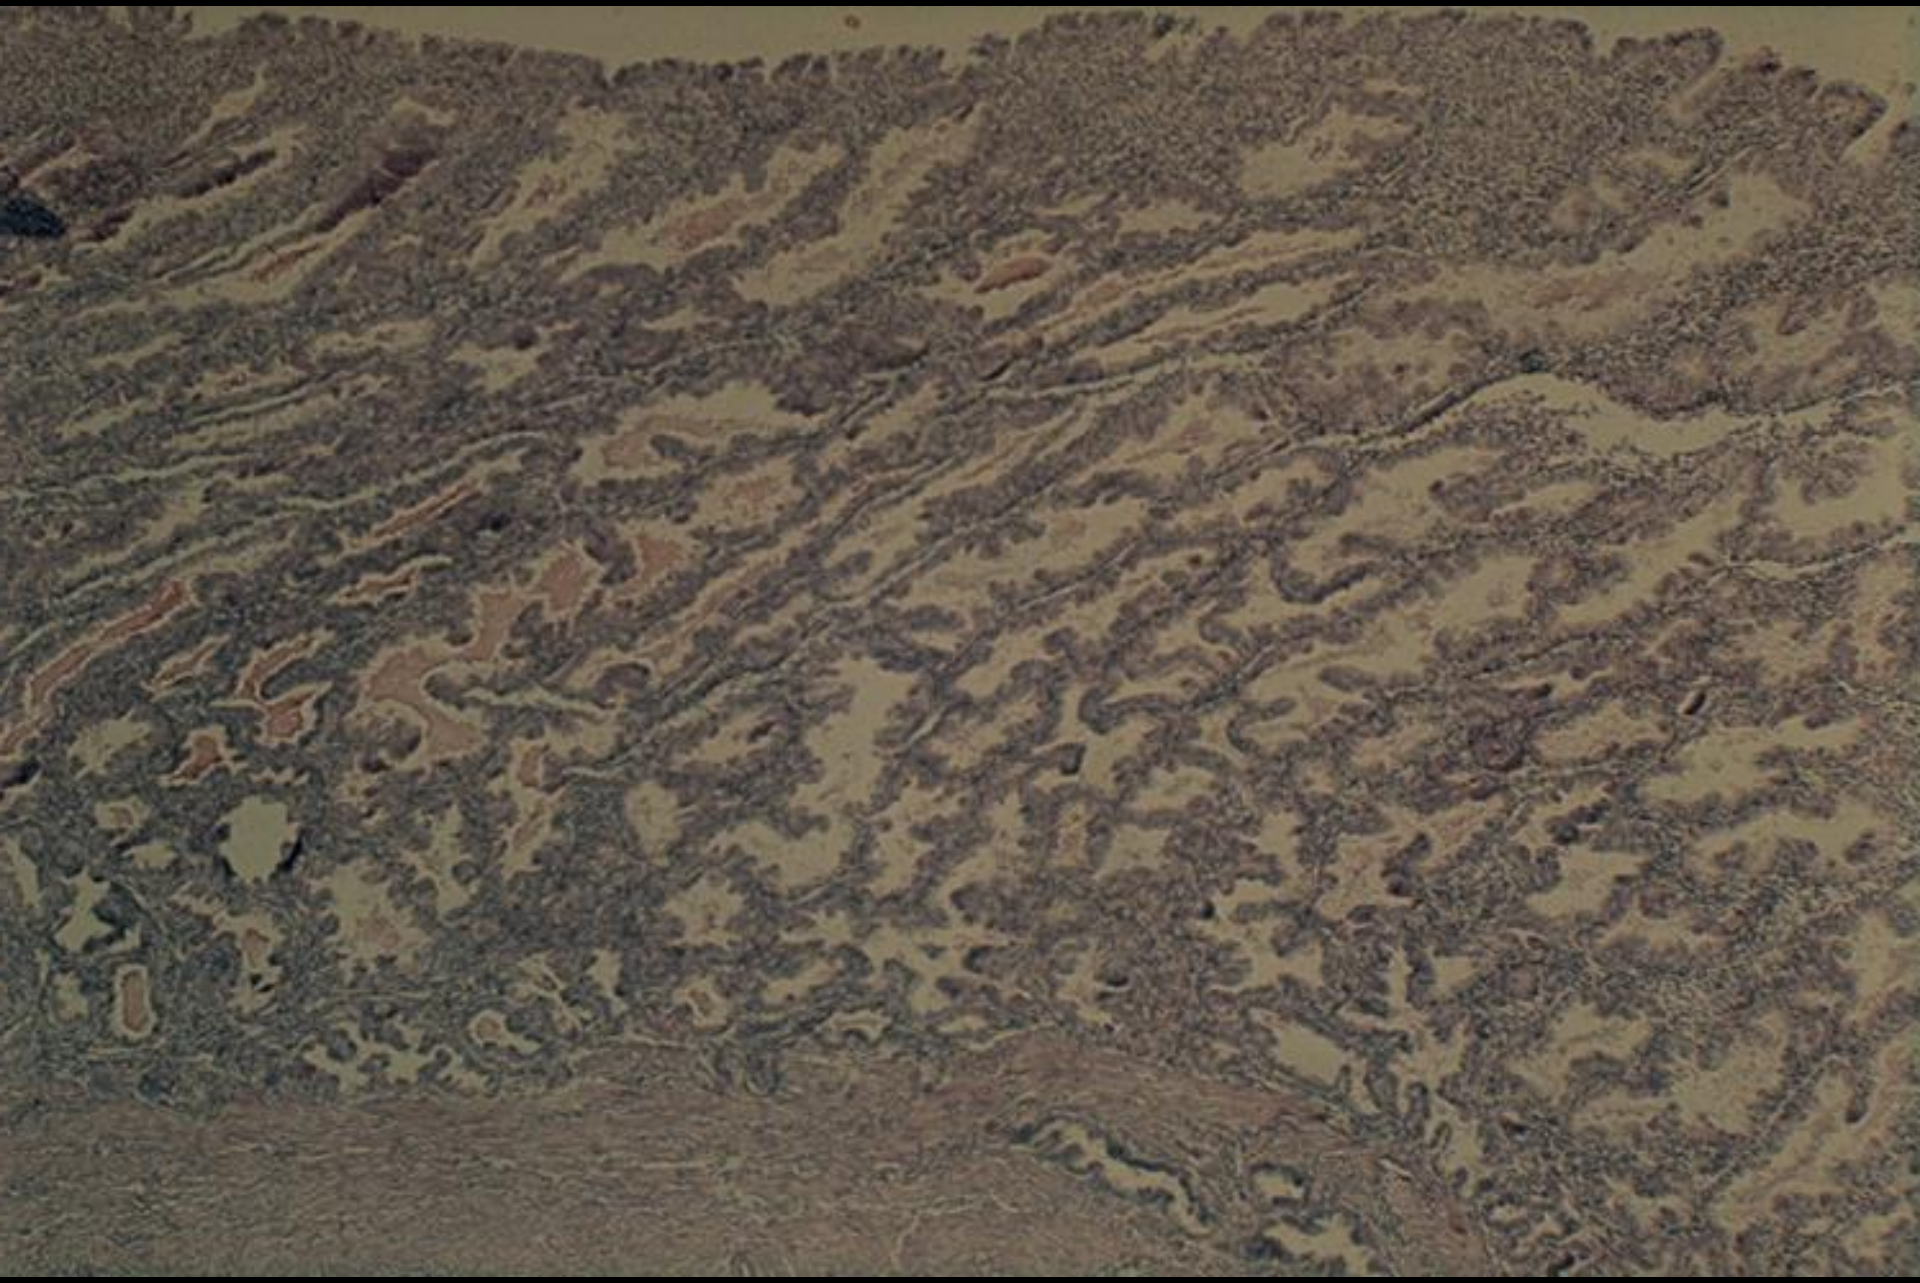
Uterus secretionis





2000 µm

500 µm



Vagina
