Budapest, "date stamped"

Declaration on the participation of the Semmelweis University in the Horizon Europe Framework Programme in light of the Council Implementing Decision 2022/2506

Undersigned Dr. László Lengyel, Vice President for Science and International Affairs at the National Research, Development and Innovation Office, I hereby confirm that the Semmelweis University (PIC number: 999860675) affected by the Council Implementing Decision 2022/2506 of 15 December 2022 is eligible to participate in the Horizon Europe Framework Programme:

- in the proposal preparation phase as a beneficiary with a budget. The project proposal featuring the Hungarian university is admissible and will be evaluated.
- if the proposal is selected for funding and the Council Implementing Decision is still in effect, the Semmelweis University will be able to carry out its tasks as set forth by the work plan as an associated partner, and the university's budget will be covered by the Hungarian Government's Guarantee Fund. The consortium will therefore experience neither obstacles, nor delay in implementing the project.

We confirm that the above mentioned Guarantee Fund is available and in case of a granted project the National Research, Development and Innovation Office immediately takes the necessary steps towards providing the funding.

This Declaration is fully in line with the European Commission's interpretation on the implementation of the Council Decision as available on the Funding and Tenders Portal.

Sincerely yours

Dr. Lengyel László
