

Curriculum Vitae and Bibliography

Peter Gloviczki, MD

1. Personal Information

2. Present Academic Rank and Position

Professor of Surgery - Mayo Clinic College of Medicine and Science	07/1994 - Present
Emeritus - Division of Vascular and Endovascular Surgery, Department of Surgery, Mayo Clinic, Rochester, Minnesota	08/2016 - Present

3. Education

Semmelweis Medical University - MD	1966 - 1972
Department of Pathology, Semmelweis Medical University - Internship	1970 - 1972
Surgical Clinic, Semmelweis Medical University - Resident	1972 - 1975
Hospital St. Joseph, Paris, France - Resident, Cardiac and Vascular Surgery	1975 - 1976
Hospital St. Michel, Paris, France - Resident, Cardiovascular Surgery	1975 - 1976
Institute of Vascular Surgery, Semmelweis Medical University - Resident	1976 - 1977
Department of Vascular Surgery, Vrije (Free) Universiteit Brussel, Visitor and Student	1977
Institute of Vascular Surgery, Semmelweis Medical University - Fellow, Vascular Surgery	1977 - 1979
Division of Vascular Surgery, Department of Surgery, Mayo Graduate School of Medicine, Mayo Clinic College of Medicine - Fellow, Mayo Academic Fellow, Peripheral Vascular Surgery	1981 - 1982
Division of Cardiovascular Surgery, Department of Surgery, Mayo Graduate School of Medicine, Mayo Clinic College of Medicine - Research Fellowship	1982
Division of Vascular Surgery, Department of Surgery, Mayo Graduate School of Medicine, Mayo Clinic College of Medicine - Fellow, Vascular Surgery	1983
Mayo Clinic in Rochester - Resident, General Surgery	1984 - 1987

4. Certification

Board Certifications

American Board of Surgery

Surgery	1988 - Present
Vascular Surgery	1989 - Present

Educational Commission for Foreign Medical Graduates (ECFMG)

ECFMG	1980 - Present
-------	----------------

Federation Licensing Examination (FLEX)

FLEX	1982 - Present
------	----------------

Hungarian Board of General Surgery

General Surgery	1977 - Present
-----------------	----------------

Hungarian Board of Vascular Surgery

Vascular Surgery	1980 - Present
------------------	----------------

Mayo Clinic Quality Academy

Mayo Clinic Quality Fellow: Bronze Level Certification

2012

5. Licensure

Minnesota

(Medical)

1983 - Present

6. Honors and Awards

Prize for thesis: "Krompecher's Basal Cell Carcinoma" - Hungarian Society of Pathology	01/1971
Medical Diploma with Distinction: "Sub Auspiciis Rei Publicae Popularis" - Semmelweis University of Medicine	01/1972
Sigvaris Award for best paper in venous research: "Experimental replacement of the inferior vena cava: factors affecting patency" - Sigvaris	01/1984
Sigvaris Award for best paper in venous research: "The natural history of microsurgical lymphovenous anastomoses: An experimental study" - Sigvaris	01/1984
Howard Kramer Gray Travel Award - Department of Surgery, Mayo Clinic	01/1985
Sigvaris Award for best paper in venous research: "Axillary-subclavian venous occlusion: The morbidity of a nonlethal disease" - Sigvaris	01/1985
Edwin Jack Wylie Traveling Fellowship Award - Society for Vascular Surgery	01/1987
The Best Doctors in America - Woodward/White, Incorporated	01/1992 - Present
Allastair Karmody Essay Award: "Prospective evaluation of 100 consecutive microscope-aided pedal bypasses revealed an effective and low risk operation to salvage the ischemic foot" - Society for Clinical Vascular Surgery	01/1994
Honorary Member - St. Paul Surgical Society	01/1995 - Present
Honorary Member - Hungarian Society for Angiology and Vascular Surgery	01/1996 - Present
Honorary Member - Hungarian Surgical Society	01/1996 - Present
Honorary Member - Canadian Society for Vascular Surgery	01/1997 - Present
Honorary Member - Argentinian Society for Phlebology and Lymphology	01/2000 - Present
America's Top Doctors - Castle Connolly Medical Ltd.	01/2001 - Present
Who's Who in Medicine and HealthCare - Marquis Who's Who	01/2001 - Present
Honorary Membership - Central European Vascular Forum	01/2002
Honorary Chairman - 8th Pan American Congress on Vascular and Endovascular Surgery	01/2004
Honorary Member - Eastern Vascular Society	01/2004 - Present
Honorary Member - European Vascular Forum	01/2004 - Present
President's Guest Lecturer - 18th Annual Meeting of the Eastern Vascular Society	01/2004
Honorary Member - French Society of Angiology	01/2005 - Present
Honorary Member - Mediterranean League of Angiology and Vascular Surgery	01/2005 - Present
Honorary Membership - Italian Society of Phlebology and Lymphology	01/2005
Merit Medal in Grand-Master - Brazilian Society of Angiology and Vascular Surgery	01/2005
13th Milton F. Bryant Lecture - Section of Vascular Surgery, University of Michigan, Ann Arbor, Michigan	01/2006
6th Carl W. Hughes Distinguished Lecturer - Society for Military Vascular Surgery	01/2006
Honorary Member - Mediterranean League of Angiology and Vascular Surgery	01/2006 - Present

Medal of the City of Paris for contributions to French medicine - Mayor of Paris, France	01/2006
Presentation on Surgical treatment of peripheral arterial disease as a representative for vascular surgery - National Press Club in Washington, D.C.	01/2006
John E. Jesseph Visiting Professor and Lecturer - Department of Surgery, Indiana University School of Medicine	01/2007
Surgery Subspecialties Teacher of the Year - General Surgery Residents	01/2007
America's Top Surgeons - SLD Industries, Inc.	01/2008
Joe M. and Ruth Roberts Professor of Surgery - Education Committee, Mayo Clinic College of Medicine	01/2008
Vascular Surgery Fellows Teacher of the Year - Division of Vascular and Endovascular Surgery, Department of Surgery, Mayo Clinic, Rochester, Minnesota	2008 - 2009
Vascular Surgery Fellows Teacher of the Year - Division of Vascular and Endovascular Surgery, Department of Surgery, Mayo Clinic, Rochester, Minnesota	2009 - 2010
Who's Who in the World - Marquis Who's Who	01/2009 - Present
Honorary Member - Polish Surgical Society	09/2009 - Present
Vascular Surgery Fellows Teacher of the Year - Division of Vascular and Endovascular Surgery, Department of Surgery, Mayo Clinic, Rochester, Minnesota	2010 - 2011
Honorary Member - Czech Purkinje Medical Association	01/2012
President's Guest Lecturer, Annual Meeting - Society for Clinical Vascular Surgery, Miami, Florida	03/2013
Advisory Professor - Shanghai Jiao Tong University School of Medicine, Shanghai, China	05/2014
Vascular Surgery Fellows Teacher of the Year - Division of Vascular and Endovascular Surgery, Department of Surgery, Mayo Clinic, Rochester, Minnesota	2014 - 2015
Honorary Member - The German Vascular Society, Hamburg, Germany	09/2014
Doctor Honoris Causa - Semmelweis University, Budapest, Hungary	11/2014
Presidential Guest Lecturer - Western Vascular Society, Maui, Hawaii	09/2015 - Present
Jorg Vollmar Lecturer - The German Vascular Society	09/2015 - Present
George Washington Award - Hungarian Medical Association of America, Hungarian Medical Association	10/2015 - Present
Honorary Member - American College of Phlebology	11/2015 – Present

SELECTED PRIZES AND AWARDS:

1972 – Medical degree with the gold ring of the People's Republic of Hungary: *Sub auspiciis rei publicae popularis*, Semmelweis University, Budapest

1985 – Howard Kramer Gray Travel Award, Department of Surgery, Mayo Clinic, Rochester

1987 – Edwin Jack Wylie Traveling Fellowship Award, Society for Vascular Surgery

1992–2019 – The Best Doctors in America, Woodward/White, Inc.

