

Curriculum vitae

Personal information

Name: Dr Kristóf Felegyi
Date of birth: 1994. április 08.
Address: 5600 Békéscsaba, Földvári street 12.
Mobile: 0630/542-3989
E-mail: felegyik@gmail.com

Education

2016 Budapest University of Technology and Economics
Chemical Engineer BSc

2013 Pharmacy MSc, Semmelweis University, Budapest
Title of thesis: **The changes of mitochondrial bioenergetic parameters in Alzheimer disease: studying mice model's bioenergetics parameters.**
Supervisor: Dr László Tretter

2005-2013 Belvárosi High School (Békéscsaba)

Research Interest

Junior researches: SE-Faculty of Pharmacy, Department of Organic chemistry,
2015. september - 2017. január
Supervisors: Dr Andrea Czompa and Dr Ágnes Bálint
Thesis: Synthesis of various dianiline ethers, purification, structure analysis

SE, Department of Medical Biochemistry, 2017. január
Supervisors: Dr László Tretter és Dr Gergő Horváth
Title of thesis: - The changes of mitochondrial bioenergetic parameters in
Alzheimer disease: studying mice model's bioenergetics
parameters. (MSc thesis)

- New liver operation technique: ALLPS and its effect on cellular
regeneration.

- Studying various antioxidant efficiency of flavonoids.

Professional experiences

2018 spring: Kígyó Pharmacy, Békéscsaba
2018. april: State Medical Centre. Budapest
2017 summer: Haller Pharmacy and Páva Pharmacy, Budapest
2016. july: Department of Organic Chemistry. Budapest
2015. july: Kígyó Pharmacy, Békéscsaba
