CALL FOR APPLICATIONS – DEMONSTRATOR POSITION

The Semmelweis University, Pediatric Center, Tüzoltó Street Department hereby publishes a call for applications for demonstrator positions for the **2026/2027 academic year**, in accordance with the provisions of the Organizational and Operational Regulations – Student Standards of Semmelweis University.

Issuing organizational unit:

Semmelweis University, Pediatric Center, Tüzoltó Street Department

Academic course related to the demonstrator activity: Pediatrics

Duration of the demonstrator assignment:

- Duration: Two semesters (2026/2027 academic year)
- Start date: 1 September 2026

Demonstrator duties:

- Active participation in the **teaching of pediatric hands-on workshops** under supervision
- Active participation in **organizing and conducting OSCE examinations** under supervision

Working hours:

- Two workshops per week (**4 hours per week**)
- Including examination-related duties, a **maximum of 16 hours per month**

Demonstrator scholarship:

Demonstrators may be eligible for a demonstrator scholarship. The amount and conditions of payment are determined by Semmelweis University in accordance with prevailing regulations. The scholarship is paid on the basis of a monthly certificate of performance issued by the Head of the Clinic.

Eligibility requirements:

Applicants must meet the following requirements:

- Be enrolled in the **general medicine programme** at Semmelweis University
- Be at least a **fourth-year student**
- Demonstrate outstanding academic achievement and student engagement
- Show a strong interest in **pediatrics**
- Possess **English language proficiency at a minimum level of B2 (upper-intermediate)**

Submission of applications:

Applications must be submitted to the Pediatric Center, Tüzoltó Street Department.

Application deadline: The complete application must be submitted no later than the last day of the exam period of the spring semester of the 2025/2026 academic year, to the Educational Secretariat of the Clinic via email at oktatas@gyerekklinika.com.

Procedure and deadline for evaluation of applications:

Following the expiry of the submission deadline, the Pediatric Center forwards the received applications, together with a ranking established based on the department's preliminary assessment, to the Faculty Dean's Office **within ten (10) working days**.

The final decision on the applications is made by the Faculty leadership, with the involvement of the Faculty Student Union, **no later than the start of the fall semester of the 2026/2027 academic year**.

Applicants are notified of the decision in writing, and the relevant educational and research organizational units are also informed.

Evaluation criteria:

Applications are ranked and evaluated in accordance with the applicable regulations of Semmelweis University, with particular regard to:

- The applicant's academic performance in relevant pediatric courses
- Professional interest and motivation
- Language proficiency
- Any other relevant educational or professional activities

The decision is made by the Faculty leadership with the involvement of the Faculty Student Union. Applicants receive written notification of the outcome.

Budapest 25 February 2026.

Head of Department