1994 – Allastair Karmondy Essay Award, Society for Clinical Vascular Surgery

2001–2019 – America's Top Doctors, Castle Connolly Medical Ltd.

2001–2019 – Who's Who in Medicine and HealthCare, Marquis Who's Who

2005 – Grand Master Medal of Merit, Brazilian Society of Angiology and Vascular Surgery

2006 – Medal of the City of Paris, Mayor of Paris, France

2007 – Subspecialties Teacher of the Year, General Surgery Residents, Mayo Clinic, Rochester

2008 – America's Top Surgeons. SLD Industries, Inc.

2008–2010, 2014 – Teacher of the Year, Vascular Surgery Fellows, Mayo Clinic, Rochester

2008 – Joe M. and Ruth Roberts Professorship of Surgery, Mayo Clinic College of Medicine
 2014 – Advisory Professor, Jiao Tong University School of Medicine, Shanghai, China
 2014 – “Doctor Honoris Causa,” Semmelweis University, Budapest
 2014 – George Washington Award, American–Hungarian Foundation
 2015 – László Nyári Prize, Petz Aladár Hospital, Győr
 2016 – Peter Gloviczki Professorship in Venous and Lymphatic Disorders, University of Washington, Seattle
 2016 – Max Ratschow Medal, International Angiology Curatorium
 2017 – The Officer’s Cross of the Hungarian Order of Merit (Civil), Budapest
 2019 – Roswell Park Commemorative Medal, Buffalo Surgical Society, Buffalo, New York
 2020 – Semmelweis “Budapest” Award, Semmelweis University, Budapest

7. Previous Professional Positions and Major Appointments

Staff Member - Institute of Vascular Surgery, Semmelweis Medical University, Budapest, Hungary	1979 - 1981
Research Director - Division of Vascular and Endovascular Surgery, Department of Surgery, Mayo Clinic, Rochester, Minnesota	1987 - 2000
Senior Associate Consultant - Division of Vascular and Endovascular Surgery, Department of Surgery, Mayo Clinic, Rochester, Minnesota	07/1987 - 08/1989
Assistant Professor of Surgery - Mayo Clinic College of Medicine and Science	07/1987 - 07/1991
Consultant - Division of Vascular and Endovascular Surgery, Department of Surgery, Mayo Clinic, Rochester, Minnesota	09/1989 - 08/2016
Associate Professor of Surgery - Mayo Clinic College of Medicine and Science	07/1991 - 07/1994
Associate Faculty Privileges of Physiology - Mayo Clinic Graduate School of Biomedical Sciences, Mayo Clinic College of Medicine and Science	06/1993 - 07/1999
Vice Chair - Division of Vascular and Endovascular Surgery, Department of Surgery, Mayo Clinic, Rochester, Minnesota	1995 - 2000
Teaching/Examining Privileges of Biomedical Engineering & Physiology - Mayo Clinic Graduate School of Biomedical Sciences, Mayo Clinic College of Medicine and Science	07/1999 - 08/2016
Chair - Division of Vascular and Endovascular Surgery, Department of Surgery, Mayo Clinic, Rochester, Minnesota	2000 - 07/2010
Director - Gonda Vascular Center, Mayo Clinic Rochester Centers, Mayo Clinic, Rochester, Minnesota	2002 - 09/2010

8. Service

Military

Officer - Hungarian Army, Hungary	01/1982 - 01/1983
--	-------------------

Community Memberships and Services

9. Professional Memberships and Societies

Professional Memberships and Services

American Association of Vascular Surgery Member	01/1990 - Present
American Board of Phlebology Member	11/2007 - 03/2008
American College of Phlebology	

Honorary Member	11/2015 - Present
American College of Surgeons	
Fellow	
Member	01/1990 - Present
American Heart Association	
Council on Cardio-Thoracic and Vascular Surgery	
Member	01/1997 - 01/1998
American Medical Association	
Member	1987 - Present
American Surgical Association	
Member	2010 - Present
American Venous Forum	
Counselor-At-Large	01/1996 - 01/2001
President-Elect	01/2001 - 01/2002
President	01/2002 - 01/2003
American Venous Forum Foundation	
President	01/2004 - 01/2005
American Venous Forum	
Committee on Issues	
Chair	01/1995
First Postgraduate Symposium	
Co-Director	01/1995
Member	01/1995
International Relations Committee	
Member	01/1997 - 01/1998
Chair	01/1998
Membership Committee	
Member	01/1992 - 01/1994
Chair	01/1994
Gulf Coast Vascular Society	
President	2010 - 2011
International Union of Angiology	
Member	01/1989 - Present
President-Elect	01/2000 - 01/2002
President	01/2002 - 01/2004
20th World Congress	
Meeting Chair	01/2002
Member	01/2002
North American Chapter	
Member	01/1989 - Present
Secretary	01/1989 - 01/1994
Vice President	01/1994 - 01/1997
Vice President	01/2000 - 01/2002
Midwestern Vascular Surgical Society	
President-Elect	01/2003 - 01/2004
Executive Council	
Member	01/2000 - Present
Treasurer	01/2000 - 01/2003

President	01/2004 - 01/2005
Minnesota Medical Association	
Member	
Zumbro Valley Medical Society	
Member	
Minnesota Surgical Society	
Member	
Peripheral Vascular Surgery Society	
1994 Annual Meeting	
Scientific Program Committee	
Chair	01/1994
Member	01/1994
Society for Clinical Vascular Surgery	
Vice President	01/1997 - 01/1998
President-Elect	01/1998 - 01/1999
President	01/1999 - 01/2000
1994 Annual Meeting	
Scientific Program Committee	
Chair	01/1994
Member	01/1994
1995 Annual Meeting	
Program Committee	
Member	01/1995
Constitution and By-Laws Committee	
Member	01/1996 - Present
Chair	01/1996 - Present
Society for Vascular Surgery	
Executive Committee Member	01/2003 - Present
Treasurer	01/2004 - 01/2005
Secretary	01/2007 - 06/2010
Vice President	06/2010 - 06/2011
President-Elect	06/2011 - 06/2012
President	06/2012 - 06/2013
Society for Vascular Surgery, Document Oversight Committee	
Chair	06/2013 - 2015
Society for Vascular Surgery, Foundation for	
President-Past	06/2013 - 06/2014
Vascular Disease Foundation	
President	2004 - 2005
Member	01/2003 - 01/2005
World Federation of Vascular Societies	
President	09/2007 - 06/2008
Frank J. Veith International Society	
President	2021 - Present

Journal Editorial Responsibilities

Angiology News Editorial Board Member	01/2000 - Present
Annals of Vascular Diseases Associate Editor	03/2008 - Present
Annals of Vascular Surgery Editorial Board Member	2000 - 2005
Brazilian Vascular Journal Editorial Board Member	01/2004 - Present
Clinica Chirurgica e Microchirurgia Editorial Board Member	
Giornale Italiano di Chirurgia Vascolare Editorial Board Member	2005 - Present
Indian Journal of Vascular Surgery Editor	07/2016
International Angiology Regional Editor	01/1998 - Present
Italian Journal of Vascular and Endovascular Surgery Editorial Board Member	2005 - Present
Journal of Cardiovascular Surgery Editorial Board Member	2000 - Present
Journal of Phlebology Editorial Board Member	01/2005 - Present
Journal of Vascular Surgery Editorial Board Member	01/1998 - 01/2004
Linfologia Editorial Board Member	
Outlook in Vascular Surgery and Endovascular Therapy Editor-in-Chief	01/2000 - 01/2004
Perspectives in Vascular Surgery and Endovascular Therapy Editor-in-Chief	01/2000 - 2012
Rutherford's Vascular Surgery Fourth, Fifth, Sixth, Seventh, and Eighth Edition Associate Editor	
Seminars in Vascular Surgery Arterial Dissection: New Perspectives for Vascular Surgeons Guest Editor	2002
Update on Venous Disease Guest Editor	
Vascular and Endovascular Surgery Editor-in-Chief	01/2000 - 2006
Vascular Surgery Associate Editor	01/1998 – 1/2000

