Information about the “Competition exam” to obtain semi-final exam grade
Faculty of Medicine
(2026/2027)

The student whose average of weekly tests taken into account is at least 80% can have the possibility to get exemption from the semi-final exam. The “Competition exam” test will be held on 9th December, 2026 (Wednesday), 15:30-17:00. Venue: Szent-Györgyi Lecture Hall. To be eligible for the participation, the students must register at their practice teacher in advance. This registration is not the registration for the semi-final exam. (Since competition exam may not yield an offered grade, please, register for the semi-final exam through the NEPTUN system as usual!).

The test covers the material of the first semester, and composed by 30 multiple choice and 4 essay questions. The results will be announced through a NEPTUN message on 11th December, 2026.

The students need to bring ID card to the test. The following rules will be enforced during the checking test: electronic devices must be kept in the baggage; baggage and overcoats should be placed next to the wall of the lecture halls; any form of communication is disallowed; students not complying with these rules will be disqualified immediately.

Based on the result of the test the following semi-final grades will be offered to the best performing 10 percent of the students:

75-84% = 4, 85-100% = 5.

The students, who accept the offered grade, should re-register from their semi-final exam slot to 14th December, 2026 and the grades will be entered into the NEPTUN system.

If you do not accept the offered grade, you can keep your original registration for your semi-final exam.
