

Dr. Dóra Bogdán

Work address | Semmelweis University, Department of Organic Chemistry
1092 Budapest, Hőgyes Endre utca 7.

Research Center for Natural Sciences, Institute of Materials and
Environmental Chemistry,
Artificial Transporter Research Group
1117 Budapest, Magyar tudósok körútja 2.

E-mail address | bogdan.dora@pharma.semmelweis-univ.hu

Education

2008-2013 | Semmelweis University, Faculty of Pharmacy
Pharmacist MSc., summa cum laude

2013-2019 | Semmelweis University, School of PhD Studies
Supervisors: Dr. István Mándity, Dr. Tamás Gáti
Defense: 03/10/2019, summa cum laude (100%)

Work experience

2019- | Research fellow
Research Center for Natural Sciences,
Institute of Materials and Environmental Chemistry,
Artificial Transporter Research Group

2015- | Assistant lecturer
Semmelweis University, Department of Organic Chemistry

2017-2019 | Assistant research fellowship
Research Center for Natural Sciences,
Institute of Materials and Environmental Chemistry,
Artificial Transporter Research Group

2015-2016 | Scientific assistant
Bionics Center Budapest

2011 | Trainee (NMR-spectroscopy)
Servier Research Institute

2010 | Trainee (Analytics and Pharmaceutical technology)
Béres Gyógyszergyár Zrt.

2010-2013 | Research work – Scientific Students' Associations
Semmelweis University, Department of Organic Chemistry

Scholarships

2017-2018	Predoctoral scholarship – “New National Excellence Program of the Ministry of Human Capacities” <i>Structure elucidation of synthetically modified ecdysteroid compounds with NMR-spectroscopy</i>
2015 (4 months)	Ernst Mach Stipendium der Aktion Österreich-Ungarn, Österreichische Austauschdienst-GmbH (OeAD-GmbH), Zentrum für Internationale Kooperation & Mobilität (ICM) <i>Structural modification of natural compounds</i> Supervisor: Prof. Norbert Haider University of Vienna, Division of Drug Synthesis
2014 (3 weeks)	Scholarship for german language course in Austria – Salzburg (AÖU)

Awards

2019	Best Presentation Award PhD Scientific Days Budapest
2013	Best Presentation Award (Pharmacy Session) Science4Health International Scientific Conference, Moscow, Russia
2013	„Best Pharmacy student in 2013” National Pharmaceutical Competition I. Prize
2012	Mozsonyi-Prize
2013	Student conference at the Semmelweis University, 2nd prize
2012	Student conference at the Semmelweis University, 1st prize
2011	Student conference at the Semmelweis University, 2nd prize

Languages

English	B2
German	B2

Teaching experience

2013-	Organic Chemistry in Hungarian, English, German languages
