

CALL FOR APPLICATIONS FOR A DEMONSTRATOR POSITION

The Department of Morphology and Physiology, Faculty of Health Sciences of Semmelweis University announces a call for applications for part-time demonstrator(s)

The Department of Morphology and Physiology, Faculty of Health Sciences of Semmelweis University announces a call for applications for part-time demonstrator position for student(s) of 2-4 year in BSc or 1-2 year in MSc studies for the 2026/2027 academic year I. semester.

Demonstrator's tasks:

- observing classes,
- conducting classes independently,
- organizing and holding consultations,
- preparing a report at the end of the semester on the work performed (detailed by months),
- participating in the department's teaching and educational activities.

Application conditions:

The demonstrator position is open to second-, third-, or fourth-year students in the BSc program, or first- or second-year students in the MSc program for students, who demonstrate outstanding academic performance and student engagement, with particular emphasis on their chosen field of study.

Expected duration of the duties of demonstrator:

Up to 25 hours per month for a part-time position (which includes observing practical sessions, independently leading practical sessions, preparing for them, etc.).

Compensation for demonstrator activities:

- 8,000 HUF/month for a part-time demonstrator position
- For an unpaid demonstrator position, the student will not receive any compensation

Required components of the application: a cover letter in Word or PDF format (which includes a brief introduction and specifically highlights why you wish to work as a demonstrator), contact information (address, phone number, email address), and academic grades in the relevant subject.

The application must be submitted to the Secretariat of the Department Morphology and Physiology via email to kemenyne.feher.izabella@semmelweis.hu.

The deadline for submission: 10. July, 2026
