

Curriculum Vitae

Name: Márton Ivánczi
Place and date of birth: Budapest, 5th July 1995.
Citizenship: Hungarian
E-mail: ivanczi.marton@semmelweis-univ.hu

Education:

Semmelweis University Budapest, Faculty of Pharmacy, 2014–2019.
Semmelweis University Budapest, Doctoral School of Pharmaceutical Sciences, recent from 2019.

Languages:

Hungarian native
English B2 certificate
German basic notions

Research Interest:

Molecular modelling and computational chemistry of peptides
Thesis: Conformational study of cell-penetrating peptides

Publications:

2018. KeMoMo-QSAR symposium as co-author
2019. TDK conference: Conformational study of cell-penetrating peptides

Awards:

2015. GYTK CERN Competition 3rd place
2016. Problem Solving Competition in Organic Chemistry best pharmacist student

Other activities:

String instruments: violin, viola, mandolin

Member of the Medikus Orchestra of the Semmelweis University

Budapest, 2020. január