Journal of Vascular Surgery
Associate Editor
Editor-in-Chief

2016 Jan-June
206-July - Present

10. Education Interests and Accomplishments

A. Curriculum and Course Development

B. Teaching

Microsurgical Lymphovenous Anastomosis for the Treatment of Lymphedema Mayo Alumni Association Meeting Orlando, Florida	03/1987
Update on Reconstructive Venous Surgery Chief Resident Conference Department of Surgery, Mayo Clinic Rochester, Minnesota	04/1988
Vascular Surgery Techniques Basic Critical Care Nursing Seminar, Rochester Methodist Hospital Rochester, Minnesota	08/1989
Multiple Aortic Aneurysms Chief Resident Conference, Mayo Clinic Rochester, Minnesota	08/1989
The Swollen Leg: Evaluation and Options for Management Mayo Surgical Symposium Rochester, Minnesota	09/1989
Vascular Surgery Techniques Basic Critical Care Nursing Seminar, St. Marys Hospital Rochester, Minnesota	12/1989
The Technique of Carotid Endarterectomy and the Management of Complications Mayo Surgical Symposium Rochester, Minnesota	09/1990
Surgical Treatment of Chronic Venous Insufficiency Update in Cardiovascular Diseases Rochester, Minnesota	11/1990
Advances in Reconstructive Venous Surgery Mayo Clinic Surgical Society Rochester, Minnesota	03/1991
Vascular Surgery Research - An Update Mayo Surgical Symposium Rochester, Minnesota	09/1991
Management of Chronic Venous Insufficiency Clinical Reviews, Mayo Clinic Rochester, Minnesota	10/1991 - 11/1991
New Developments in Peripheral Vascular Surgery: Distal Bypass and Angioscopy Mayo Surgical Symposium Rochester, Minnesota	09/1992
Surgical Treatment of Venous Disease Update in Cardiovascular Diseases, Mayo Clinic Rochester, Minnesota	10/1993
Mayo Vascular Symposium Meeting Director	01/1996

Mayo Clinic Rochester, Minnesota	
Advancement in the Surgical Treatment of Venous Disease University of Pittsburgh General Surgery Grand Rounds Pittsburgh, Pennsylvania	02/1996
Klippel-Trenaunay Syndrome: The Risks and Benefits University of Buffalo Surgical Grand Rounds Buffalo, New York	04/1996
Advances in the Surgical Treatment of Venous Disease University of Buffalo Surgical Grand Rounds Buffalo, New York	04/1996
Progress in Venous Surgery Emory University School of Medicine, Surgical Grand Rounds Atlanta, Georgia	10/1997
Endovascular Repair of Abdominal Aortic Aneurysms Cardiology Today and Tomorrow Rochester, Minnesota	01/1998
Minimally Invasive Endoscopic Surgery for Venous Ulcers Cardiology Today and Tomorrow Rochester, Minnesota	01/1998
Progress in Venous Surgery Maimonides Medical Center Grand Rounds New York, New York	02/1998
Subfascial Venous Ligation for Chronic Venous Insufficiency Lehigh Valley Hospital Grand Rounds Allentown, Pennsylvania	02/1998
Techniques and Results of Renal Artery Reconstructions Winthrop University Hospital Grand Rounds Mineola, New York	03/1998
Endovascular Repair of Abdominal Aortic Aneurysm Doctors Mayo Society Rochester, Minnesota	09/1998
Second Mayo Vascular Symposium Meeting Director Mayo Clinic Rochester, Minnesota	01/2000
Progress in Venous Surgery: From Large Vein Reconstructions to Endoscopic Procedures Mayo Interactive Surgical Symposium Scottsdale, Arizona	02/2000
Surgical Treatment of Varicose Veins, Venous Ulcers and Everything You Have to Know About SEPS Second Mayo Vascular Symposium Rochester, Minnesota	09/2000
Venous Malformations in Klippel-Trenaunay Syndrome: When is Surgical Treatment Indicated and What are the Results? Second Mayo Vascular Symposium Rochester, Minnesota	09/2000
What Have we Learned From the NASEPS Registry and What do we Expect From the NAVUS Trial? Second Mayo Vascular Symposium Rochester, Minnesota	09/2000
Reconstructions for Occlusion of the Iliac Veins and the Vena Cava: Why is the Palma Procedure Still Viable and What are the Results of Prosthetic	09/2000

Reconstructions?

Second Mayo Vascular Symposium
Rochester, Minnesota

Ruptured Abdominal Aortic Aneurysms: Continuing Problems with a Lethal
Complication and the Challenge of Open Surgical Repair 09/2000
Second Mayo Vascular Symposium
Rochester, Minnesota

Vascular Centers: The Mayo Integrated Multidisciplinary Vascular Program and
the Gonda Foundation 09/2000
Second Mayo Vascular Symposium
Rochester, Minnesota

Liposome Mediated Gene Transfer to Prevent Intimal Hyperplasia 09/2000
Second Mayo Vascular Symposium
Rochester, Minnesota

Cryopreserved Aortic Allografts for Graft Infection 09/2000
Second Mayo Vascular Symposium
Rochester, Minnesota

Progress in Venous Surgery: From Endoscopic Techniques to Large Vein
Reconstructions 01/2001
UT Cardiothoracic and Vascular Surgery Grand Rounds
Houston, Texas

Mayo Clinic

Mayo Clinic Committees

Graduate Education Committee - Surgery and Surgical Specialties

Member

01/1988 - 01/1990

Mayo Clinic Rochester, Division of Vascular and Endovascular Surgery
Residency, Clinical Competency Committee

Member

01/2014 - Present

Mayo Clinic Rochester, Division of Vascular and Endovascular Surgery
Residency, Program Evaluation Committee

