3. Our response to student comments

Students said (course evaluation): "there were more photos rather than written informations on the pdf material which doesnt help to take notes and study."

"The first 3 lectures were not easy to follow and the level of english was poor."

Students said (practical evaluation): (Teacher: Dr. Kiss Dorottya Diána) "she is the best teacher during the practices really loved how she works and sharing her advices with us, during the seminars i would like to give more emphasis on the important information rather than emphasize everything."

Our response: Thank you for your feedback. We will discuss the clarity of the English explanations and the teaching materials with the lecturers. We will ask them to provide concise explanations alongside the images and to give greater emphasis to the essential knowledge during lectures.

Students said (course evaluation): "I appreciate the lecture videos being uploaded to moodle! I learn the best being able to rewatch the lectures."

Students said (practical evaluation): "(Teacher: Dr. Nguyen Viet Huy): good teacher!!!!!"

"(Teacher: dr. Régeni Béla Márton): best oral surgery supervisor!!!!!!!!!"

"(Teacher: Dr. Ács Márton Nándor): Dr. Acs is always very nice to students!"

"(Teacher: Dr. Ashourioun Amir Hossein): The best teacher"

"(Teacher: Dr. Koppány Ferenc): This was one of the best learning experiences I've had. The instructor was encouraging, created a low-stress environment, and significantly improved my understanding."

"(Teacher: Dr. Ashourioun Amir Hossein): Taught us with a passion quite knowledgeable it was an honor to work with him"

"(Teacher: Dr. Kiss Dorottya Diána): Great experience, encourages students to improve and learn more!"

"(Teacher: Dr. Ács Márton Nándor): Very professional instructor"

"(Teacher: Dr. Zsemeri Réka): Very professional instructor!"

"(Teacher: Dr. Ashourioun Amir Hossein): Dr ashourian and Dr patrick were perfect"

Our response: Thank you very much for your feedback! We aim to continue making the available lecture recordings accessible in Moodle.
