

DEAN'S
COLLEGE HOTEL

SO MUCH BETTER THAN HOME!

DEAN'S COLLEGE HOTEL

is a unique concept in Hungary that serves the needs of both short-term and long-term guests.

2 FUNCTIONS IN ONE BUILDING

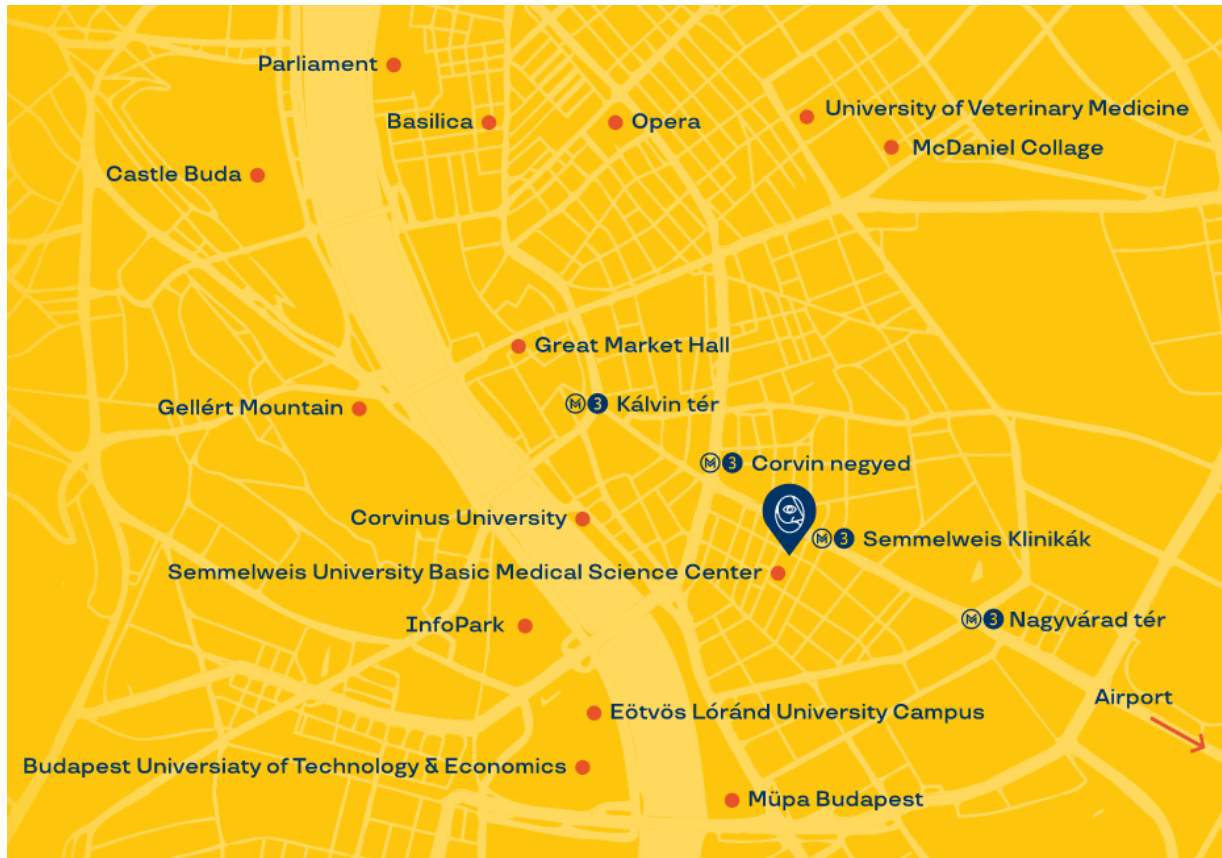

A PRIVATE STUDENT HOUSE which primarily provides accommodation for students staying for more than one month. We offer high-quality apartments with a wide range of services.

A HOTEL with modern, vibrant rooms, a special atmosphere and complex services with digital innovations.

LOCATION OF THE HOTEL

Our hotel is located in the most developed part of the 9th district, in the immediate vicinity of Üllői út, yet in a quiet, secluded location, next to Semmelweis University's EOK building and the SE clinical blocks. A promenade through the ground floor of the building creates a direct connection between the SE EOK building and the M3 metro line station (Semmelweis Klinikák station). The proximity of Liszt Ferenc International Airport is an important aspect for our guests, however the city center of Budapest is also easily and quickly accessible.
