

Call for Teaching Assistants (TA)
2025/2026 Academic Year, I-II Semester

Department: Institute of Translational Medicine

Subject: Translation Medicine - Pathophysiology

Prerequisite: The call is for 4th year medical students.

At least *good* average academic result in the previous academic year and *excellent* or *good* final exam grade in Translational Medicine and Pathophysiology.

Task: The task of the TA assignment is to actively participate in the discussion of clinical case studies and assist in instrumental measurements in practice classes. Both tasks are carried out under the supervision of the instructor of the institute.

The TA mandate is valid for 2 semesters from the beginning of the academic year. The monthly employment time is 6 hours (1 person/group).

At the end of the second semester TA should prepare a detailed report about TA activity and submit it to the director of the Institute.

Salary and credits: TAs receive a tuition fee reduction based on the Regulation of Education and Examination and 1 credit/semester if TA activity is approved by the supervisor.

How to apply: A signed and completed TA application form must be submitted to the Institute of Translational Medicine: Dr Miklos Mozes, Course Tutor
Email: mozesmiklos@yahoo.com

The deadline for submission is: **July 4, 2025**
