

10 – DAY INTENSIVE PREPARATORY COURSE 2026

Dear Prospective Student,

Freshmen starting their studies in medicine, dentistry or pharmaceutical sciences may not be fully prepared for university, which may be due to differences between education systems. Therefore, McDaniel College Budapest and its cooperating partner organize a **10-day intensive preparatory course** for those students who need to refresh their knowledge in science.

The course will be held between **17 and 26 August 2026** (date of arrival 16 August and date of departure 27 August 2026). *Please note that the timetable of this program will accommodate your registration for Semmelweis University.*

First day of lessons: 17 August.

The subjects of Biology, Chemistry and Physics will be taught in 60 hours by esteemed instructors for 10 days.

The fee is **2390 Euro**, which includes the tuition fee for 60 classes, accommodation for 11 nights in a hotel close to the College (in twin bedroom) and full board (three meals a day: breakfast, lunch, dinner).

If you are interested in participating in our course, please fill out our **APPLICATION FORM** and at the same time please transfer 250 Euro deposit to reserve your place within 2 weeks after receiving this letter. The deadline to pay the rest of the fee (2140 Euro) will be given in the confirmation e-mail.

If you have any questions, do not hesitate to contact us: intensivecourse@studyhungary.hu
