

# Action plan based on the student feedback received in the 2<sup>nd</sup> semester of the 2021/22. academic year

## GYEGYGIMG1A

**Department:** University Pharmacy Department of Pharmacy Administration

**Faculty:** Faculty of Pharmacy

### **Our feedback on general comments by the students:**

The results were above the Faculty average in each aspect of the evaluation.

There was only one comment from a student „I don't get a difference between practice and lecture”; in responding to this comment in the coming semester, we will highlight more precisely the difference between the theoretical and practical aspects of the subject. Since the practice has a seminar-style, a significant focus is put on problem-based learning.
