Microscopic Anatomy I.

April 20, 2021

Midterm Announcement

The Histology & Embryology midterm will be held on week 11 (26. April 2021. Monday).

Type of the test : written, electronic (via the Moodle system)

Format of the test: 20 simple choice (5 Embryology and 15 Histology) questions.

Each question is paired with a microphotograph or a schematic drawing taken from the official textbooks, relevant lectures or digitized histological slides.

Topic list: **Topics of the practical classes and lectures of the first 10 weeks**

Please note, a successful midterm (i.e., passing with at least with a mark 2) is mandatory for the acceptance of the semester. Students missing or not passing the midterm will be offered retake dates during the last weeks of the semester.

A handwritten signature in blue ink that reads 'A. D. Székely'.

Dr. Andrea D. Székely
Associate Professor, Course Director
