<i>Course requirements</i>	
Course prerequisites: Pharmaceutical Technology I. (Gyógyszertechológia I.)	
Requirements for participation in classes, extent of acceptable absences, method of justifying absence, possibility to make up for absences: Attendance of lessons is obligatory. Students are allowed to have three absences per semester. In the case of more absences, the teacher may deny giving signature. Students who miss a class, can make up for it (once a semester). A medical certificate for long-term sickness or hospitalization is required if students are absent more than 3 times.	
Mid-term tests: Midterm and end-term test (week 5 and 12) oral test (week 11); Topics of midterms: see the topics of the course. Students who fail the midterm test must retake it out of the hours of the lesson.	
Requirements for signature: Attendance of lessons is obligatory. Students are allowed to have 3 absences per semester. In the case of more absences, the teacher may deny giving signature. Students who miss a class, can make up for it (once a semester). Students must pass both tests. Active participation is required during the lessons. The evaluation of student performance is based on the marks received for the 2 written exams and oral test and for active participation in classes. Tests under 50% must be retaken. In the latter case, the mark fail will also be calculated towards the final mark. 0–50% = 1 (fail) 51–60% = 2 (pass) 61–75% = 3 (satisfactory) 76–89% = 4 (good) 90–100% = 5 (excellent)