Member

01/2014 - Present

Mayo Clinic in Rochester

Department of Internal Medicine

Division of Cardiovascular Diseases

Cardiovascular Clinical Practice Committee

Member

01/1989 - 01/1992

Department of Surgery

Division of Subspecialty General Surgery

Intensive Care Unit Task Force

Member

01/1993

Surgical Committee

Member

01/2000 - 2008

Gonda Vascular Center

Carotid Endovascular Committee

Member

01/2002 - 2010

Executive Committee

Member

01/2002 - 2010

Gonda Vascular Center Committee

Chair

01/2002 - 2010

Peripheral Endovascular Committee

Member

01/2002 - 2010

Mayo Clinic Rochester Committees

Clinical Practice Committee - Rochester

Member

01/1993 - 01/1996

Clinical Position Subcommittee

Member

01/1993 - 01/1996

Steering Committee for Vascular Medicine and Biology

Member

01/1989 - 01/1994

Surgical Research Committee

Member

01/1987 - 01/1992

Rochester Methodist Hospital

Infection Control Committee

Member

01/1987

Saint Marys Hospital

Intensive Care Committee

Member

01/1989 - 01/1992

12. Presentations Extramural**National or International****Invited**

Abdominal aortic aneurysms: Optimal management at Mayo Clinic World Congress of the International Union of Angiology Lisbon, Portugal	
Nutcracker Syndrome 4th Annual Duke Vein Conference Durham, North Carolina	
The Current Status of Vena Cava Reconstruction European American Symposium of Venous Disease Washington, District of Columbia	03/1987
Reconstruction Surgery of the Vena Cava Iowa Methodist Hospital Des Moines, Iowa	09/1987
The Effect of Drug Treatment on Patency of Vascular Grafts Euromedicine Montpellier, France	11/1987
Femoropopliteal and Femoral Distal Reconstructions: The Role of Adjuvant Medical Treatment E.J. Wylie Traveling Fellowship University of Honolulu Honolulu, Hawaii	12/1987
Microsurgical Treatment for Lymphedema of the Extremities Symposium of Vascular Surgery, 12th Annual Surgery Course New Orleans, Louisiana	02/1988
Reconstruction of the Vena Cava Surgical Society Meeting Scottsdale, Arizona	08/1988
The Mayo Clinic Experience with Zero Porosity Grafts Vascutek Gelseal Vascular Prosthesis Clinical Trial Investigator's Meeting Bad Hofgastein, Austria	03/1989
Paraplegia after Aortoiliac Reconstruction American College of Surgeons 1989 Clinical Congress Postgraduate Course on: Peripheral Vascular Surgery Atlanta, Georgia	10/1989
Klippel-Trenaunay Syndrome: The Risks and Benefits of Vascular Interventions American Venous Forum Coronado, California	02/1990
Multiple Aortic Aneurysms: The Mayo Clinic Experience 39th Congress of the European Society for Cardiovascular Surgery Budapest, Hungary	09/1990
Reconstruction of the Vena Cava with Autogenous Vein Grafts First International Symposium on Vein Graft in Vascular Surgery Bologna, Italy	10/1990
Venous Allografts - Technique of Procurement and Cryopreservation First International Symposium on Vein Graft in Vascular Surgery Bologna, Italy	10/1990
Venous Challenges Third Surgical Infections Seminar & Eighth International Surgical Day Bethesda, Maryland	10/1990
Reconstruction of the Vena Cava Portland Vascular Society Portland, Oregon	11/1990
Microsurgical Treatment of Chronic Lymphedema: An Unfulfilled Promise? Symposium on Venous Disorders, Northwestern University Medical School Evanston, Illinois	12/1990

Lymphatic Problems and Revascularization Edema Complications in Vascular Surgery III Symposium Tucson, Arizona	02/1991
Ischemic Injury to the Spinal Cord or Lumbosacral Plexus Following Aortoiliac Reconstruction: Etiology and Current Management Society for Clinical Vascular Surgery Kauai, Hawaii	04/1991
Protection of the Viscera and Spinal Cord Society for Vascular Surgery/International Society for Cardiovascular Surgery Joint Annual Meeting Boston, Massachusetts	06/1991
Microvascular Pedal Bypass for Salvage of the Severely Ischemic Limb American-Hungarian Colloquim on Angiology Budapest, Hungary	12/1991
Femoral Vein Valve Repair Under Direct Vision Without Venotomy Fifth Meeting of Technics in Vascular Surgery Paris, France	01/1992
Techniques of Revascularization of the Foot and Plantar Arch or These Branches Fifth Meeting of Technics in Vascular Surgery Paris, France	01/1992
Experience with 1509 Patients Undergoing Thoracoabdominal Aortic Surgery Society for Vascular Surgery Chicago, Illinois	06/1992
Patient-doctor Relationship & Medical Ethics in the USA Hungarian Surgical Society Budapest, Hungary	06/1992
Ruptured Abdominal Aortic Aneurysms Priestly Society Pine Mountain, Georgia	10/1992
Diabetes and Atherosclerosis: Roundtable Discussion Simmelweis University of Medicine Budapest, Hungary	12/1992
Chirurgie de la Veine Cave: Technique et Indications Symposium on Vascular Surgical Techniques Paris, France	01/1993
Inferior Vena Cava Reconstruction by Prosthetic Graft Chirurgie des Veines Profondes Marseilles, France	02/1993
Internal Jugular to Subclavian Vein Transposition Discussion American Venous Forum Orlando, Florida	02/1993
Inferior Vena Cava Reconstructions Annual Congress, French Phlebology Society Paris, France	03/1993
Prosthetic Grafting for Chronic Iliocaval Venous Occlusive Disease 27th World Congress du College Francais de Pathologie Vasculaire Paris, France	03/1993
Dorsalis Pedis Arterial Bypass: Durable Limb Salvage for Foot Ischemia in Patients with Diabetes Mellitus Discussion Society for Vascular Surgery/International Society for Cardiovascular Surgery Washington, District of Columbia	06/1993

Pedal Bypass: Implications of Anatomic Variations of the Foot Fourth Mediterranean Congress of Angiology Corfu, Greece	06/1993
Current Treatment of Lymphedema American College of Surgeons San Francisco, California	10/1993
Surgical Therapy of Venous Disease North American Congress of the International Union of Angiology Oak Brook, Illinois	10/1993
Reconstruction of large veins Tenth Congress of Societa Italiana di Flebologia Clinica e Sperimentale Catania, Italy	12/1993
Surgical Treatment of Thoracoabdominal Aneurysms: The Mayo Clinic Experience First Pan-Hellenic Congress of Angiology and Vascular Surgery Athens, Greece	12/1993
Earlier Recognition and Management of Mesenteric Venous Thrombosis: Still a Lethal Disease of the 1990's American Venous Forum Maui, Hawaii	02/1994
Intraoperative Duplex Scanning During Renal and Visceral Reconstructions La Chirurgie Vasculaire Actuelle Marseille, France	02/1994
Complications of the Iliac Vein and Vena Cava Due to Retroperitoneal Fibrosis: Medical and Surgical Management 5th Mediterranean Congress of Angiology and Vascular Surgery Corsica, France	06/1994
Klippel-Trenaunay Syndrome: The Mayo Clinic Experience Tenth International Society for the Study of Vascular Anomalies Budapest, Hungary	06/1994
Subfascial Division of Perforating Veins 5th Mediterranean Congress of Angiology and Vascular Surgery Corsica, France	06/1994
Reconstructive Surgery of the Vena Cava Symposium on Venous Diseases 1994 New York, New York	09/1994
Reconstruction of the Vena Cava for Occlusion Caused by Disease New Strategies in Management of Venous Disease Symposium Boston, Massachusetts	10/1994
Arterial Complications of Thoracic Outlet Syndrome: The Mayo Clinic Experience Nonatherosclerotic Arterial Disease Symposium Paris, France	11/1994
Microscope Aided Pedal Bypass Seventh World Congress of the International Union of Angiology London, England, United Kingdom	04/1995
Venous Reconstruction Seventh World Congress of the International Union of Angiology London, England, United Kingdom	04/1995
Advances in Surgical Treatment of Chronic Venous Disease Including Endoscopic Subfascial Ligation of Perforating Veins and Reconstruction of the Deep System New Developments in the Management of Common Vascular Diseases Park City, Utah	05/1995

Pedal Bypass for Arterial Insufficiency New Developments in the Management of Common Vascular Diseases Park City, Utah	05/1995
Endoscopic Subfascial Division of Perforating Veins First Annual Symposium on Vascular and Endovascular Techniques New York, New York	06/1995
Prosthetic Reconstruction of Large Veins Gore-Tex Medical Products Division, National Sales Meeting, 1995 Amelia Island, Florida	06/1995
Repair of Thoracoabdominal Aneurysms and Bilateral Renal Artery Stenoses First Annual Symposium on Vascular and Endovascular Techniques New York, New York	06/1995
The Role of Color Duplex Scanning in Intraoperative Evaluation of Renal Artery Reconstruction New Trends in Atherosclerosis Vascular Diseases and Cardiovascular Therapy Monte Carlo, Monaco	07/1995
Indications and Techniques for Endoscopic Subfascial Division of Perforating Veins (Video) Montefiore-Einstein Vascular Symposium New York, New York	11/1995
Management of Secondary Aorto-Enteric Fistula Management of Aorto-Femoral Graft Infection Rome, Italy	12/1995
Mesenteric Venous Thrombosis Symposium on Arterial Surgery: Management of Challenging Problems Chicago, Illinois	12/1995
Reconstructions for Chronic Occlusion of Large Veins: Do Long-Term Results Justify Venous Graftin? The Management of Venous Disorders: The First Postgraduate Symposium of the American Venous Forum Chicago, Illinois	12/1995
Update on Endoscopic Ligation of Perforating Veins (Video) The Management of Venous Disorders: The First Postgraduate Symposium of the American Venous Forum Chicago, Illinois	12/1995
Endoscopic Subfascial Division of Perforating Veins (Video & lecture) Angio-Techniques Marseille, France	02/1996
Ethanol Injection for Treatment of Venous Malformations Discussant American Venous Forum San Diego, California	02/1996
Reconstruction of the Iliac Vein or Inferior Vena Cava for Nonmalignant Occlusive Disease Angio-Techniques Marseille, France	02/1996
Experimental and Clinical Trials Performed with the Gelseal and Gelsoft Prostheses IMPRA, Inc. Phoenix, Arizona	03/1996
Surgical Treatment of Abdominal Aortic Aneurysms Fourth Annual Pennsylvania Hospital Vascular Symposium Philadelphia, Pennsylvania	03/1996

