

SIXTH YEAR'S CURRICULUM ROTATION SCHEDULES FOR 2026/2027

1. Students who wish to perform their rotations in already accredited hospitals that are listed at <https://semmelweis.hu/registrar/medicine/rotation/approved-institutes/> in these institutes you only need to submit the "Letter of acceptance" to the respective Semmelweis department, have it stamped and signed and turn it in or scan and email it to the Directorate of International studies Division of English Language Programs
 2. Each separate „Letter of acceptance” must be received by the Directorate of International Studies Division of English Language Programs **at the latest one month prior** to the start of the rotation program.
 3. You can do rotations in university departments or in teaching hospitals
 4. Taking a final exam requires a proper Neptun exam registration.
 5. At the end of Pediatrics practice, you have to take practical exam one day before the final exam. The practical exam has to be taken at Semmelweis University (1st or 2nd Department of Pediatrics)
