DOCUMENT COMPLETION

If you have completed all the required medical examinations, open this link:

<https://tinyurl.com/482ddzh9>

Download all documents and fill them in as well, then bring everything with you.

After you arrive, take these documents to Occupational Health Services. They will do the aptitude test and stamp your Health Records Booklet if everything is complete. The Erasmus Office will give you the booklet at the start of registration.

If you have more questions, read our **FAQ**.

AFTER YOUR ARRIVAL

You need to attend the **aptitude examination in person**. Please bring every documents requested in the previous steps. **You must book an appointment for the examination in the Aptitude system within 1,5 weeks of your arrival, after you have activated your account. If the aptitude examination is not completed within 1,5 weeks, we will not be able to accept your mobility, and we will not issue the closing documents at the end of your period. The aptitude test is mandatory for the successful completion of your mobility.**
