Mailing address (place of data processing): 1143 Budapest, Besnyői utca 13. I. floor.

Phone number: +36-1-299-0184

Fax number: 061 299-018

E-mail: convention@convention.hu

Website: www.convention.hu

11. The legal grounds of data transfer if any, the fact of data transfer to third countries or international organizations: The data will not be transferred to any third party or international organization, except in the case of tender settlements, where only the name, e-mail address and qualification will be shared.

INFORMATION OF DATA SUBJECTS ABOUT THEIR FUNDAMENTAL RIGHTS

1. Information

Data subjects have a right to be provided with information in a concise, transparent, understandable and easily accessible form. The Controller shall fulfil such requests of data subjects in writing or in some other suitable way, after personal identity verification, without any undue delay, but by all means within 1 month of receipt of the request. Such data provision shall be effected by the Controller free of charge, except for requests found to be without reasonable grounds, excessive requests and frequently repeated requests.

2. The data subject's right to access

A data subject is entitled to be provided with access to his or her personal data and the following details: A duplicate copy of the for containing his or her personal data (additional copies shall be available for a fee).

3. Right to rectification

A data subject has the right to have his or her incorrect personal data rectified or supplemented without undue delay.

4. Right to erasure (right to be forgotten)

The Controller shall, at the data subject's request, erase the personal data relating to the data subject without undue delay, in any of the following cases:

- the purpose no longer exists or has become meaningless, the data are no longer required
- the data subject withdraws his or her consent, eliminating thereby the legal basis of processing
- the data subject objects to data processing
- unlawful data processing
- to fulfil some statutory obligation.

In the context of the data subject's right to be forgotten the Controller must erase the disclosed personal data – in view of the costs of the available technology and execution – and take reasonable steps to inform other controllers of the need to erase the relevant links, copies and second copies.

SEMMELWEIS UNIVERSITY

An exception to the data subject's rights specified in sections 3 and 4 are cases in which data processing is necessary. Data processing is necessary if it is indispensable for any of the following cases:

- the freedom of expression
- the performance of legal obligations or exercising some official authority
- in public interest in the area of public health
- archiving in public interest for scientific or historical research
- enforcing legal claims.

5. Right to restriction of processing

The Controller shall restrict processing at the data subject's request, if the data subject disputes the accuracy of the personal data the processing is unlawful and the data subject opposes the erasure of the personal data the Controller no longer needs the personal data but they are required by the data subject for the establishment, exercise or defense of legal claims the data subject has objected to processing and investigation is still under way at the Controller.

POSSIBLE LEGAL REMEDIES

1. If the data subject considers that the data controller has violated the applicable data protection requirements, then she or he can submit a complaint to the data protection officer of the data controller.

2. Right to lodge a complaint with a supervisory authority Supervisory authority:

Nemzeti Adatvédelmi és Információszabadság Hatóság (Hungarian National Authority for Data Protection and Freedom of Information), 1055 Budapest, Falk Miksa utca 9-11., web: www.naih.hu

3. Right to an effective judicial remedy against the Controller/Processor

Regardless of official procedures of authorities or other procedures the data subject seek remedy against the controller or processor at the court having jurisdiction over the area in which the controller/processor is carrying out its activities. Such legal action may also be instituted at a court of the member state in which the data subject has his or her place of stay. The ordinary court of competent jurisdiction over the Controller: Fővárosi Törvényszék (Budapest-Capital Regional Court, 1055 Budapest Markó u. 27.)
