Public Call for Application as Teacher’s Assistant (TA)

Department: 2nd Department of Pathology

Subject: Pathology

Task: Under the supervision of a medical teacher/topic leader (Tutor), participation in the educational and/or scientific research activity of the Department. Attendance is expected at the regular autopsy and/or histology practices for 3rd year medical students for a minimum of 2 and a maximum of 4 hours per week, documented by an attendance list. Attendance is mandatory for a minimum of 10 weeks in the 14 weeks-long study period of a semester.

Prerequisite for Application: A final pathology exam result of «excellent» (5) or «good» (4) value as well as a valid medical student status in one of the academic years 4-6.

Deadline to apply for TA: 15. July 2020.

A TA-mandate is valid for 2 semesters under contract between the Dean of the Faculty of Medicine and the successful applicant.

At the end of the second semester, TA is expected to prepare a detailed report about his/her activity to be handed in at the Director of the Department. The Director sends the accepted report to the Office of Faculty Dean/Registrars Department, where the TA-activity shall be added to the elective subjects’ list in the student’s electronic index book.

Based on university Regulations for Education and Examination, TAs shall receive payment for their activity as well as 1 credit point to be added to the students training history, provided that TA-activity is continuously carried out for a minimum of 5 months.
