

MONDAY 12:00-12:45

		Group 3,4			Group 1		
Week 1	Introduction to the subject, introductory seminar	2026.09.07	Árkövy lecture hall	Dr. Barbara Kispélyi	2026.09.07	Árkövy lecture hall	Dr. Barbara Kispélyi
Week 2	CD I : Primary impression, primary cast, special tray (online moodle learning module)	2026.09.14	Online		2026.09.14	Online	
Week 3	CD I : Primary impression, primary cast, special tray	2026.09.21	Árkövy lecture hall	Dr. Barbara Kispélyi	2026.09.21	Balogh-Varga room	Dr. Dénes Palaszko
Week 4	CD II : Secondary impression, occlusal rim (online moodle learning module)	2026.09.28	Online		2026.09.28	Online	
Week 5	CD II : Secondary impression, occlusal rim	2026.10.05	Árkövy lecture hall	Dr. János König	2026.10.05	Balogh-Varga room	Dr. Dénes Palaszko
Week 6	CD III: Gnatology considerations in the fabrication of a complete denture (adjusting) Occlusal rims (Christensen phenomenon) , determination of CR, articulators, face bow (online moodle learning module)	2026.10.12	Online		2026.10.12	Online	
Week 7	CD III : Gnatology considerations in the fabrication of a complete denture (adjusting occlusal rims (Christensen phenomenon) , determination of CR, articulators, face bow (online moodle learning module)	2026.10.19	Árkövy lecture hall	Dr. Péter Schmidt	2026.10.19	Balogh-Varga room	Dr. Szilvia Ambrus
Week 8	CD IV : Trial denture, try-in of the trial denture, processing, recall	2026.10.26	Online		2026.10.26	Online	
Week 9	CD IV : Trial denture, try-in of the trial denture, processing, recall	2026.11.02	Árkövy lecture hall	Dr. Katalin Károlyházy	2026.11.02	Balogh-Varga room	Dr. QIAN Xinyi
Week 10	Partial dentures I.: types, parts and functions of the parts, devices of support and retention (online moodle learning module)	2026.11.09	Online		2026.11.09	Online	
Week 11	Partial dentures I.: types, parts and functions of the parts, devices of support and retention	2026.11.16	Árkövy lecture hall	Dr. Barbara Kispélyi	2026.11.16	Balogh-Varga room	Dr. Mercedes Linninger
Week 12	Partial dentures II.: complete workflow of partial dentures (clinical and laboratory aspect) (online moodle learning module)	2026.11.23	Online		2026.11.23	Online	
Week 13	Partial dentures II.: complete workflow of partial dentures (clinical and laboratory aspect)	2026.11.30	Árkövy lecture hall	Dr. Mercédész Orsós	2026.11.30	Balogh-Varga room	Dr. Noémi Szathmári-Mészáros
Week 14	Consultation	2026.12.07	Árkövy lecture hall	Dr. Barbara Kispélyi	2026.12.07	Árkövy lecture hall	Dr. Barbara Kispélyi

		Group 5,6			Group 2,7		
Week 1	Introduction to the subject, introductory seminar and CD I : Primary impression, primary cast, special tray (online moodle learning module)	2026.09.07	Árkövy lecture hall	Dr. Barbara Kispélyi	2026.09.07	Árkövy lecture hall	Dr. Barbara Kispélyi
Week 2	CD I : Primary impression, primary cast, special tray	2026.09.14	Árkövy lecture hall	Dr. Barbara Kispélyi	2026.09.14	Balogh-Varga room	Dr. Dénes Palaszko
Week 3	CD II : Secondary impression, occlusal rim (online moodle learning module)	2026.09.21	Online		2026.09.21	Online	
Week 4	CD II : Secondary impression, occlusal rim	2026.09.28	Árkövy lecture hall	Dr. János König	2026.09.28	Balogh-Varga room	Dr. Dénes Palaszko
Week 5	CD III : Gnatology considerations in the fabrication of a complete denture (adjusting occlusal rims (Christensen phenomenon) , determination of CR, articulators, face bow (online moodle learning module)	2026.10.05	Online		2026.10.05	Online	
Week 6	CD III : Gnatology considerations in the fabrication of a complete denture (adjusting occlusal rims (Christensen phenomenon) , determination of CR, articulators, face bow	2026.10.12	Árkövy lecture hall	Dr. Péter Schmidt	2026.10.12	Balogh-Varga room	Dr. Szilvia Ambrus
Week 7	CD IV : Trial denture, try-in of the trial denture, processing, recall	2026.10.19	Online		2026.10.19	Online	
Week 8	CD IV : Trial denture, try-in of the trial denture, processing, recall	2026.10.26	Árkövy lecture hall	Dr. Katalin Károlyházy	2026.10.26	Balogh-Varga room	Dr. Krisztina Mikulás
Week 9	Partial dentures I.: types, parts and functions of the parts, devices of support and retention (online moodle learning module)	2026.11.02	Online		2026.11.02	Online	
Week 10	Partial dentures I.: types, parts and functions of the parts, devices of support and retention	2026.11.09	Árkövy lecture hall	Dr. Barbara Kispélyi	2026.11.09	Balogh-Varga room	Dr. Mercedes Linninger
Week 11	Partial dentures II.: complete workflow of partial dentures (clinical and laboratory aspect) (online moodle learning module)	2026.11.16	Online		2026.11.16	Online	
Week 12	Partial dentures II.: complete workflow of partial dentures (clinical and laboratory aspect)	2026.11.23	Árkövy lecture hall	Dr. Mercédész Orsós	2026.11.23	Balogh-Varga room	Dr. Noémi Szathmári-Mészáros
Week 13	Online moodle learning Module 1-6	2026.11.30	Online		2026.11.30	Online	
Week 14	Consultation	2026.12.07	Árkövy lecture hall	Dr. Barbara Kispélyi	2026.12.07	Árkövy lecture hall	Dr. Barbara Kispélyi