Advances in Surgical Treatment of Venous Disease International Multidisciplinary Vascular Disease Symposium Winnipeg, Manitoba, Canada	05/1996
Advances in the Treatment of Chronic Venous Obstruction and Incompetence of the Perforating Veins: Revascularization of Pedal Arteries for Chronic Critical Limb Ischemia Entretiens Vasculaires Montreal, Quebec, Canada	05/1996
Endoscopic Perforating Veins International Union of Angiology European Chapter Congress Budapest, Hungary	05/1996
Revascularization to Pedal Arteries First Annual Symposium on Multidisciplinary Approaches to Diagnosis and Treatment of Vascular Diseases New York, New York	05/1996
Techniques and Results of Renal Artery Surgery First Annual Symposium on Multidisciplinary Approaches to Diagnosis and Treatment of Vascular Diseases New York, New York	05/1996
Thoracoabdominal Aneurysms: Current Results of Visceral and Spinal Cord Protection International Multidisciplinary Vascular Disease Symposium Winnipeg, Manitoba, Canada	05/1996
Experiences with Large Vein Reconstruction at the Mayo Clinic 53rd Congress of the Hungarian Surgical Society Budapest, Hungary	06/1996
Principles of Surgical Treatment of Chronic Lymphedema International Congress of Phlebology Corfu, Greece	09/1996
Reconstructive Procedures of the Vena Cava International Congress of Phlebology Corfu, Greece	09/1996
Surgical Anatomy for Endoscopic Subfascial Division of Perforating Veins German Phlebology Congress Berlin, Germany	09/1996
Endoscopic Subfascial Division of Perforating Veins American College of Surgeons San Francisco, California	10/1996
Endoscopic Ligation of Perforating Veins Symposium on Surgery of the Veins of the Lower Limbs Paris, France	11/1996
Endoscopic Subfascial Perforator Interruption: Technique and What Did We Learn from the North American Venous Registry Veith's 23rd Annual Current Critical Problems, New Horizons and Techniques in Vascular and Endovascular Surgery New York, New York	11/1996
Endoscopic Treatment of Incompetent Perforators The Second Pacific Vascular Symposium Kamuela, Hawaii	11/1996
Endoscopic Ligation of Perforators Vascular Symposium of the Northwestern University Medical School Chicago, Illinois	12/1996
Videoscopic Surgery in Pathology of Lower Limb Perforating Veins Discussant	02/1997

American Venous Forum San Antonio, Texas	
Endoscopic Subfascial Division of Perforating Veins St. Vincent Hospital Indianapolis, Indiana	04/1997
Endovascular and Minimally Invasive Techniques: Technique for Endoscopic Subfascial Perforator Ligation and Preliminary Results from the North American Registry Interactive Toronto Vascular Surgery Symposium Toronto, Ontario, Canada	04/1997
Interactive Case Presentation on Aneurysms, Mesenteric and Venous Disease Interactive Toronto Vascular Surgery Symposium Toronto, Ontario, Canada	04/1997
Treatment of Lower Extremity Ischemia: Revascularization to Inframalleolar Arteries Practical Clinical Advances in Peripheral Vascular Disease San Diego, California	04/1997
Venous Disease: Optimal Treatment of Cal Vein Thrombosis American College of Surgeons Annual Spring Meeting San Diego, California	04/1997
Venous Problems: Subfascial Endoscopic Perforator Surgery for Severe Chronic Venous Insufficiency Practical Clinical Advances in Peripheral Vascular Disease San Diego, California	04/1997
Chronic Venous Insufficiency Institut de Recherches Internationales Servier Paris, France	05/1997
Continued Reduction of Paraplegia Risk with Cerebrospinal Fluid Drainage and Naloxone in Thoracoabdominal Aortic Replacement Discussant Midwestern Vascular Surgical Society New York, New York	09/1997
Patterns of Practice in Vascular Surgery Royal College of Physicians and Surgeons of Canada Vancouver, British Columbia, Canada	09/1997
Postgraduate Session on Chronic Venous Insufficiency: The Measurement of Quality of Life and Outcome European Society for Vascular Surgery Annual Meeting Lisbon, Portugal	09/1997
Progress on Venous Disease: Subfascial Endoscopic Perforator Vein Ligation: Techniques and Update on the North American Registry Third Annual New York Symposium on Vascular and Endovascular Techniques New York, New York	09/1997
Session on Aneurysms Co-Chair International Society for Cardiovascular Surgery, World Congress of the International Society for Cardiovascular Surgery London, England, United Kingdom	09/1997
Update on Venous Surgery Royal College of Physicians and Surgeons of Canada Vancouver, British Columbia, Canada	09/1997
Endoscopic Perforator Disconnection: Indications, Technique and Results Advances and Controversies on Venous Diseases New York, New York	10/1997

Lymphedema: The Mayo Clinic Approach UCLA Symposium on Venous and Lymphatic Disorders Santa Monica, California	10/1997
Minimally Invasive Vascular Surgery for the Treatment of CVI European Congress of Angiology Rome, Italy	10/1997
The Swollen Leg: Differential Diagnosis & Classification UCLA Symposium on Venous and Lymphatic Disorders Santa Monica, California	10/1997
Endoscopic Subfascial Perforator Interruption for Venous Ulcer: Technique and Results Current Critical Problems, New Horizons and Techniques in Vascular and Endovascular Surgery New York, New York	11/1997
The Treatment of Abdominal Aortic Aneurysms Semmelweis Medical School Budapest, Hungary	12/1997
Diagnosis and Surgical Treatment of Lymphedema American Venous Forum Orlando, Florida	02/1998
Endoscopic Perforator Vein Surgery for Treatment of Venous Ulcers Fourth Annual Brooklyn/Staten Island Vascular Society New York, New York	02/1998
Is Perforating Vein Ligation Essential in the Management of Chronic Venous Insufficiency? Breakfast Debate American Venous Forum Orlando, Florida	02/1998
Large Vein Reconstruction Westchester Vascular Symposium Valhalla, New York	03/1998
Renal Artery Reconstructions Vascular Fellows Symposium, Winthrop University Hospital Mineola, New York	03/1998
Surgical Options for Large Vein Reconstruction and the Results Interactive Toronto Vascular Surgery Symposium Toronto, Ontario, Canada	03/1998
Factors Affecting Patency of Pedal Bypasses Pennsylvania Hospital Vascular Symposium Philadelphia, Pennsylvania	04/1998
The Limits of Lower Extremity Revascularization Southern California Vascular Surgical Society San Diego, California	04/1998
Surgical Management for Chronic Venous Insufficiency Western Canada Wound Care Symposium Winnipeg, Manitoba, Canada	05/1998
Surgical Management of Venous Ulcers and Subfascial Endoscopic Perforator Vein Ligation Nemacolin Vascular Conference Farmington, Pennsylvania	05/1998
Mid-term Results of Endoscopic Perforator Vein Interruption for Chronic Venous Insufficiency: Lessons Learned from the North American Subfascial Endoscopic Perforator Surgery Registry	06/1998

