

SEMMELWEIS UNIVERSITY

Department of Vascular and Endovascular Surgery

Head of Department

PROF. PÉTER SÓTONYI M.D. PhD

**Call for Application for Teaching Assistant Position  
For the 2026/2027 Academic Year  
For Students of the Faculty of Medicine at Semmelweis University**

The Department of Vascular and Endovascular Surgery is announcing a call for applications for teaching assistant positions for the 1st and 2nd semesters of the 2026/2027 academic year (Year VI), during the regular academic (term-time) periods related to block teaching.

**Application Requirements:**

- Student of the 4th, or 5th year of the Faculty of Medicine
- Committed to teaching the chosen subject and demonstrates exemplary behavior and attitude
- Achieved at least a good average academic result in the previous academic year
- Has above-average communication skills and foreign language proficiency (English and/or German)
- Active scientific student work previously conducted at the Department of Vascular and Endovascular Surgery is an additional advantage

**Expectations for Teaching Assistant:**

- Regular participation at least once a week (Wednesday/Thursday) in the institute's practical teaching activities and in their preparation
- Regular preparation from the study material in order to effectively assist students and support the work of the practice instructors in conducting skill training
- Participation in organizing and conducting demonstrations when necessary
- Acknowledgement that all activities must comply with current data protection regulations; all information, data, and documents learned during the course of duties must be treated confidentially and must not be disclosed or made accessible to third parties
- **Teaching Assistant Workload:**  
32 hours/month, related to block teaching, Starting in September, for remuneration

**Submission Method and Deadline:**

Please send the completed application form, available on the Faculty of Medicine website ([https://semmelweis.hu/registrar/medicine/t\\_a-apply-medicine/](https://semmelweis.hu/registrar/medicine/t_a-apply-medicine/)), to the Department of Vascular Surgery Secretariat at: [study.erseb@gmail.com](mailto:study.erseb@gmail.com)

**Application deadline: July 10, 2026**

Students who are selected for teaching assistant positions will be assigned to experienced instructors. The appointed instructor/supervisor will regularly consult with the teaching assistant, support their professional and scientific development, provide direct professional guidance, and supervise their activities. Students awarded a demonstrator scholarship will receive remuneration determined by the Faculty of Medicine, based on the monthly performance report issued by the department.

**Budapest, April 2026**

Respectfully,

**Prof. Dr. Péter Sótónyi**

Head of Department, University Professor
