

SEMMELWEIS UNIVERSITY

FACULTY OF MEDICINE

Dean

DR. MIKLÓS KELLERMAYER

Judgment of applications for the National Higher Education Scholarship

Ranking of applicants for the National Higher Education Scholarship at the Faculty of Medicine is done by taking into account academic work, knowledge of languages, scientific and professional work, as well as public work at the university and activity in sports, as follows.

1. Academic work (maximum of 100 points)

a.) grade average

amount of points which may be given: [credit-weighted rolling average for the entirety of the student's studies - 4] X 50

b.) academic competitions

1st place - 10 points

2nd place - 6 points

3rd place - 4 points

(in cases of subjects spanning multiple semesters, points may only be given for results reached in two separate semesters at maximum)

2. Knowledge of languages

Only one language exam is accounted for per language, the one which gives the highest amount of points.

State-accredited advanced (CEFR C1) type „C” („A” or „B” is worth half) 15 points

State-accredited intermediate (CEFR B2) type „C” („A” or „B” is worth half) 10 points

Other (without degree specified) 5 points

In case of a professional medical language exam +3 points

3. Scientific and professional work

Only presentations, articles, essays etc. published as a first author may be considered.

Of works submitted about the same topic (with a title identical in substance), the ones worth the highest amount of points detailed in categories a) and b) each are to be considered with their full point value.

a) *Work in TDK, participation in a TDK-conference, participation in a students' conference, scientific conference - presentation or poster*

b) *rectoral submission, scientific article, book chapter; Further achievements regarding the same topic are to be considered while calculating the total number of points by adding 1/2, 1/4, 1/8, etc. of their original point value to the total, rounded up. In case of an article, abstract or book chapter presented at a scientific conference, a scanned copy bearing the signature of the TDK-supervisor or the leader of the department must be attached. In case of a placement in a TDK conference, points for participation alone are not accounted for.*

In case no presentation during a TDK conference, or poster/presentation during a scientific conference, or publication (whether domestic or international) is made after 4 semesters of work spent at the same department, points are only given for a maximum of 4 semesters of work.

a.) Work in TDK and as a demonstrator

- for a min. of 2 semesters spent at the same institution: 3 points / semester
- work as a demonstrator: 3 points / semester
- for performing group-leading tasks as a demonstrator under supervision: 4 points / semester
