Department Anatomy, Histology and Embryology

Dear Professor Szél,

I am writing you to ask for your kind permission to allow me to register for a CV (*exam only*) course in '*Anatomy, Histology and Embryology 3*' parallel to registering for the regular '*Anatomy, Histology and Embryology 4*' course.

During the present examination period I was not able to successfully pass the semifinal examination in *Anatomy 3*, therefore I request to sit for a postponed examination during the May/June examination period.

I understand that only a successful examination in *Anatomy3* makes me eligible to take a final examination in *Anatomy, Embryology and Histology*. Furthermore, I am fully aware of the fact that my request may only be supported in case the average of my midterm marks is at least 2.00.

Macroscopy of CNS : _____ Microscopy of the nervous system: _____ Average: _____

Thank you for considering my request.

Sincerely,
