

Point system of the Exchange

**for the applications of IFMSA-SCOPE professional exchange practice and
the IFMSA-SCORE scientific exchange practice**

I. BOE activities (min. 12 – no maximum)

You can earn BOE points for activities in the Association during the year. The points can be taken over to the next year.

After gained SCOPE or SCORE spot at the post distribution ceremony or win a spot at an additional application the student loses his/her BOE points. In case of the next year application we only calculate with newly gained points. We only accept complaints regarding the BOE points obtained in the previous month.

II. Scholastic record (max. 50 points)

The average of the weighted average of study of the last two active semesters X 10 (rounded to the nearest cardinal number)

III. Language exam (no maximum)

In this category we are only allowed to accept language exams that are issued by accredited exam centers*. In case of a language we could only comprise in the one which has the highest score. For the verification of language proficiency we also accept graduations that have been obtained abroad or in dual language institutions. These are calculated in as C1 level language exams.

Every candidate has to have at least a B2 level English language exam.

In addition:

Living foreign languages:

- C1 level or its adequate level (A+B): **8+8 points**
- B2 level or its adequate level (A+B): **4+4 points**