Second Annual Meeting of the Society for Vascular Surgery San Diego, California	
Spinal Cord Protection during Thoracoabdominal Aortic Reconstructions Vascular surgery Up to Date Taormina, Italy	06/1998
The Limits of Lower Extremity Revascularization Vascular surgery Up to Date Taormina, Italy	06/1998
Endoscopic Perforator Vein Surgery for the Treatment of Advanced Venous Insufficiency International Union of Angiology Tokyo, Japan	09/1998
Investigations for Chronic Venous Disease: The Management of Incompetent Perforating Veins World Congress of the International Union of Phlebology Sydney, Australia	09/1998
Progress in Venous Surgery: From Charles H. Mayo to Grafts, Stents, and Endoscopic Surgery International Union of Angiology Tokyo, Japan	09/1998
Surgical Treatment of Thoracoabdominal Aortic Aneurysms: Benefits of Epidural Cooling, Spinal Fluid Drainage and Left Heart Bypass International Union of Angiology Tokyo, Japan	09/1998
Perforator Vein Ligation for Venous Insufficiency Frontiers in Vascular Disease Pebble Beach, California	10/1998
Subfascial Endoscopic Perforator Surgery: The Mayo Clinic Experience and the Mid-Term Results of the North American Registry GSI Symposium on Perspectives on Performing Subfascial Endoscopic Perforator Surgery Paris, France	10/1998
Transfemoral Endovascular Surgery to Repair Abdominal Aortic Aneurysms Hungarian Medical Association of America Annual Symposium Sarasota, Florida	10/1998
Laparotomy for Presumed Ruptured AAAs: Nature and Outcome of Deceiving Emergencies Current Critical Problems, New Horizons and Techniques in Vascular and Endovascular Surgery New York, New York	11/1998
Factors Affecting the Long-term Outcome of Bypass Surgery: Implications for Case Selection Rocky Mountain Vascular Disease Symposium Snowmass, Colorado	02/1999
Perforator Vein Interruption: How to do it Rocky Mountain Vascular Disease Symposium Snowmass, Colorado	02/1999
The Management of Large Vein Occlusions Rocky Mountain Vascular Disease Symposium Snowmass, Colorado	02/1999
Avoiding Complications Associated with Thoracoabdominal Aneurysm Repair Pennsylvania Hospital Vascular Symposium Philadelphia, Pennsylvania	03/1999

Long-term Results of Pedal Bypasses Toronto Vascular Symposium Toronto, Ontario, Canada	03/1999
Techniques and Results in Subfascial Endoscopic Perforator Vein Surgery Society for Clinical Vascular Surgery Orlando, Florida	03/1999
SEPS - Subfascial Endoscopic Perforating Vein Surgery Third International Congress on Ambulatory Surgery Venice, Italy	04/1999
The Evaluation and Management of Lymphedema at the Mayo Clinic Third International Congress on Ambulatory Surgery Venice, Italy	04/1999
Endoscopic Perforator Vein Surgery for the Treatment of Chronic Venous Insufficiency and Venous Ulcers 19th Congress of the Japanese Society of Phlebology Hirosaki City, Japan	06/1999
Controversies in the Treatment of Venous Ulcers: SEPSING? Third Pacific Vascular Symposium on Venous Disease Big Island, Hawaii	10/1999
Do Pumps and Surgery Have a Role in the Management of Lymphedema? Mount Sinai Venous Symposium New York, New York	10/1999
Endoscopic Subfascial Division of Perforating Veins for the Treatment of Chronic Venous Insufficiency National Conference on Thromboembolic Disease and Chronic Venous Insufficiency Washington, District of Columbia	10/1999
Management of the Decompensated Leg Third Pacific Vascular Symposium on Venous Disease Big Island, Hawaii	10/1999
Pedal Artery Bypass American College of Surgeons San Francisco, California	10/1999
Results of the North American SEPS Trial: Will the Procedure Survive? Mount Sinai Venous Symposium New York, New York	10/1999
Subfascial Endoscopic Perforator surgery Third Pacific Vascular Symposium on Venous Disease Big Island, Hawaii	10/1999
Technique and Graft Materials for Performing Major Venous Bypasses Effectively 26th Annual Symposium on Critical Problems, New Horizons, and Techniques in Vascular Surgery New York, New York	11/1999
Combined Vascular Anomalies (Klippel-Trenaunay and Parkes-Weber Syndrome) Pediatric Vascular Anomalies and Pigmented Lesions Symposium La Jolla, California	02/2000
Endoscopic Versus Open Subfascial Division of Incompetent Perforating Veins in the Treatment of Venous Leg Ulceration: Long-term follow-up Discussant American Venous Forum Phoenix, Arizona	02/2000
North American Venous Ulcer Surgery Trial: Why do we need it? What do we expect?	02/2000

American Venous Forum Phoenix, Arizona	
Surgical Treatment of Venous Malformations in Klippel-Trenaunay Syndrome: An Update American Venous Forum Phoenix, Arizona	02/2000
Advances in SEPS Using Two Endoscopic Ports and Gas Insufflation: Technique and Results Society for Clinical Vascular Surgery Rancho Mirage, California	03/2000
Subfascial Endoscopic Perforator Surgery (SEPS): Current Indications, Technique and Results Toronto Vascular Symposium Toronto, Ontario, Canada	03/2000
Where Science Touches Man it Turns to Art Presidential Address Society for Clinical Vascular Surgery Rancho Mirage, California	03/2000
Klippel-Trenaunay Syndrome: Special Considerations NYU Post-Graduate Course Vascular Anomalies 2000 New York, New York	04/2000
Should Limb Salvage be Attempted or is Primary Amputation Better? Eighth Annual Pennsylvania Hospital Vascular Symposium Controversies in Vascular Surgery Philadelphia, Pennsylvania	04/2000
Thoracoabdominal Aortic Aneurysm Repair: Current Approaches Festschrift in Vascular Surgery Honoring Ronald J. Stone, MD San Francisco, California	04/2000
Technique and Results of Subfascial Endoscopic Perforator Vein Surgery in the New Millennium 18th World Congress of the International Union of Angiology Ghent, Belgium	05/2000
Progress in Venous Surgery: From Large Vein Reconstructions to Endoscopic Procedures University of Medicine and Dentistry New Jersey, 14th Annual Normal Rosenberg Lecture Newark, New Jersey	06/2000
Subfascial Endoscopic Perforator Vein Surgery (SEPS) International Society of Endovascular Specialists - European Summer Symposium Bordeaux, France	06/2000
Diagnosis and Management of Acute Mesenteric Thrombosis Chicago Vascular Forum Chicago, Illinois	08/2000
Optimal Management of Venous Ulceration Chicago Vascular Forum Chicago, Illinois	08/2000
Endoscopic Perforator Techniques to Minimize the Intraoperative Risk of Embolization Stanford Vascular Symposium Pebble Beach, California	10/2000
Subfascial Endoscopic Perforator Vein Surgery: Where Are We Now and Where Are We Going?	10/2000

International Congress of Phlebology and Lymphology Buenos Aires, Argentina	
Surgery of the Superior and Inferior Venae Cavae International Congress of Phlebology and Lymphology Buenos Aires, Argentina	10/2000
Surgical Management of Renal Arterial Disease Stanford Vascular Symposium Pebble Beach, California	10/2000
Surgical Management of Venous Stasis Ulcers: Role of Linton, SEPS and Superficial Vein Procedures American College of Surgeons Chicago, Illinois	10/2000
The Surgical Treatment of Patients with Klippel-Trenaunay Syndrome: What are the Benefits and What are the Risks? International Congress of Phlebology and Lymphology Buenos Aires, Argentina	10/2000
Advances in Subfascial Endoscopic Perforator Surgery (SEPS): Technique and Results 27th Annual Symposium on Vascular and Endovascular Issues, Techniques and Horizons New York, New York	11/2000
The Case for Continued Aggressive Management of Ruptured AAAs 27th Annual Symposium on Vascular and Endovascular Issues, Techniques and Horizons New York, New York	11/2000
Venous Bypass for Chronic Venous Occlusion Vascular Surgery 2000 Chicago, Illinois	12/2000
Iliac Vein and IVC Occlusion - Do we have Satisfactory Surgical Options? Canadian Winter Vascular Symposium	02/2001
Incompetent Calf Perforating Veins are Most Strongly Associated with Superficial Reflux and May Therefore Require Specific Surgical Intervention Discussant American Venous Forum Fort Myers, Florida	02/2001
Complications After Reconstructive Surgery of the Main Venous Trunks European Vascular Course Marseilles, France	03/2001
Future Trends in Laparoscopic and Endovascular Treatment European Vascular Course Marseilles, France	03/2001
Diagnosis and Treatment of Paradoxical Embolus Discussant Society for Clinical Vascular Surgery Boca Raton, Florida	04/2001
Endovascular Adventures and Misadventures Florida Vascular Society Lake Buena Vista, Florida	04/2001
Progress in Venous Surgery: From Large Vein Reconstructions to Endoscopic Procedures Philadelphia Regional Vascular Forum Philadelphia, Pennsylvania	04/2001

