2023/2024 II.

Reflection on the implementation of the previous period's action plan ("implementation review"):

We try to further increase the ratio of the feedback providers.

Our feedback on general comments by the students:

The students evaluated the subject around/above the average of the faculty.

Our feedback on specific comments on mandatory subjects:

Students's comments	Responses
Unfortunately we didn't have practice supervisor and no one took care about it.	Sorry to hear this. We are investigating the problem
the practical teacher Dr.Renata is really nice and helpful.Even for the exam,she asked us if we have any problem we can message her.And for the lec material uploaded not same like when we have the lecture	😊
Dr Juhasz was very helpful and knowledgeable.It was a great opportunity to be her student.	😊
very nice teacher	😊
(Oktató: Dr. Hankó László - RBFKYM): thank you	😊
(Oktató: Dr. Wiedemann István Ádám - FJZOFY): Unfortunately he didn't want to teach at all. We only had 2 sessions with him and after that he disappeared during the whole semester.	Sorry to hear this. We are investigating the problem
(Oktató: Dr. Hankó László - RBFKYM): Thank you!! hope we have more chance to see the patients	😊

Budapest, 20. September 2024.

Prof. Dr. Tamás Masszi

The action plan was compiled by:

Dr. Katalin Keltai
