¹ If parental responsibility is exercised jointly by the parents, the declaration is only valid if it is signed by both parents.

Parents exercising parental responsibility jointly may authorize each other – mutually or individually – to act as the legal representative. In such cases, an authorization issued in an authentic instrument or in a private document countersigned by an attorney must be attached.

If, for any reason, only one parent exercises parental responsibility over the child, this must be verified by attaching a copy of the relevant official document (administrative or court decision).

² to be filled if legal representation is exercised by a person other than one of the parents, such as a guardian.

I, the undersigned, as the legal representative, declare under penalty of perjury that:

1. **My legal representative authority is not limited;** I am authorized to make a legal declaration in the name of the above-named person.
2. **I acknowledge** that, under Hungarian law, a person under the age of 18 is a minor with limited legal capacity and may therefore make legal statements during application and admission to an institution of higher education independently only within a limited scope. The same applies to any legal statement while holding student status until reaching the age of majority. Legal representation is required when a minor undertakes acts with legal obligations.
3. **I have read, understood, and accept the provisions of the “Rules and Principles for Application and Admission” document** (available here: <https://semmelweis.hu/registrar/admission-rules>), **and the “Student Contract”** (available here: <https://semmelweis.hu/registrar/student-contract>), which set out the rules for application, and in the event of successful admission the training, and its cost coverage for the minor.
4. **I provide my unconditional and irrevocable consent** in application matters of the minor named in this declaration, who is under my legal representation
 - a) to the minor’s participation in the full application and admission procedure,
 - b) to the minor signing the Student Contract in the event of successful admission, and *I accept the obligations set forth in the Student Contract as binding* with respect to the person I represent.
5. **I undertake the obligation**
 - a) to cover all costs incurred during the full admission procedure and tuition fees,
 - b) to provide my bank account details,
 - c) in the event of successful admission, to fulfill any obligations contained in the Student Contract concluded by the minor I represent,
 - d) to report any changes in my data provided within this declaration within 8 days.
6. I attach the following document to this declaration (official document related to parental custody or legal representation, if applicable):

.....
7. **I declare that I consent** to the processing of my personal data provided in this declaration, as well as the personal data of the minor applicant, for the purpose of exercising my legal authority of representation necessary for the validity of legal declarations made during the applicant’s higher education studies until the applicant reaches the age of majority.
8. **I acknowledge that the submission and delivery of this declaration to Semmelweis University is a prerequisite for the application and, upon admission, for enrollment.**
