**Call for applications for *Teaching Assistant* positions
at the *Department of Oral Biology* at Semmelweis University
for the academic year 2026/27**

within the compulsory subjects of General & Oral Pathophysiology and Oral Biology

Students in the forth year or higher with **outstanding** student activity performances and **study results** are eligible to apply, who have **passed the General & Oral Pathophysiology and the Oral Biology final exams with a grade of 5 or 4**. Previous research activity at the Department of Oral Biology within the framework of Students' Scientific Association is an advantage.

Applications are to be sent to the **director of the Department of Oral Biology** by filling out the faculty's uniform application form.

Application deadline: 10th of July, 2026.

Applications will be forwarded by the head of the Department of Oral Biology to the Dean of the Faculty **by the last day of the spring exam period**.

The head of the Faculty, consulting with the faculty's Students' Union, evaluates the received applications **until the beginning of the autumn semester**, and notifies students and informs the relevant departments.

Tasks of the teaching assistants:

Participation in the preparation, implementation and administration of the General & Oral Pathophysiology and the Oral Biology practices held within the subjects of General & Oral Pathophysiology and Oral Biology, under the supervision of a teacher (with the exception of participation in examination or use of the NEPTUN system). Participation in the supervision of written tests under the supervision of a teacher. Contributing to the communication between the departments and the students.

Duration of appointment: 2 semesters

Work hours per months: 20 hours

Scholarship:

Teaching assistants receive scholarship according to the regulations of the Semmelweis University.

Further rules applying for student assistants can be found in the Semmelweis University Organizational and Operational Regulations Book III. Student Standards Part III. 4. Student Allowance and Fee Payment Regulations.
