

GNATOLOGY

week	1,2,3 groups				4,5,6 groups			
	topic	date	room	lecturer	topic	date	room	lecturer
1.	Introduction	2023.09.06 10:00	Árkövy	Dr. Jász M.	Introduction AND Functional anatomy and physiology of the stomatognathic system. Nomenclature. Important mandibular positions: RVD, ICP, CR, CO (online moodle)	2023.09.06 10:00	Árkövy	Dr. Jász M.
2.	Functional anatomy and physiology of the stomatognathic system. Nomenclature. Important mandibular positions: RVD, ICP, CR, CO (online moodle)	2023.09.13	online		Functional anatomy and physiology of the stomatognathic system. Nomenclature. Important mandibular positions: RVD, ICP, CR, CO (seminar)	2023.09.13 10:00	Árkövy	Dr. Jász M
3.	Functional anatomy and physiology of the stomatognathic system. Nomenclature. Important mandibular positions: RVD, ICP, CR, CO (seminar)	2023.09.20 10:00	Árkövy	Dr. Jász M	Basic movements of the TMJ: rotation and translation. Opening-closing, protrusion-retrusion, lateral excursion, border movements (online moodle)	2023.09.20	online	
4.	Basic movements of the TMJ: rotation and translation. Opening-closing, protrusion-retrusion, lateral excursion, border movements (online moodle)	2023.09.27	online		Basic movements of the TMJ: rotation and translation. Opening-closing, protrusion-retrusion, lateral excursion, border movements (seminar)	2023.09.27 10:00	Árkövy	Dr. Jász M
5.	Basic movements of the TMJ: rotation and translation. Opening-closing, protrusion-retrusion, lateral excursion, border movements (seminar)	2023.10.04 10:00	Árkövy	Dr. Jász M	Occludor, mean-value, (semi-)adjustable and digital articulators. Mounting the articulator with the Bonwill-triangle. Individual mounting, facebow (online moodle)	2023.10.04	online	
6.	Occludor, mean-value, (semi-)adjustable and digital articulators. Mounting the articulator with the Bonwill-triangle. Individual mounting, facebow (online moodle)	2023.10.11	online		Occludor, mean-value, (semi-)adjustable and digital articulators. Mounting the articulator with the Bonwill-triangle. Individual mounting, facebow (seminar)	2023.10.11 10:00	Árkövy	Dr. Ambrus
7.	Occludor, mean-value, (semi-)adjustable and digital articulators. Mounting the articulator with the Bonwill-triangle. Individual mounting, facebow (seminar)	2023.10.18 10:00	Árkövy	Dr. Ambrus	Determination of upper and lower jaw relation (online moodle)	2023.10.18	online	
8.	Determination of upper and lower jaw relation (online moodle)	2023.10.25	online		Determination of upper and lower jaw relation (seminar)	2023.10.25 10:00	Árkövy	Dr. Jász M
9.	halloween	2023.11.01			halloween	2023.11.01		
10.	Determination of upper and lower jaw relation (seminar)	2023.11.08 10:00	Árkövy	Dr. Jász M	Articulator programming. Gnathological aspects in the rehabilitation with complete dentures (online moodle)	2023.11.08 0:00	online	
11.	Articulator programming. Gnathological aspects in the rehabilitation with complete dentures (online moodle)	2023.11.15	online		Articulator programming. Gnathological aspects in the rehabilitation with complete dentures (seminar)	2023.11.15 10:00	Árkövy	Dr. Ambrus
12.	Articulator programming. Gnathological aspects in the rehabilitation with complete dentures (seminar)	2023.11.22 10:00	Árkövy	Dr. Ambrus	Craniomandibular Disorders and facial pain (online moodle)	2023.11.22	online	
13.	Craniomandibular Disorders and facial pain (online moodle)	2023.11.29	online		Craniomandibular Disorders and facial pain (seminar)	2023.11.29 10:00	Árkövy	Dr. Ambrus
14.	Craniomandibular Disorders and facial pain (seminar)	2023.12.06	Árkövy	Dr. Ambrus
