

2020/21 1st Semester

Information about the Exam of Developmental Biology I. course

The exam of the Developmental Biology I. elective course in 2020/21. 1st Semester will take place electronically in the Moodle system. The exam test includes „multiple choice questions” (with one or multiple correct answers), „true or false” type questions, and „drag and drop” type questions with images. The maximum score for the test is 40 points, the time provided is 40 minutes, to pass the exam one must achieve at least 50%. Without a valid and working password for the SeKA login your exam cannot be started. Before taking the exam make sure your password is working.

Exams will be held on Tuesdays, from 10.00. Exam days are announced in the Neptun system.

Exams are held ONLINE.

The exams are online Moodle tests, the students must take it remotely, from their computers. Only those students are entitled to take the test on the exam day who registered for it in the Neptun system before. Students are asked to identify themselves before the exam according to the University regulations. The accessibility of the tests are limited by using a specific password for each occasion. Once a student has logged in to see/try the test it will automatically be considered as an attempt to pass the test, thus the number of available exam chances will be reduced. The use of illegal devices is strictly prohibited and will be followed by a disciplinary procedure

The students of a certain exam day are asked to join a Zoom meeting (announced in the Moodle) 30 minutes prior to the beginning of the exam, with their camera turned on. They must show their identity card / passport to their camera when the attendance is checked. They must be connected to the Zoom meeting with the camera turned on during the test, until everyone finishes. (Otherwise the exam result is not accepted.) It is the student's responsibility to ensure that the exam is going to be uninterrupted: during the exam, he / she can only be in the room alone and not communicate with others; he / she cannot leave the room. For the entire duration of the exam, the students can run only the Moodle and Zoom programs on their electronic devices. If you loose your internet connection, try to return to the test and the Zoom meeting as soon as possible and continue it.
