

Information sheet for dental students about the final exam

Preparing for the exam

Questions helping your preparations for the written final exam can be found on www.finalexam.eu (www.zarovizsga.hu). All questions are accompanied with solutions, most of them with explanations. The final exam consists of the same or similar questions. You have to register on the website.

You can also take a trial exams on this page. You can choose among three types of trial exams:

- *Short exam from 3 chapters*
This type includes 50 questions, and the available time is 45 minutes.
- *Long exam from 3 chapters*
This type includes 180 questions and the available time is 180 minutes.
- *Long trial exam, theme ratio like on the final exam*
It includes 180 questions, and the available time is 180 minutes.

Questions in the test database may be commented until the 45th day before each exam, that is May 5th, July 21st, and October 27th, 2023.

The editing of the question bank will be finished 30 days before the exams (May 20, August 05, November 11, 2023). Then the questions will not change until the next exam. The website remains available for practice.
