

# **Action plan based on the student feedback received in the 2nd semester of the 2022/2023 academic year**

**Department:** Department of Molecular Biology  
**Faculty:** Faculty of Dentistry  
**Compulsory course:** Molecular Cell Biology 2

## ***1. Our feedback on general comments of the students***

We are pleased to see that evaluation scores obtained from approximately 60% of students of the Molecular Cell Biology 2 course on all items of the subject questionnaire corresponded to the average scores of the faculty. We assume this opinion reflects a general satisfaction with the subject and the way our department teaches that, and we are committed to keep our teaching standards in the future too.

## ***2. Our feedback on specific comments on compulsory subjects***

No specific comments were received.

## ***3. Our feedback on specific comments on optional or elective subjects***

No specific comments were received.
