

ED I.

Microscopic Anatomy and Embryology I. - Announcements

Acceptance of the semester

Active participation in histology laboratory sessions is obligatory. Students should attend at least 75% of the scheduled hours, and successfully pass the obligatory midterm test*, to gain a signature proving the validity of the semester. Absences are therefore limited in 25%.

Subject matter of the semester

I. Microscopy of basic tissues

Simple/stratified epithelia, glandular tissues, connective and supporting tissues, muscle tissues and blood. Peripheral nervous system, vessels.

II. Microscopical structure of internal organs

Cardiovascular, gastrointestinal, respiratory and urogenital systems

Obligatory midterm test

Topics: Histology of basic tissues, peripheral nervous system, vessels

Date: *Week 6*

In case of absence, or an unsuccessful midterm result, students will have to attend a retake exam (TBA). The semester is only accepted if the midterm is successfully passed (with at least a mark 2).

Semifinal examination

The semifinal exam consists of a written test (Histology questions and images)

Topics: Subject matter of the present semester

Budapest, January 31. 2022
