

International Neurology & Neurosurgery Conference (INNC) 2025 Programme

18-19th January 2025

UCL East (Marshgate Building, 7 Sidings St, London E20 2AE)

Day 1

Time	Event
8.45am – 9.15am	Registration with Breakfast
9.15am – 9.30am	INNC Welcome Address INNC 2025 Directors: Dr Fahm Deen and Gladys Ng <i>University College London, London, UK</i>
9.30am – 10.30am	Clinical Insights into Epilepsy Professor Sanjay Sisodiya <i>UCL Queen Square Institute of Neurology & National Hospital for Neurology and Neurosurgery, London, UK</i>
	Laboratory Breakthroughs in Epilepsy Professor Gabriele Lignani <i>UCL Queen Square Institute of Neurology, London, UK</i>
10.30am – 11.20am	Paediatric Neurosurgery and Insights into Pioneering Epilepsy Surgery Mr Martin Tisdall <i>Great Ormond Street Hospital for Children, London, UK</i>
11.20am – 11.50am	Break and Speed Networking with Field Experts
12noon – 1.15pm	Workshop Sessions 1 & 2
1.15pm – 2.15pm	Lunch, Poster Presentations & Exhibits
2.15pm - 3.30pm	Workshop Sessions 3 & 4
3.30pm – 4.30pm	Clinical Neurophysiology in Practice Professor Martin Koltzenburg <i>UCL Queen Square Institute of Neurology & National Hospital for Neurology and Neurosurgery, London, UK</i>
4.20pm – 4.40pm	Sponsors Talk: <ol style="list-style-type: none">1. UpSurgeOn2. CMTUK
4.45pm – 5.30pm	Neurosurgery Keynote Address 1 Professor Robert F. Spetzler <i>Emeritus Chair, Barrow Neurological Institute, Arizona, USA</i>
5.30pm – 5.35 pm	Closing Address INNC Directors: Dr Fahm Deen and Gladys Ng <i>University College London, London, UK</i>

Day 2

Time	Event
8.30am – 8.50am	Registration with Breakfast
8.50am – 9.00am	INNC Day 2 Welcome INNC Directors: Dr Fahm Deen and Gladys Ng <i>University College London, London, UK</i>
9.00am – 9.45am	Traumatic Brain Injury and Acute Management Professor Peter Hutchinson <i>University of Cambridge, UK</i> <i>Addenbrooke's Hospital, Cambridge, UK</i>
9.45am – 10.25am	Introduction to Neuropathology and the Molecular Pathology of Neurodegenerative Diseases Professor Zane Jaunmuktane <i>UCL Queen Square Institute of Neurology & National Hospital for Neurology and Neurosurgery, London, UK</i>
10.25am – 10.35am	Sponsor Talk: Mentice
10.35am – 11.20am	Neurology Keynote Address Professor Alan Thompson <i>UCL Queen Square Institute of Neurology & National Hospital for Neurology and Neurosurgery, London, UK</i>
11.20am – 1.30pm	Workshop Sessions 1-4
1.30pm - 2.30pm	Lunch & Exhibits
2.30pm - 3.20pm	Functional Neurosurgery and Brain Mapping Mr Harith Akram <i>National Hospital for Neurology and Neurosurgery, London, UK</i>
3.20pm – 4.20pm	Oral Presentations
4.20pm – 4.40 pm	Sponsors Talk: <ol style="list-style-type: none">1. J&J MedTech2. Brainlab - Innovation in Technology
4.40pm – 5.30pm	Neurosurgery Keynote Address 2 Professor David J. Langer <i>Donald and Barbara Zucker School of Medicine, Northwell, USA</i> <i>Lenox Hill Hospital, New York, USA</i>
5.30pm – 5.45 pm	Prizes and Concluding Address INNC Directors: Dr Fahm Deen and Gladys Ng <i>University College London, London, UK</i>

Workshops – Day 1

1. Stroke Triaging
2. Headache and Differentials: Case-Based Workshop
3. Basic end-to-end anastomoses
4. Advanced Microsurgery: End-to-end anastomoses
5. Clinical Neuroanatomy (Brain Dissection) & Neuroimaging
6. Carotid Ultrasound
7. Aneurysm Clipping Simulation
8. Transsphenoidal Approach and Pituitary Tumour Resection

Workshops – Day 2

1. Neurogenetics: Applications in complex neurological pathologies
2. Cranial Nerve Examination
3. 3D Printing & Pre-Operative Planning in Neurosurgery
4. Advanced Neuronavigation & Augmented Reality Visualisations
5. Interventional Radiology & Thrombectomy Simulation
6. Spine Fixation
7. Advanced Tumour Resection Simulation
8. Neuroimaging: Case-based workshop
