

Action plan based on the student feedback received in the 1st semester of the 2022/23. academic year

Department: University Pharmacy Department of Pharmacy Administration

Faculty: Faculty of Pharmacy

1. Bevezetés a gyógyszerészeti tanulmányokba (módszertan, jog) (elmélet) GYKEGY113E1A

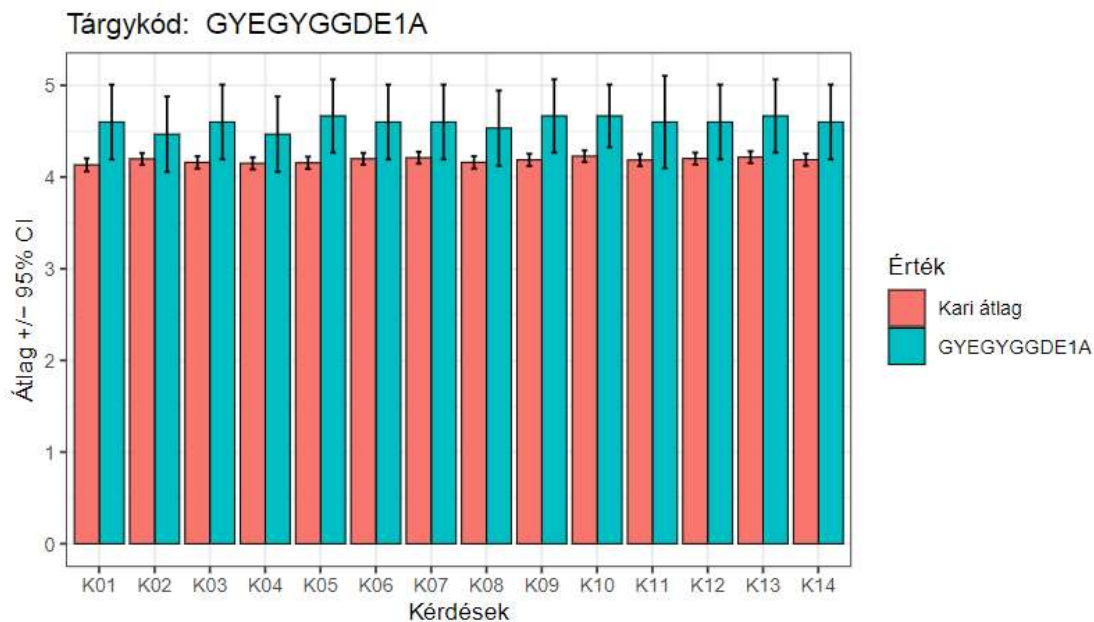

Our feedback on general comments by the students:

The results were above the Faculty average in each aspect of the evaluation.

Only one comment was suggesting the merge with History of pharmacy, but the scope of the two subjects are different therefore it would not be possible to consider this comment.

