Faculty of Medicine
1st Department of Surgery

Chair
László Harsányi M.D., Ph.D

DAILY SCHEDULE FOR STUDENTS

- Morning surgical round at the ward with the tutor: 7:15
- Morning meeting at the library: 7:45
- OR starts at 8:15 every Monday, Wednesday and Friday. (Unless stg. special is prescheduled)
- Every Tuesday and Thursday the professor takes a surgical round on the wards, attendance is obligatory. OR starts at 8:30
- The student must check the daily program where his/her OR attendance is noted. The program is available at every ward, OR corridor and at the reception.
- The student must leave his/her phone number at the reception, and give it to the tutor.
- Absence is acceptable 3 times but only if it's arranged in advance with the tutor and it is written in the book at the clinic's office.
- One 24h shift is obligatory. The student must check-in at the chief and resident of duty.
- Daily attendance is official with the tutor's signature.
- Daily tasks at the ward:
 - Dressing change, drain removal, peripheral vein puncture for blood test etc.
- **In case of absence the deputy must be arranged on the ward and in the OR.**
- **All students cannot be out of the ward at the same time.**
- **Signed attendance register is required for the acceptance of the practice and for the exam.**