Surgical Treatment of Chronic Venous Insufficiency and Venous Ulcers Florida Vascular Society Lake Buena Vista, Florida	04/2001
The Limits of Lower Limb Revascularization: Factors Affecting Long-term Patency of Pedal Bypass Florida Vascular Society Lake Buena Vista, Florida	04/2001
Unusual Vascular Problems Florida Vascular Society Lake Buena Vista, Florida	04/2001
Venous Ulcers Discussant Society for Clinical Vascular Surgery Boca Raton, Florida	04/2001
Clinical and Hemodynamic Outcome in Patients with Chronic Venous Insufficiency: After the Elimination of Incompetent Perforating Veins? International Union of Angiology Cologne, Germany	05/2001
Endovascular Treatment of Abdominal Aortic Aneurysms: Better than Direct Surgical Repair? International Union of Angiology Cologne, Germany	05/2001
The Limits of Distal Revascularization of Limbs with Critical Ischemia: Are Multiple Procedures in High Risk Patients Justified? Budapest, Hungary	06/2001
Endovascular Repair of Aortic Aneurysms with Stent Graft Advances and Changing Trends in Medicine Orlando, Florida	08/2001
Results of Large Vein Reconstruction 14th World Congress of the International Union of Phlebology Rome, Italy	09/2001
Stripping and SEPS in Combination 14th World Congress of the International Union of Phlebology Rome, Italy	09/2001
Endograft AAA repair: The Mayo Clinic Experience North American Winter Vascular Symposium Mont Tremblant, Quebec, Canada	02/2002
New Technologies for Treatment of Varicose Veins and Venous Ulcers: The Roles of Endoscopy, Radiofrequency Ablation, and Powered Phlebectomy Mayo Clinic Interactive Surgery Symposium Maui, Hawaii	02/2002
Surgical Options and New Technology to Treat Chronic Venous Insufficiency and Venous Ulcers North American Winter Vascular Symposium Mont Tremblant, Quebec, Canada	02/2002
Surgical Treatment of Superficial and Perforator Reflux: Is an Aggressive Approach Justified American Venous Forum La Jolla, California	02/2002
Treatment of Arterial Infections with In Situ Cyrograft Replacement Philadelphia Regional Vascular Forum Philadelphia, Pennsylvania	02/2002

Surgical Treatment of Advanced Chronic Venous Insufficiency and Venous Ulcers Society for Clinical Vascular Surgery Las Vegas, Nevada	03/2002
Open or Endovascular Repair of Type B Aortic Dissections? Current Practice at the Mayo Clinic 20th World Congress of the IUA New York, New York	04/2002
Surgical Reconstruction for Iliofemoral and Inferior Vena Caval Occlusions 20th World Congress of the IUA New York, New York	04/2002
Surgical Treatment of Primary Chylous Disorders 20th World Congress of the IUA New York, New York	04/2002
Synergy Between Drugs and Devices for PAD 20th World Congress of the IUA New York, New York	04/2002
Endovascular Treatment of Abdominal Aortic Aneurysms Central European Vascular Forum Portoroz, Slovenia	05/2002
Progress in Venous Surgery: From Large Vein Reconstructions to Endoscopic and Endogenous Interventions Central European Vascular Forum Portoroz, Slovenia	05/2002
Current Surgical Techniques to Treat Chronic Venous Insufficiency of the Lower Limbs American College of Surgeons San Francisco, California	10/2002
Harvenian Lecture: Major Advances in Vascular Surgery Taormina and Padova, Italy	10/2002
Repair of Abdominal Aortic Aneurysm: Endovascular or Open Surgical Treatment? Taormina and Padova, Italy	10/2002
Surgical Treatment for Venous Ulcers: Current Approach at the Mayo Clinic Taormina and Padova, Italy	10/2002
Current Status of Open Surgical Repair for Chronic Mesenteric Ischemia: Optimal Techniques, Results, and When are Endovascular Treatments Justified? VEITH Symposium New York, New York	11/2002
Management of Aortic Graft Infections Using Cryopreserved Aortic Allografts VEITH Symposium New York, New York	11/2002
Varicose Veins with Incompetent GSV and Perforators Fourth Pacific Vascular Symposium on Venous Disease Big Island, Hawaii	11/2002
Management of Lymphatic Disorders Vascular Surgery 2002 Chicago, Illinois	12/2002
Progress in Venous Surgery: From Large Vein Reconstructions to Endoscopic and Endovenous Procedures Chesapeake Vascular Society and Carl W. Hughes Lecture Bethesda, Maryland	12/2002
Progress in Venous Surgery: From Large Vein Reconstructions to Endoscopic and Endovenous Procedures Invited Professor	01/2003

Atlanta Vascular Society Atlanta, Georgia	
Long-term Results of Aggressive Surgical Treatment of Advanced Chronic Venous Insufficiency in Women American Venous Forum Cancun, Mexico	02/2003
Nomenclature: New Recommendations for Venous Nomenclature. Anatomy of Superficial, Deep, and Perforating Veins American Venous Forum Cancun, Mexico	02/2003
Surgical Management of Venous Obstruction American Venous Forum Cancun, Mexico	02/2003
Venous Surgery: From Stepchild to Equal Partner Presidential Address American Venous Forum Cancun, Mexico	02/2003
Cellular Pathophysiology and Microcirculatory Disorders in Chronic Venous Insufficiency French Society of Phlebology Paris, France	03/2003
Abdominal Aortic Aneurysm: Open Surgical or Endovascular Surgery? First Congress of the Latin American Chapter of the IUA Belo Horizonte, Brazil	04/2003
Challenges of Surgical Treatment for Advanced Chronic Venous Disease First Congress of the Latin American Chapter of the IUA Belo Horizonte, Brazil	04/2003
Endovascular Treatment of Insufficient Perforator Veins First Congress of the Latin American Chapter of the IUA Belo Horizonte, Brazil	04/2003
Endovenous and Endoscopic Procedures Grand Rounds-University of Illinois Chicago, Illinois	04/2003
Managing Perforator Incompetency: When is Subfascial Endoscopic Ligation Indicated? American College of Surgeons Meeting, Vascular Surgery 2003 New York, New York	04/2003
Results of Lower Extremity Revascularization in Patients with Chronic Renal Failure 11th Annual Pennsylvania Hospital Vascular Symposium Philadelphia, Pennsylvania	04/2003
Treatment of Renovascular Disease: My Worst Case 11th Annual Pennsylvania Hospital Vascular Symposium Philadelphia, Pennsylvania	04/2003
When Should Renal Artery Stenosis be Repaired During Open Aortic Surgery? 11th Annual Pennsylvania Hospital Vascular Symposium Philadelphia, Pennsylvania	04/2003
Worsening Renal Failure Due to Renovascular Disease: Results of Surgery 11th Annual Pennsylvania Hospital Vascular Symposium Philadelphia, Pennsylvania	04/2003
Patient Preparation for Treatment: When Do You Need More than a Duplex Scan? Stanford UCSF-Vascular Symposium 2003 San Francisco, California	05/2003

Surgery for Chronic Venous Stasis: Outcomes Depend on Preoperative Assessment Stanford UCSF-Vascular Symposium 2003 San Francisco, California	05/2003
Surgery for Benign and Malignant Disease of the IVC and Large Abdominal Veins European Venous Forum Lisbon, Portugal	06/2003
Surgical Treatment of Complicated Distal Dissections Society for Vascular Surgery/American Association for Vascular Surgery Chicago, Illinois	06/2003
A Meta-Analysis of Venous Leg Ulcer Healing in Prospective Randomized Studies Using Micronized Purified Flavonoid Fraction UIP World Congress Meeting San Diego, California	08/2003

