

ACKNOWLEDGEMENT

Date:

Name of the senior investigator:

Name of the Institute:

Title of the project:

We received today human brain samples from the Human Brain Tissue Bank, Semmelweis University (HBTB).

The dissected human samples are exclusively for medical research examinations in the present project. Without a previous consent of the Human Brain Tissue Bank, we will not provide any of these samples to anybody else.

We will let know the Human Brain Tissue Bank, Semmelweis University about our scientific results obtained by studying of these samples, and about the fate of the samples.