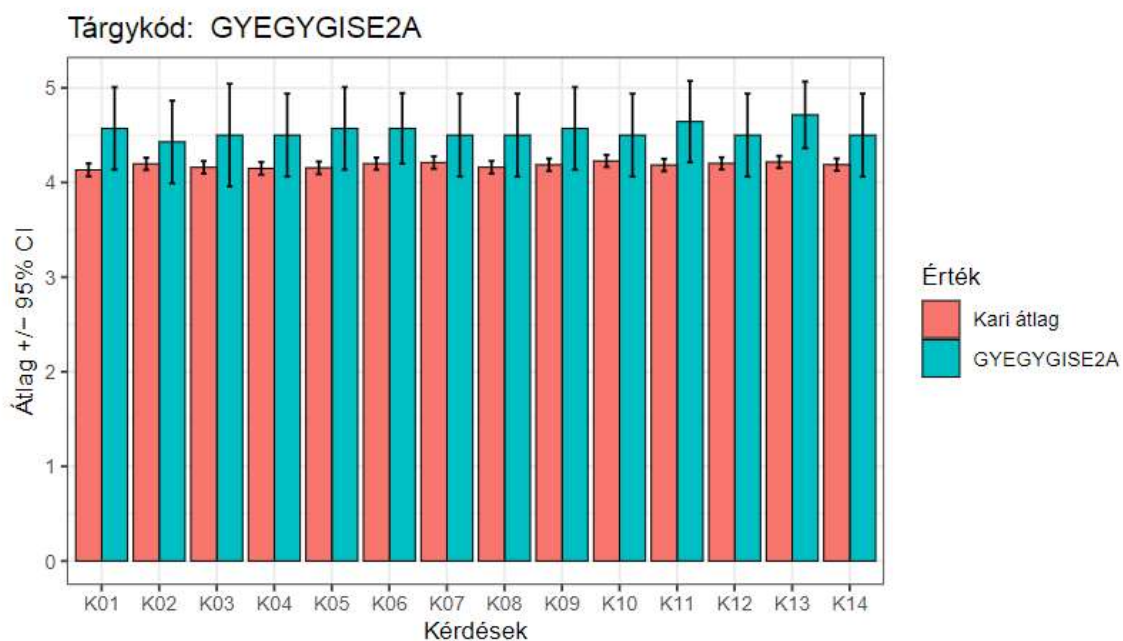

2. Gyógyszerészi gondozás (elmélet+gyakorlat) GYEGYGGDE1A

Our feedback on general comments by the students:

The results were much better than the Faculty average in each aspect of the evaluation.

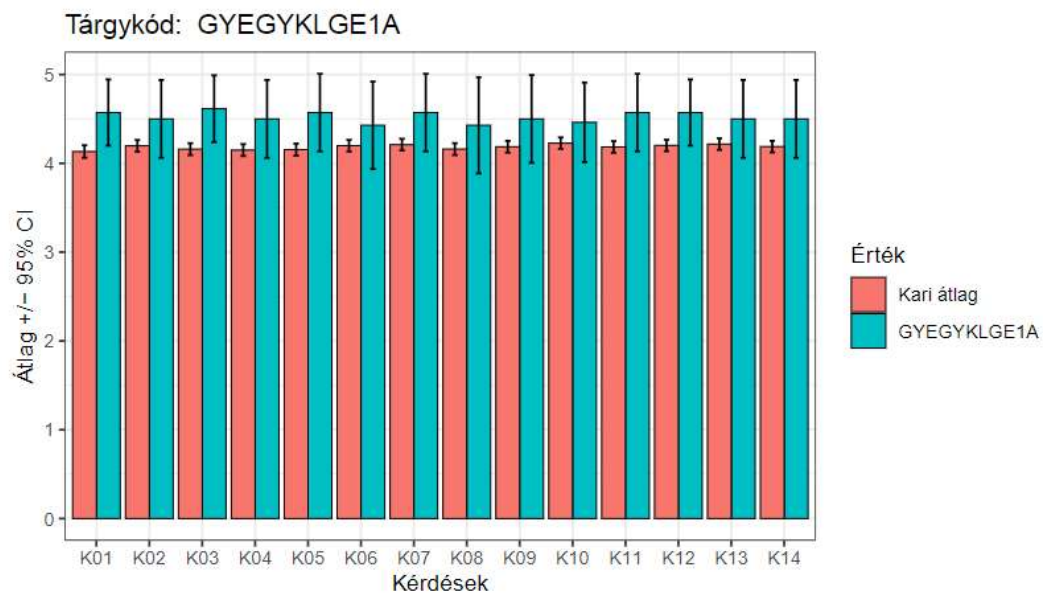

3. Gyógyszerügyi ismeretek (elmélet) II. GYEGYGISE2A

Our feedback on general comments by the students:

The results were much better than the Faculty average in each aspect of the evaluation.

4. Klinikai gyógyszerészet (elmélet+gyakorlat) GYEGYKLGE1A

Our feedback on general comments by the students:

The results were much far above the Faculty average in each aspect of the evaluation.