14. Clinical Practice, Interests, and Accomplishments

15. Quality Initiatives

Quality

16. Research Interests and Accomplishments**17. Research Grants Awarded****Active Grants****Industry**

Co-Investigator	Replacement - Amendment #1 - Clinical Study to Evaluate the Safety and Effectiveness of the Zenith® Branch Endovascular Graft-Iliac Bifurcation with the Zenith® Connection Endovascular Covered Stent. Funded by Cook Incorporated. (PRESERVE CIP: 05-625)	04/2011 - 04/2016
-----------------	---	-------------------

Completed Grants**Federal**

Principal Investigator	Follow-Up of Clinical Evaluation of the Vascutek Gelsoft Vascular prosthesis. Funded by National Cancer Institute. (INDUS Carbomedics #1)	09/1994 - 08/1995
------------------------	---	-------------------

Federal sub award

Co-Investigator	Claudication Exercise Versus Endoluminal Revascularization. Funded by National Institutes of Health	07/2007 - 08/2009
-----------------	---	-------------------

Foundation

Co-Investigator	Andenoviral-Mediated Gene Transfer of Human Monocyte Chemoattractant. Funded by Lifeline Foundation	07/1996 - 06/1997
-----------------	---	-------------------

Co-Investigator	Inhibition of Nitric Oxide Synthase: The Effect of Spinal Cord Ischemia After Aortic Cross-Clamping. Funded by American Paralysis Association	06/1998 - 05/1999
-----------------	---	-------------------

Industry

Principal Investigator	The Role Of The Lymphatic System In The Development Of Edema Following Lower Extremity Arterial revascularization. Funded by Sigvaris Research Fund. (SIG #1)	02/1992 - 07/2000
------------------------	---	-------------------

Principal Investigator	Comparison of Gelatin Impregnated Vascutek Vascular Patch Graft with Sauvage Dacron Patch and Expanded Polytetrafluoroethylene Patch: A Pilot Study. Funded by Vascutek, Limited. (Vascutek #2)	07/1992 - 07/2000
------------------------	---	-------------------

Principal Investigator	The Effect of a Femoral Arteriovenous Fistula on Lower Extremity Venous hemodynamics Following Iliac Vein Reconstruction. Funded by W.L. Gore & Associates Incorporated. (Gore #1)	12/1993 - 07/1994
------------------------	--	-------------------

Principal Investigator	Comparison of Gelatin Impregnated Dacron Patch Angioplasty with Untreated Dacron and Expanded PTFE Patches in Canine Carotid Arteries. Funded by Vascutek, Limited. (Vascutek #3)	12/1993 - 07/2000
------------------------	---	-------------------

Principal Investigator	The Effects of Thrombolytic Therapy and Catheter Thrombectomy on Endothelial Function of Canine Femoral Arteries. Funded by Abbott Laboratories. (Abbott #46)	09/1994 - 07/2000
------------------------	---	-------------------

Principal Investigator	Comparison Of Experimental PTFE Patch Angioplasty With Untreated Dacron And Expanded PTFE Patches In Canine Carotid And Femoral Arteries. Funded by W.L. Gore & Associates Incorporated. (Gore #2)	02/1995 - 07/2000
------------------------	--	-------------------

Principal Investigator	The Effects of Thrombolysis and Venous Thrombectomy on Valvular Competence, Thrombogenicity, Venous Wall Morphology and Function. Funded by Abbott Laboratories. (Abbott 64)	05/1997 - 07/2000
------------------------	--	-------------------

Principal Investigator	Structural and Functional Effects of Thrombosis on Canine Saphenous Vein Grafts. Funded by Abbott Laboratories. (Abbott 65)	08/1997 - 07/2000
------------------------	---	-------------------

Principal Investigator	Subfascial Endoscopic Perforator Vein Ablation: Intermediate and Long Term Results. Funded by Ethicon Endo-Surgery Incorporated. (Ethicon 13)	01/1998 - 06/2005
------------------------	---	-------------------

Principal Investigator	Videoendoscopic Thoracic Aorta to Iliac Artery Bypass in the Porcine Model. Funded by Ethicon Endo-Surgery Incorporated. (Ethicon 16)	09/1998 - 08/2000
------------------------	---	-------------------

Principal Investigator	Combined Endovascular and Laparoscopic Repair of Abdominal Aortic Aneurysms in the Pig. Funded by W.L. Gore & Associates Incorporated. (GORE 6)	10/1999 - 09/2000
Program Director / Principal Investigator	Abdominal Aortic/Aorto-Iliac Aneurysm Endoluminal Graft Study. Funded by Endologix Inc. (Protocol 00-005 CP04-001)	07/2000 - 12/2009
Principal Investigator	Feasibility Clinical Trial: Percutaneous Venous Valve Bioprosthesis #9402-00C - Study Coordinator Support. Funded by Venpro Corp.. (VENPRO #1)	03/2002 - 12/2003
Principal Investigator	Unrestricted Grant. Funded by Medtronic AVE. (MEDTRONIC #113;1A4760)	06/2002 - 05/2004
Program Director / Principal Investigator	Positive Impact of EndoVascular Options for Treating Aneurysms Early "The PIVOTAL Study" (IRB 1535-05). Funded by Cleveland Clinic. (The PIVOTAL Study)	07/2005 - 06/2011
Co-Investigator	Prospective, Randomized, Multicenter Evaluation of DISTAFLO ePTFE Bypass Graft in Lower Extremity Applications. Funded by IMPRA Inc.. (IMPRA 1; 1A2975)	01/1999 - 12/2000
Co-Investigator	Evaluation of the Laminated Multilayer Construct of the Graft Patch Material as a Small Diameter Vascular Graft. Funded by Organogenesis. (Organ 1)	01/1999 - 06/2003
Co-Investigator	Evaluation of the Medtronic Vascular Talent Thoracic Stent Graft System for the Treatment of Thoracic Aortic Aneurysms. Funded by Medtronic Vascular. (VALOR Trial)	03/2004 - 06/2009
Co-Investigator	GORE VIABAHN« Endoprosthesis versus Bare Nitinol Stent in the Treatment of Long Lesion (equal or greater than 8 cm) Superficial Femoral Artery Occlusive Disease. Funded by W.L. Gore & Associates Incorporated. (GORE #10, 1A6190)	02/2006 - 01/2007
Co-Investigator	Evaluation of the GORE Conformable TAG Thoracic Endoprosthesis for the Primary Treatment of Aneurysm of the Descending Thoracic Aorta. Funded by W.L. Gore & Associates Incorporated. (TAG 08-03)	01/2010 - 12/2016
Co-Investigator	Zenith TX2 Low Profile TAA Endovascular Graft Clinical Study. Funded by Cook Incorporated. (CIP No. 10-001)	09/2010 - 08/2015
Co-Investigator	Zenith Fenestrated AAA Endovascular Graft Clinical Study. Funded by Cook Incorporated. (Investigational Plan No.: 04-541)	12/2010 - 11/2015

Mayo Clinic

Principal Investigator	Epidural Cooling to Prevent Ischemic Injury to the Spinal Cord: The Effects of Different Temperatures. Funded by Mayo Protocol	11/1996 - 10/1997
Principal Investigator	Inhibition of Nitric Oxide Synthase: The Effect of Spinal Cord Ischemia After Aortic Cross-Clamping. Funded by CR Programs	11/1998 - 10/2000
Co-Investigator	Arginine Supplementation to Improve Patency in Flow Compromised Reversed Interposition Vein Grafts. Funded by Mayo Protocol	12/1996 - 11/1998
Co-Investigator	Videoendoscopic thoracic aorta-to-iliac artery bypass with an intraluminal stapler in the sheep. Funded by CR Programs	10/2001 - 09/2003
Co-Investigator	Contemporary Management of Acute Mesenteric Ischemia. Funded by Mayo Discretionary funds	03/2003 - 03/2004
Co-Investigator	Long-Term Persistent Type 2 Endoleak Following Endovascular Abdominal Aortic Aneurysm Repair Are	08/2011 - 08/2013

Frequently Associated With Sac Enlargement: A 10-Year
Experience. Funded by SGP - Small Grants Program <\$10K
