TECOmedical Group

About us

BIOSAFETY reached an increasing number of Semmelweis University's young researchers and staff with the training and support it offered.

Our success

- **Inspirational lectures**
 - ✓ 05. May 2022 Veronica Poggi: Brief introduction to reporting, Dr. Julia Alina Iorga: Science communication and social media
- **Expert visits**
- **Meetings with outer stakeholders**
- **First conference proposal** for Semmelweis ESRs: 3 young researcher was supported.
