

## **MACROSCOPIC ANATOMY II. NEUROANATOMY MIDTERM TEST**

The Midterm Test is a Moodle test (theoretical questions and photos) and it will take approx. 20-25 minutes.

Unfortunately, we cannot consider the result of the compulsory midterm test giving exemption for the final exam due to the extraordinary situation.

**Time and date: April 30, 2020 at 20.00 (CET) for EM 1-19 groups**
