| <p>The following "new" language requirements will be compulsory from the academic year 2024/25 in years I-II-III and will have to be completed in an ascending line from then on.</p> <p>In the Dentistry Program, the condition of issuing a diploma in the foreign language programs: a final examination in Hungarian language. Students who participate in the English language program are required to be able to communicate in Hungarian which they shall prove by taking a Hungarian final examination. The abstract of the thesis/diploma work must be attached to the finalized and submitted thesis/diploma work in Hungarian in accordance with the formal and content requirements. As a new criterion, the linguistic and grammatical evaluation of the abstract is also added to the assessment form of the thesis work. At the defense of the thesis/diploma work, the last, summarizing slide of the slides, on which the oral presentation is based, must be presented in Hungarian language. In the defense report of the thesis/diploma work, the student's Hungarian language performance must be evaluated as well.</p> <p>Studying the language for dental medical purposes: foreign language for specific purposes has been built into the curriculum as a criterion requirement in the form of a university professional basic exam subject. For obtaining a master's degree, foreign language knowledge including the relevant terminology of dentistry must be acquired before obtaining the pre-degree certificate in accordance with the requirements set out in the curriculum.</p> |  |  |  |  |  |  |  |  |  |  |  |  |
