

REQUIREMENTS

Semmelweis University, Faculty of Medicine Name of the managing institute (and any contributing institutes): Department of Languages for Specific Purposes
Name of the subject: Magyar orvosi szaknyelv I. in English: Medical Hungarian I. in German: Medizinische Fachsprache Ungarisch I. Credit value: 2 credits Number of lessons per week: lecture: practical course: 2x90 minutes seminar: Subject type: <u>compulsory course</u> elective course optional course
Academic year: 2022/2023
Subject code: AOKNYE906_1A
Name of the course leader: Dr. Katalin Fogarasi Her workplace, phone number: Department of Languages for specific purposes (1094 Bp., Ferenc tér 15.), + 36-20-670-1330 Position: director Date and registration number of their habilitation: -
Objectives of the subject, its place in the medical curriculum: The role of this subject is to help students acquire the Hungarian language skills that enable them to take anamnesis, ask the patient about medical history and present complaints and to develop strategies that help understanding Hungarian patients in their clinical practice. Students learn how to communicate with the patient during the examination of the thoracic organs, circulation, abdomen, locomotor and nervous systems. Furthermore, they get familiarised with basic medical documentation (e.g., patient's chart). They develop the vocabulary necessary in their clinical practice, such as the names of symptoms and conditions.
Place where the subject is taught (address of the auditorium, seminar room, etc.): Department of Languages for Specific Purposes (H-1094 Budapest, 15 Ferenc tér)
Successful completion of the subject results in the acquisition of the following competencies: Students will be able to communicate with patients, they will have appropriate strategies for understanding the responses of patients, they will be able to ask relevant questions.
Course prerequisites: -
Number of students required for the course (minimum, maximum) and method of selecting students: Min. 5 students required – max. 20 students allowed. Students will be selected by their order of application via Neptun.
How to apply for the course: via Neptun
Detailed curriculum:

<i>weeks</i>	<i>curriculum</i>

Other subjects concerning the border issues of the given subject (both compulsory and optional courses!). Possible overlaps of themes: -

Special study work required to successfully complete the course: -

Requirements for participation in classes and the possibility to make up for absences:

Attendance of lessons is obligatory. Students are allowed to have seven absences per semester. Students who miss a class can make up for it (twice a semester). A medical certificate for long-term sickness or hospitalization is required if students are absent more than 7 times.

Methods to assess knowledge acquisition during term time:

Two oral interviews (7th week/14th week)

Topic: Based on the curriculum

Retake: in consultation with the instructor

Requirements for signature:

Attendance of lessons and oral interviews is obligatory. Students are allowed to have seven absences per semester. Student who miss more than 25% of the practical classes cannot receive a signature (Study and Examination Regulations § 29 § 2a).

Type of examination: practical grade

Requirements of the examination: -

Method and type of evaluation:

The practical grade is given based on the average of the two oral interviews. At least 50% must be achieved in both interviews. Active work in classes also affects the mark.

Evaluation of the two oral interviews:

0-49% = insufficient (1)

50-59% = sufficient (2)

60–74% = medium (3)

75%-89% = good (4)

90–100% = excellent (5)

How to register for the examination?: -

Possibilities for exam retake: -

Printed, electronic and online notes, textbooks, guides and literature (URL address for online material) to aid the acquisition of the material:

Teaching materials and audio recordings containing authentic texts compiled by the instructors of the Institute.

Signature of the habilitated instructor (course leader) who announced the subject:

Signature of the Director of the Managing Institute:

Hand-in date:

Opinion of the competent committee(s):

Comments of the Dean's Office:

Dean's signature:
