

NOTES FOR STUDENTS OF FACULTY OF DENTISTRY
2020/2021. Fall SEMESTER

1. Books:

Levinson, W. Jawetz, E. (Eds.) **Medical Microbiology and Immunology** 7th Edition Lange Medical Books 2002.

Samaranayake, L.: **Essential Microbiology for Dentistry**, 1st, 2nd or 3rd Edition, Churchill Livingstone, Edinburgh

2. More than 3 absences on practices invalidate the semester.
3. Midterm examinations: two times in the semester, 10-10 assay questions
4. Exam: oral, on every Tuesday and Thursday in the examination period. It is necessary to register for the examination in advance (Neptun).

Your knowledge of the topics discussed at the lectures is checked by questions. You will get 10 questions from the topic of the first semester. You have to give written answers. You can do the written test in the morning of the exam date. You can continue to do the oral exam only if your result is at least 90%. In case you don't pass this part a 'failed' result gets registered in the Neptun system. You need to sign up in the Neptun system for a repeated exam in this case. The questions and the answers will be uploaded the homepage of the Institute.

Evaluation of the exam is five scale.

5. You are not allowed to use any sources (mobile phone, smart watch, book, tablet) during the exam.
6. Home page (<http://semmelweis.hu/mikrobiologia/>) contains useful information about the Institute and the subject "General and Oral Microbiology".
