Data controllers:

1. The Security Directorate (BTI) is entitled to view recorded recordings:

- director (BTI),
- the head of the property protection department,
- or the person designated by them, and BTI workers

2. The following persons are entitled to view live images:

- director (BTI),
- the head of the property protection department,
- or a person designated by them and BTI workers

The data controllers are subject to an occupational (professional) confidentiality obligation with regard to all data/information that comes to their attention, pursuant to Section 22 (1) of Act CXXXIII of 2005.

Tasks with recorded recordings:

Pursuant to Section 31 of Act CXXXIII of 2005 on the rules of personal and property protection and private investigator activities:

- When viewing recorded recordings, a report must be prepared pursuant to Section 31 of Act CXXXIII of 2005., the report block shall be issued by the Security Directorate.
- The digital recording device automatically ensures that recordings that have not been used for more than thirty days are destroyed.
- The use can never be for personal purposes, and their release is only possible upon request from a court or authority.

Legal remedies related to recorded recordings:

Legal remedies and complaints can be filed with the National Data Protection and Freedom of Information Authority:

National Data Protection and Freedom of Information Authority
